New York, NY: city vs. county population, 1800–2020

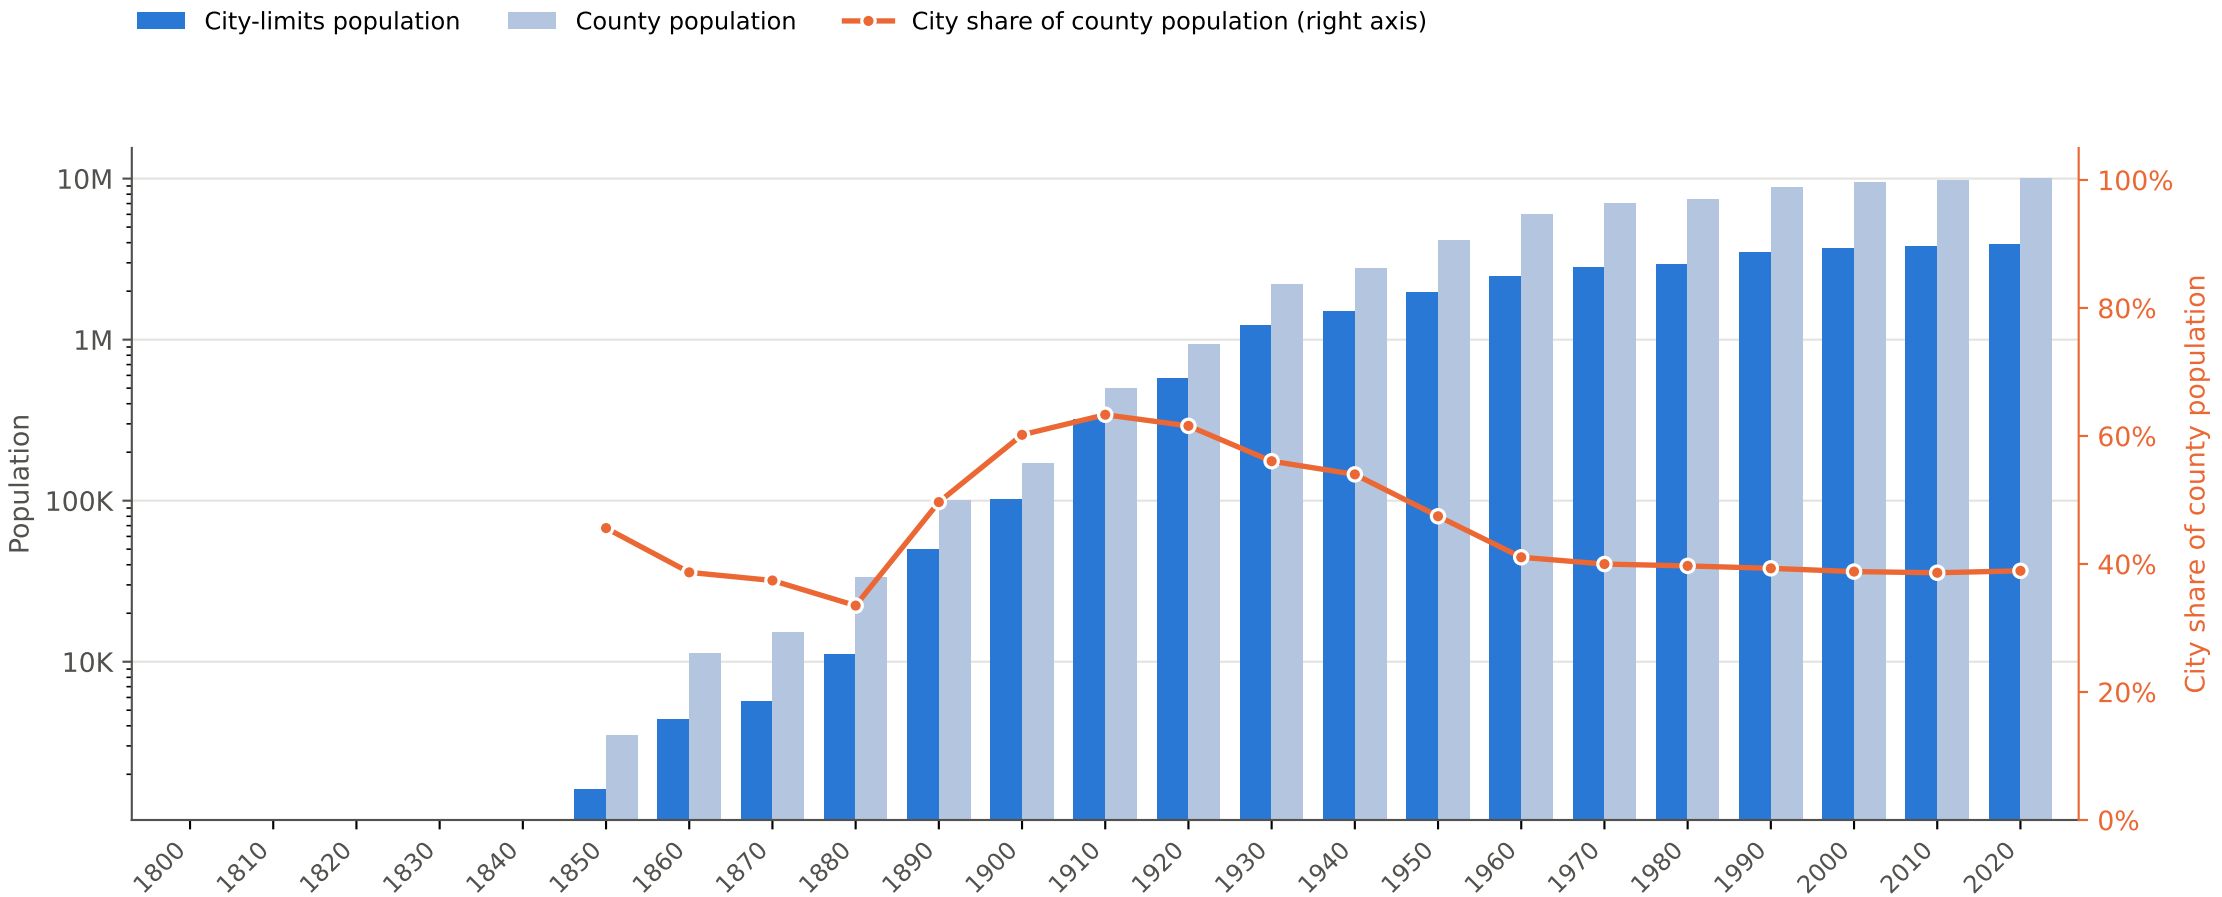

#1 city in the contiguous U.S. by 2020 Census population (8,804,190). Comparison county (2020): Five boroughs (New York, Kings, Queens, Bronx, Richmond c

Pre-1898 figures are the pre-consolidation City of New York (Manhattan plus, after 1874/1895, the annexed West/East Bronx); Brooklyn was a separate city until 1898.
Pre-1898 City of New York and New York County shared the same boundaries; county population set equal to city population.
Bronx County created 1914; in 1900-1910 the Bronx is counted within New York County.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Los Angeles, CA: city vs. county population, 1800–2020

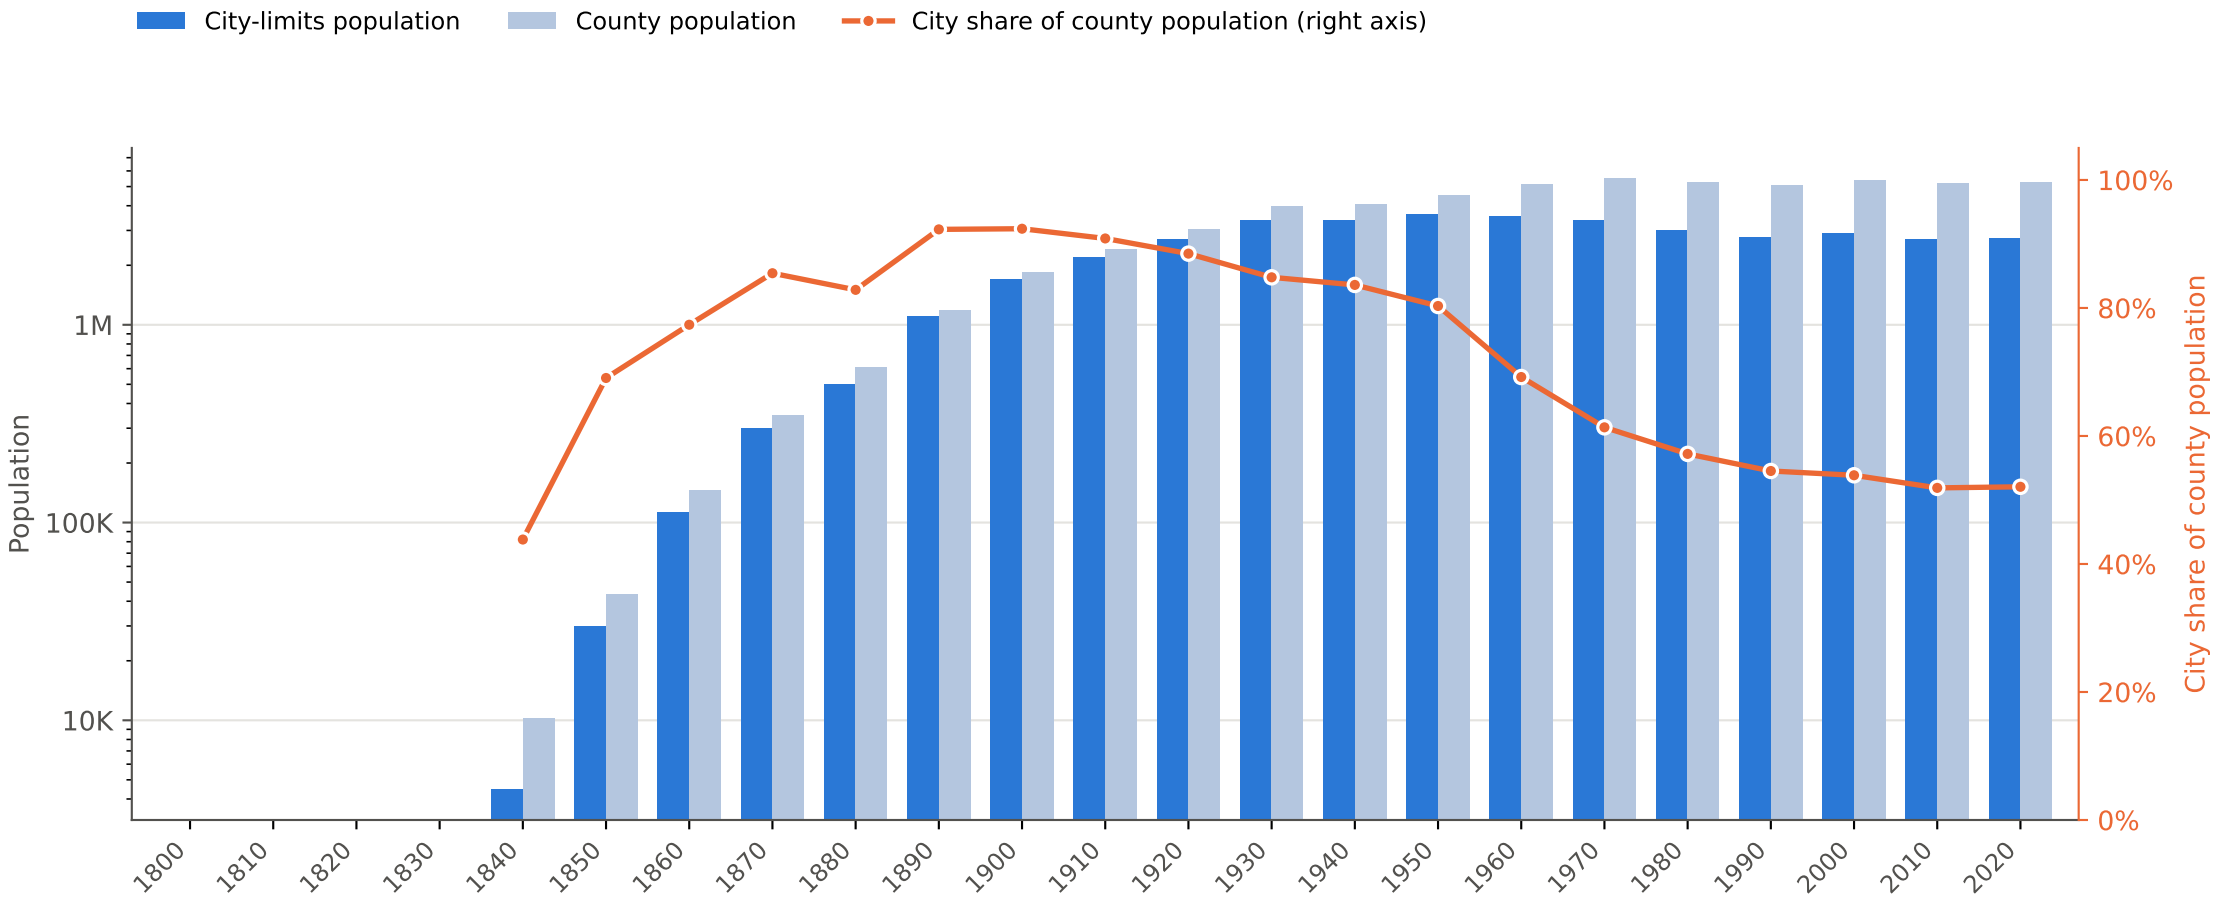

#2 city in the contiguous U.S. by 2020 Census population (3,898,747). Comparison county (2020): Los Angeles County, CA.

Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Chicago, IL: city vs. county population, 1800–2020

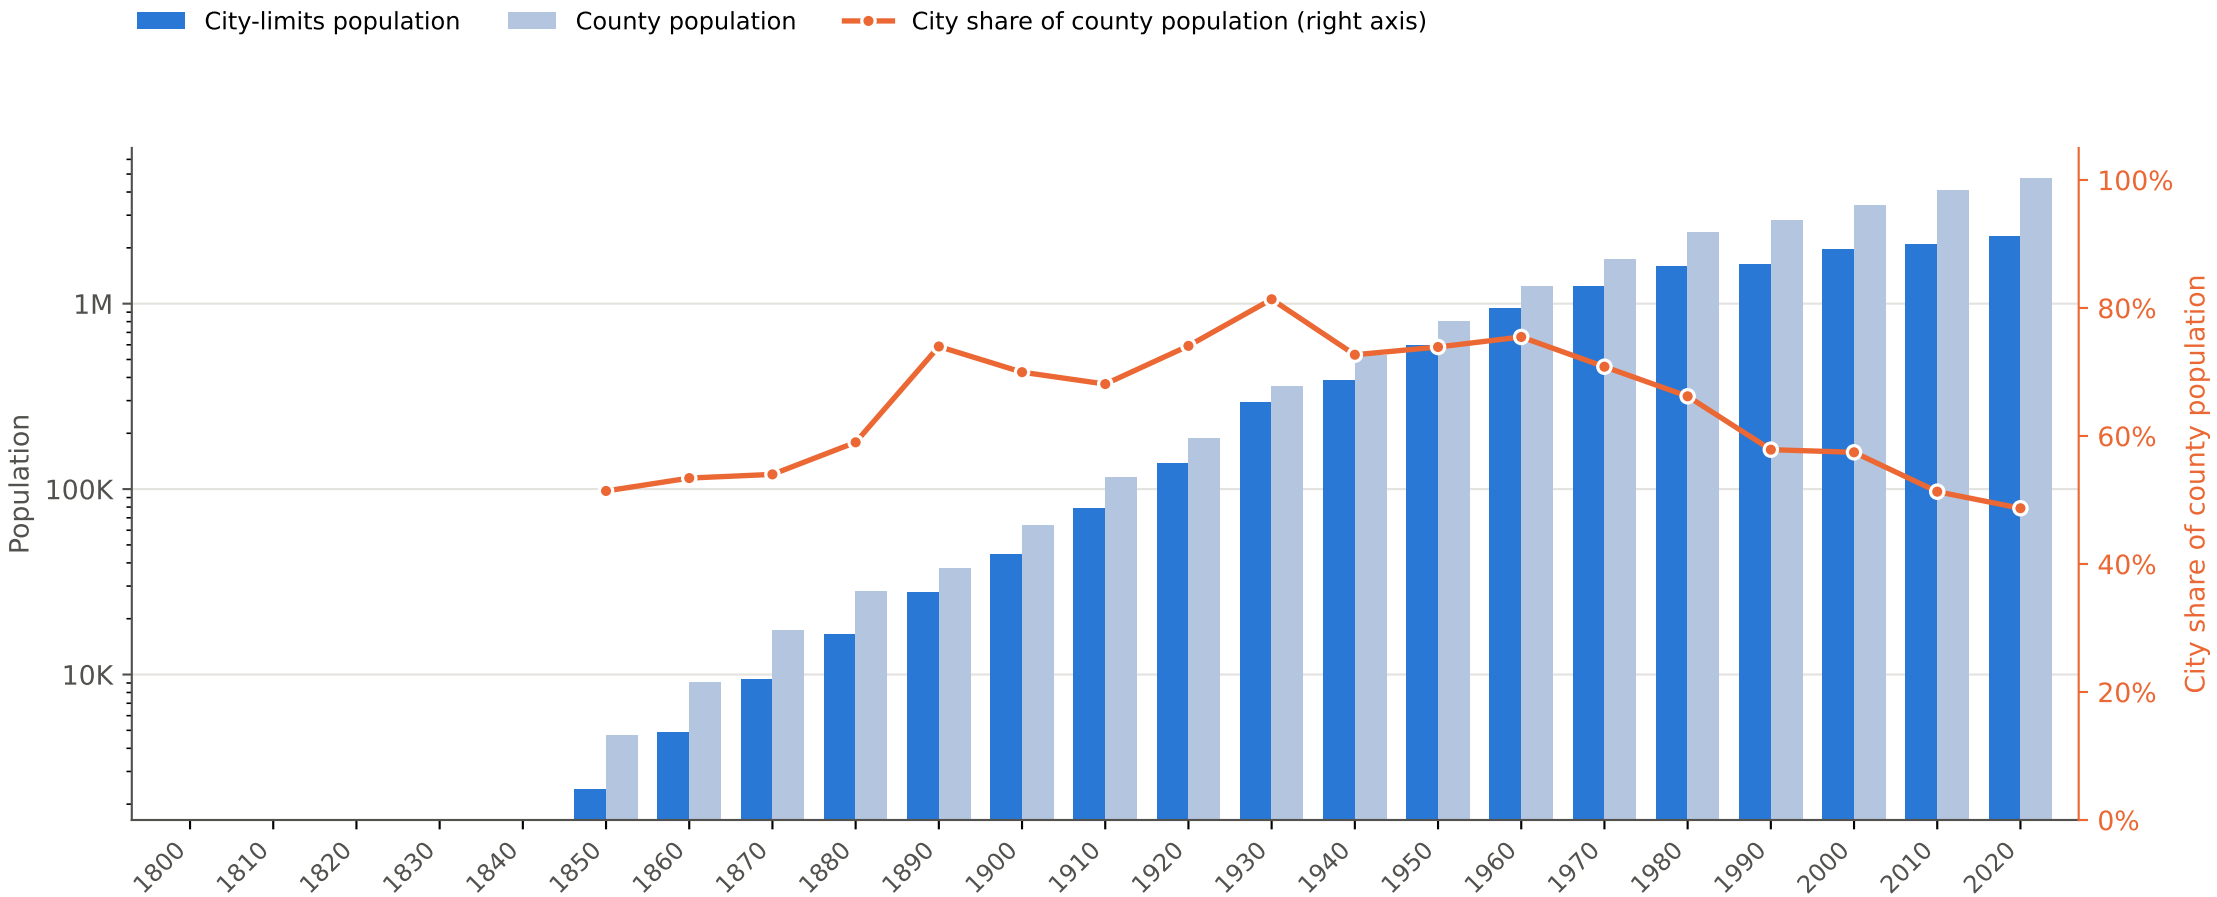

#3 city in the contiguous U.S. by 2020 Census population (2,746,388). Comparison county (2020): Cook County, IL.

A small part of the city (O'Hare area) lies in DuPage County.
City limits extend beyond the comparison county, so the share slightly overstates the share of that county living in the city.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Houston, TX: city vs. county population, 1800–2020

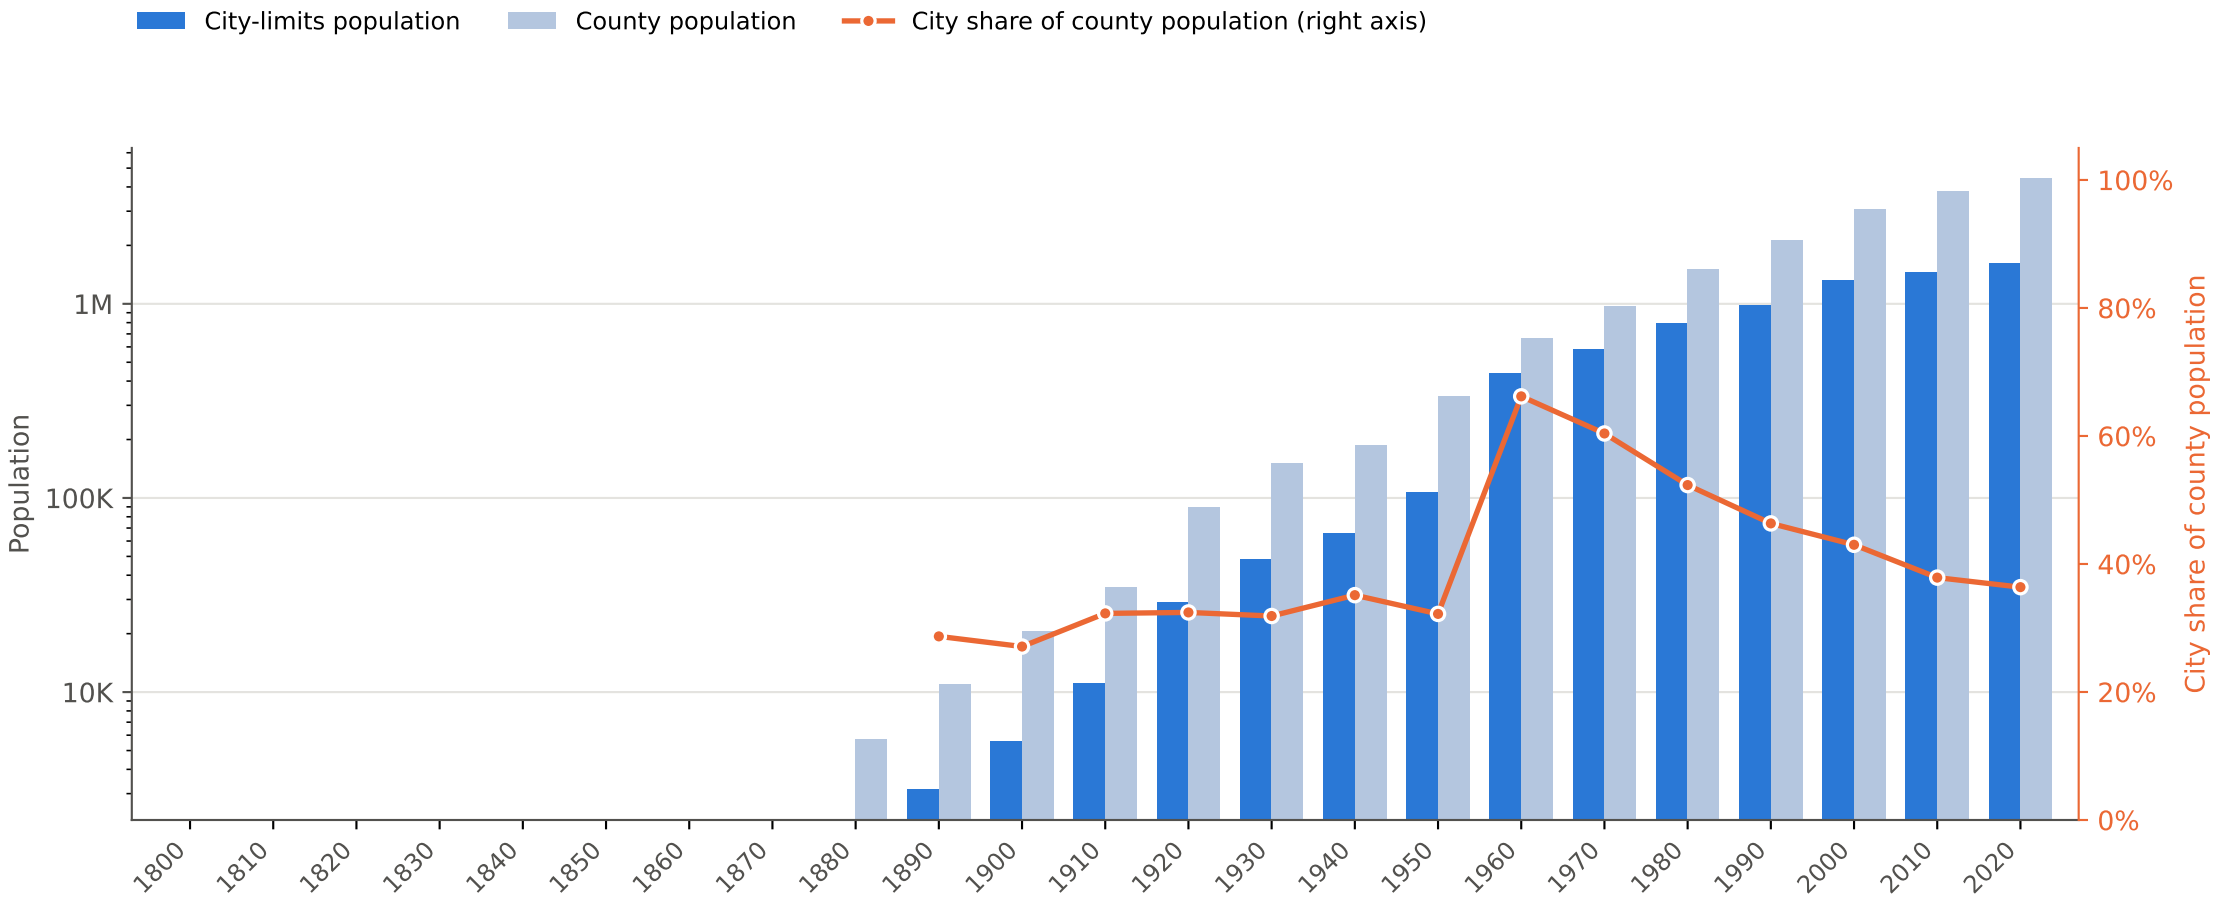

#4 city in the contiguous U.S. by 2020 Census population (2,304,580). Comparison county (2020): Harris County, TX.

Parts of the city lie in Fort Bend and Montgomery counties.
City limits extend beyond the comparison county, so the share slightly overstates the share of that county living in the city.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Phoenix, AZ: city vs. county population, 1800–2020

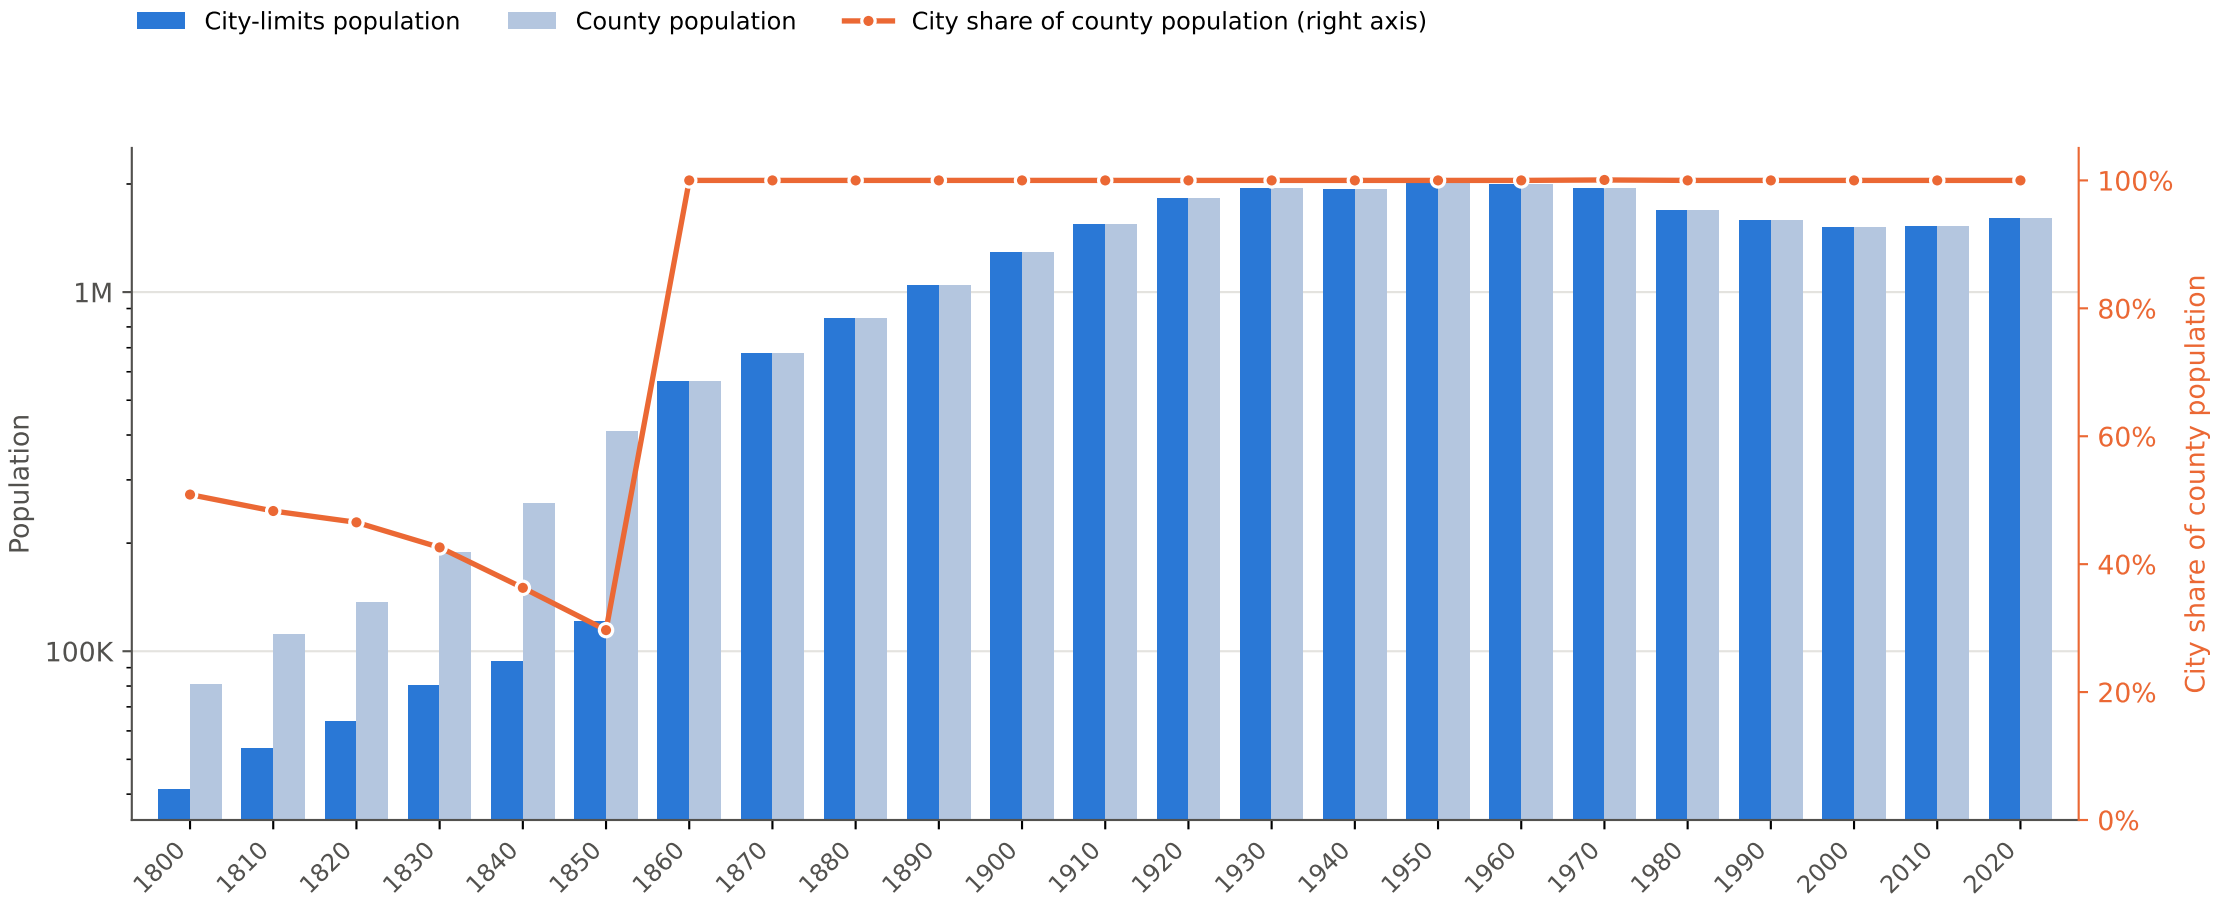

#5 city in the contiguous U.S. by 2020 Census population (1,608,139). Comparison county (2020): Maricopa County, AZ.

Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Philadelphia, PA: city vs. county population, 1800–2020

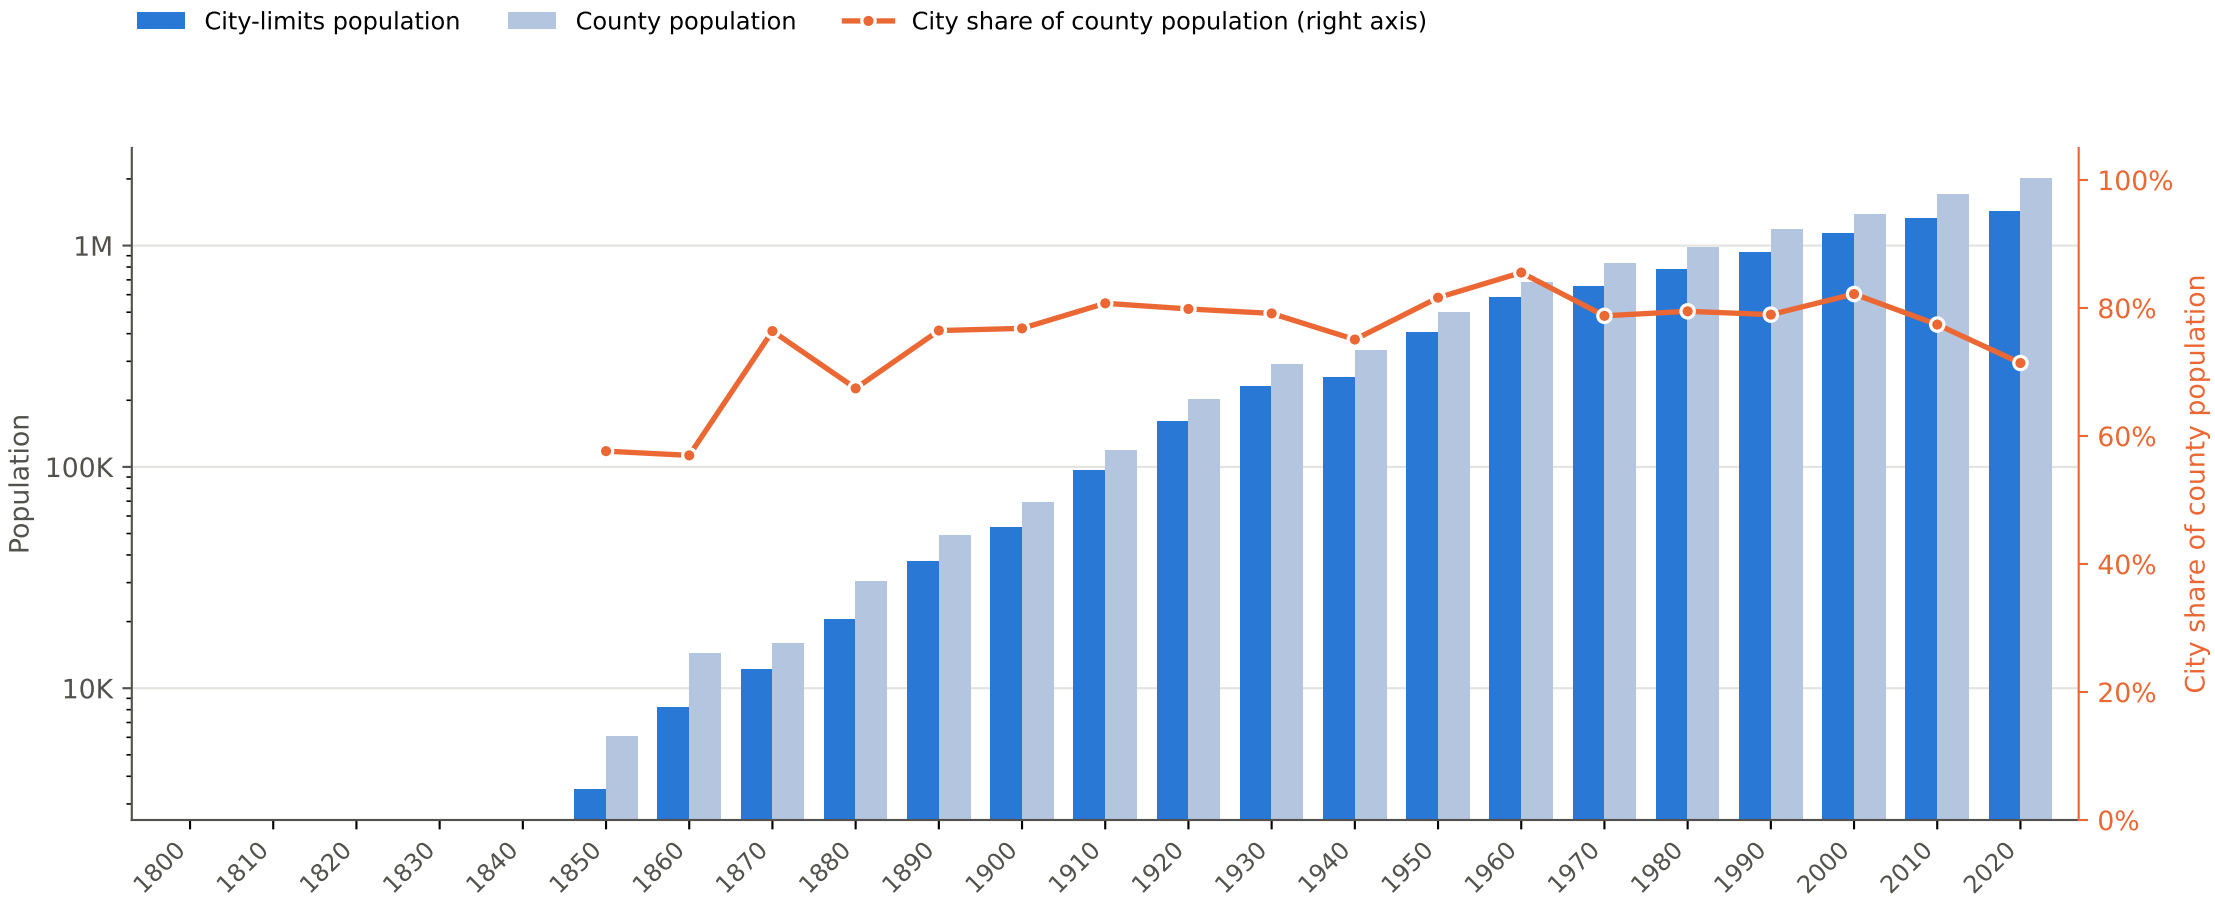

#6 city in the contiguous U.S. by 2020 Census population (1,603,797). Comparison county (2020): Philadelphia County, PA.

City and county consolidated in 1854; before that the county contained many separate municipalities.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

San Antonio, TX: city vs. county population, 1800–2020

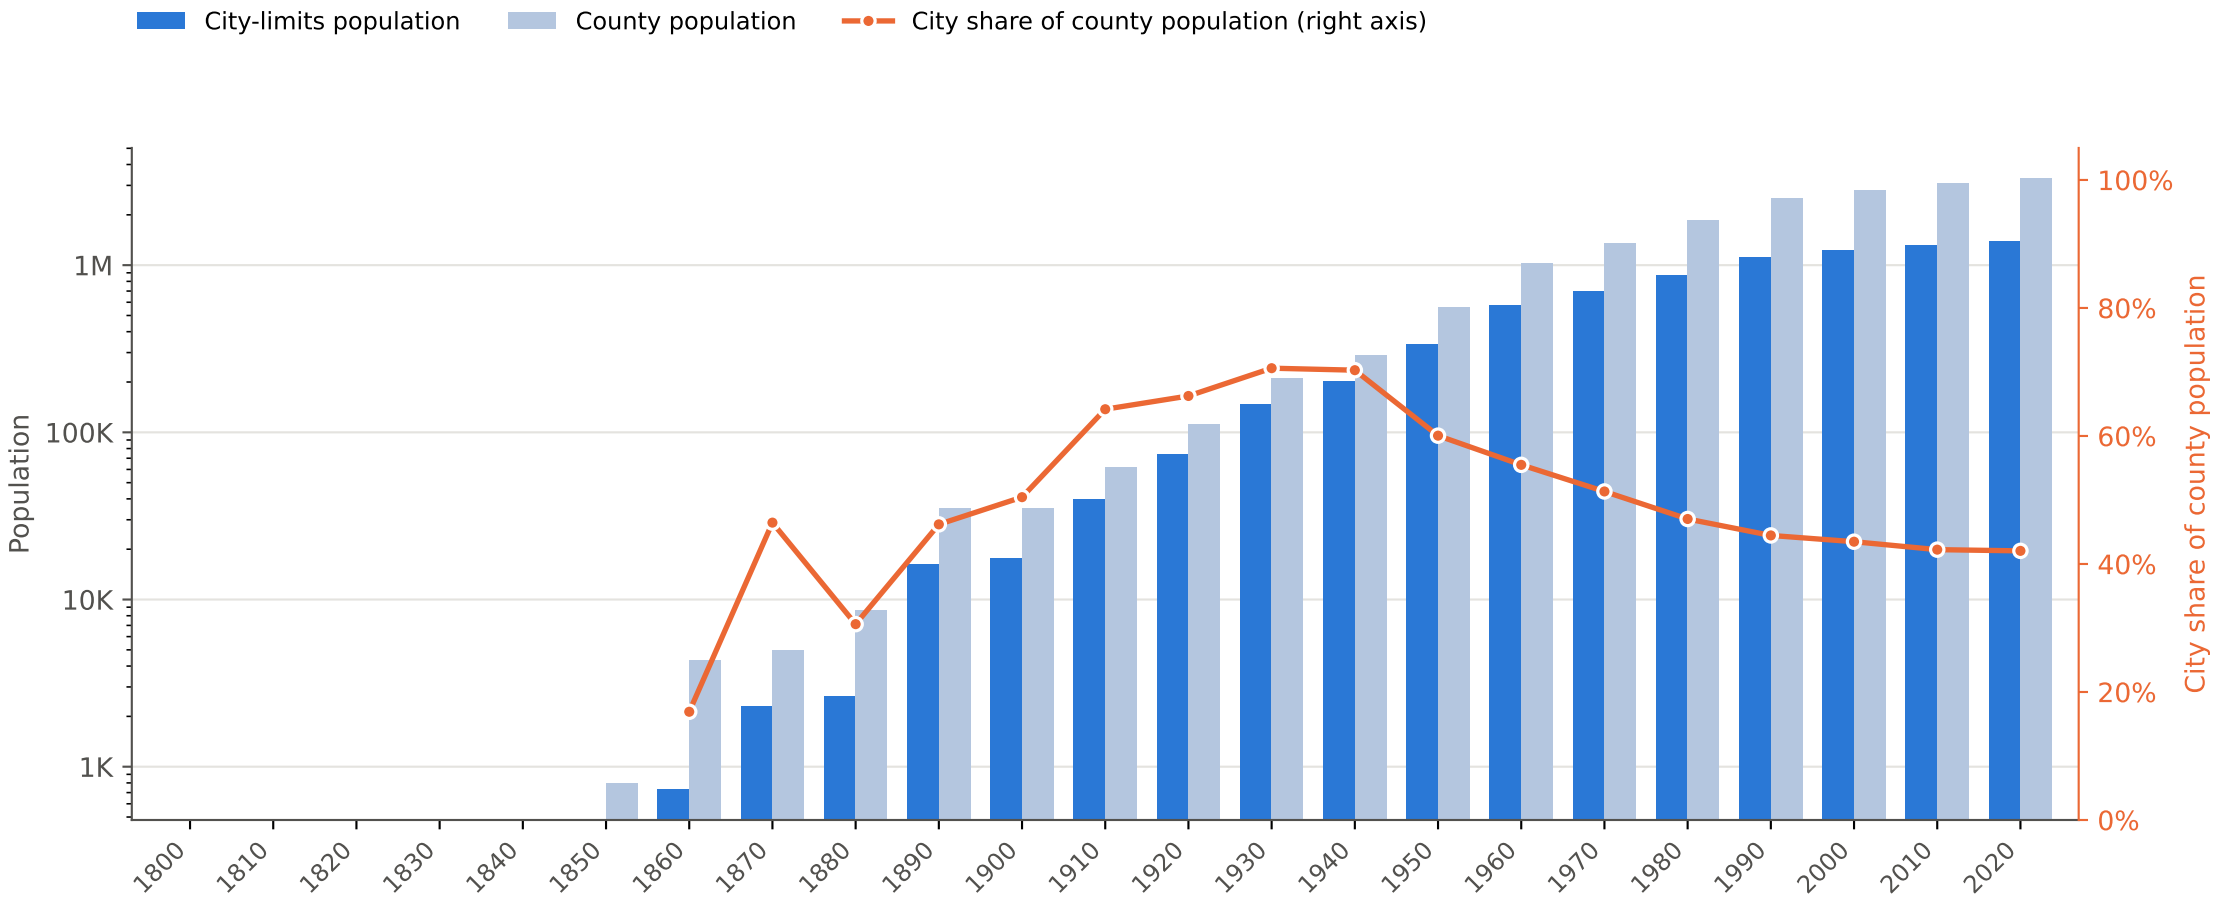

#7 city in the contiguous U.S. by 2020 Census population (1,434,625). Comparison county (2020): Bexar County, TX.

Small portions extend into Comal and Medina counties.
City limits extend beyond the comparison county, so the share slightly overstates the share of that county living in the city.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

San Diego, CA: city vs. county population, 1800–2020

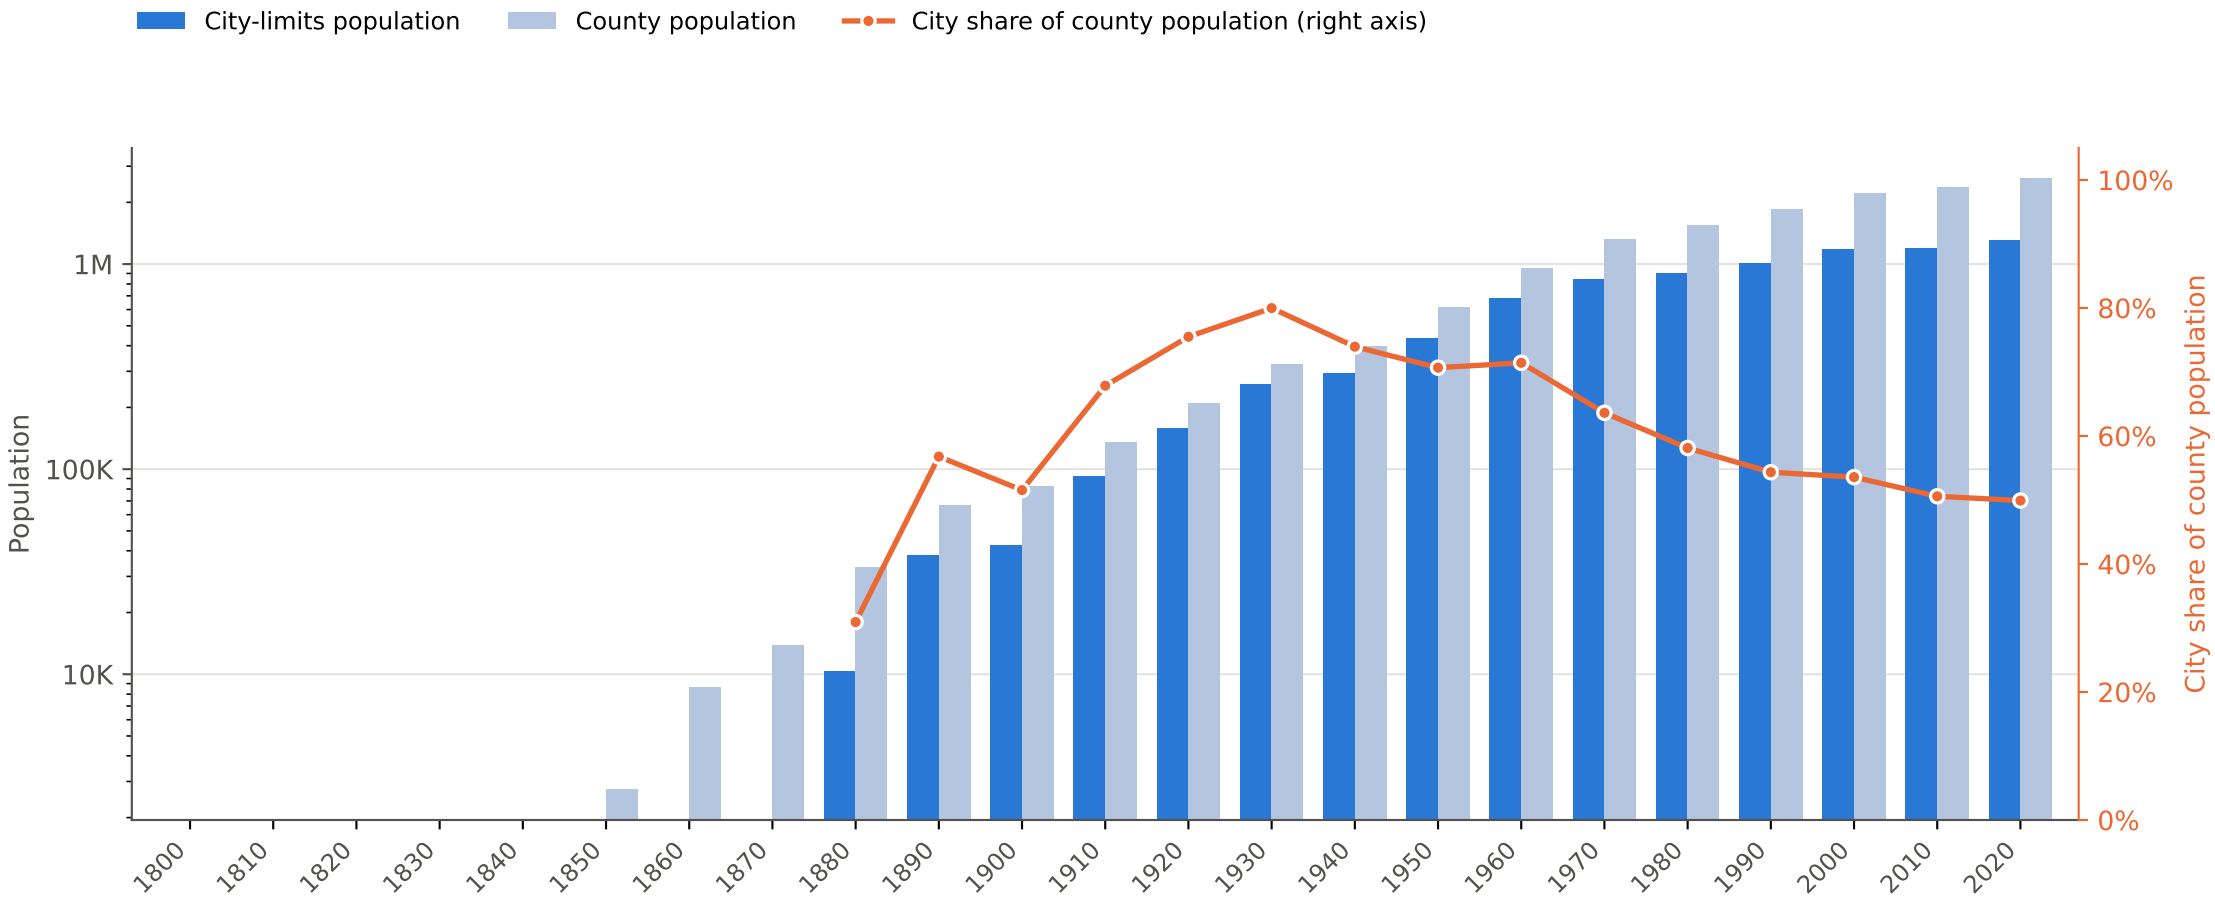

#8 city in the contiguous U.S. by 2020 Census population (1,386,932). Comparison county (2020): San Diego County, CA.

Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Dallas, TX: city vs. county population, 1800–2020

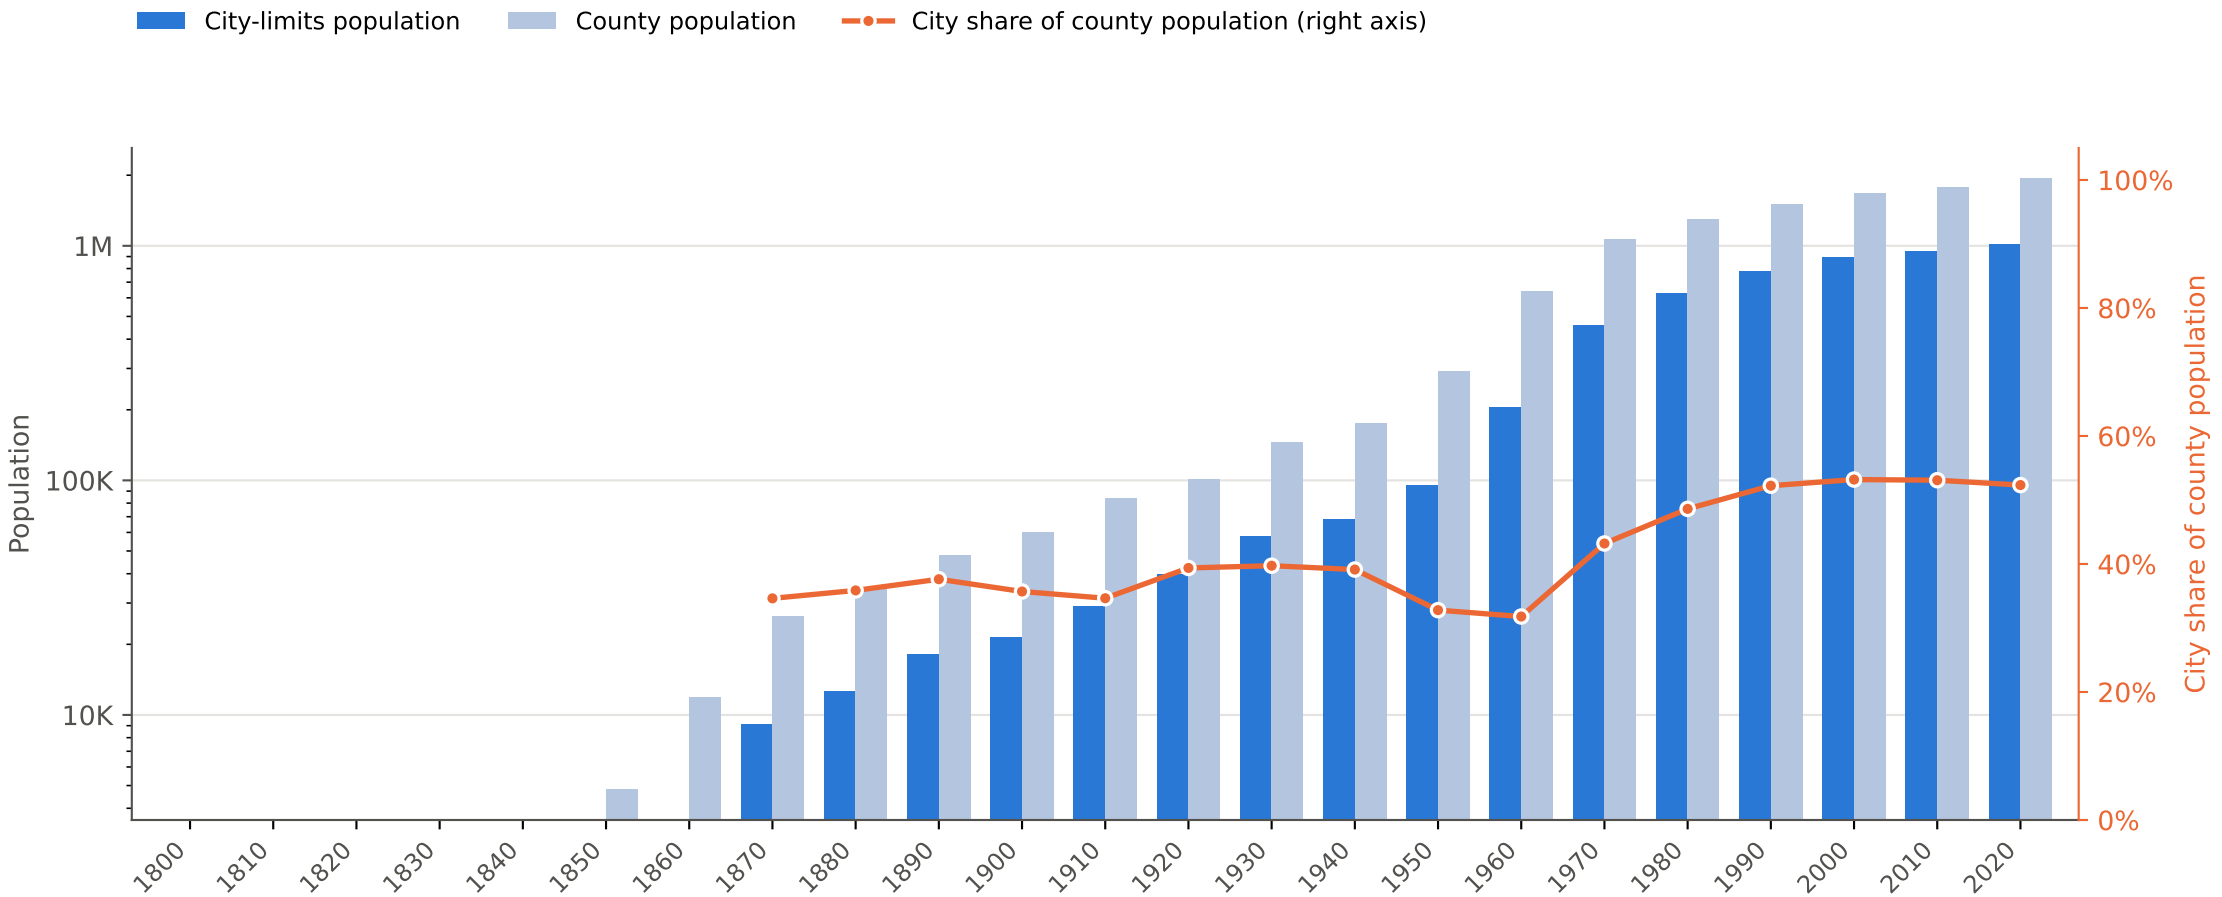

#9 city in the contiguous U.S. by 2020 Census population (1,304,379). Comparison county (2020): Dallas County, TX.

Parts of the city lie in Collin, Denton, Kaufman and Rockwall counties.
City limits extend beyond the comparison county, so the share slightly overstates the share of that county living in the city.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

San Jose, CA: city vs. county population, 1800–2020

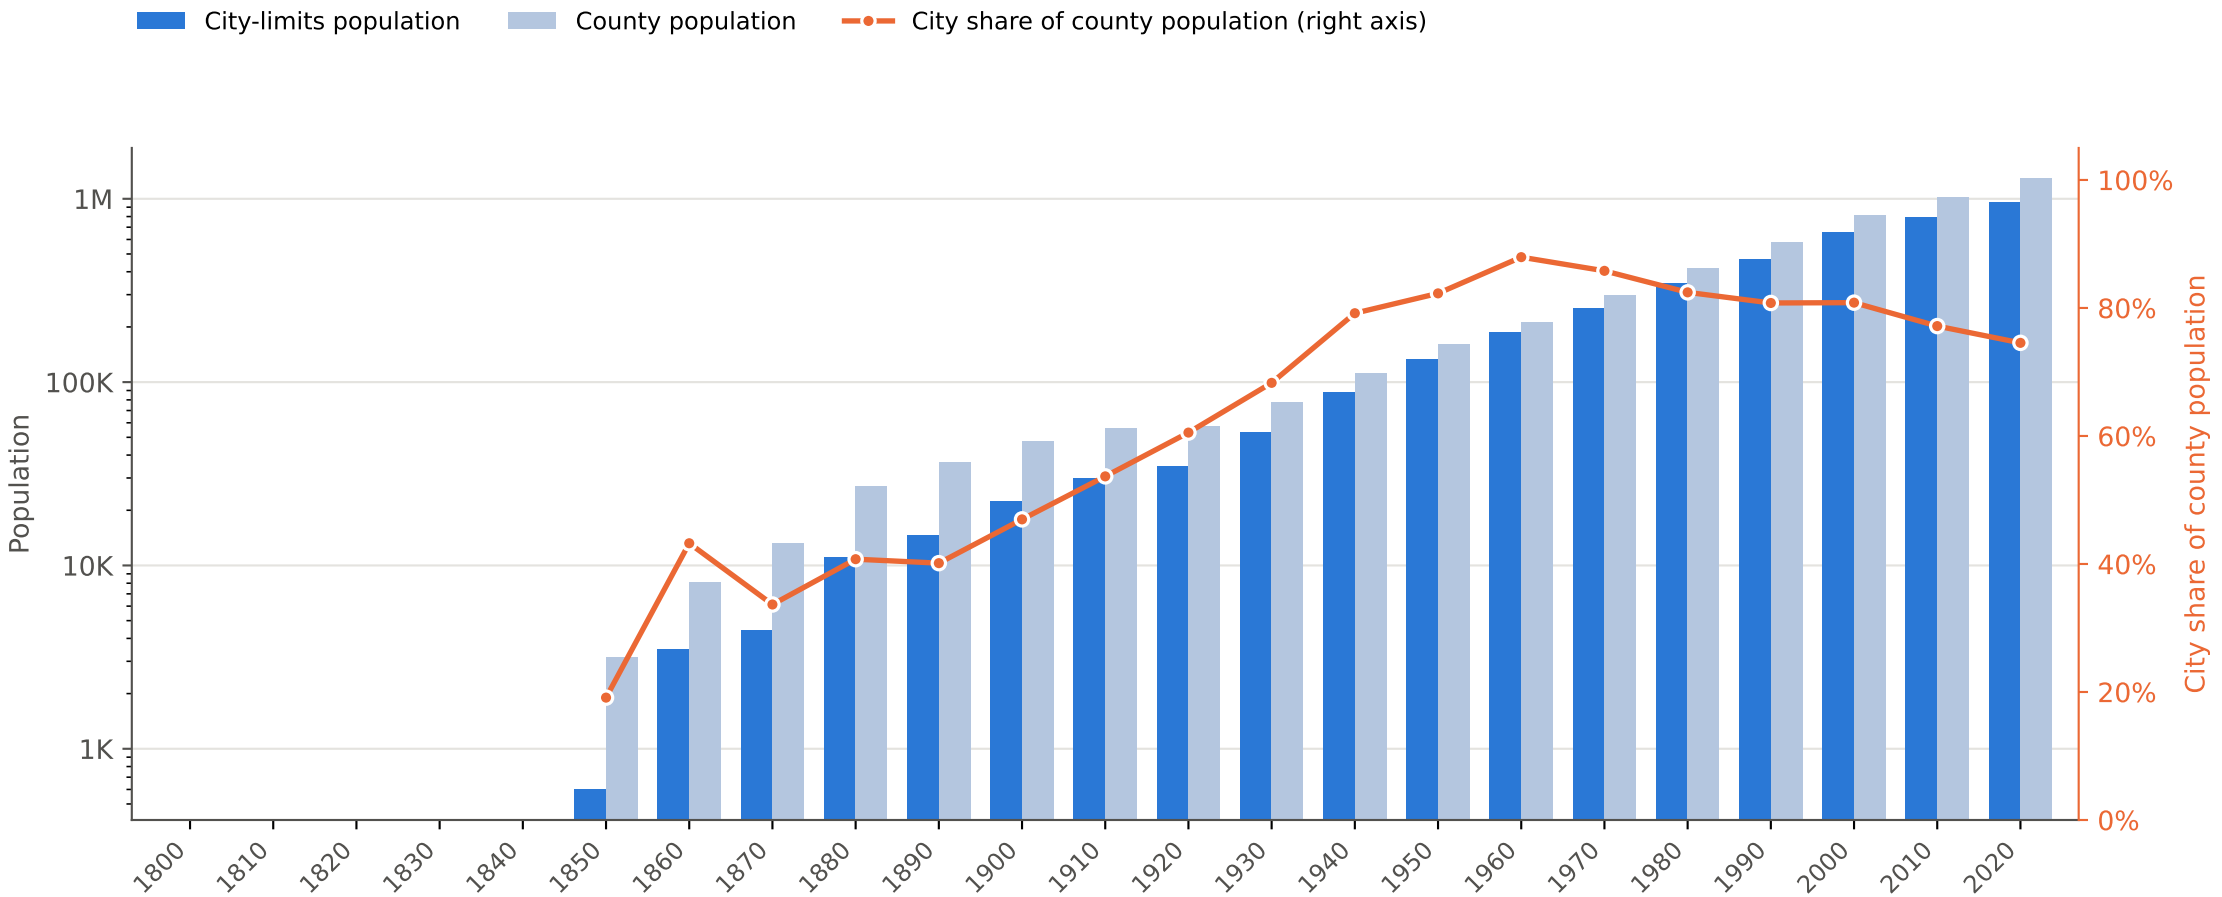

#10 city in the contiguous U.S. by 2020 Census population (1,013,240). Comparison county (2020): Santa Clara County, CA.

Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Austin, TX: city vs. county population, 1800–2020

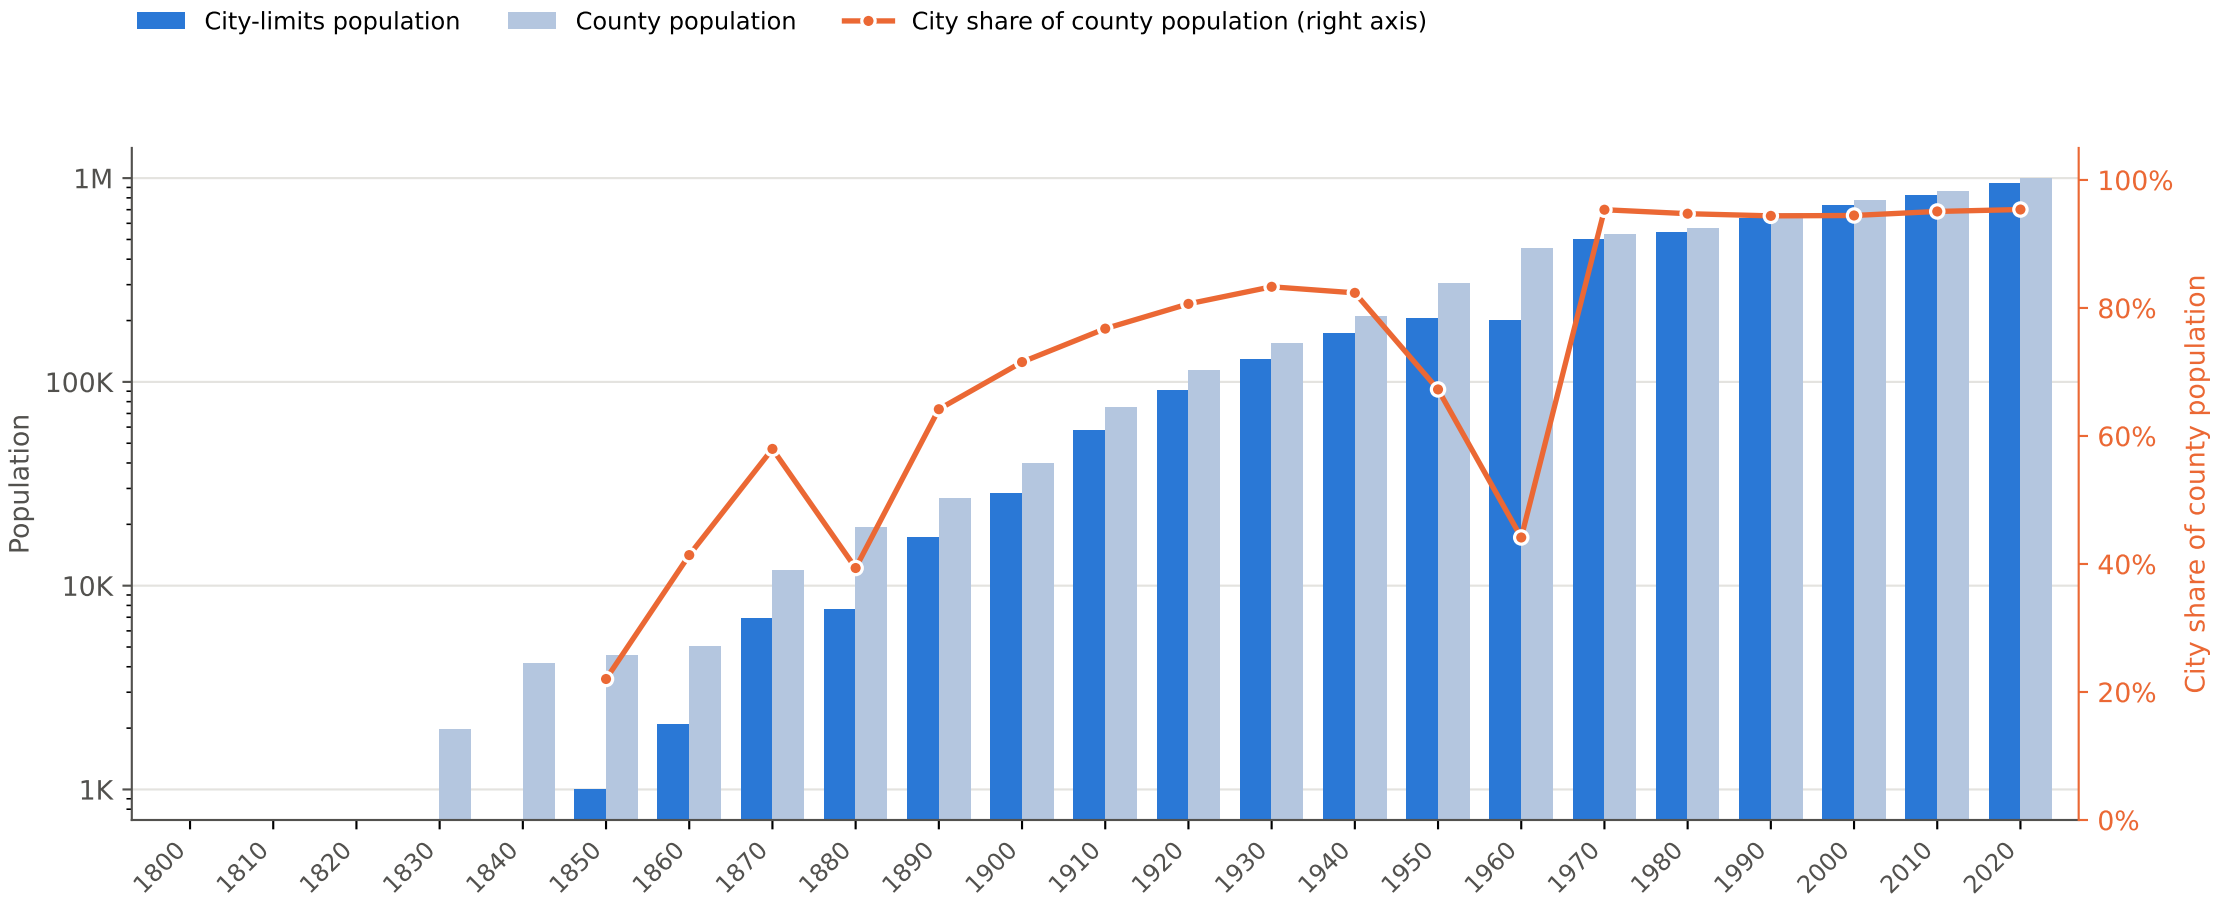

#11 city in the contiguous U.S. by 2020 Census population (961,855). Comparison county (2020): Travis County, TX.

Parts of the city lie in Williamson and Hays counties.
City limits extend beyond the comparison county, so the share slightly overstates the share of that county living in the city.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Jacksonville, FL: city vs. county population, 1800–2020

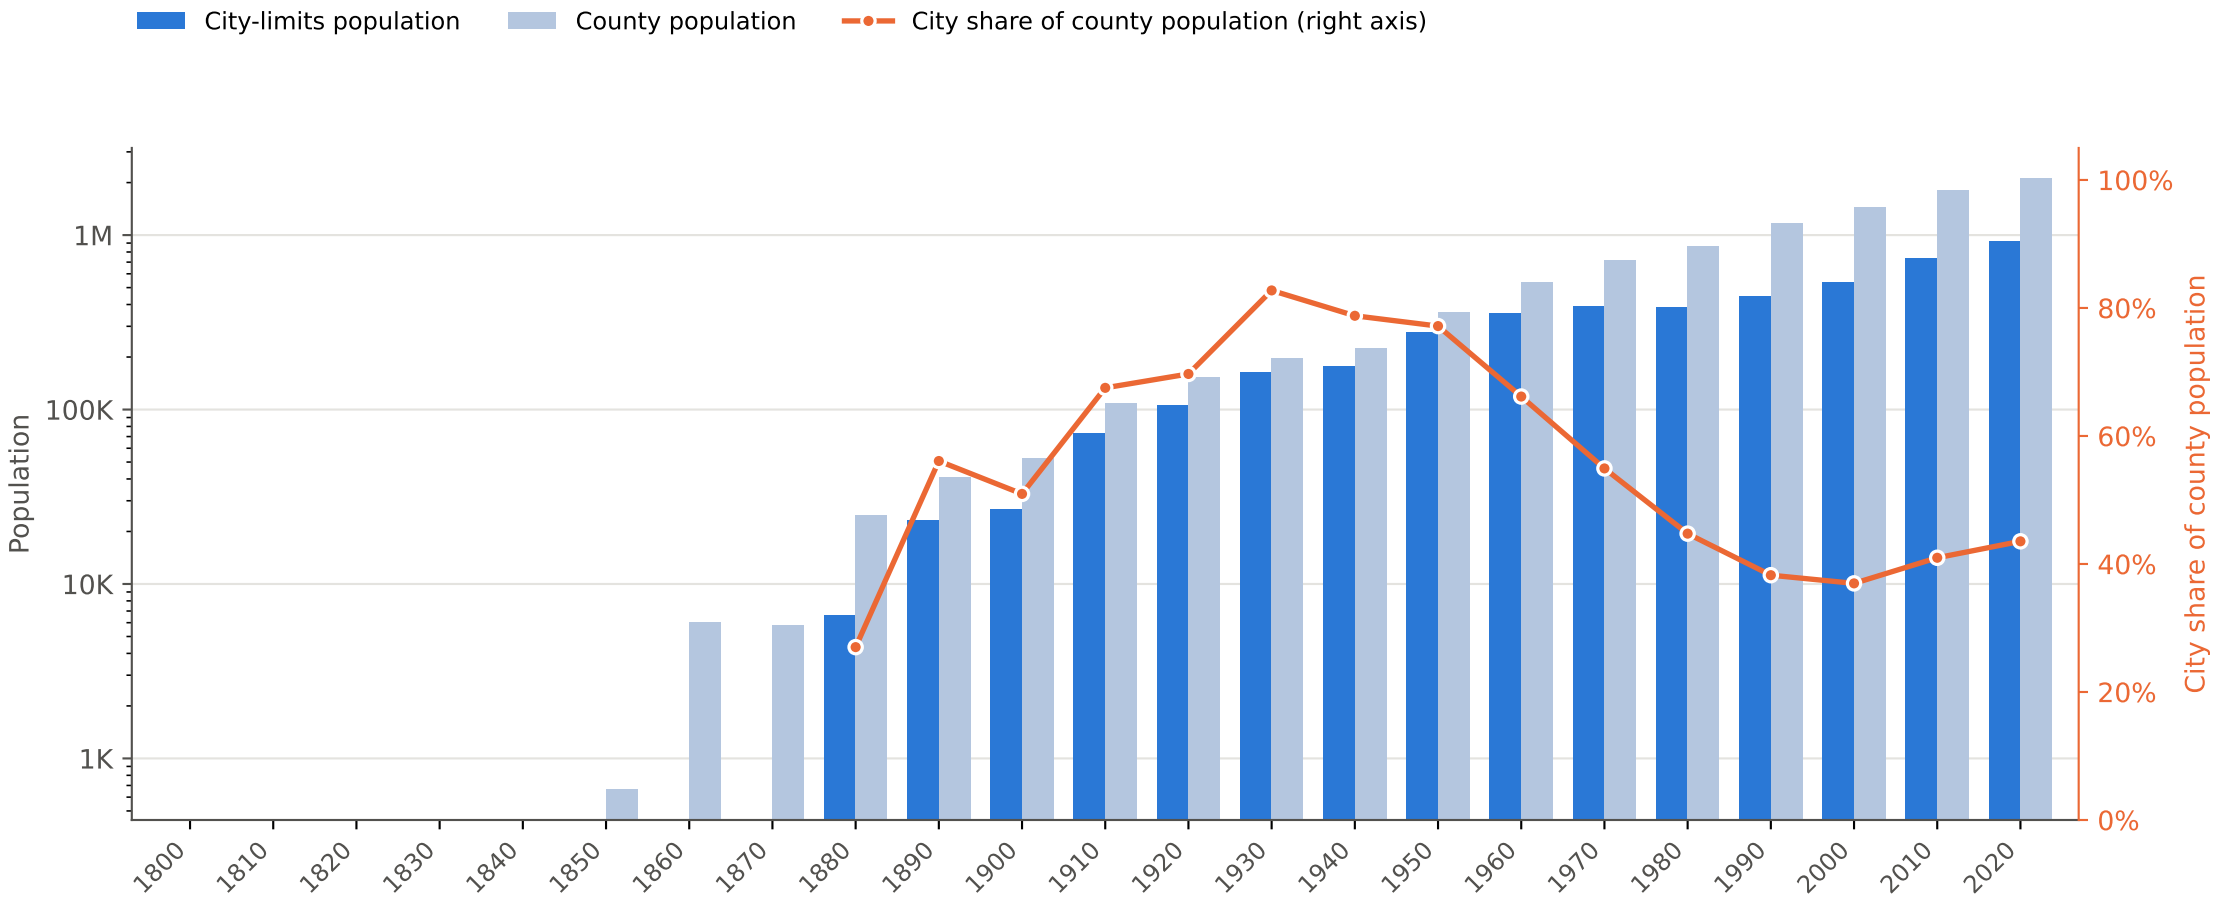

#12 city in the contiguous U.S. by 2020 Census population (949,611). Comparison county (2020): Duval County, FL.

City and Duval County consolidated in 1968.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Fort Worth, TX: city vs. county population, 1800–2020

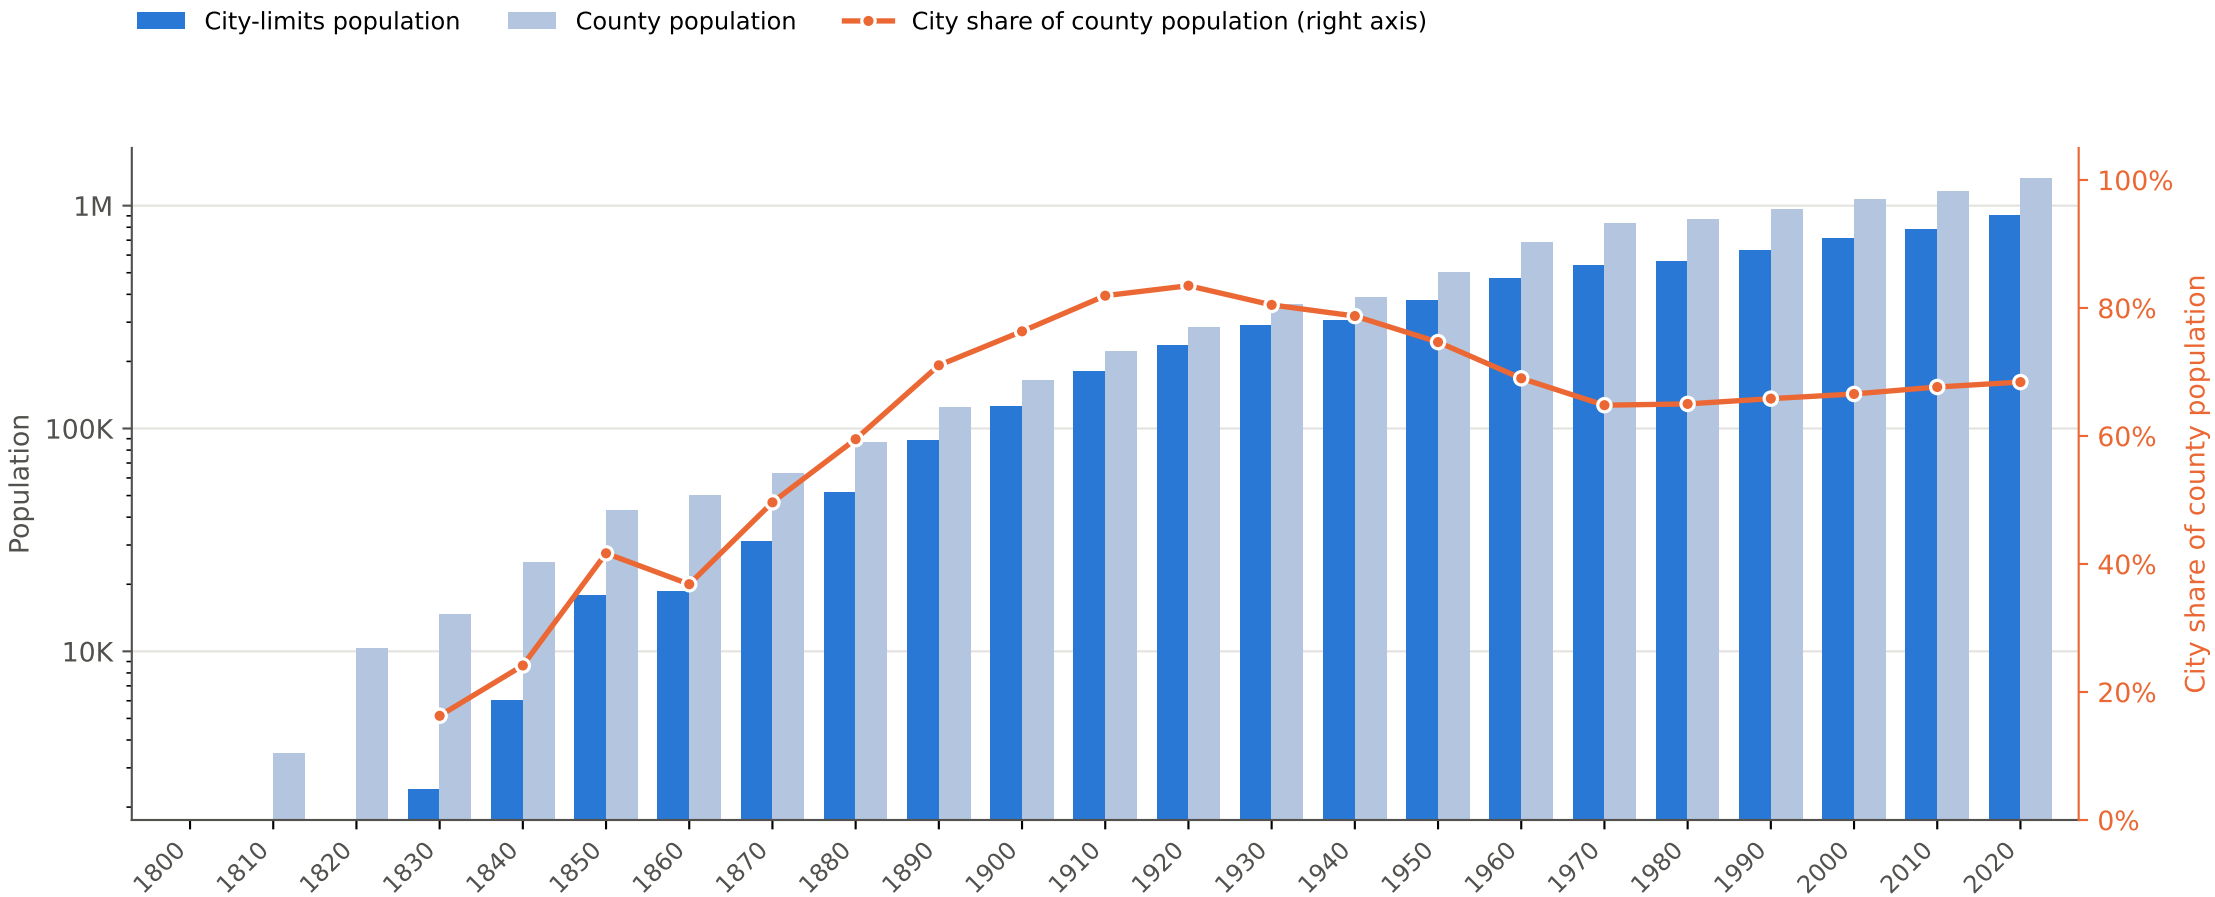

#13 city in the contiguous U.S. by 2020 Census population (918,915). Comparison county (2020): Tarrant County, TX.

Parts of the city lie in Denton, Johnson, Parker and Wise counties.
City limits extend beyond the comparison county, so the share slightly overstates the share of that county living in the city.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Columbus, OH: city vs. county population, 1800–2020

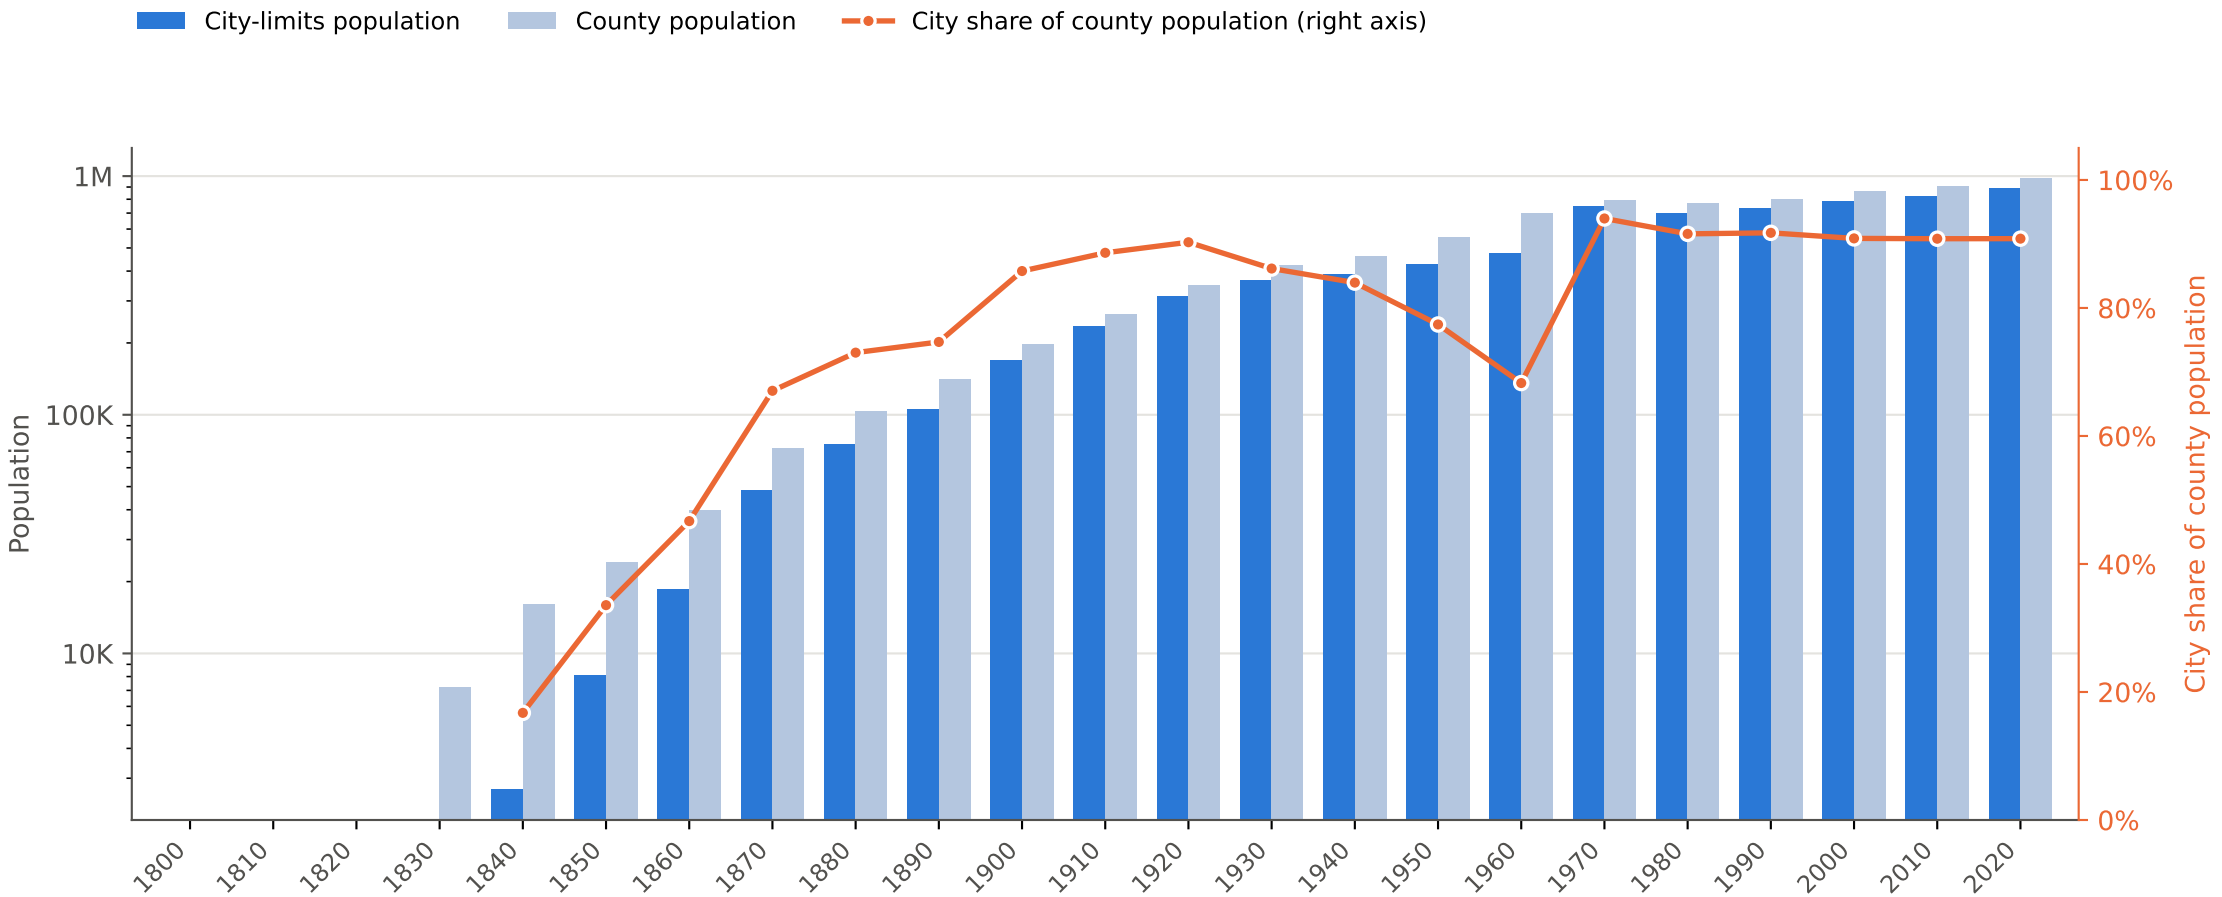

#14 city in the contiguous U.S. by 2020 Census population (905,748). Comparison county (2020): Franklin County, OH.

Parts of the city lie in Delaware and Fairfield counties.
City limits extend beyond the comparison county, so the share slightly overstates the share of that county living in the city.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Indianapolis, IN: city vs. county population, 1800–2020

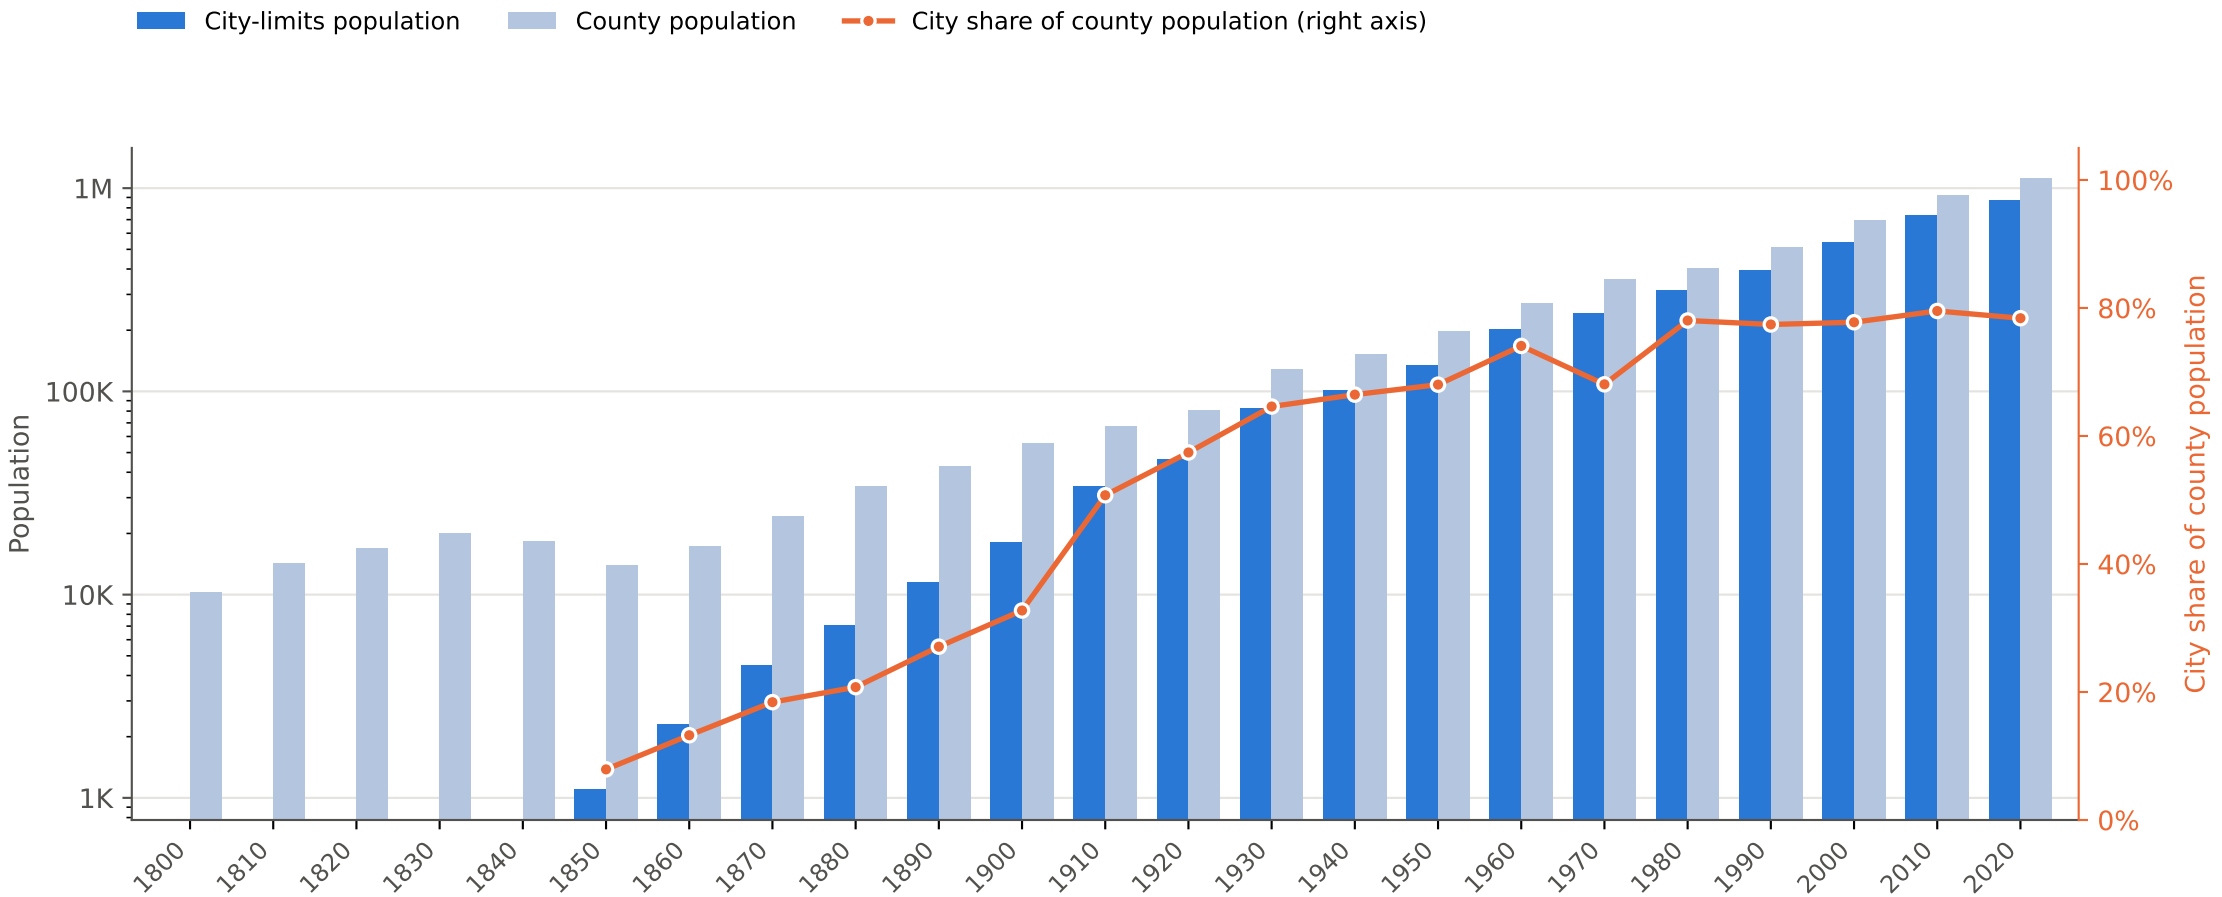

#15 city in the contiguous U.S. by 2020 Census population (887,642). Comparison county (2020): Marion County, IN.

Unigov (city-county consolidation) took effect in 1970; 1970+ figures are the consolidated city 'balance' (excludes Beech Grove, Lawrence, Southport, Speedway).
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Charlotte, NC: city vs. county population, 1800–2020

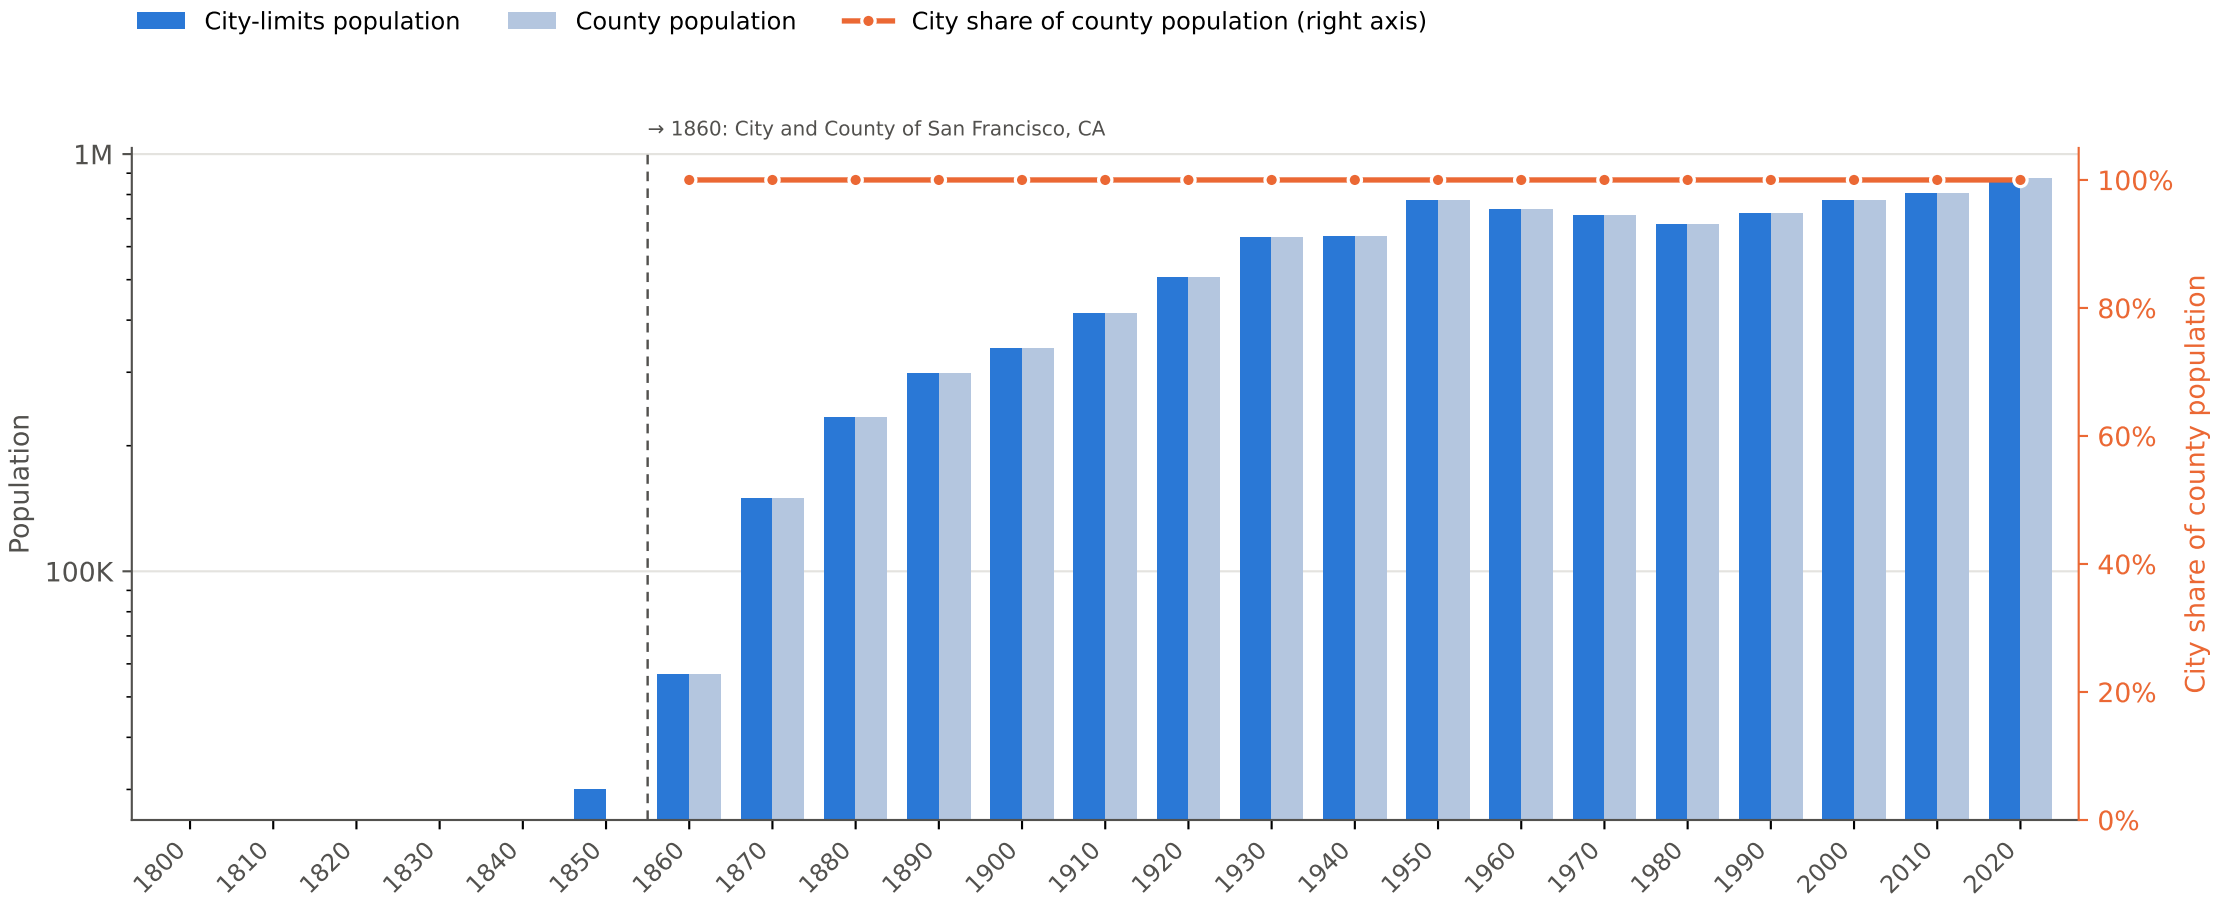

#16 city in the contiguous U.S. by 2020 Census population (874,579). Comparison county (2020): Mecklenburg County, NC.

Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

San Francisco, CA: city vs. county population, 1800–2020

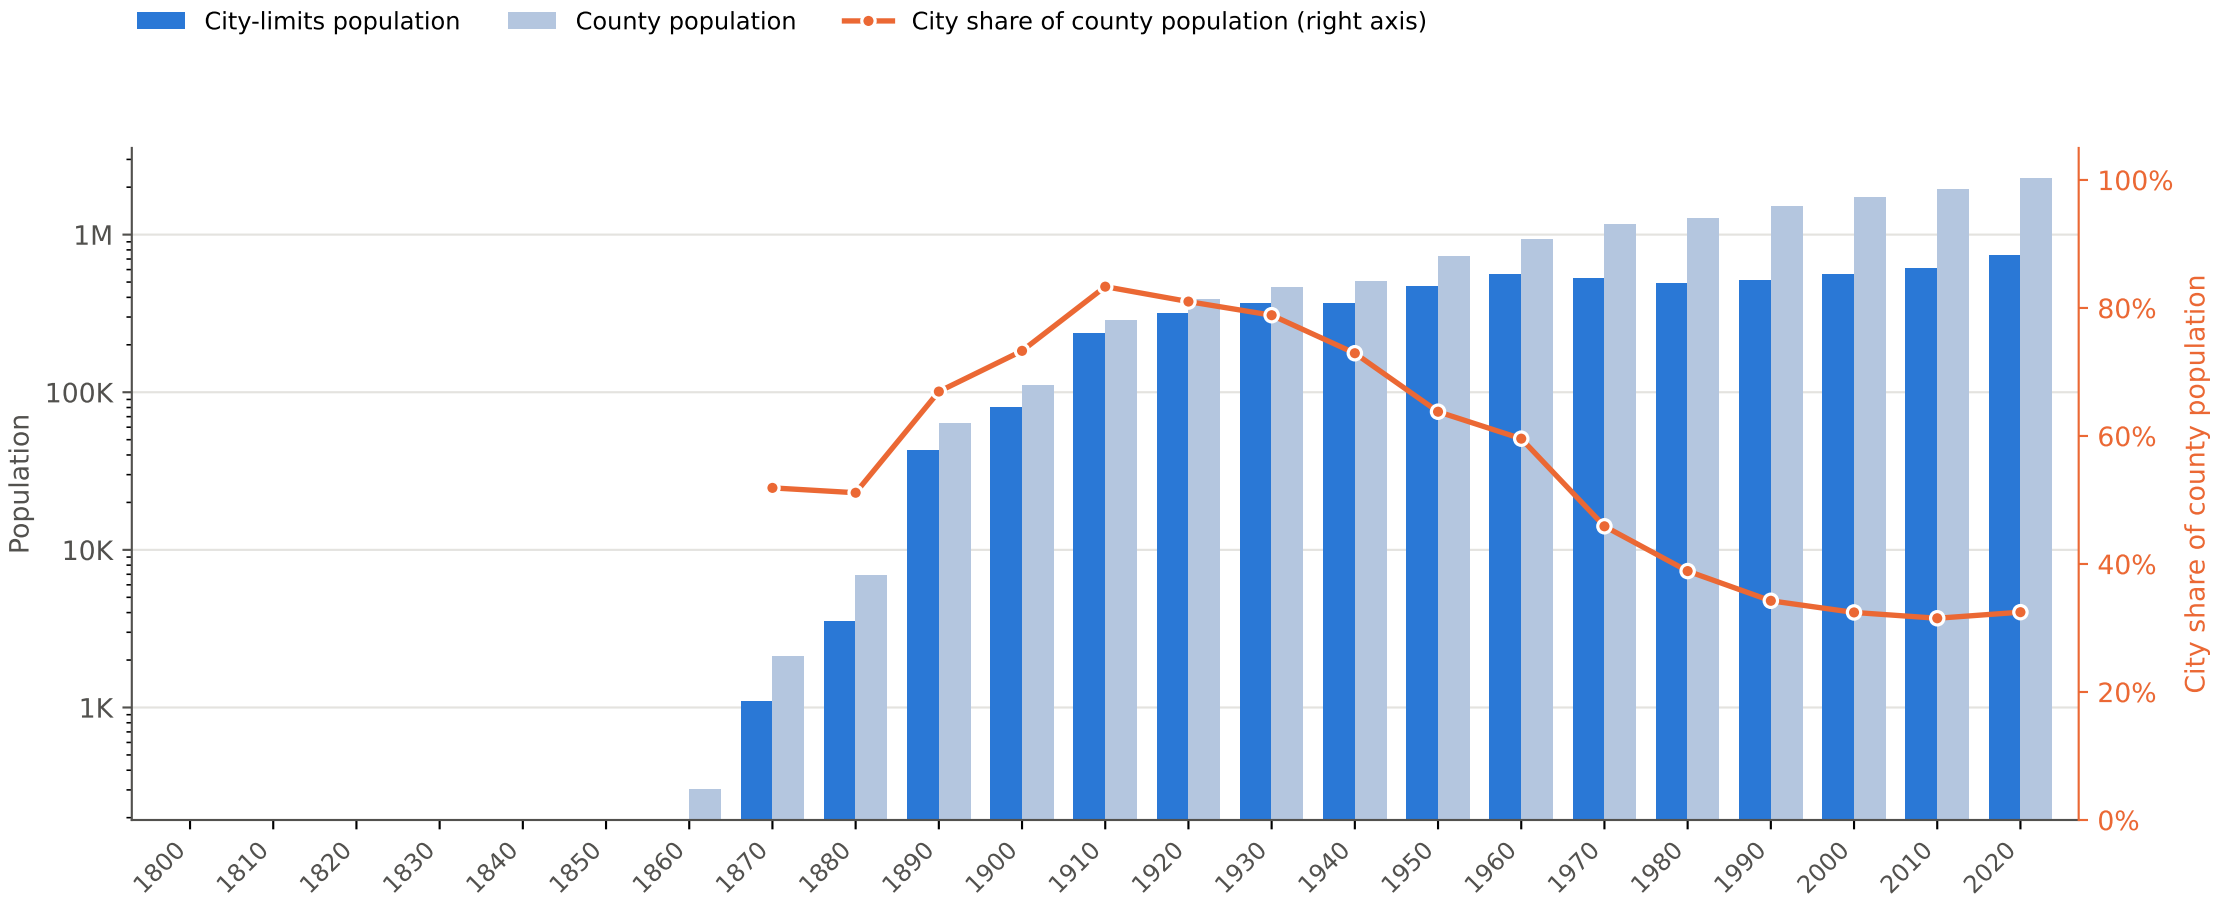

#17 city in the contiguous U.S. by 2020 Census population (873,965). Comparison county (2020): City and County of San Francisco, CA.

City and County of San Francisco consolidated in 1856. Official 1850 census returns for San Francisco were destroyed by fire.
1850 returns destroyed; no county figure.
City and county coterminous since 1856; county population set equal to city population.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Seattle, WA: city vs. county population, 1800–2020

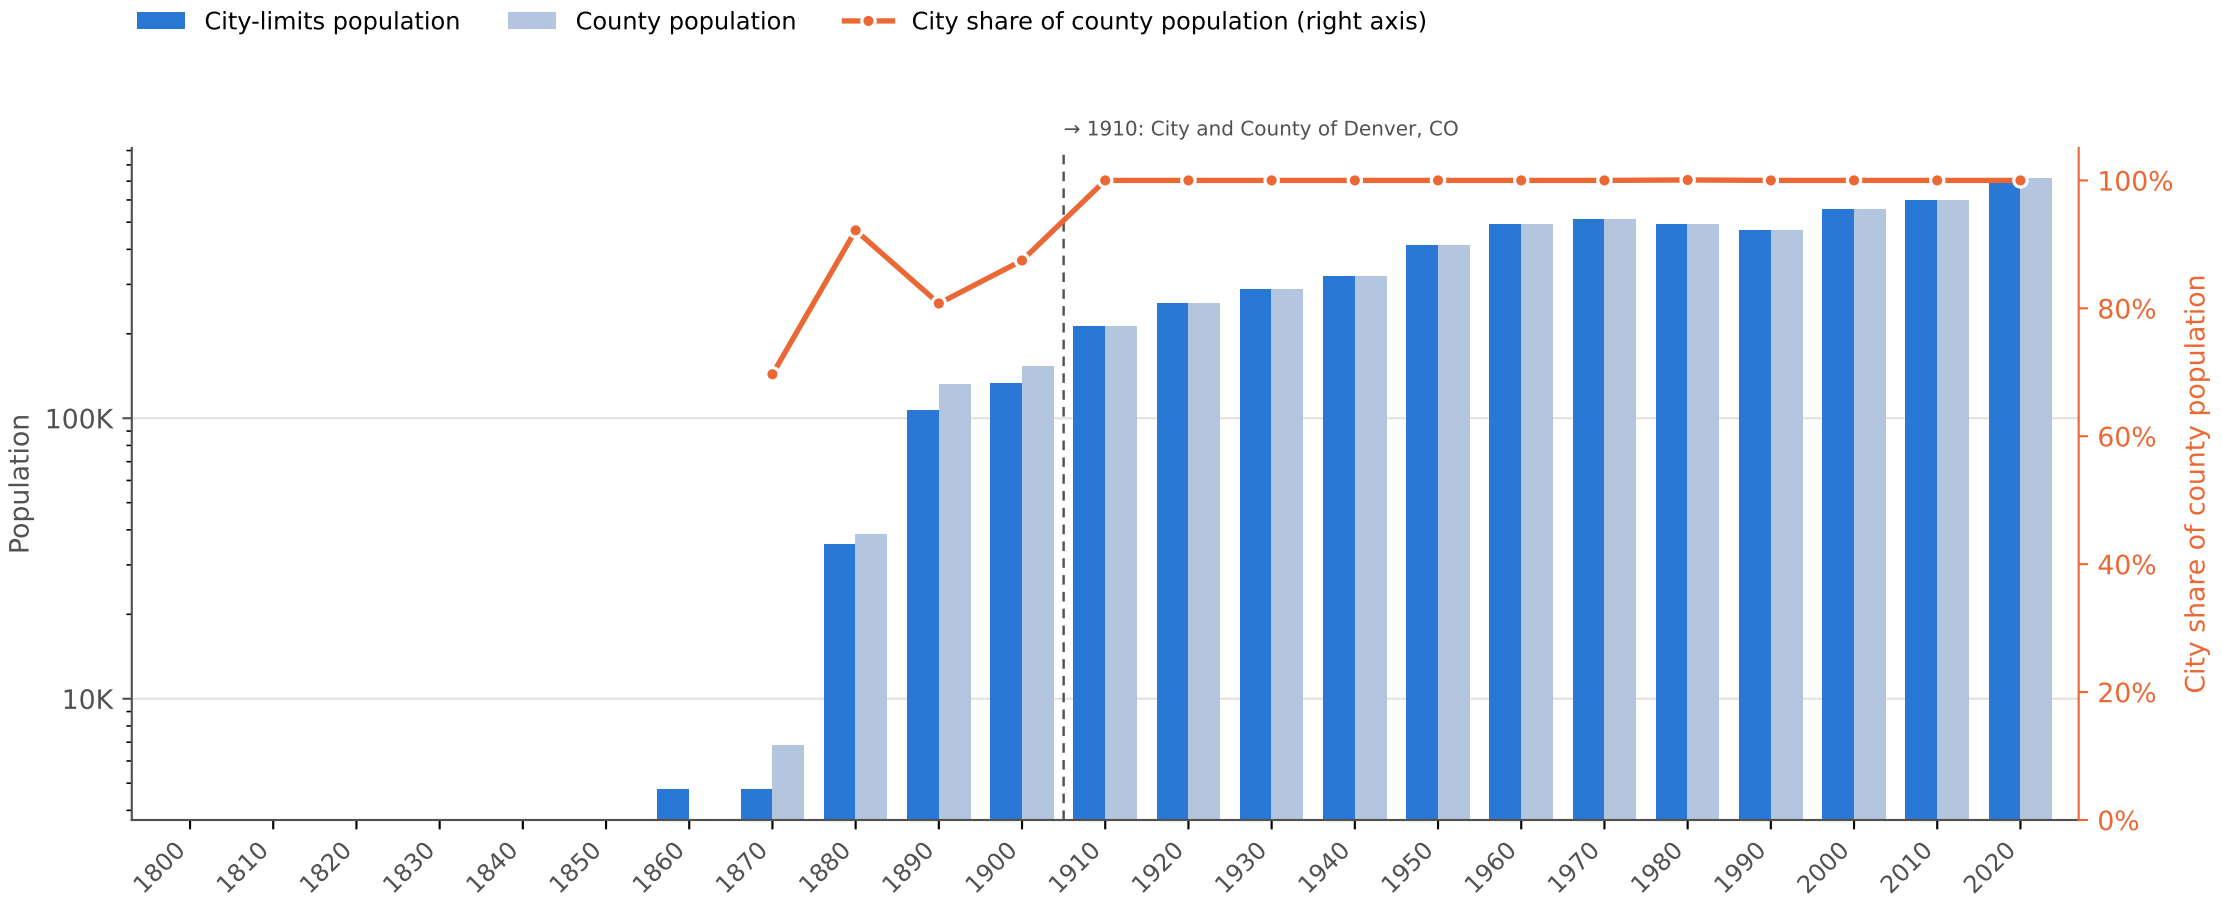

#18 city in the contiguous U.S. by 2020 Census population (737,015). Comparison county (2020): King County, WA.

Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Denver, CO: city vs. county population, 1800–2020

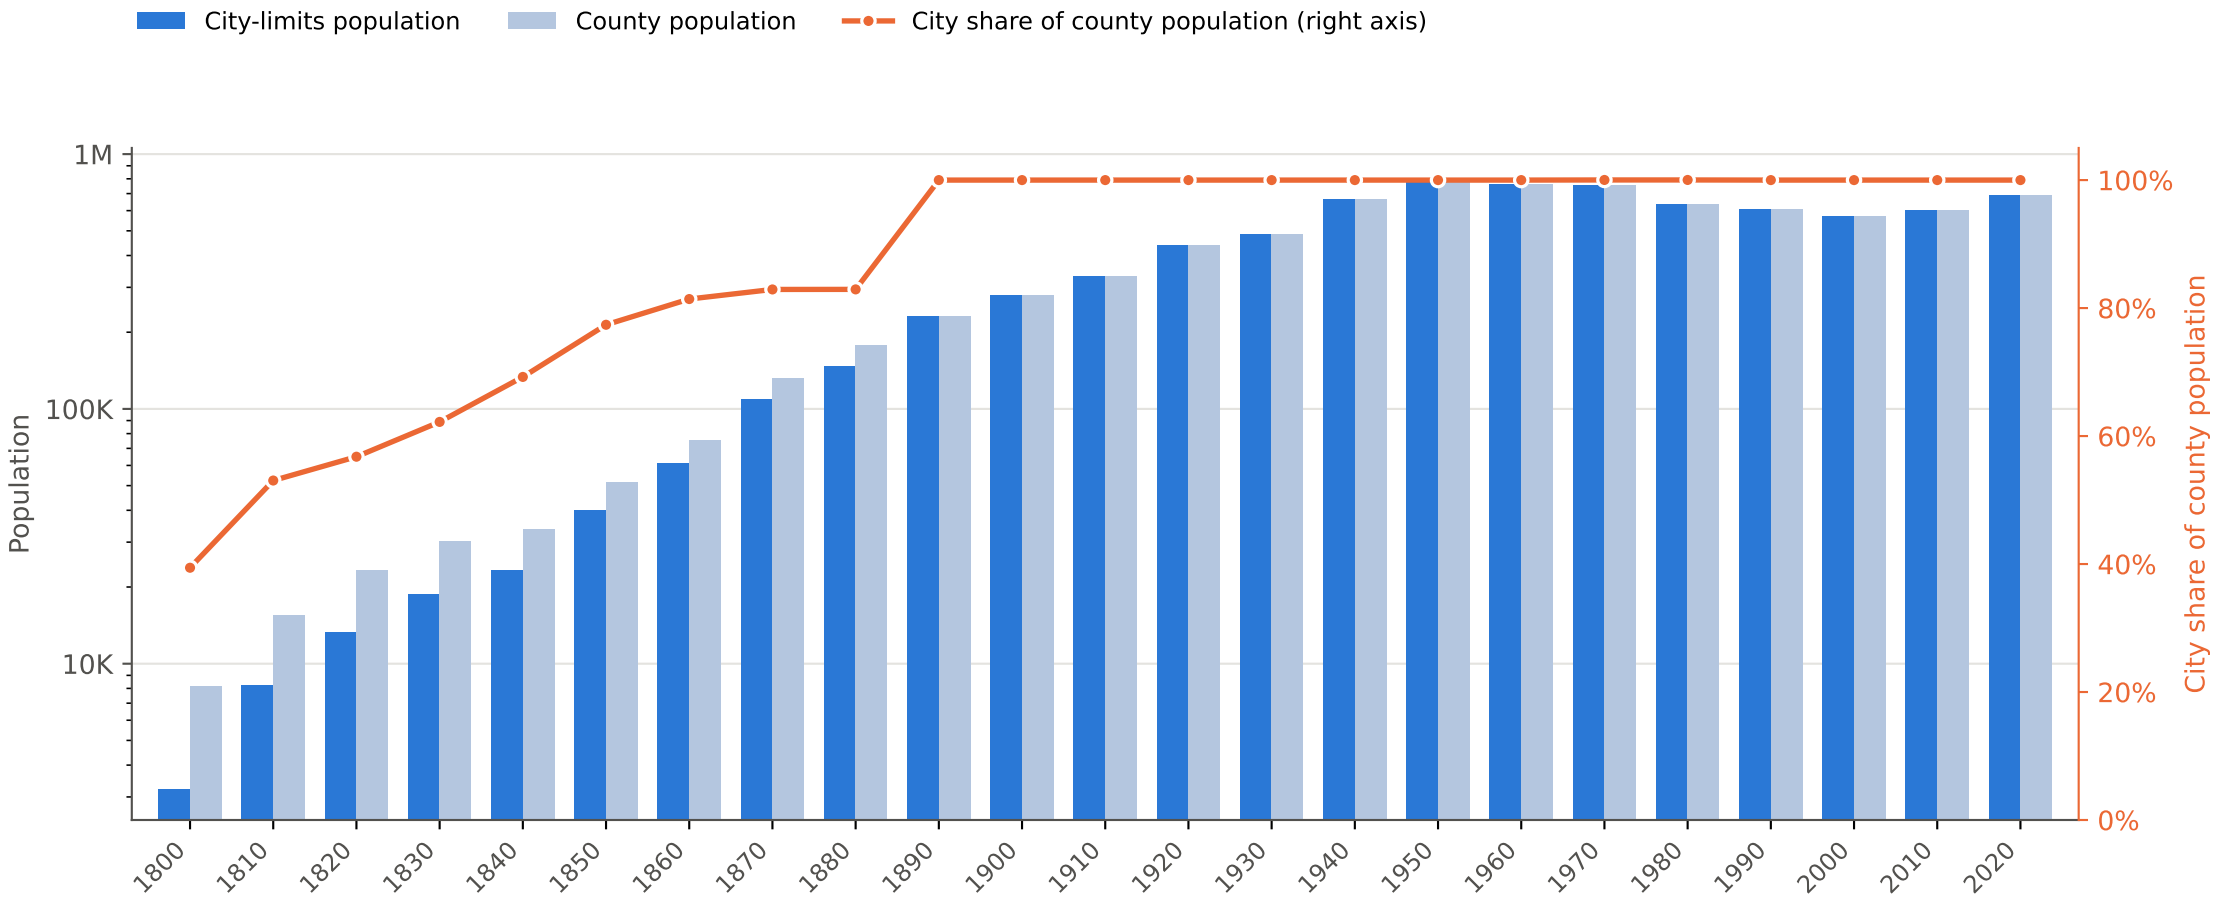

#19 city in the contiguous U.S. by 2020 Census population (715,522). Comparison county (2020): City and County of Denver, CO.

Denver lay in Arapahoe County until the City and County of Denver was created in 1902.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Washington, DC: city vs. county population, 1800–2020

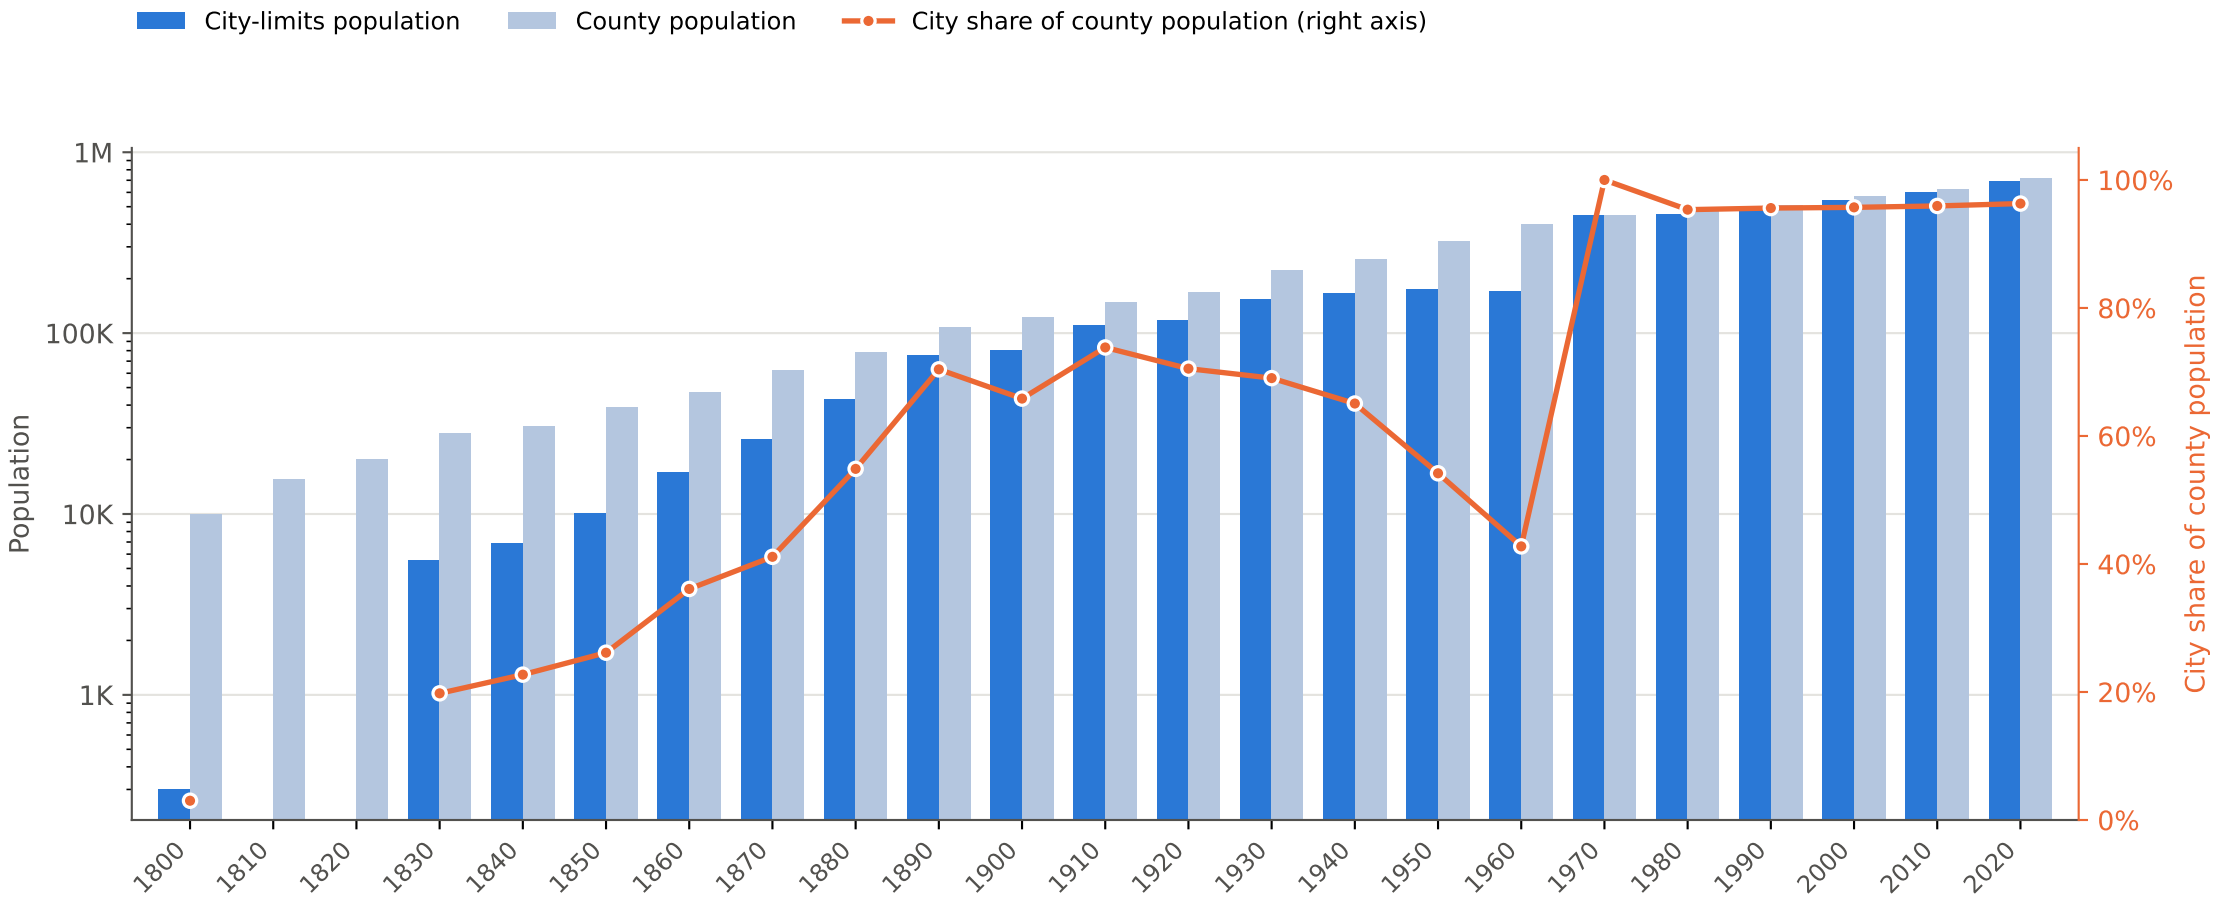

#20 city in the contiguous U.S. by 2020 Census population (689,545). Comparison county (2020): District of Columbia.

Before the 1871-1878 consolidation, the City of Washington was one of several jurisdictions in the District (with Georgetown and Washington County).
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Nashville, TN: city vs. county population, 1800–2020

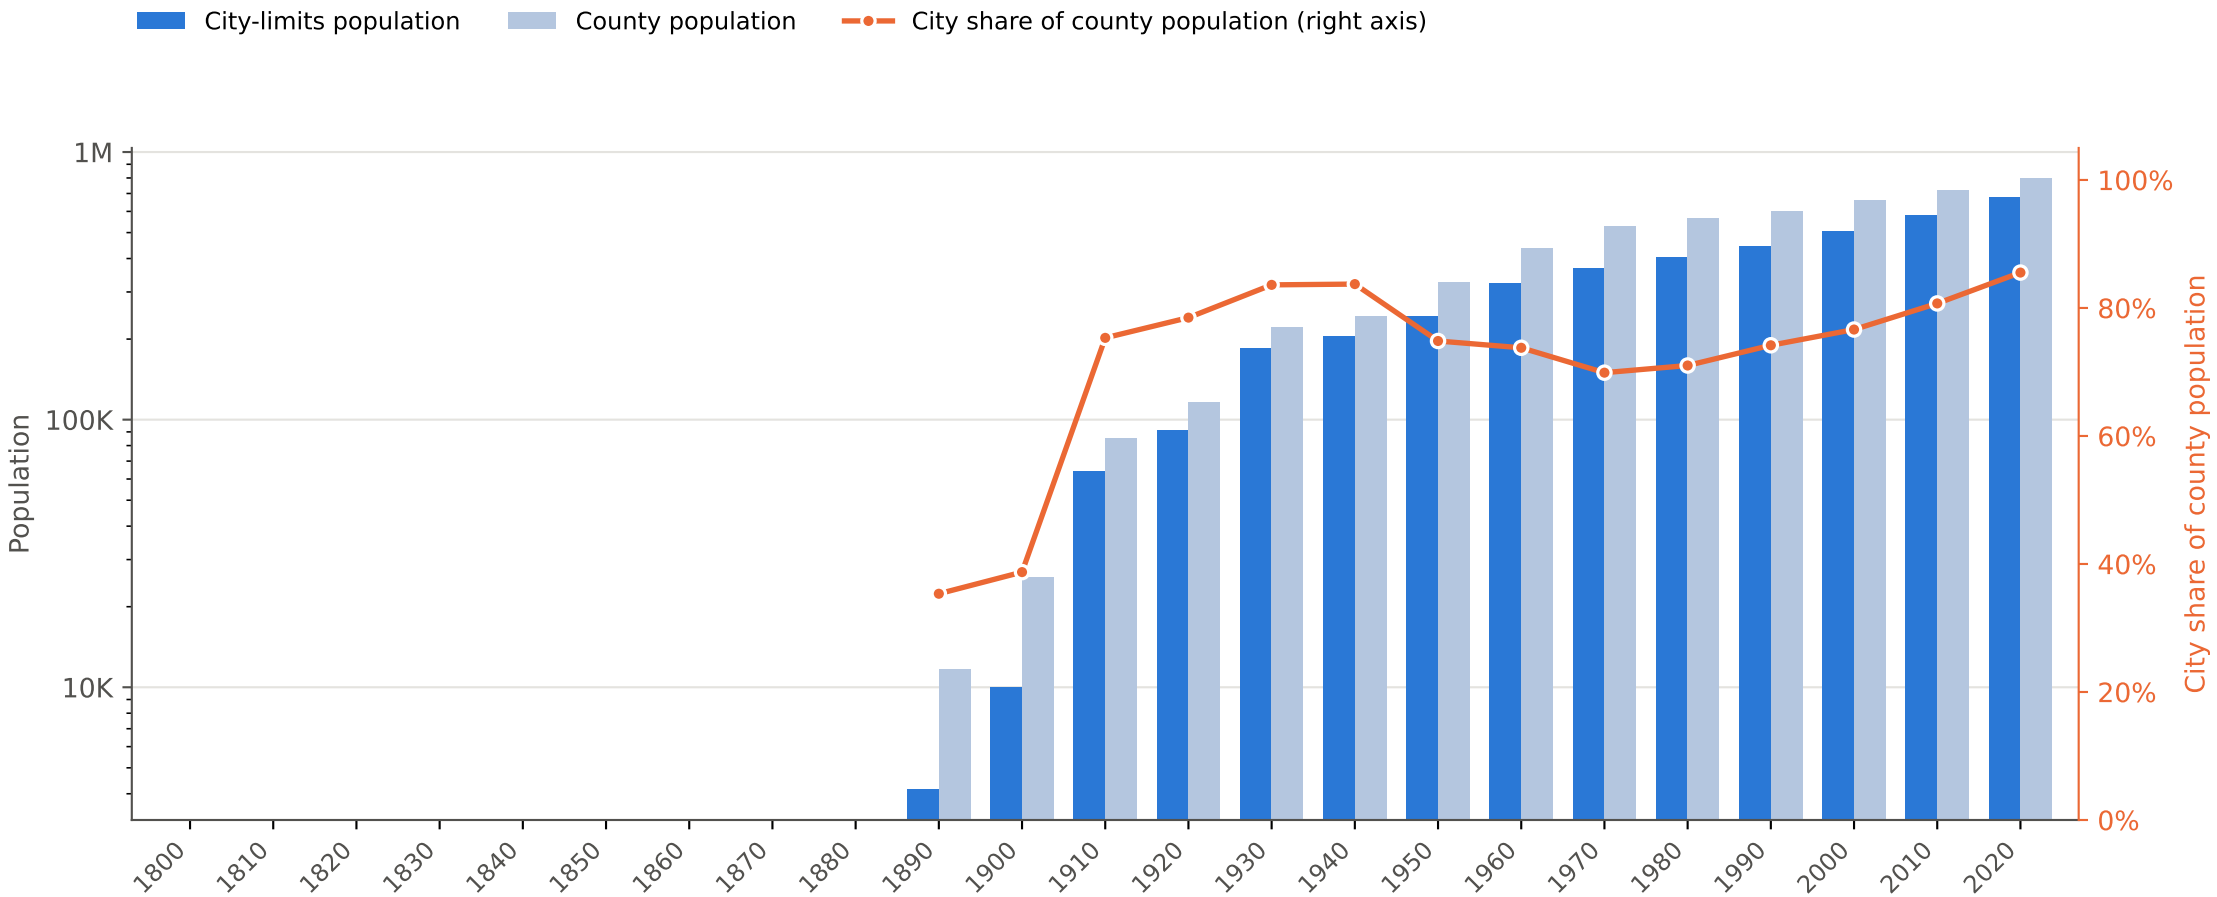

#21 city in the contiguous U.S. by 2020 Census population (689,447). Comparison county (2020): Davidson County, TN.

Metro Nashville-Davidson consolidated in 1963; post-consolidation figures are the 'balance' (excludes satellite cities), except the source reports the full consolidated total for 1970.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Oklahoma City, OK: city vs. county population, 1800–2020

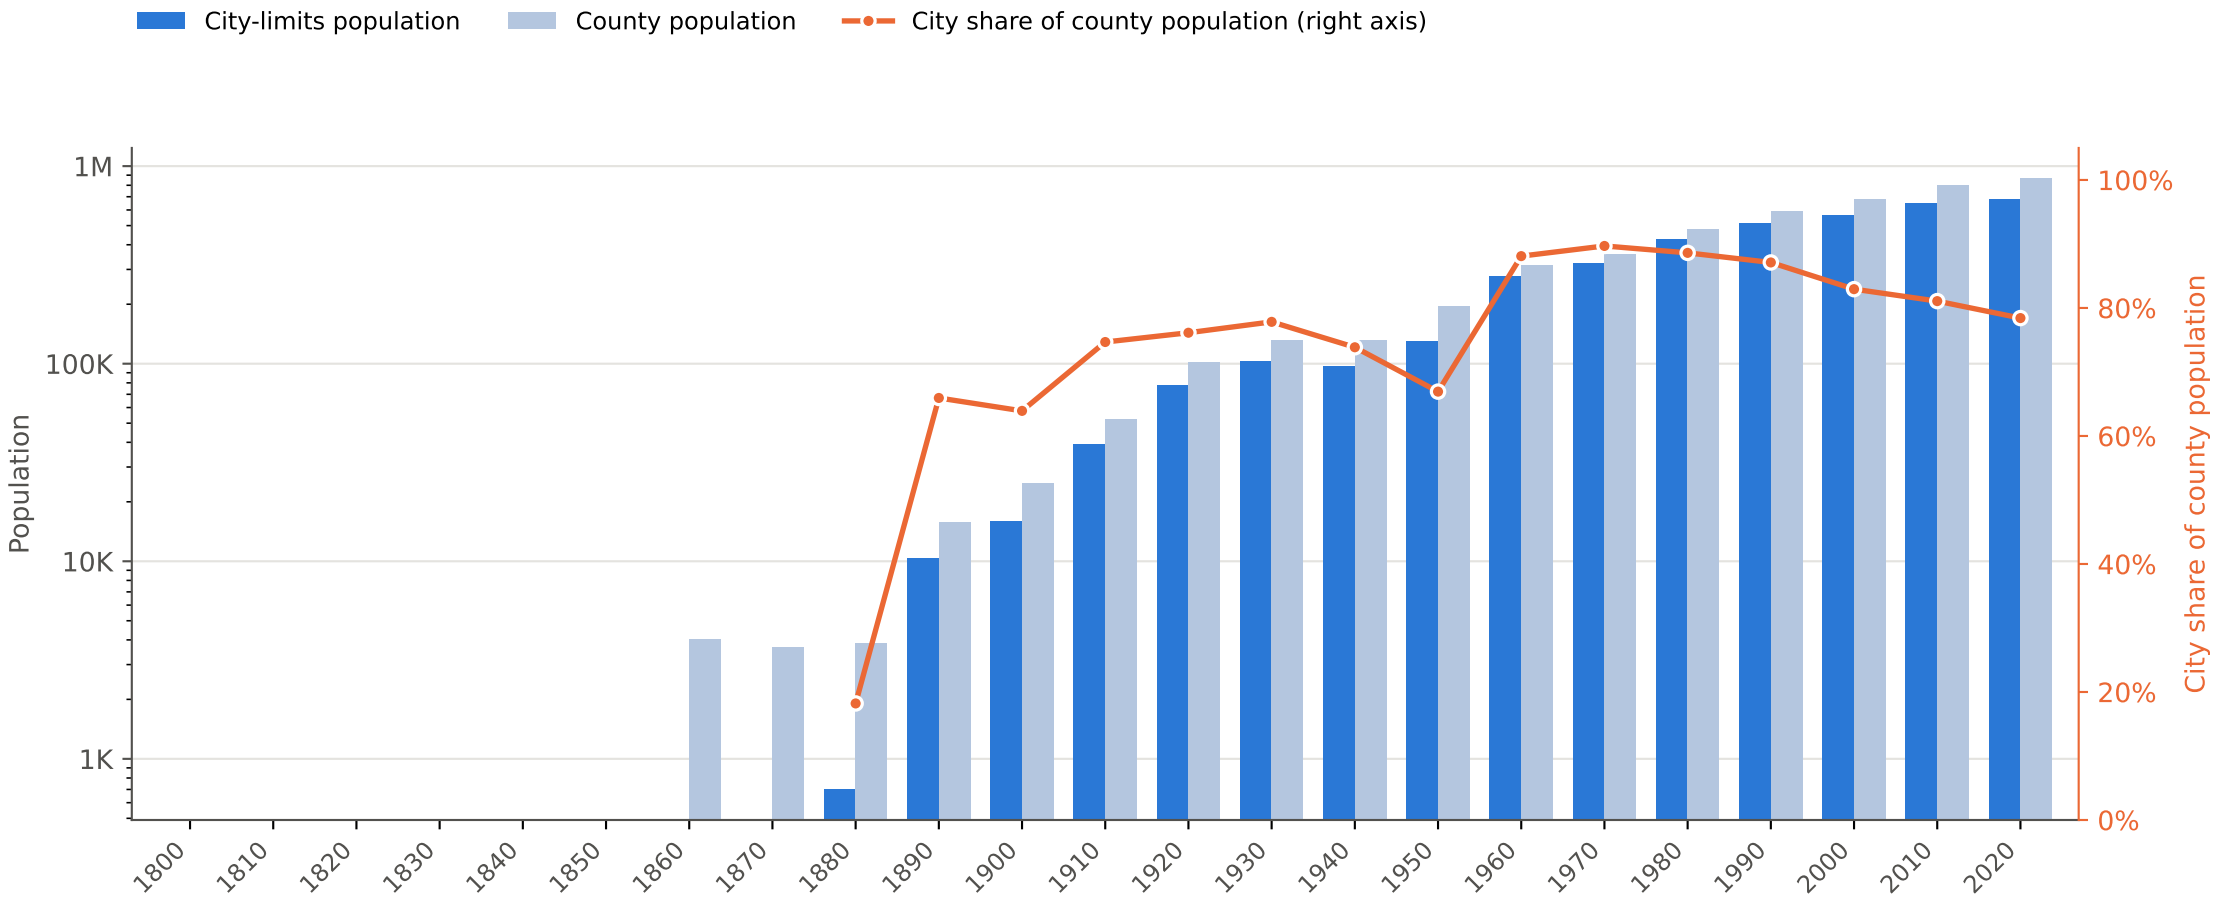

#22 city in the contiguous U.S. by 2020 Census population (681,054). Comparison county (2020): Oklahoma County, OK.

Parts of the city lie in Canadian, Cleveland and Pottawatomie counties.
City limits extend beyond the comparison county, so the share slightly overstates the share of that county living in the city.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

El Paso, TX: city vs. county population, 1800–2020

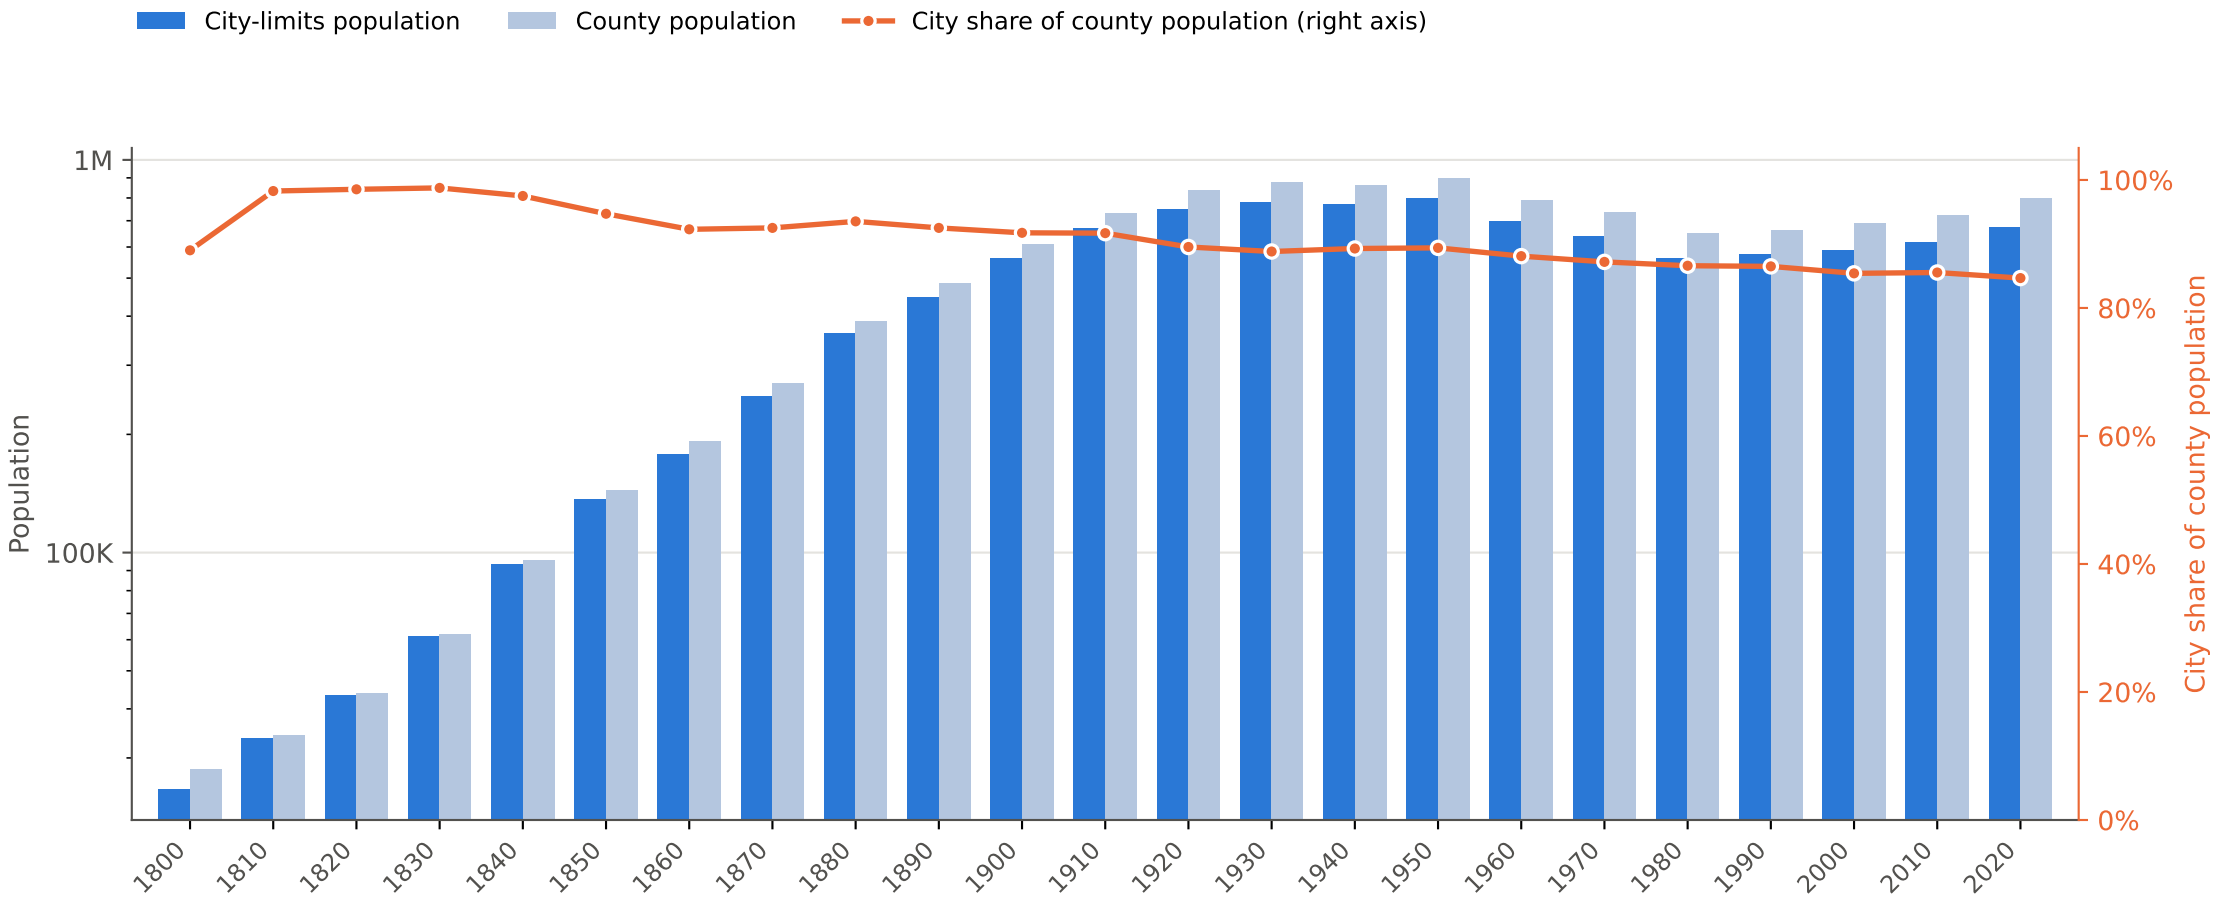

#23 city in the contiguous U.S. by 2020 Census population (678,815). Comparison county (2020): El Paso County, TX.

Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Boston, MA: city vs. county population, 1800–2020

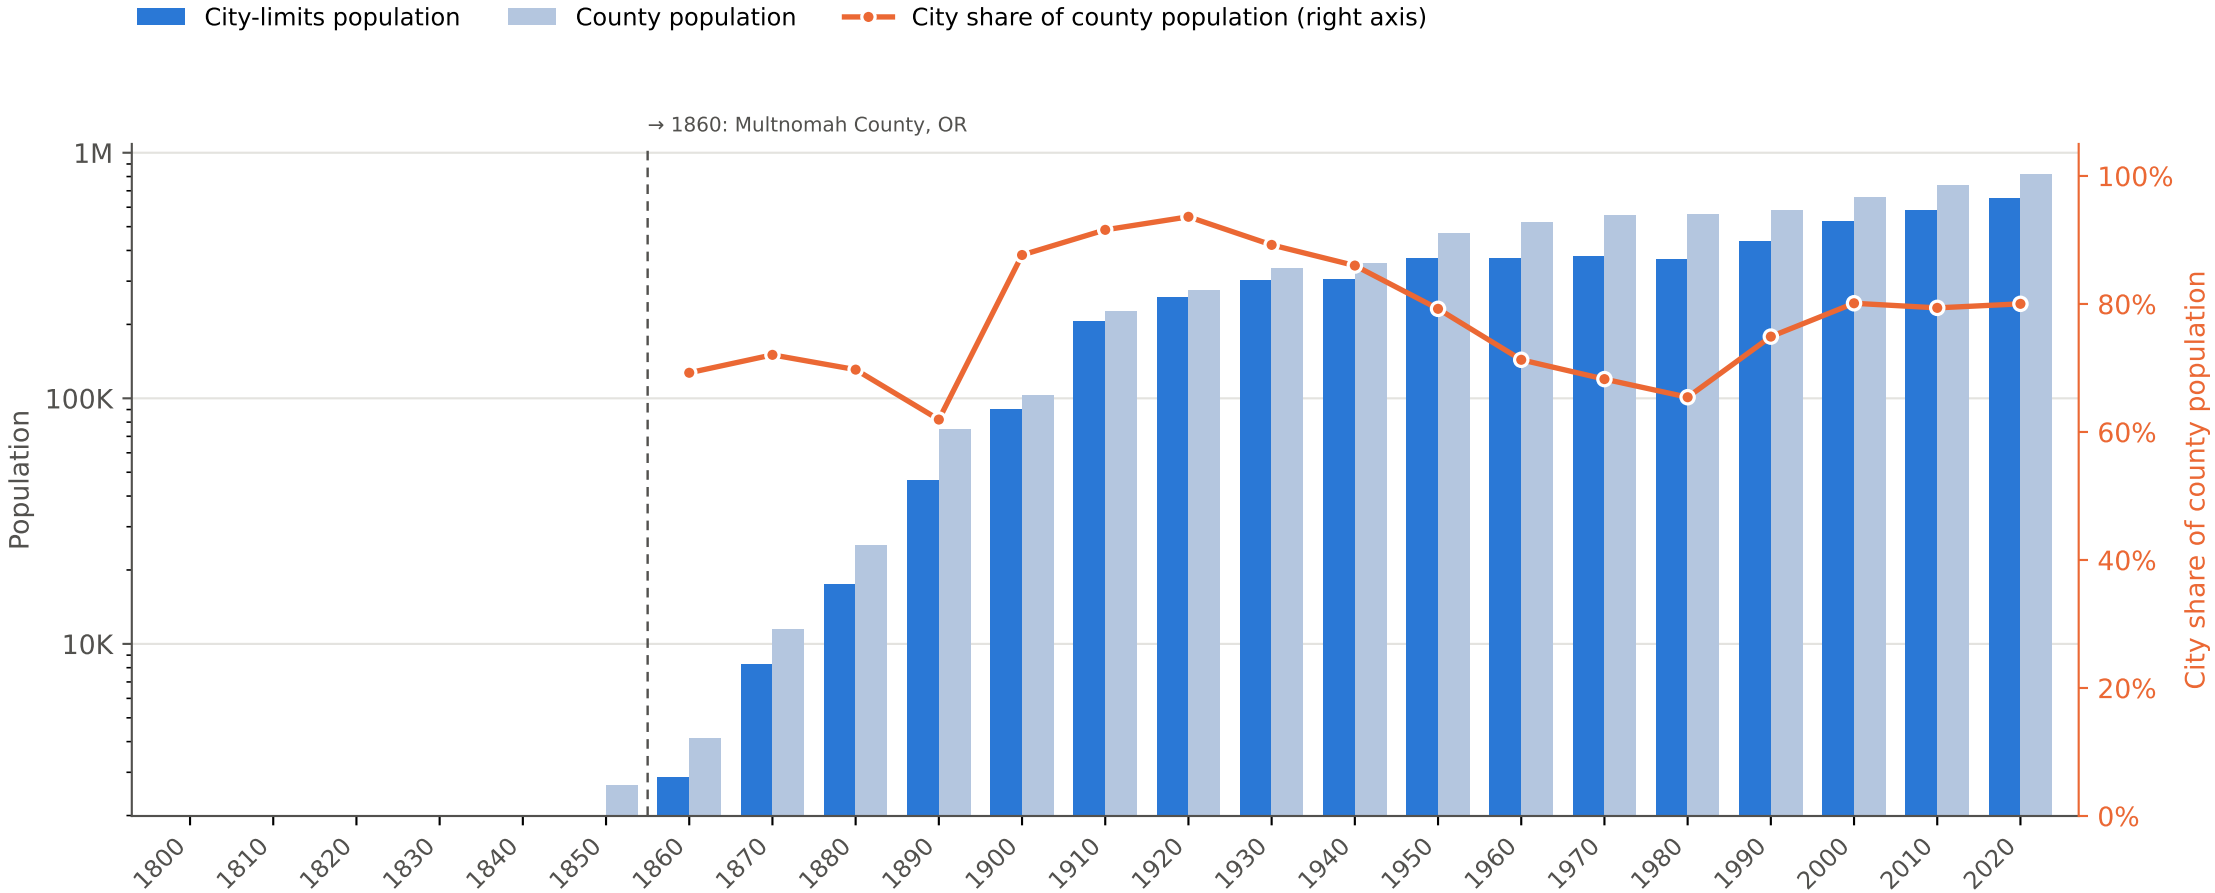

#24 city in the contiguous U.S. by 2020 Census population (675,647). Comparison county (2020): Suffolk County, MA.

Suffolk County also contains Chelsea, Revere and Winthrop.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Portland, OR: city vs. county population, 1800–2020

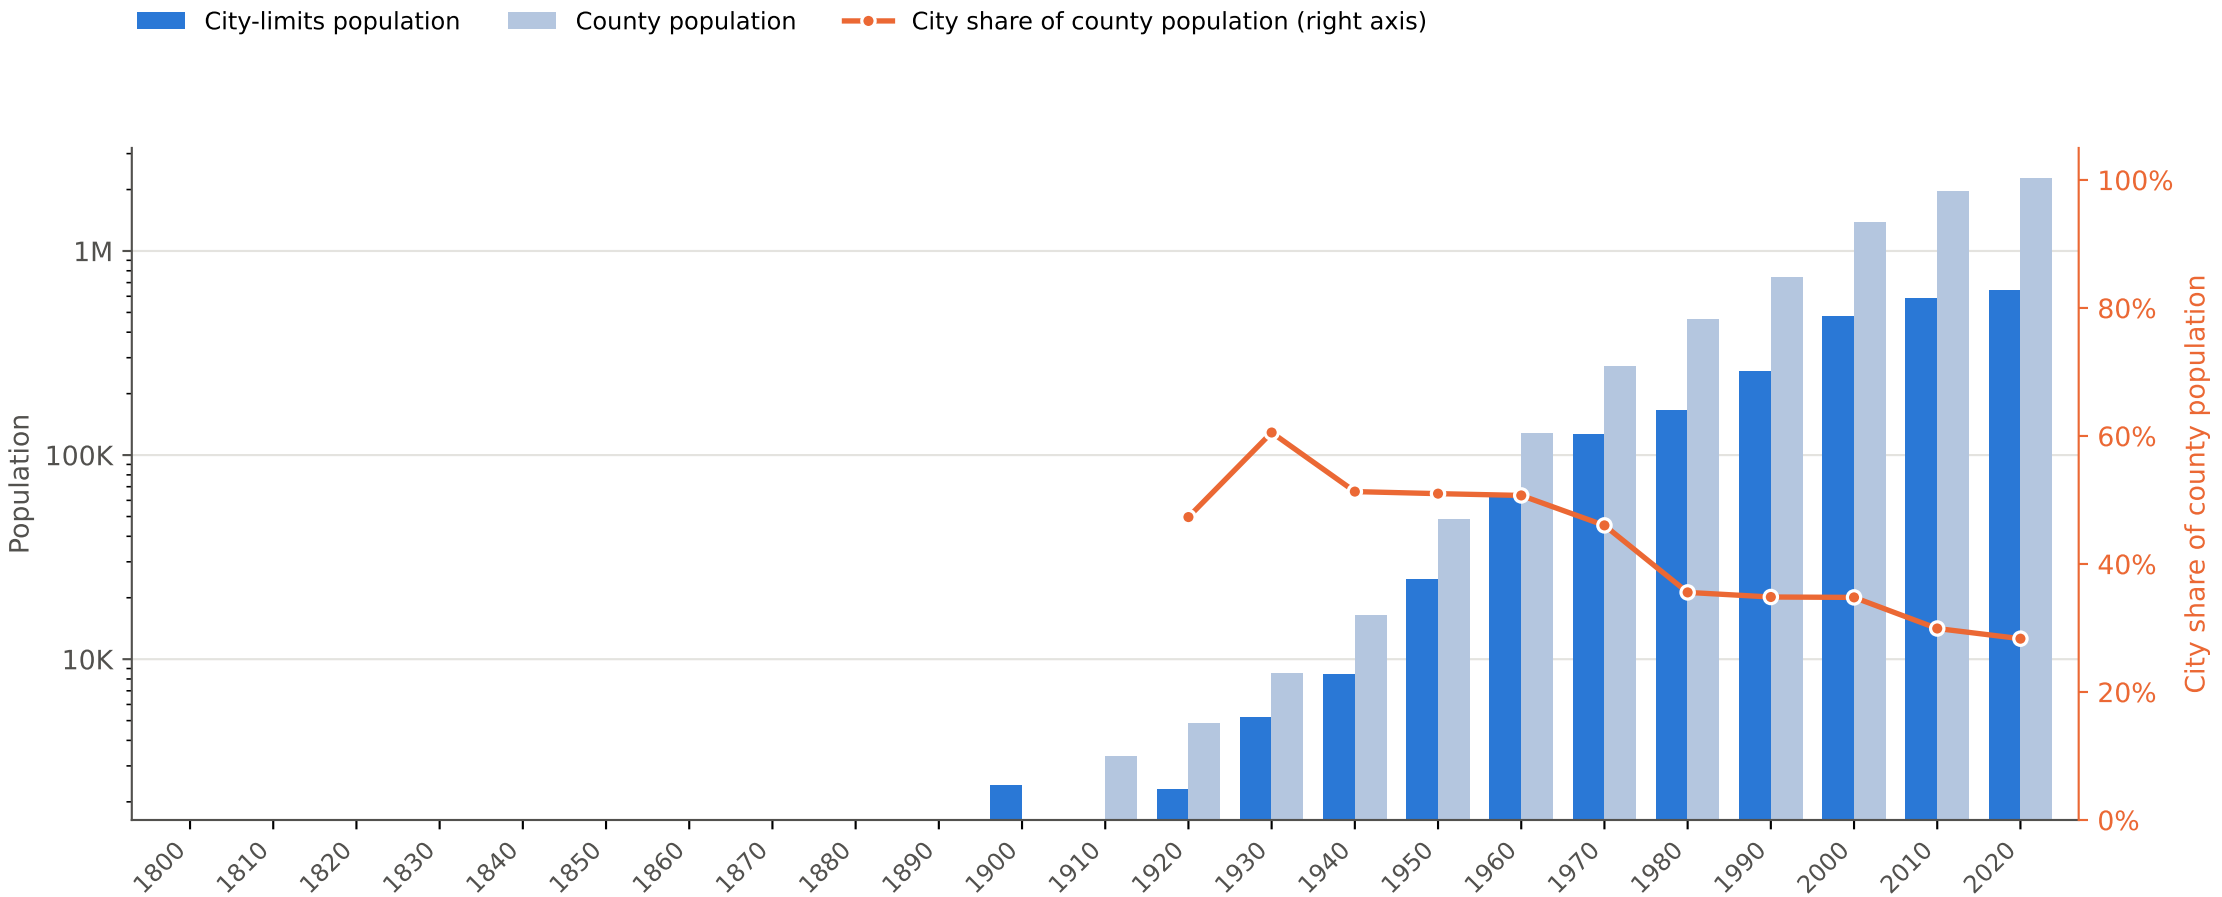

#25 city in the contiguous U.S. by 2020 Census population (652,503). Comparison county (2020): Multnomah County, OR.

Small parts lie in Washington and Clackamas counties.
City limits extend beyond the comparison county, so the share slightly overstates the share of that county living in the city.
Multnomah County was created in 1854 from Washington and Clackamas counties.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Las Vegas, NV: city vs. county population, 1800–2020

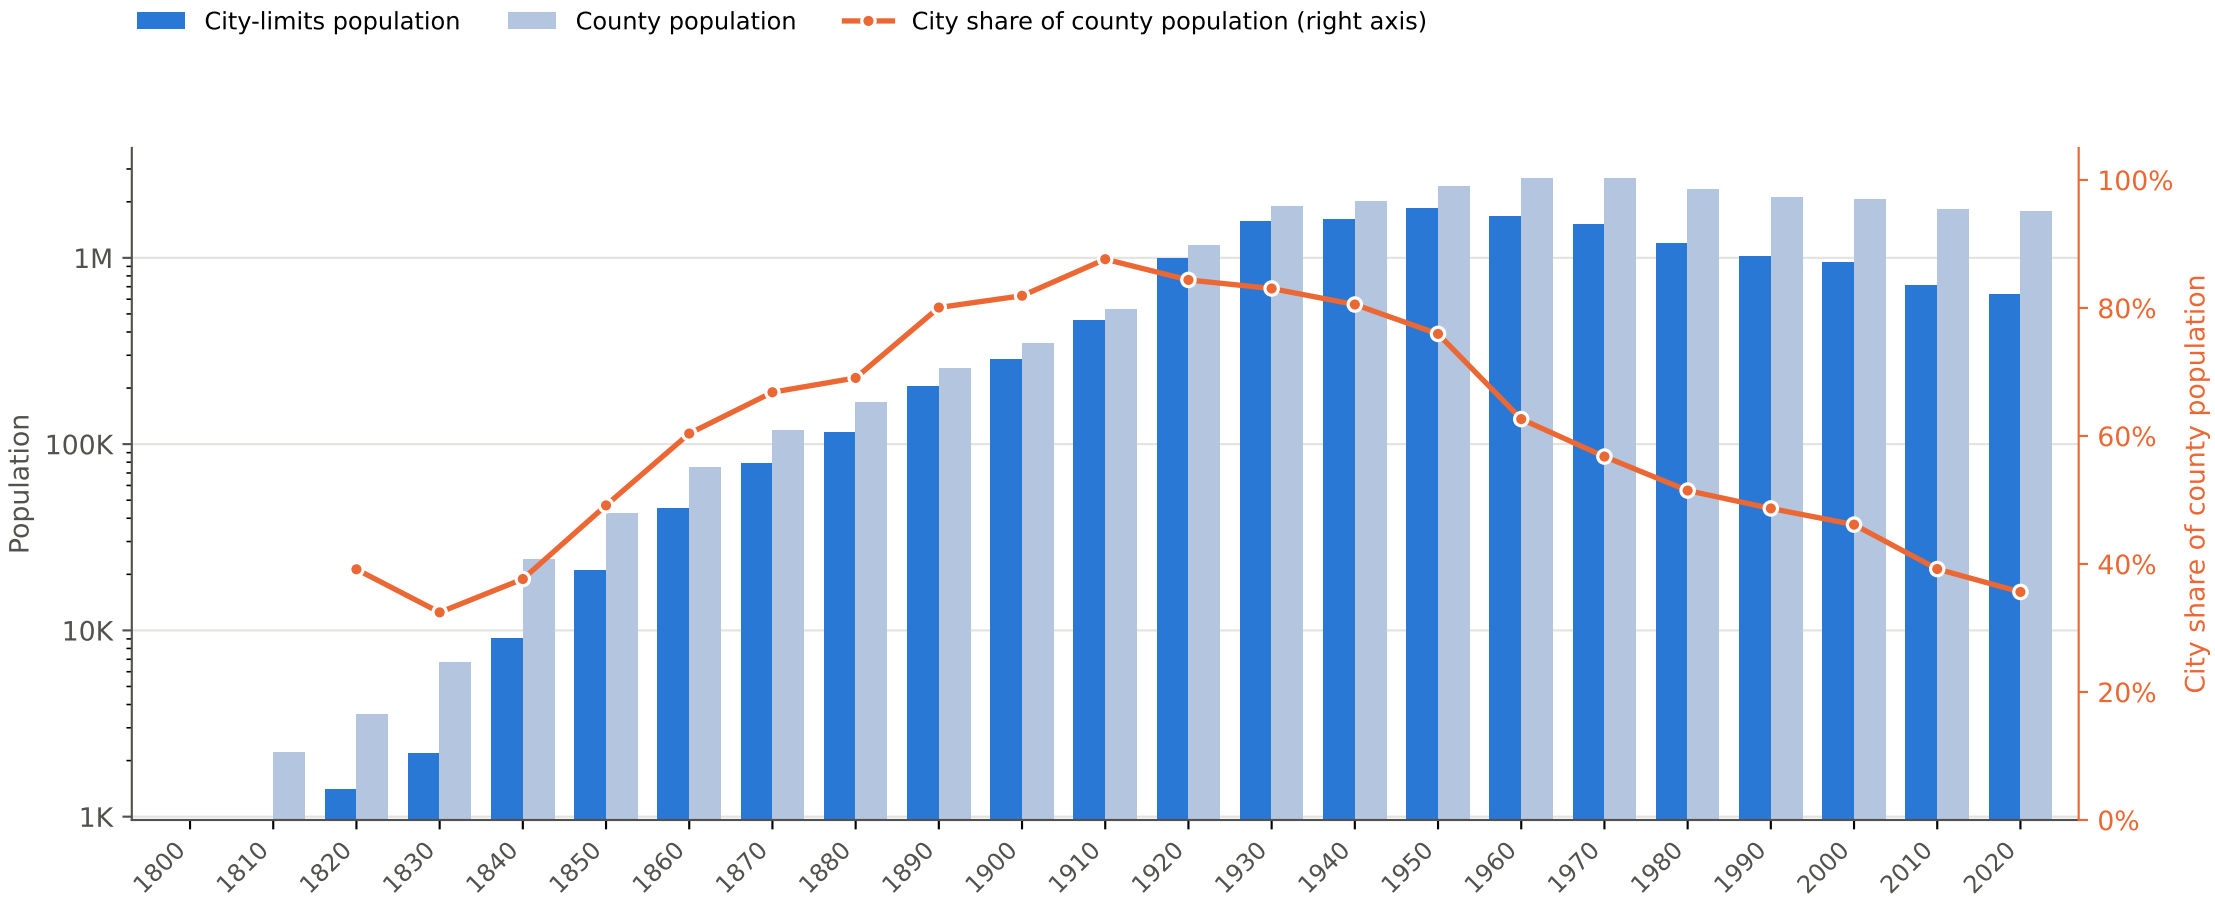

#26 city in the contiguous U.S. by 2020 Census population (641,903). Comparison county (2020): Clark County, NV.

Clark County was created in 1909; Las Vegas incorporated in 1911.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Detroit, MI: city vs. county population, 1800–2020

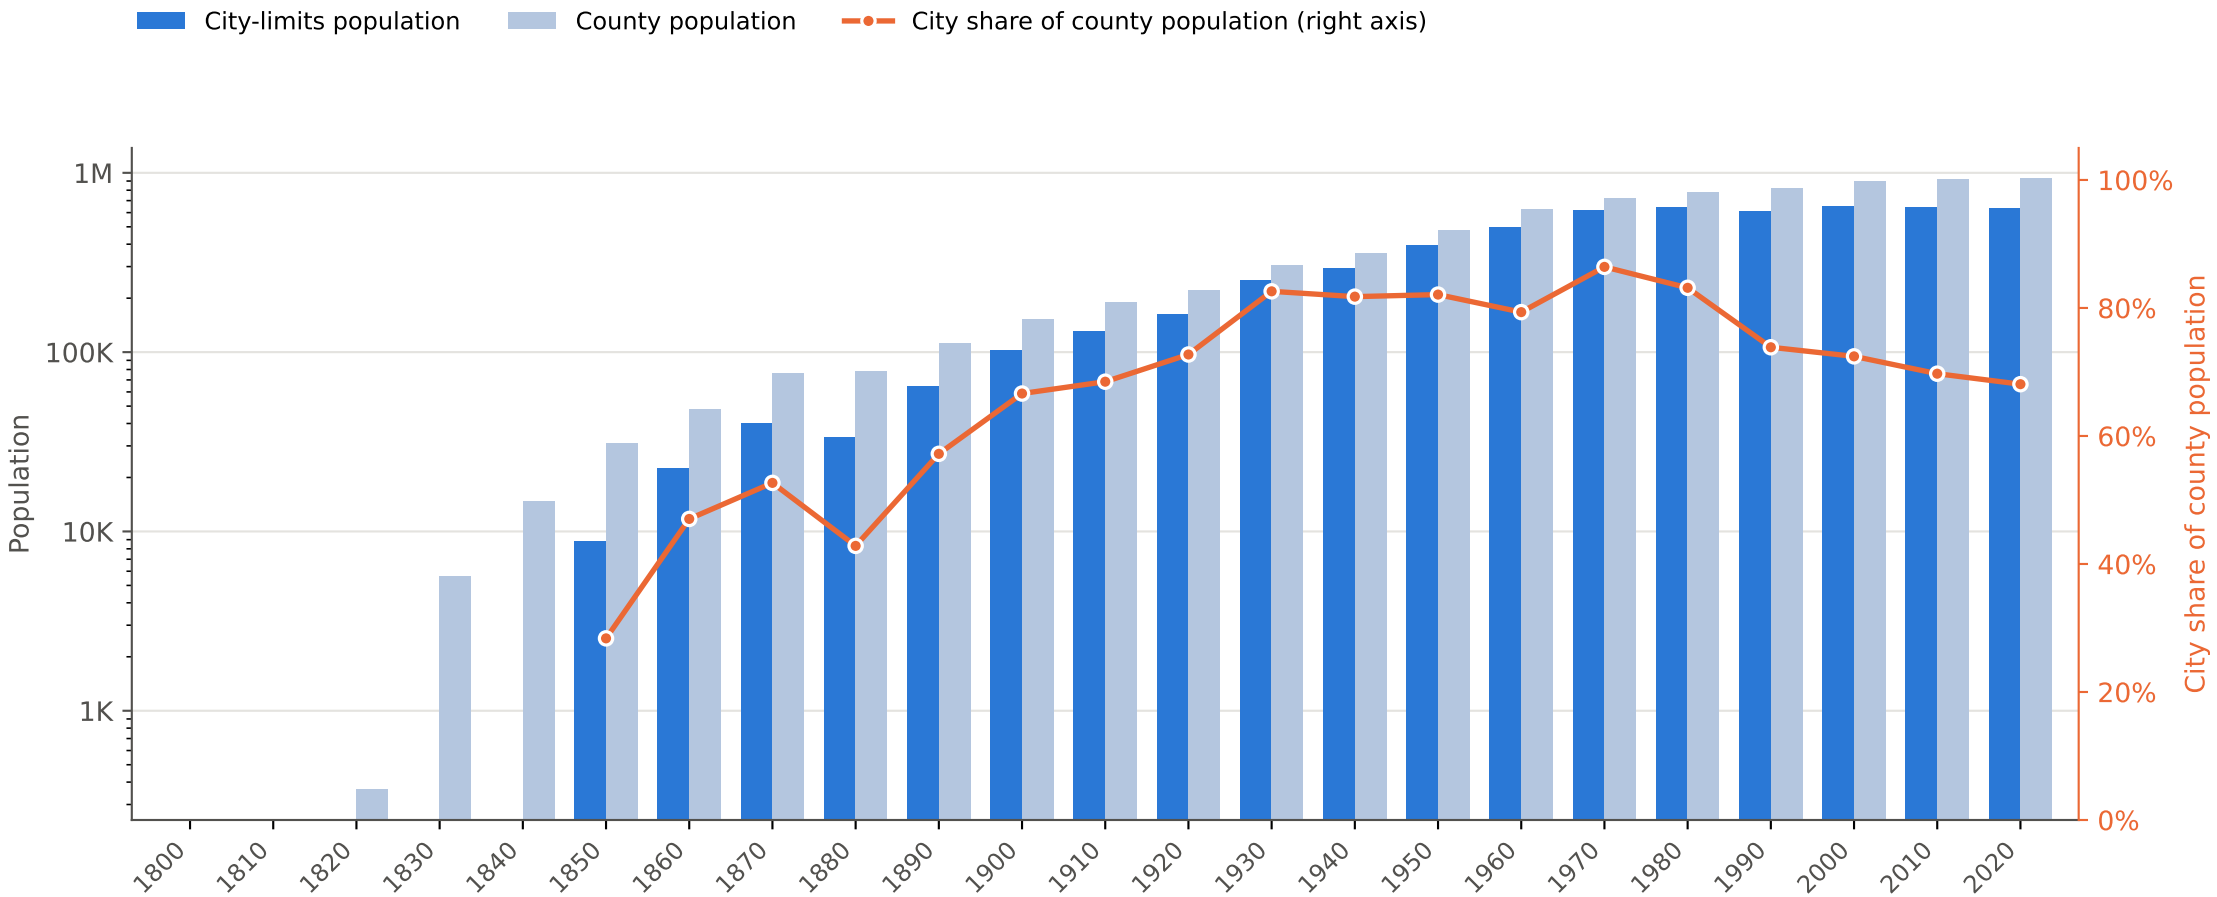

#27 city in the contiguous U.S. by 2020 Census population (639,111). Comparison county (2020): Wayne County, MI.

Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Memphis, TN: city vs. county population, 1800–2020

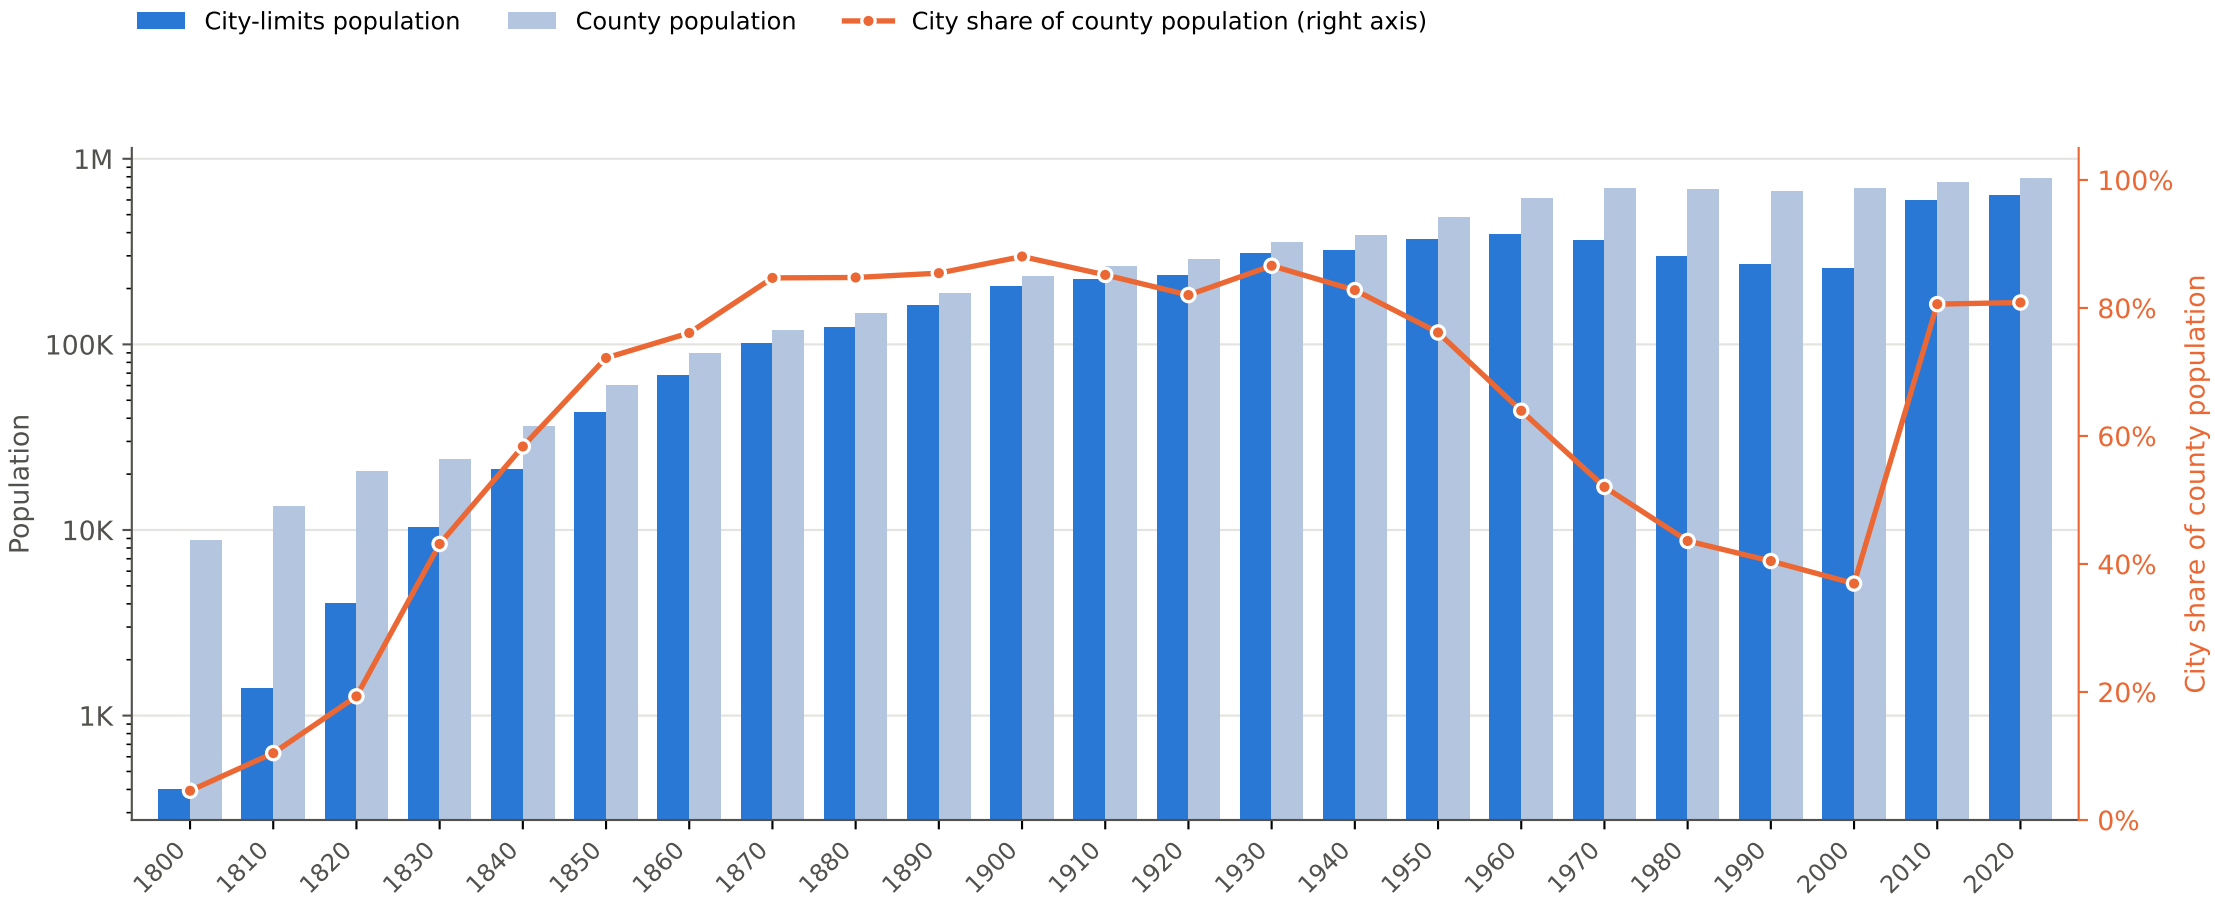

#28 city in the contiguous U.S. by 2020 Census population (633,104). Comparison county (2020): Shelby County, TN.

Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Louisville, KY: city vs. county population, 1800–2020

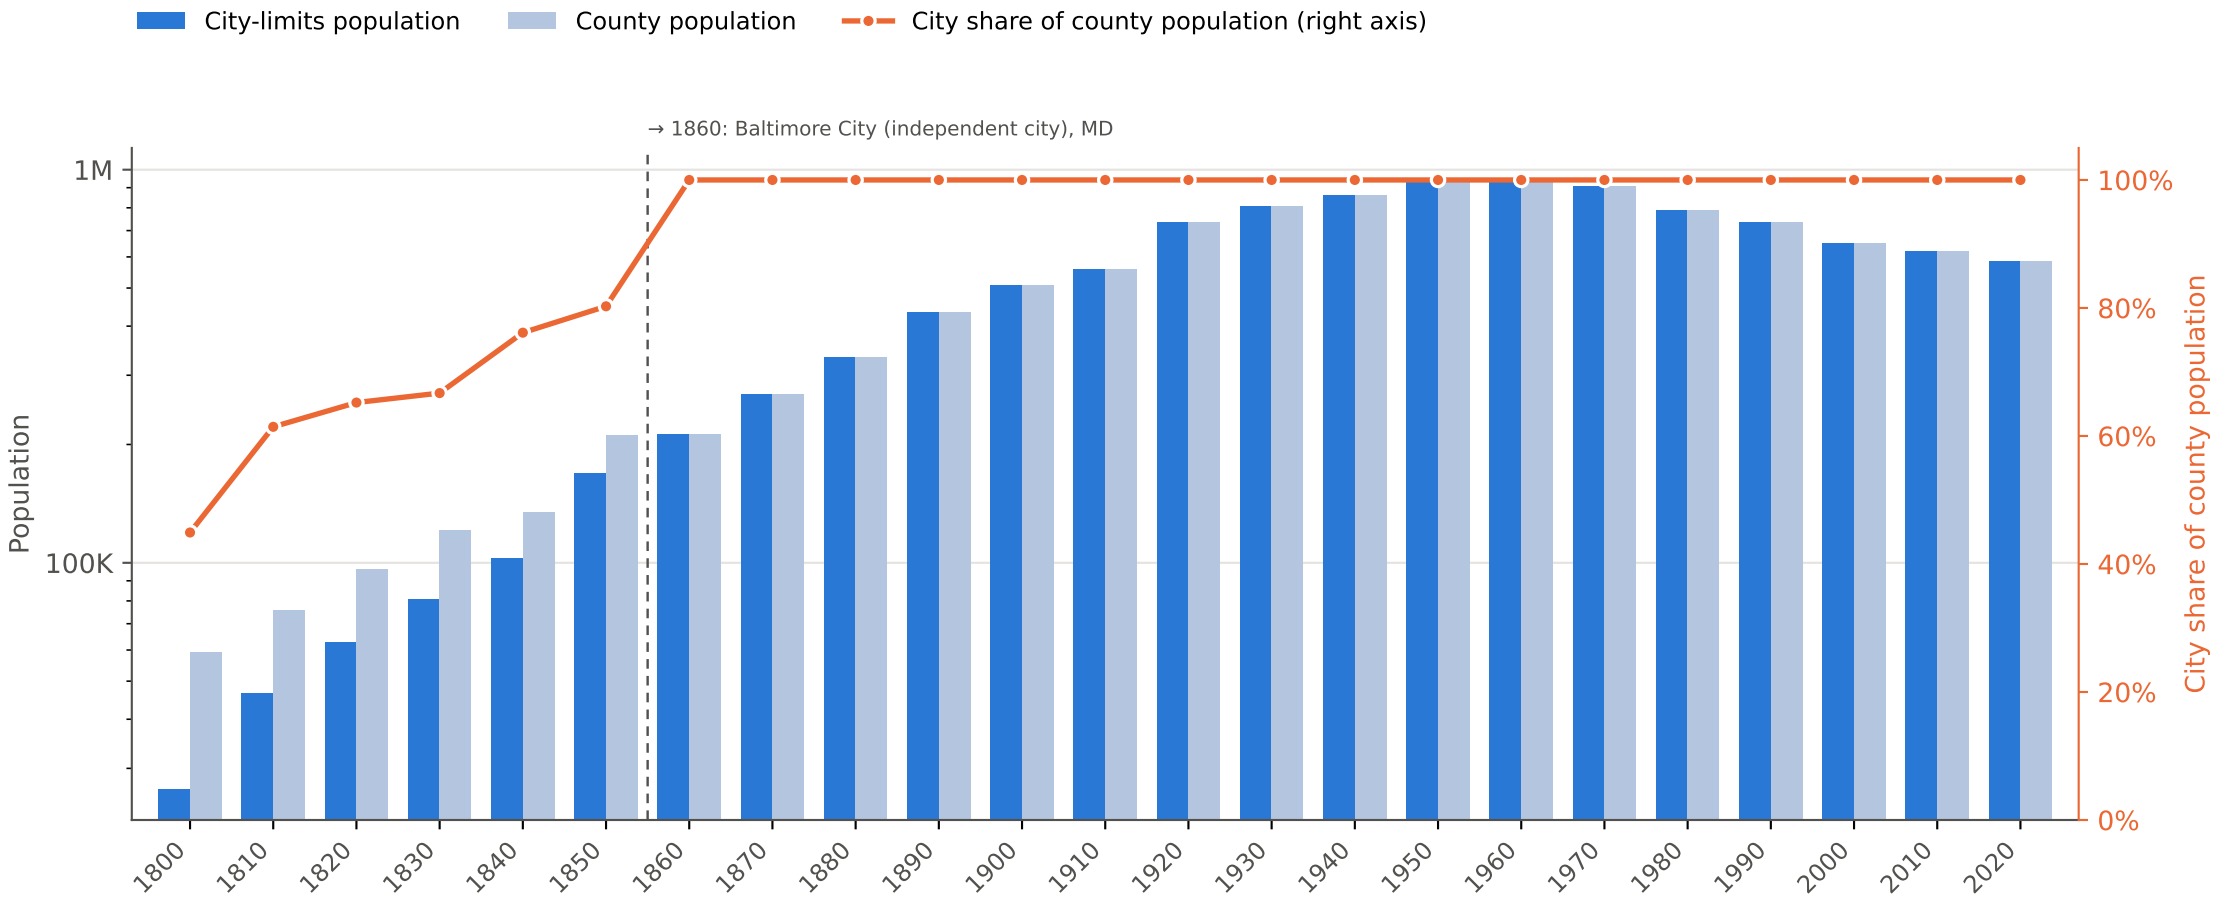

#29 city in the contiguous U.S. by 2020 Census population (633,045). Comparison county (2020): Jefferson County, KY.

Louisville and Jefferson County merged in 2003; 2010+ figures are the metro government 'balance'.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Baltimore, MD: city vs. county population, 1800–2020

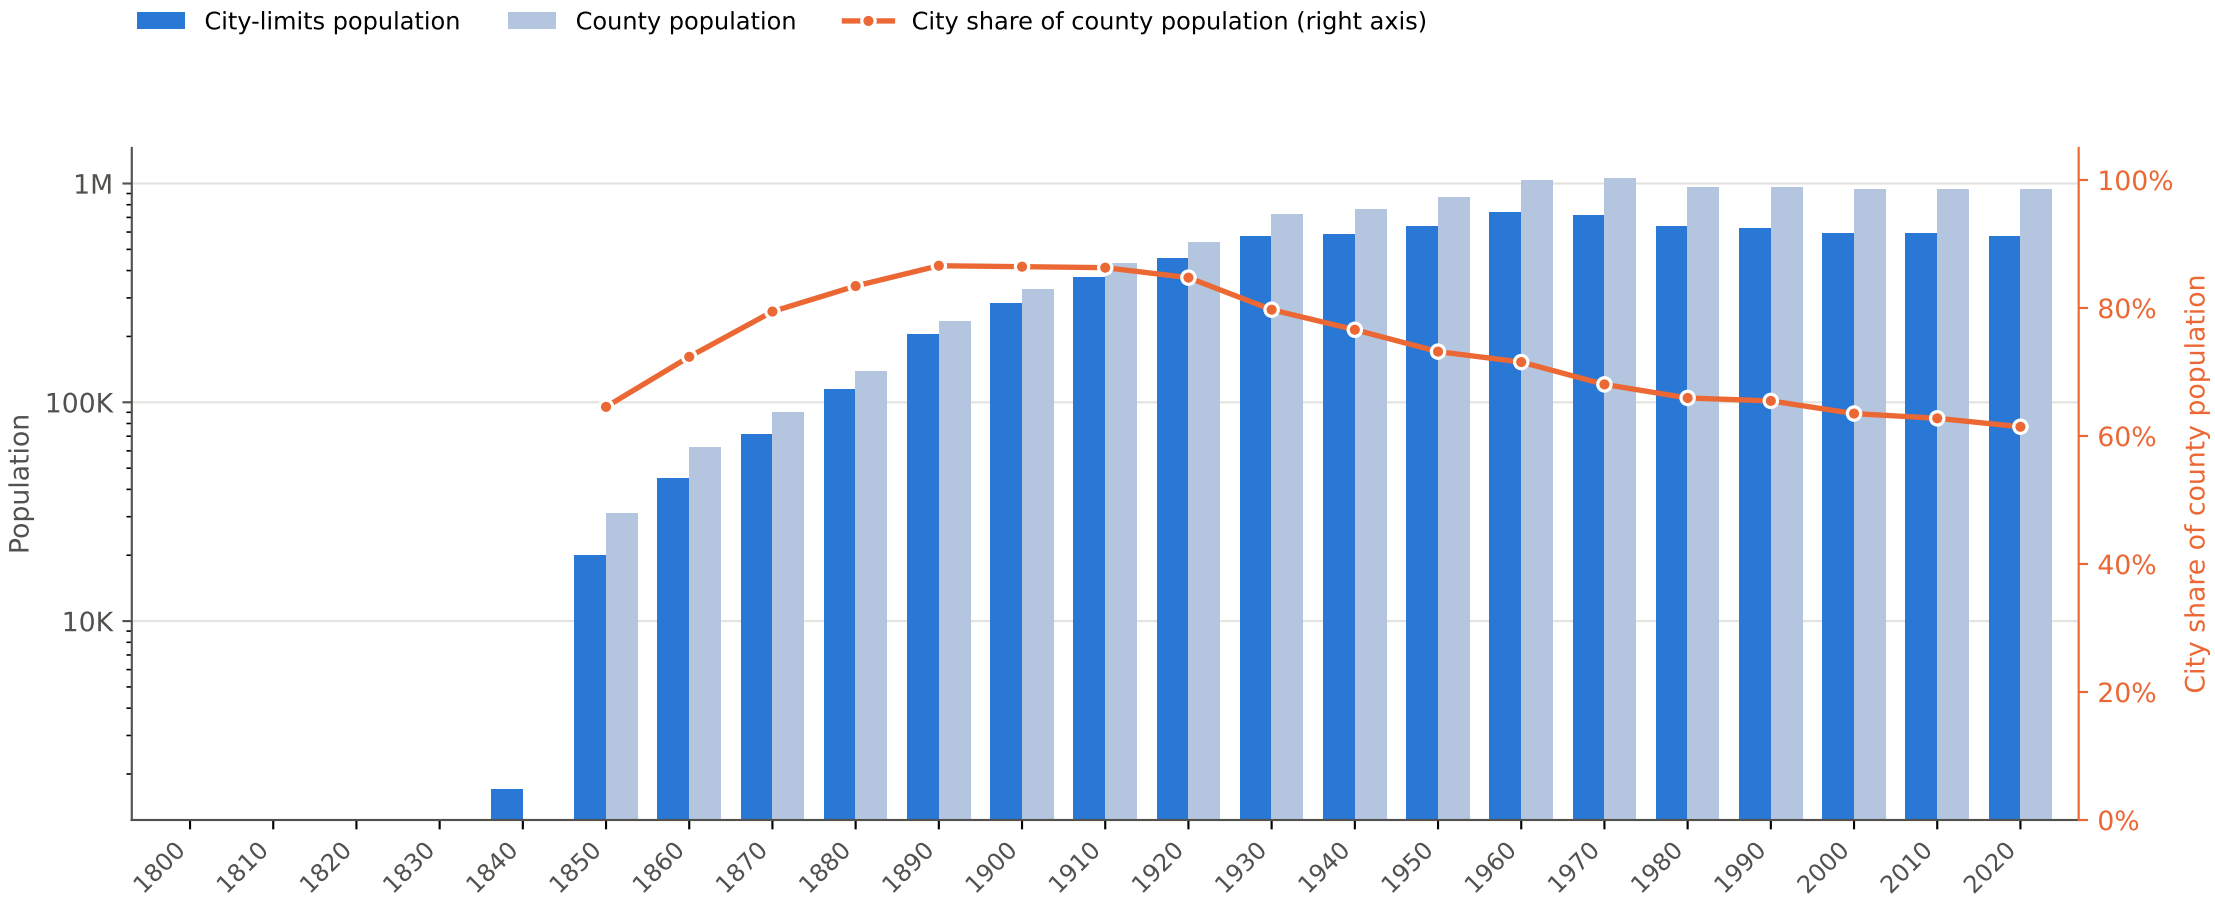

#30 city in the contiguous U.S. by 2020 Census population (585,708). Comparison county (2020): Baltimore City (independent city), MD.

Baltimore City separated from Baltimore County in 1851 and is an independent city (county-equivalent).
Baltimore County figures before 1860 include the town/city of Baltimore.
Independent city since 1851; county-equivalent population equals city population.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Milwaukee, WI: city vs. county population, 1800–2020

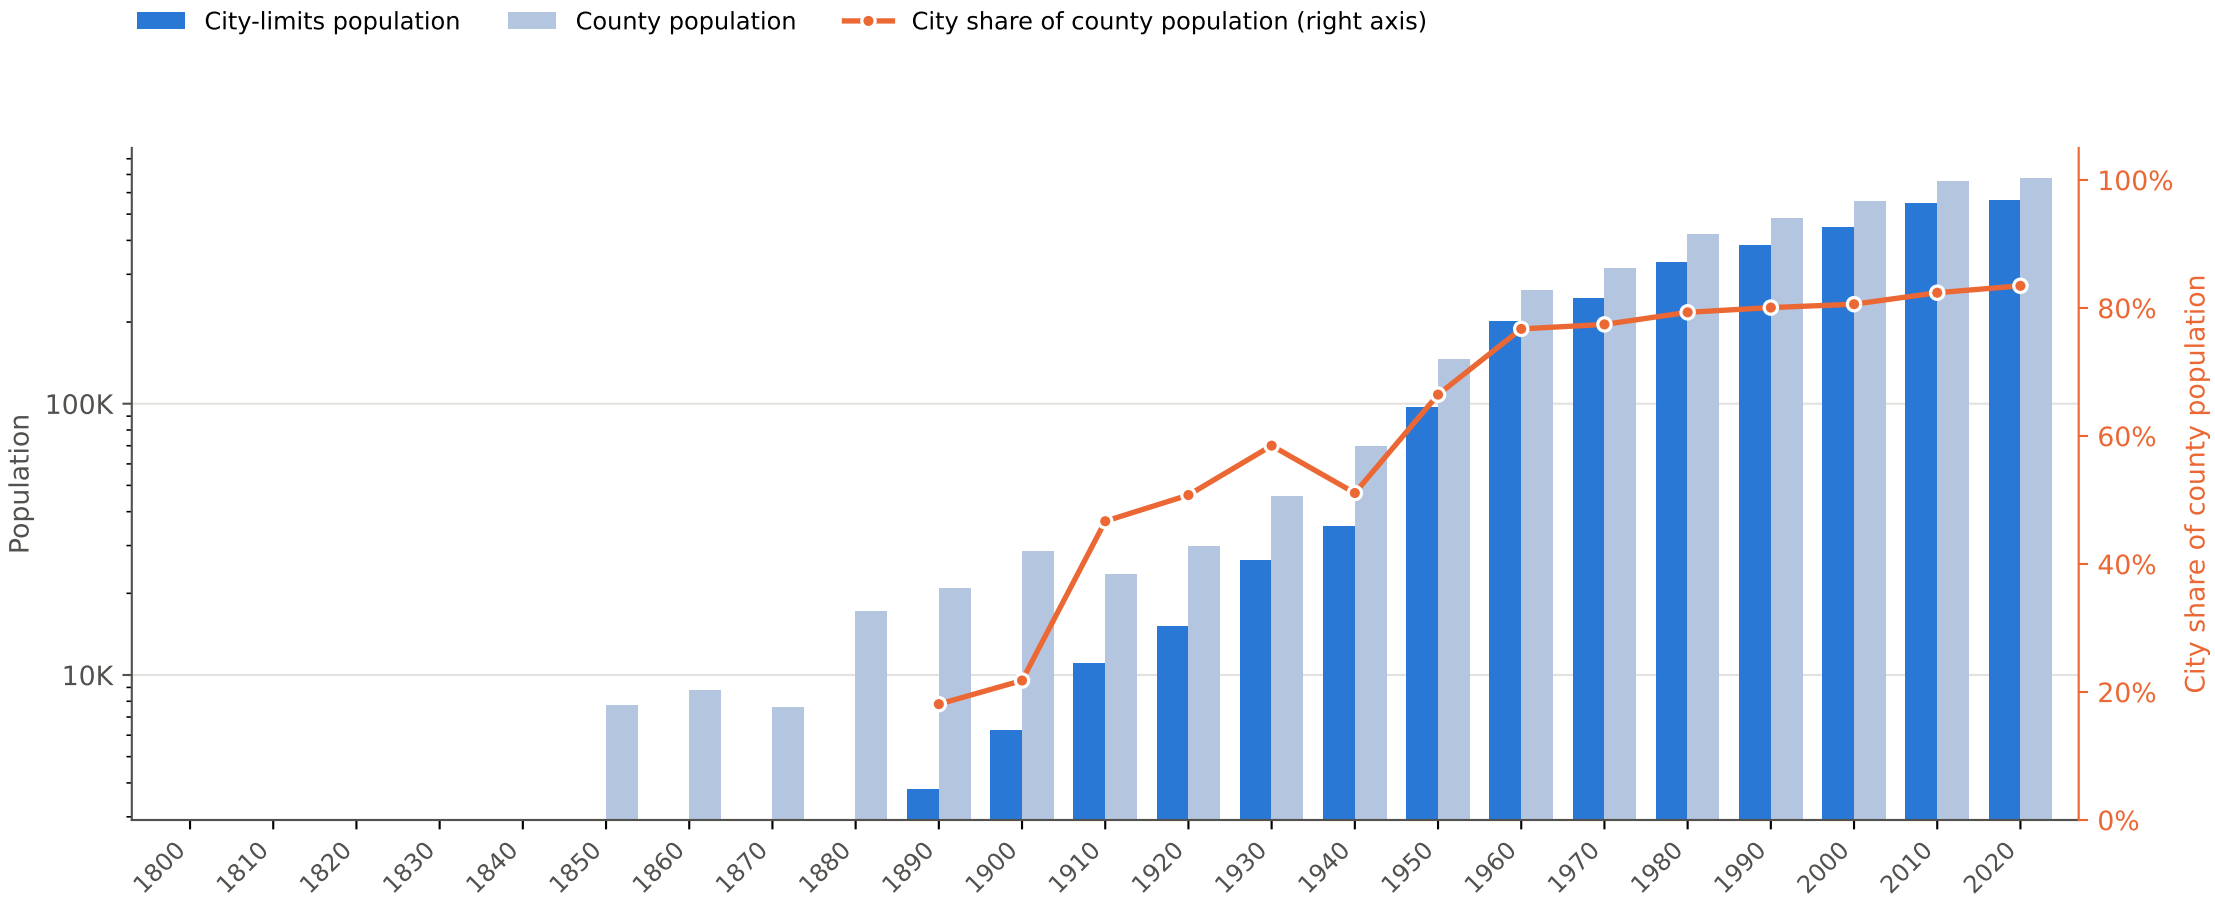

#31 city in the contiguous U.S. by 2020 Census population (577,222). Comparison county (2020): Milwaukee County, WI.

Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Albuquerque, NM: city vs. county population, 1800–2020

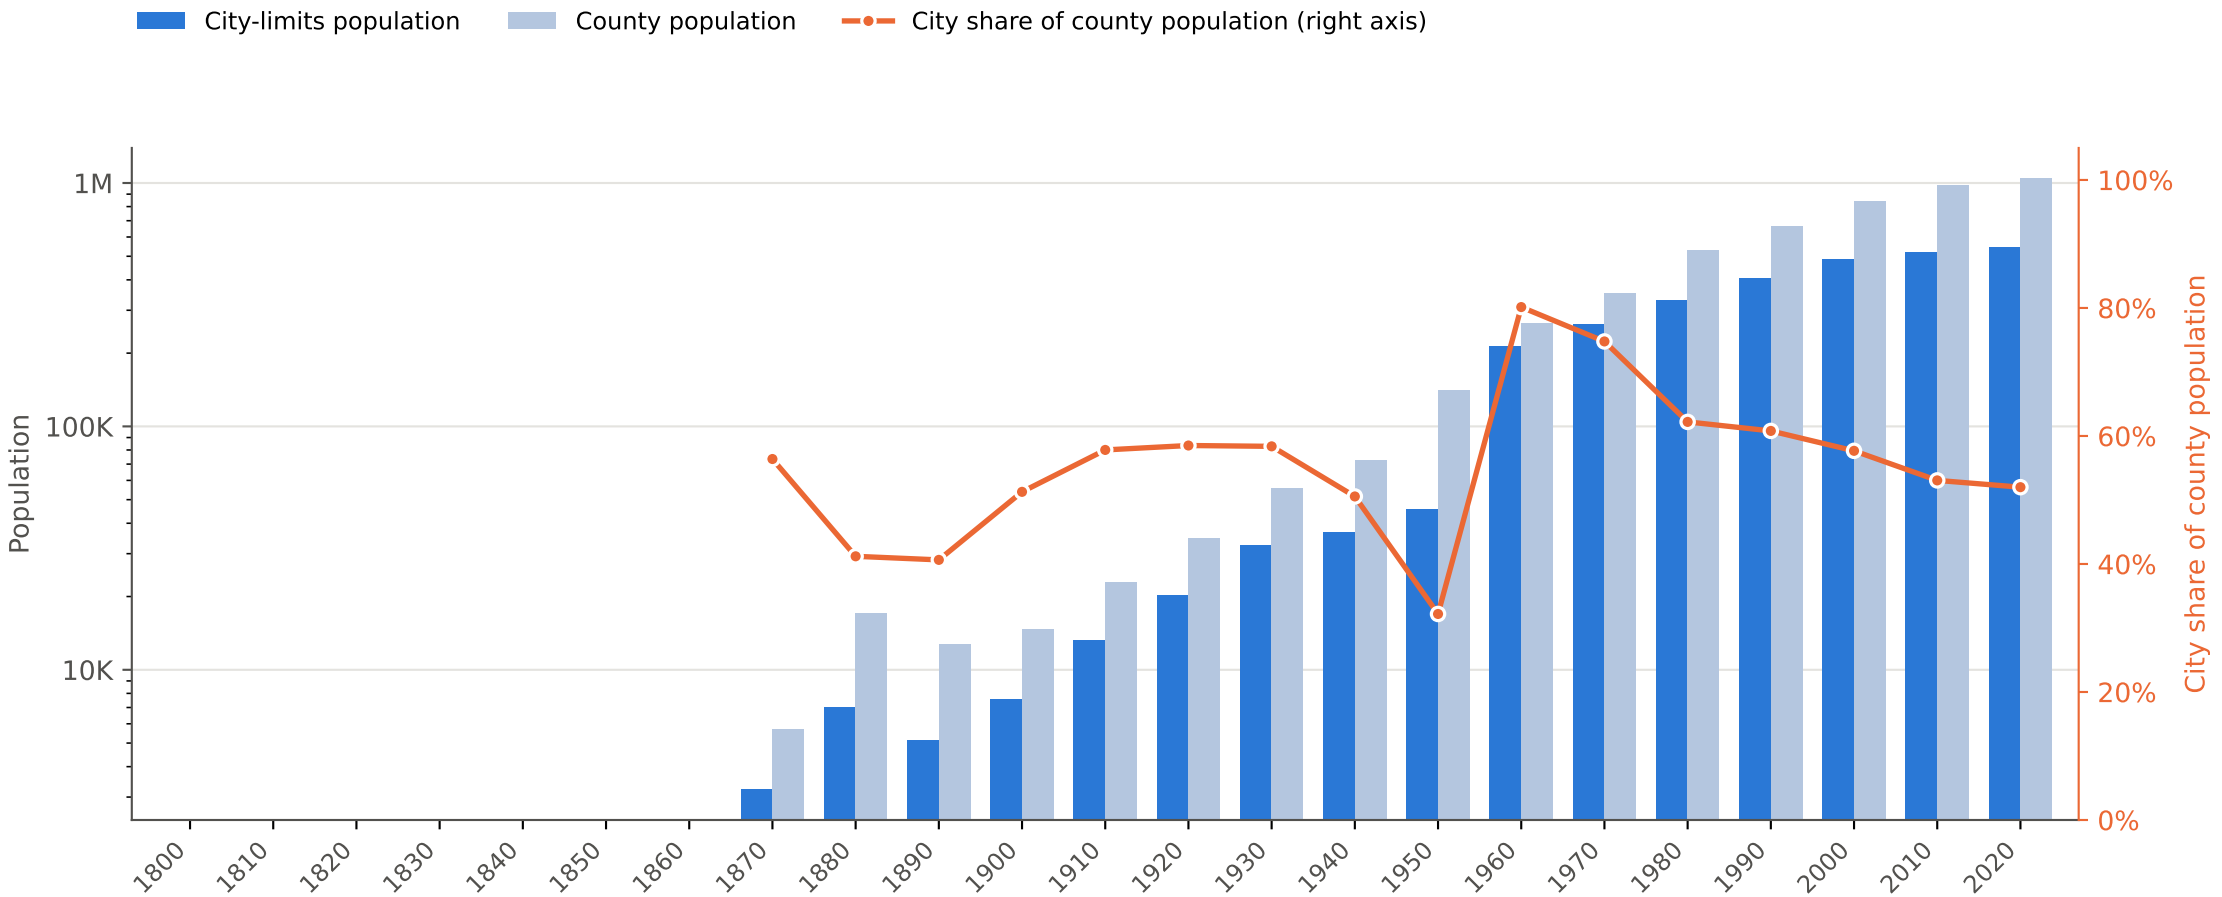

#32 city in the contiguous U.S. by 2020 Census population (564,559). Comparison county (2020): Bernalillo County, NM.

Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Tucson, AZ: city vs. county population, 1800–2020

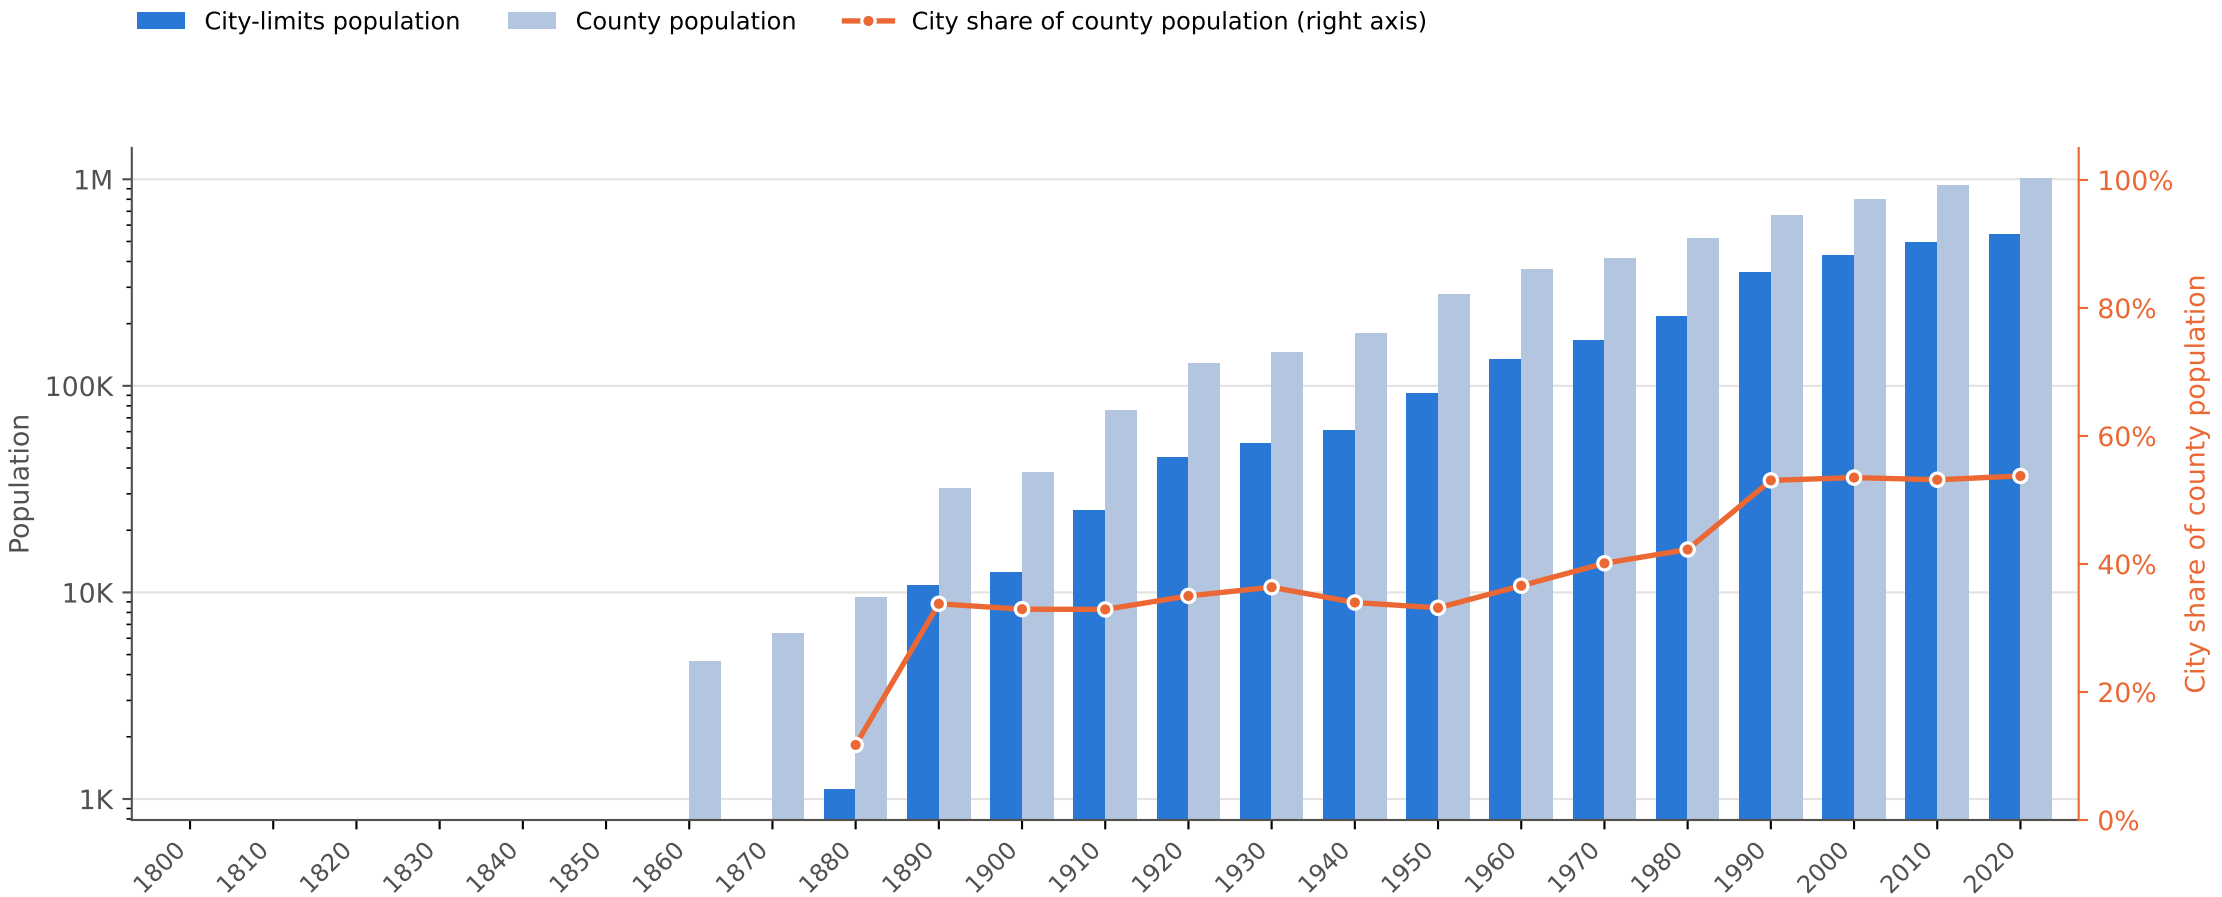

#33 city in the contiguous U.S. by 2020 Census population (542,629). Comparison county (2020): Pima County, AZ.

Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Fresno, CA: city vs. county population, 1800–2020

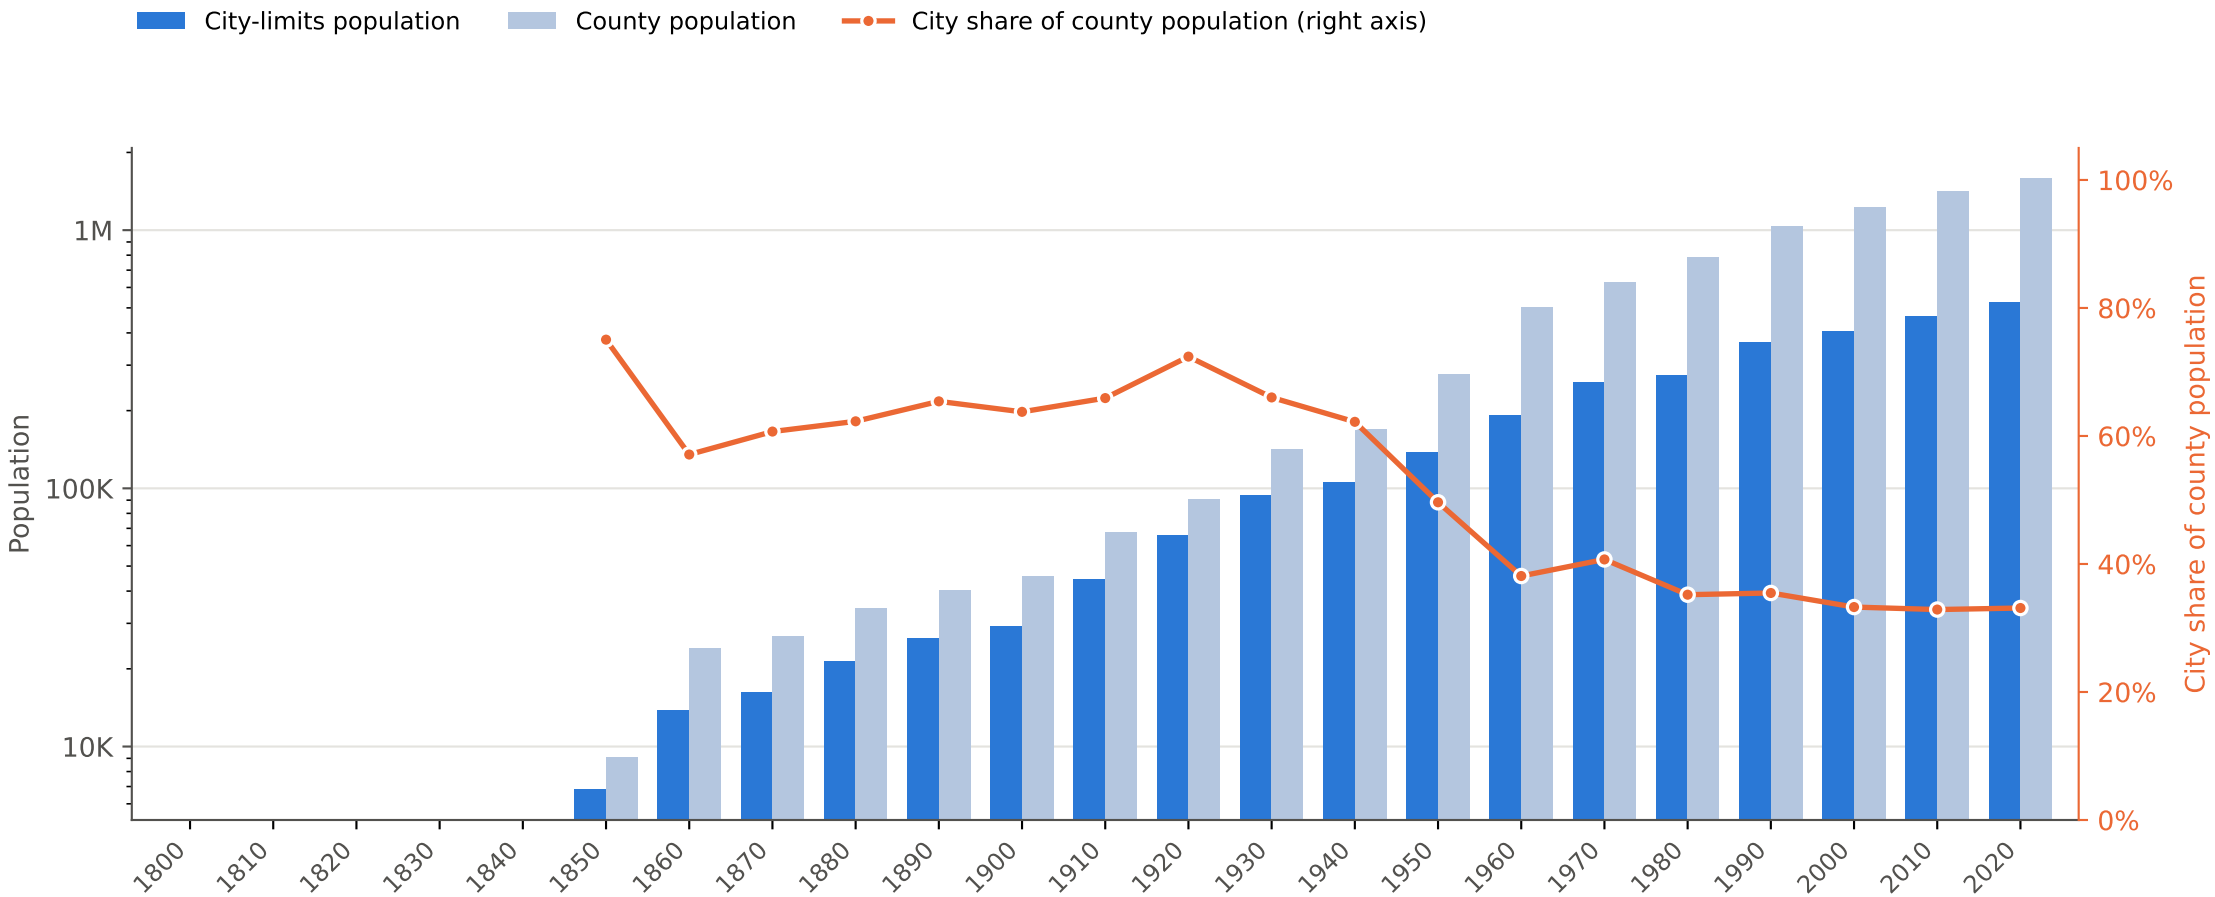

#34 city in the contiguous U.S. by 2020 Census population (542,107). Comparison county (2020): Fresno County, CA.

Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Sacramento, CA: city vs. county population, 1800–2020

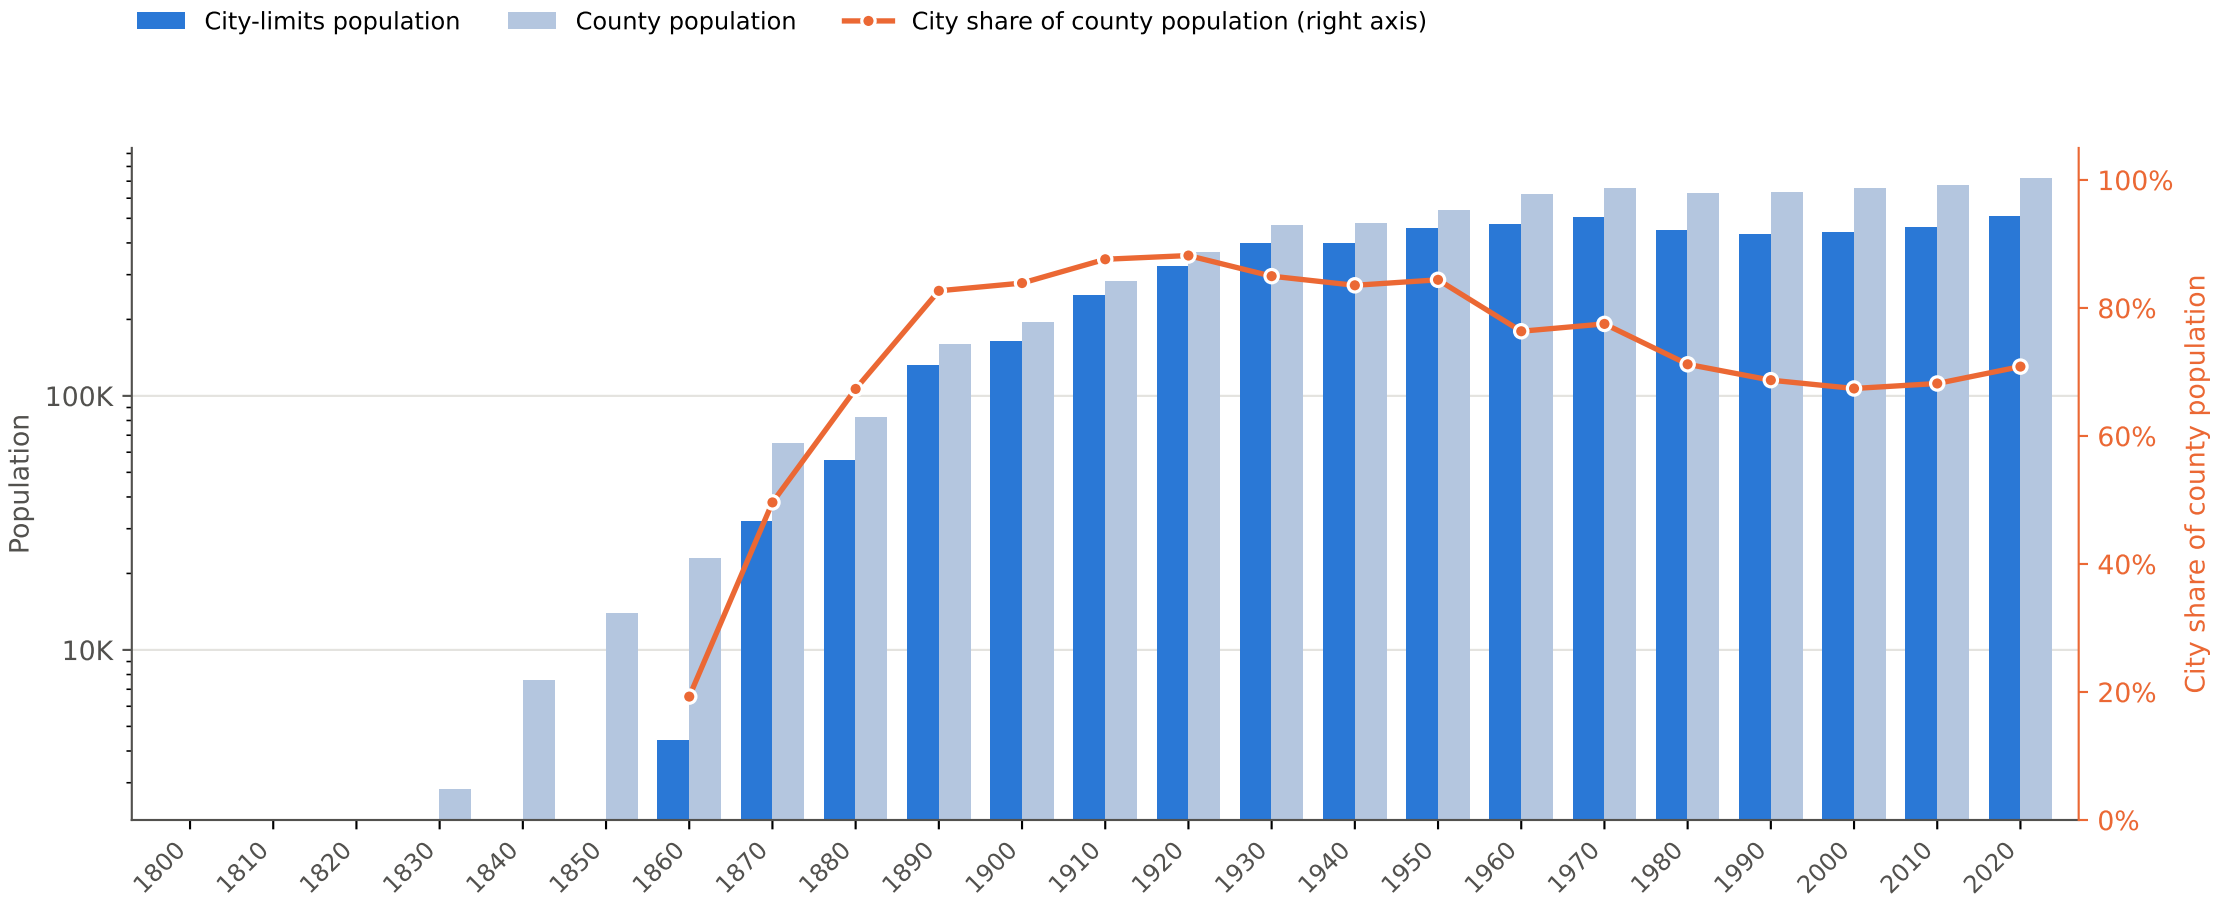

#35 city in the contiguous U.S. by 2020 Census population (524,943). Comparison county (2020): Sacramento County, CA.

Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Kansas City, MO: city vs. county population, 1800–2020

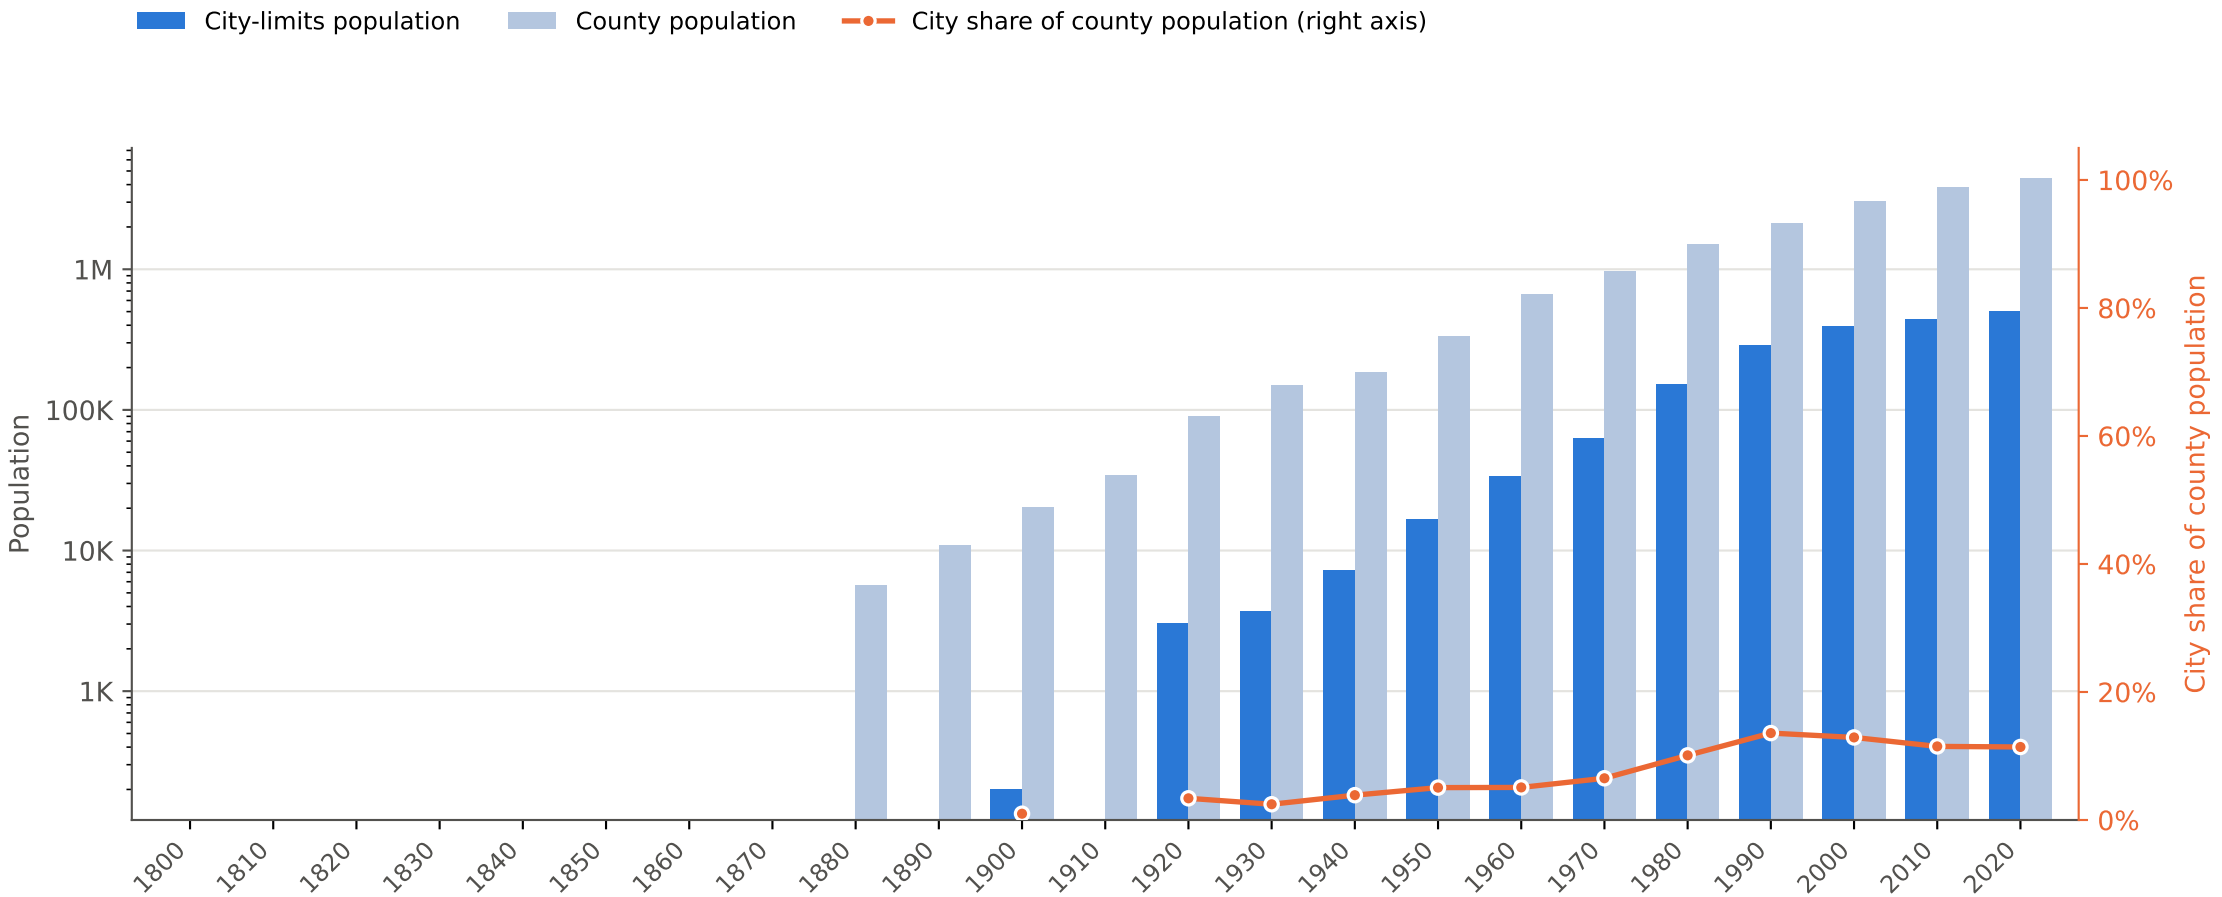

#36 city in the contiguous U.S. by 2020 Census population (508,090). Comparison county (2020): Jackson County, MO.

Large parts of the city lie in Clay and Platte counties (and a small part in Cass).
City limits extend beyond the comparison county, so the share slightly overstates the share of that county living in the city.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Mesa, AZ: city vs. county population, 1800–2020

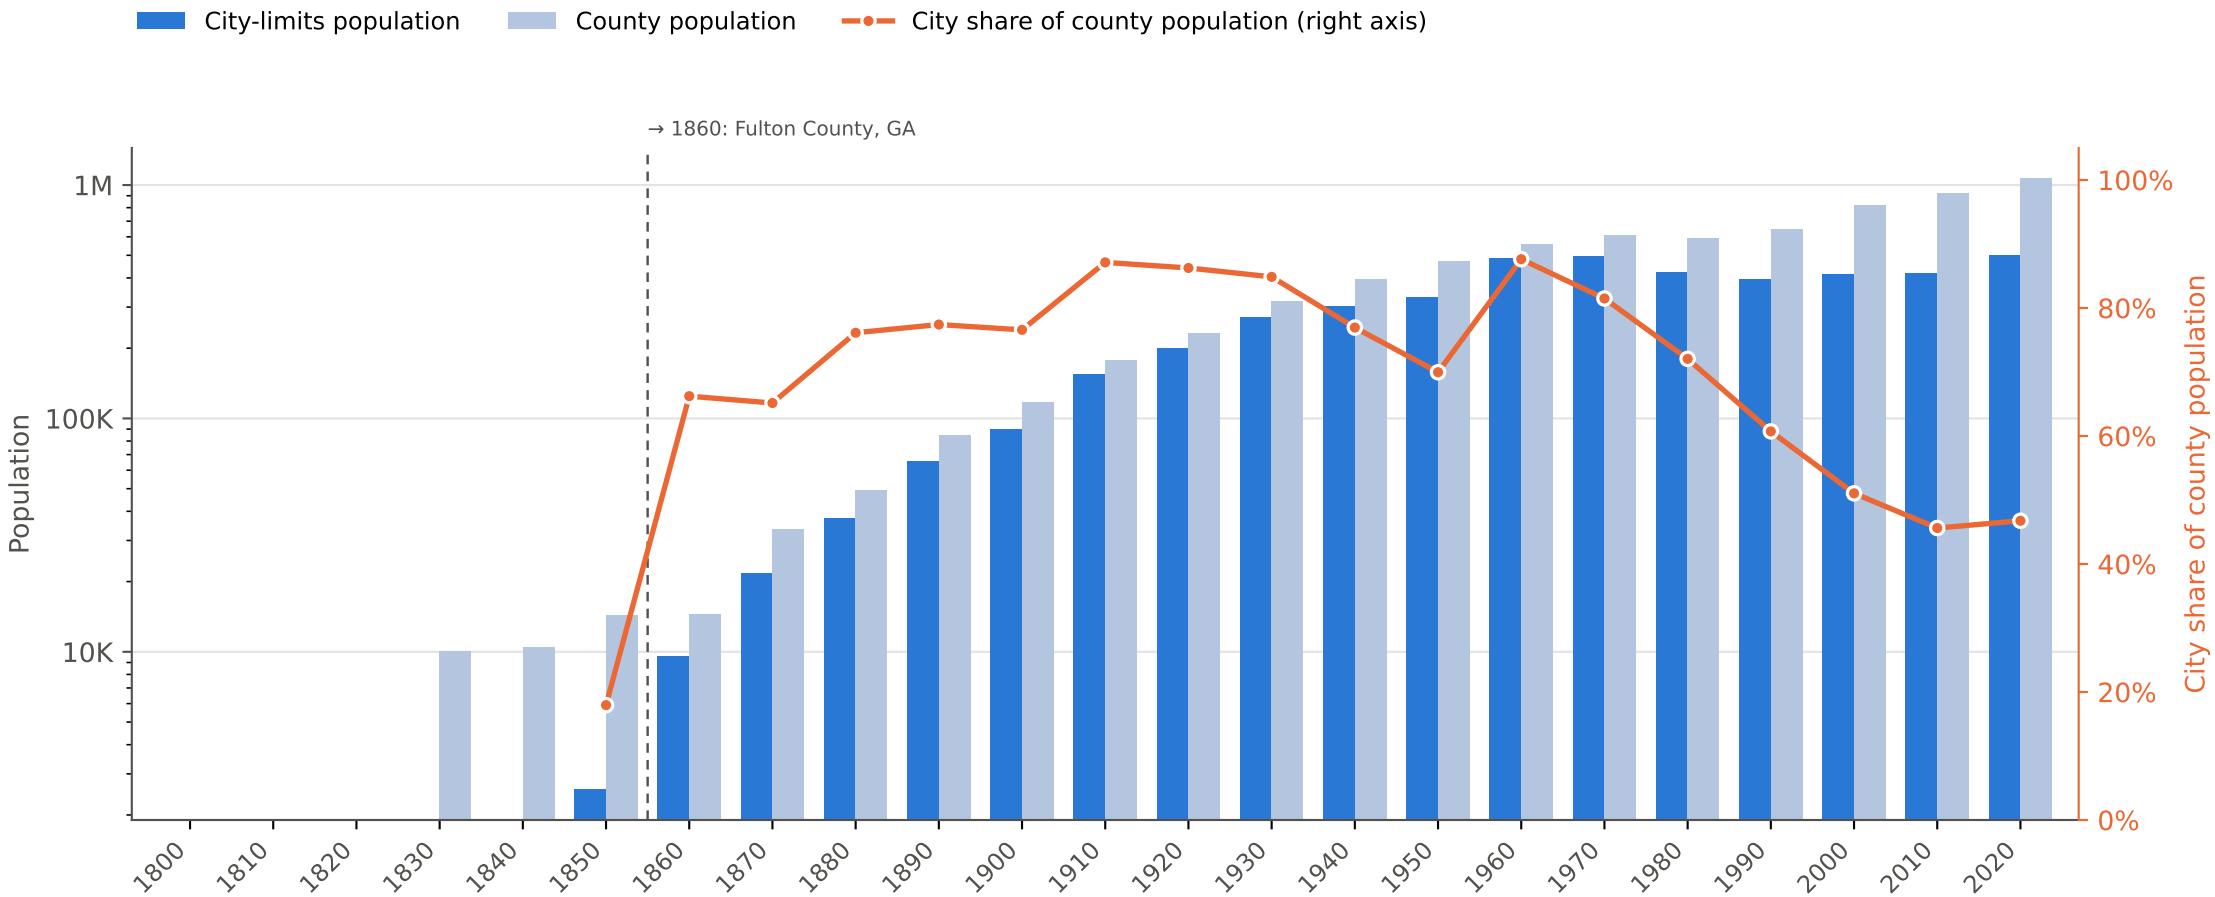

#37 city in the contiguous U.S. by 2020 Census population (504,258). Comparison county (2020): Maricopa County, AZ.

Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Atlanta, GA: city vs. county population, 1800–2020

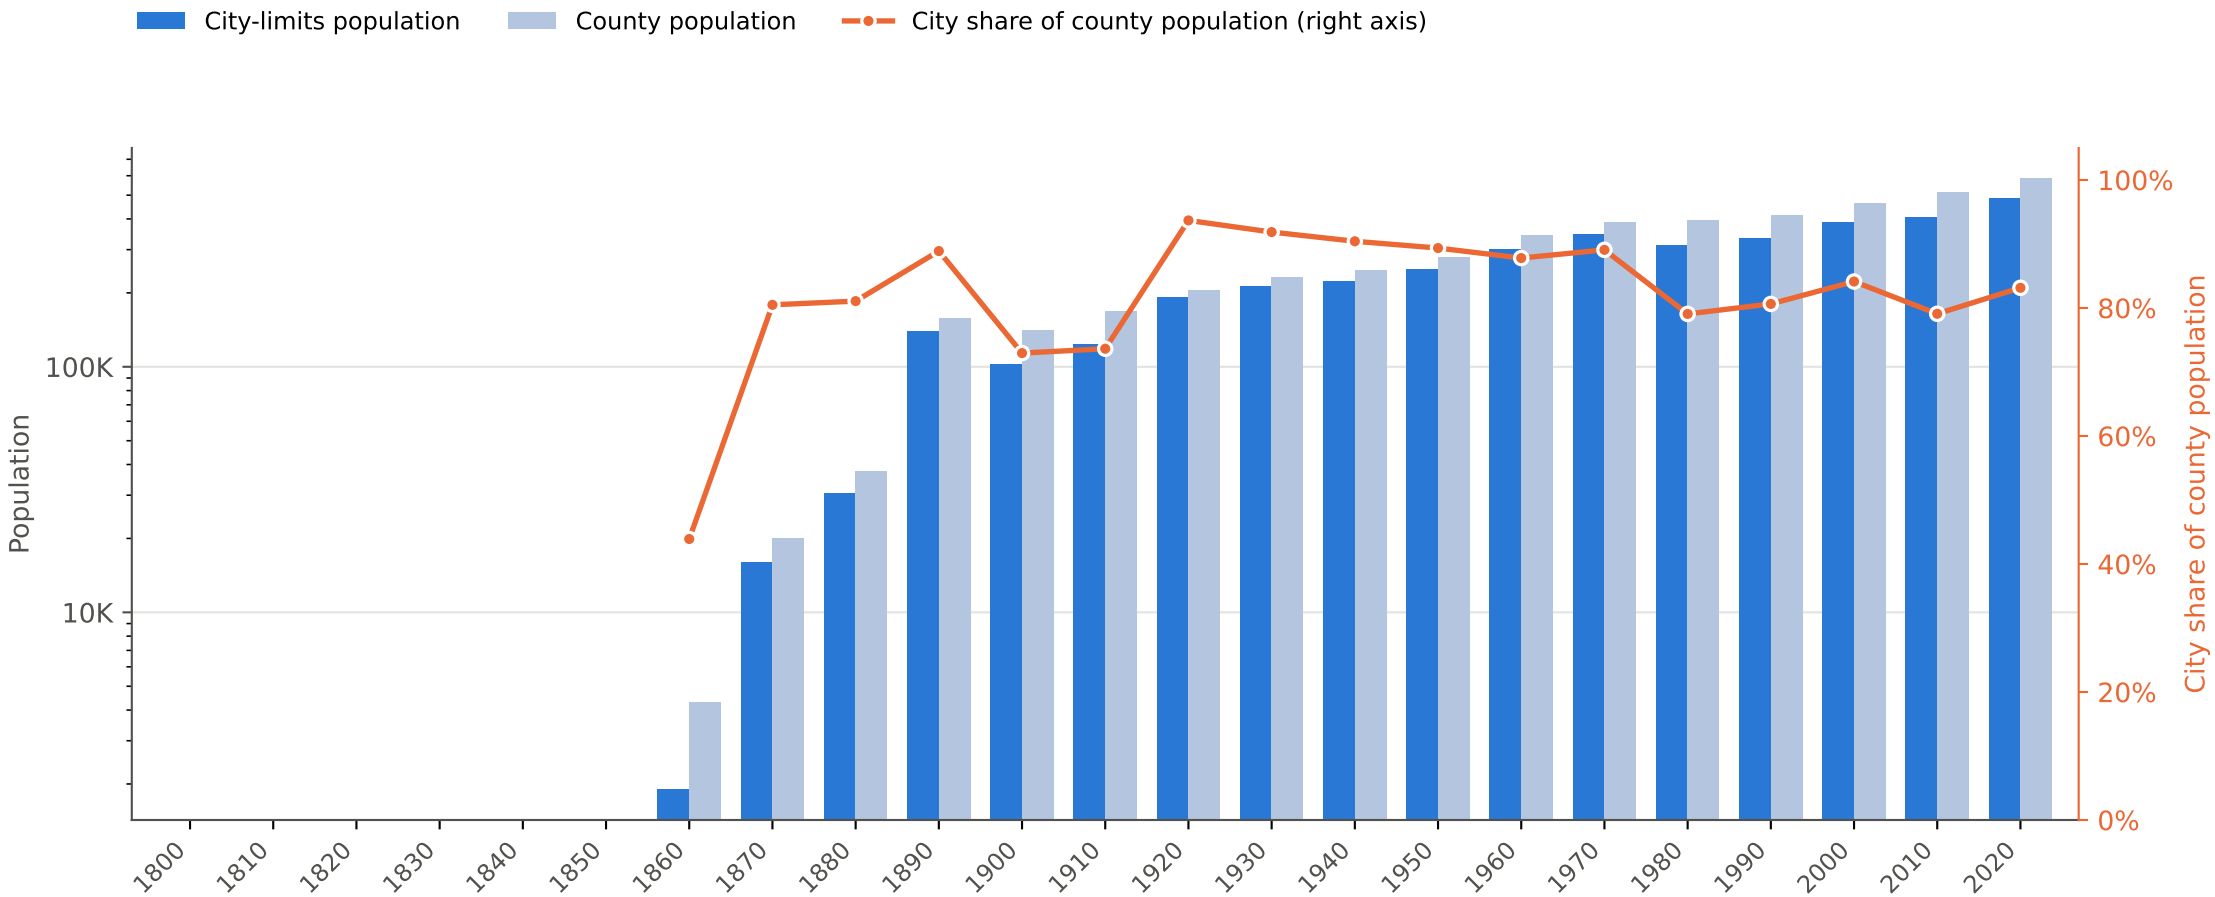

#38 city in the contiguous U.S. by 2020 Census population (498,715). Comparison county (2020): Fulton County, GA.

Part of the city lies in DeKalb County. Fulton County absorbed Campbell and Milton counties in 1932.
City limits extend beyond the comparison county, so the share slightly overstates the share of that county living in the city.
Fulton County was created from DeKalb County in 1853.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Omaha, NE: city vs. county population, 1800–2020

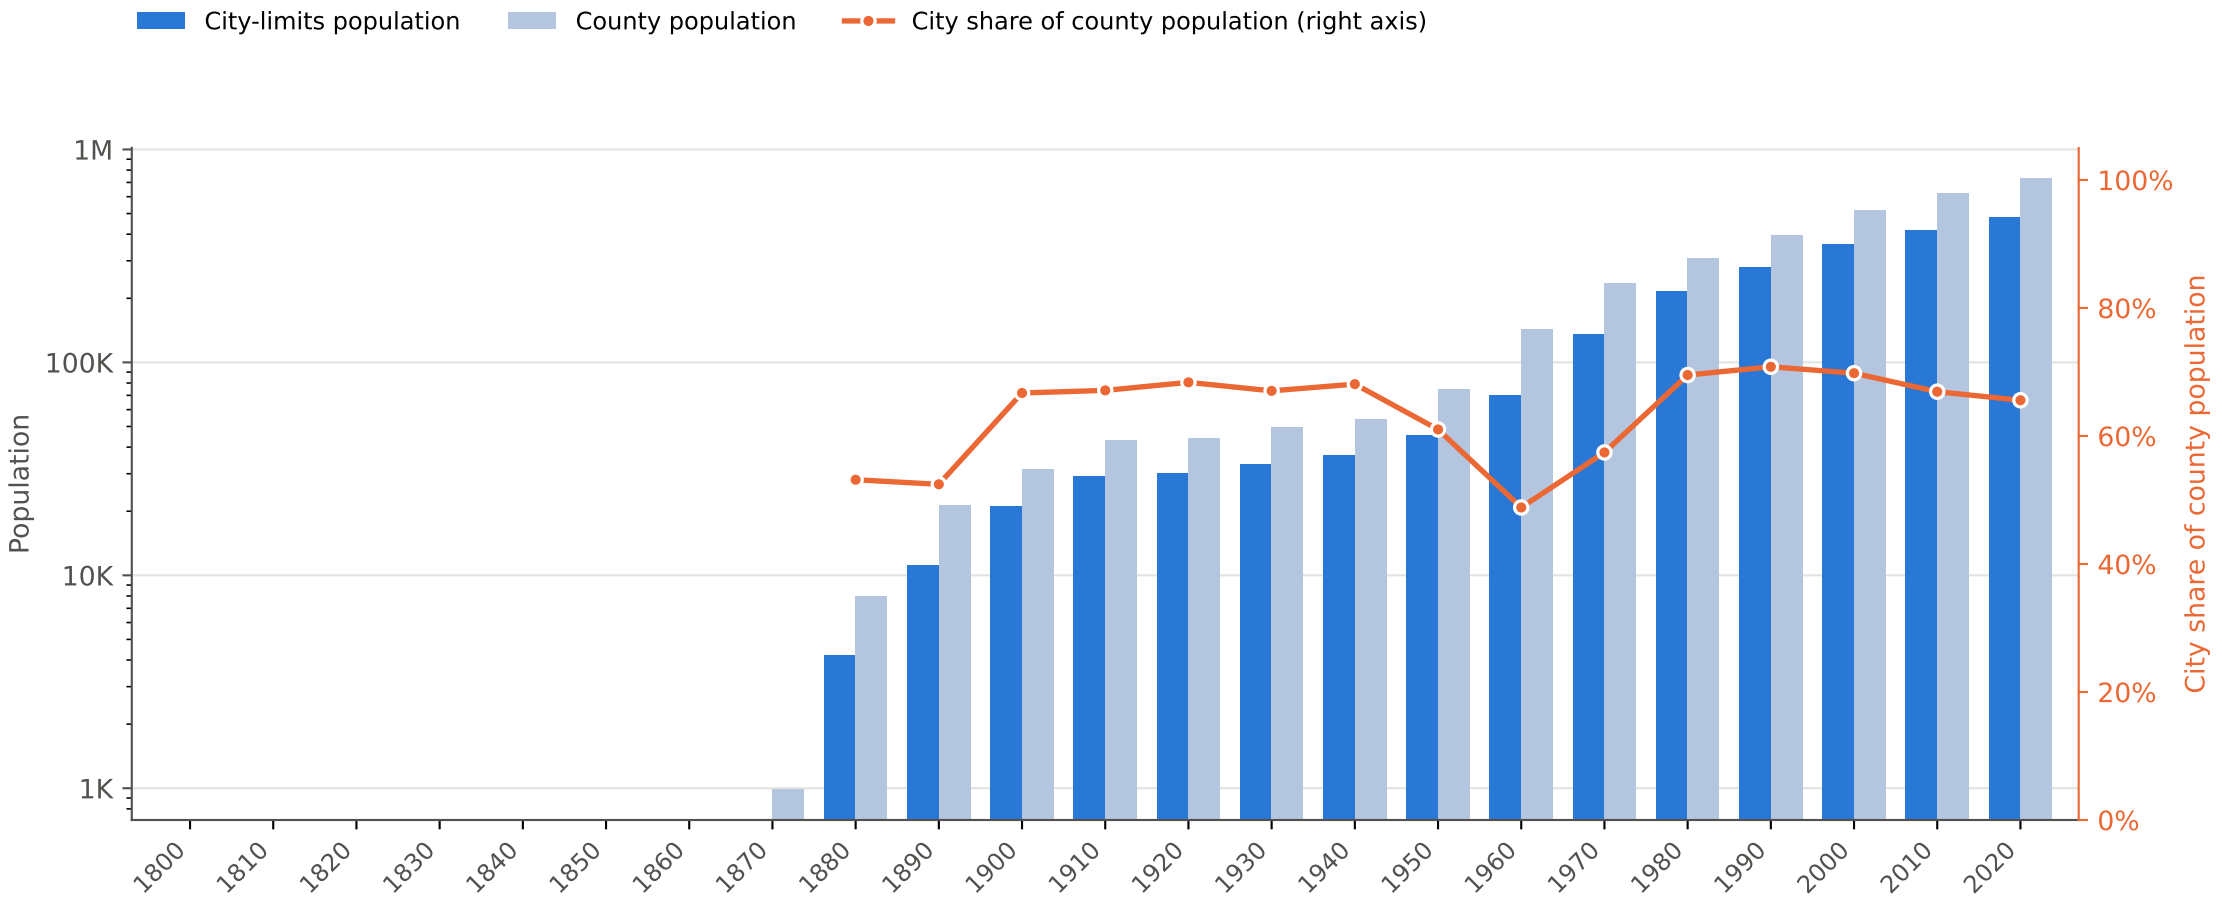

#39 city in the contiguous U.S. by 2020 Census population (486,051). Comparison county (2020): Douglas County, NE.

The 1890 census counts for Omaha (and Lincoln) are widely regarded as inflated; both cities' 1900 counts were lower.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Colorado Springs, CO: city vs. county population, 1800–2020

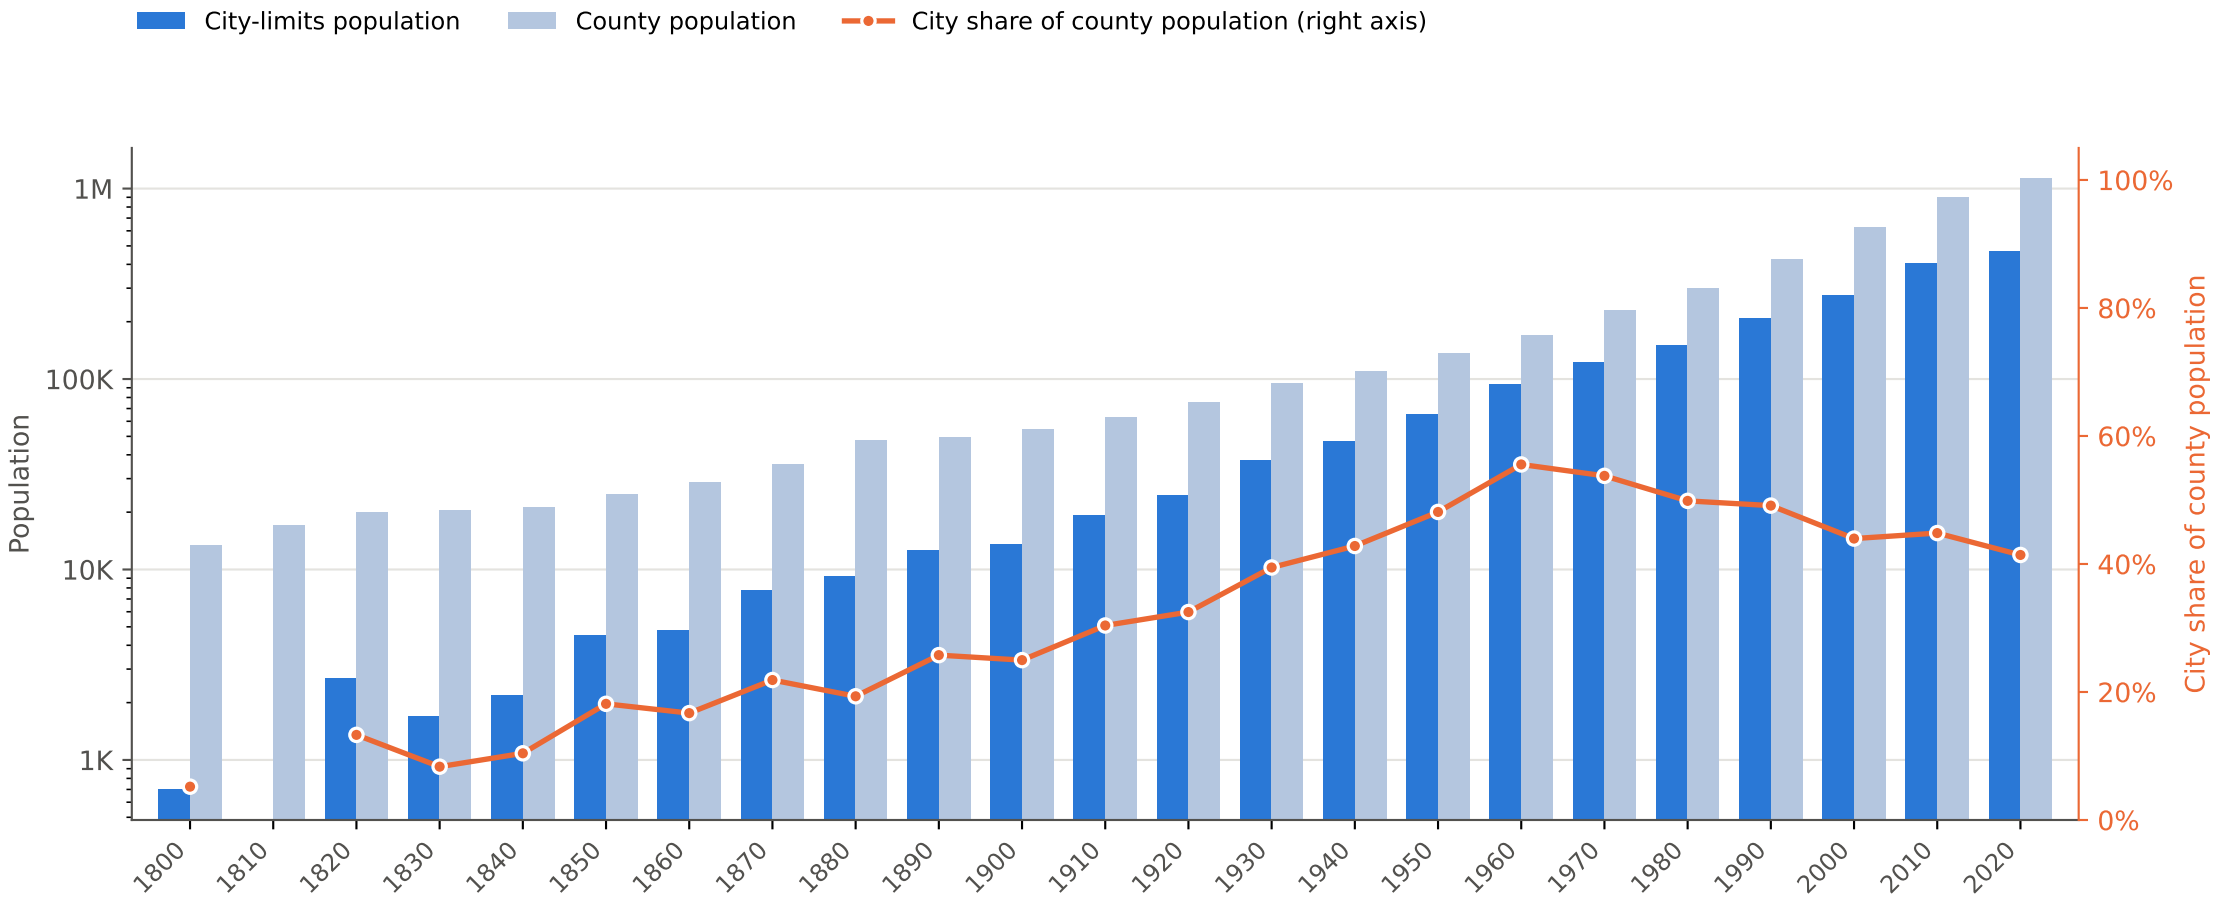

#40 city in the contiguous U.S. by 2020 Census population (478,961). Comparison county (2020): El Paso County, CO.

Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Raleigh, NC: city vs. county population, 1800–2020

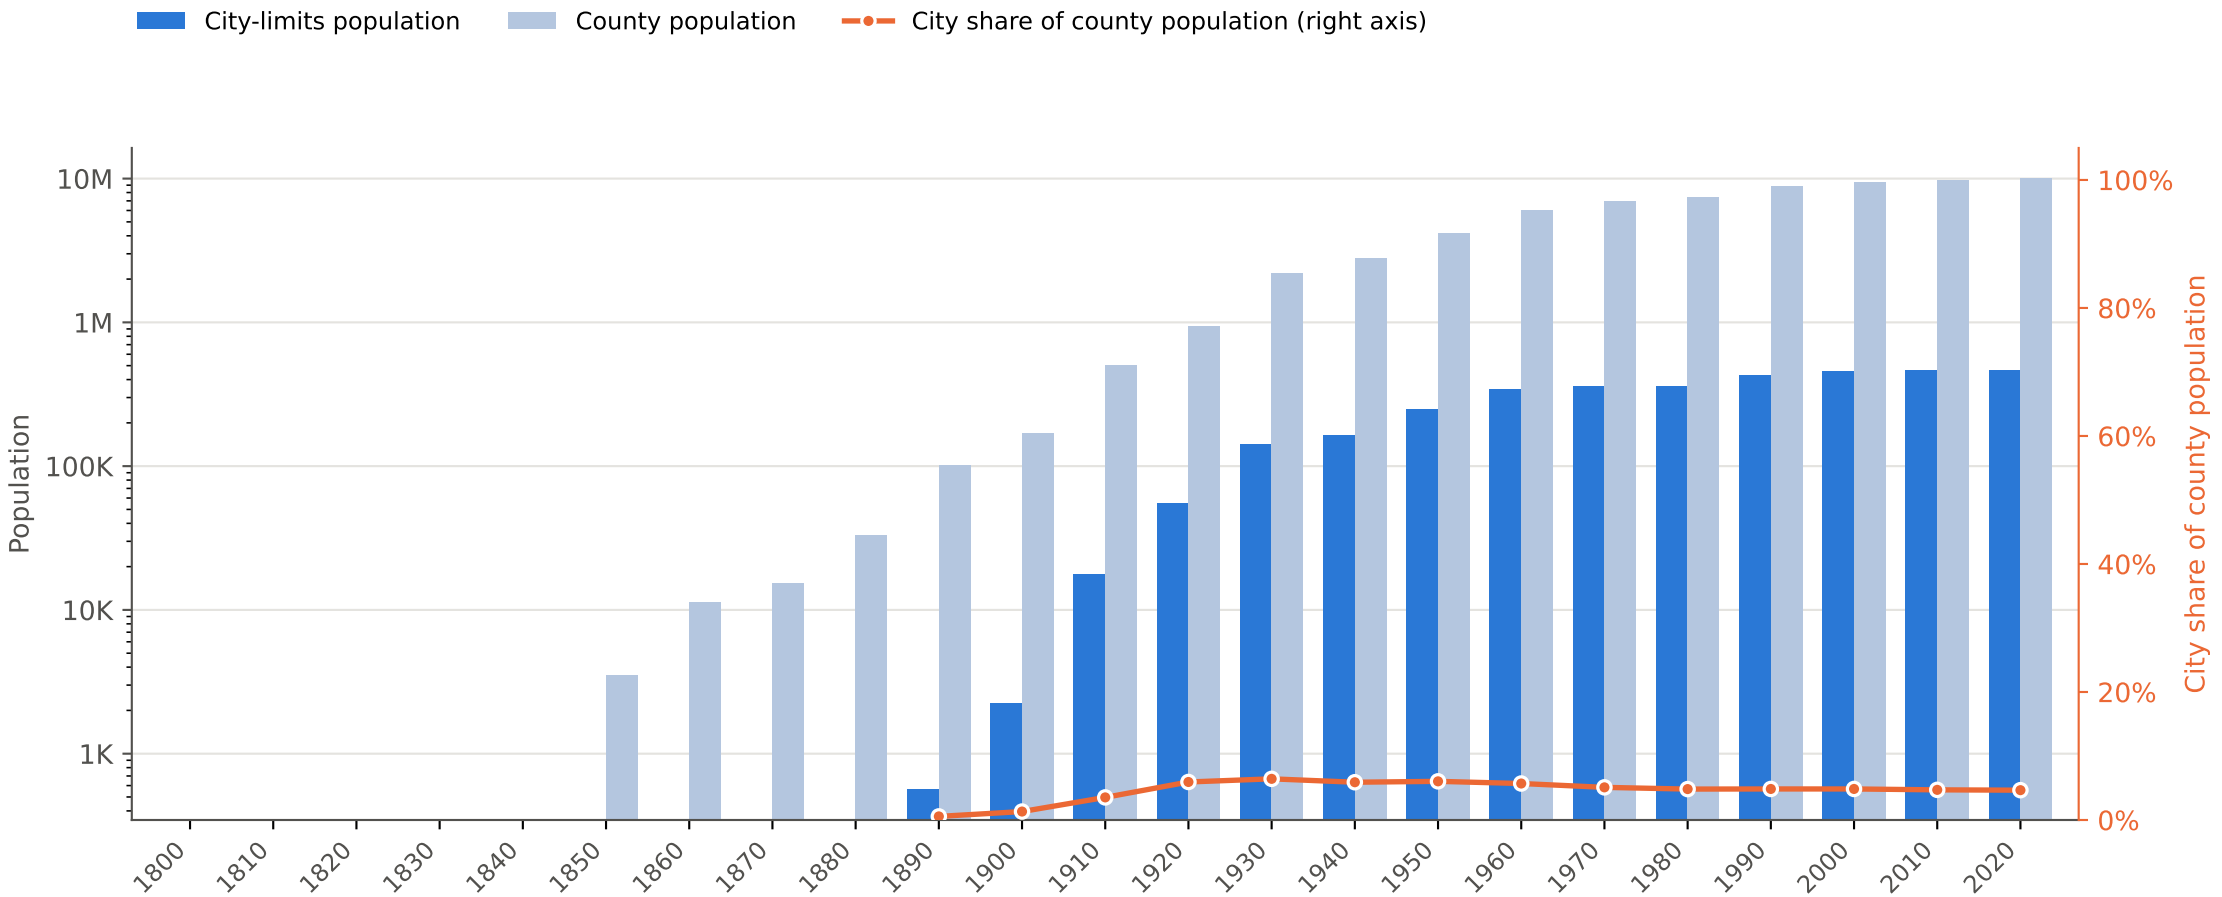

#41 city in the contiguous U.S. by 2020 Census population (467,665). Comparison county (2020): Wake County, NC.

A small part lies in Durham County.
City limits extend beyond the comparison county, so the share slightly overstates the share of that county living in the city.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Long Beach, CA: city vs. county population, 1800–2020

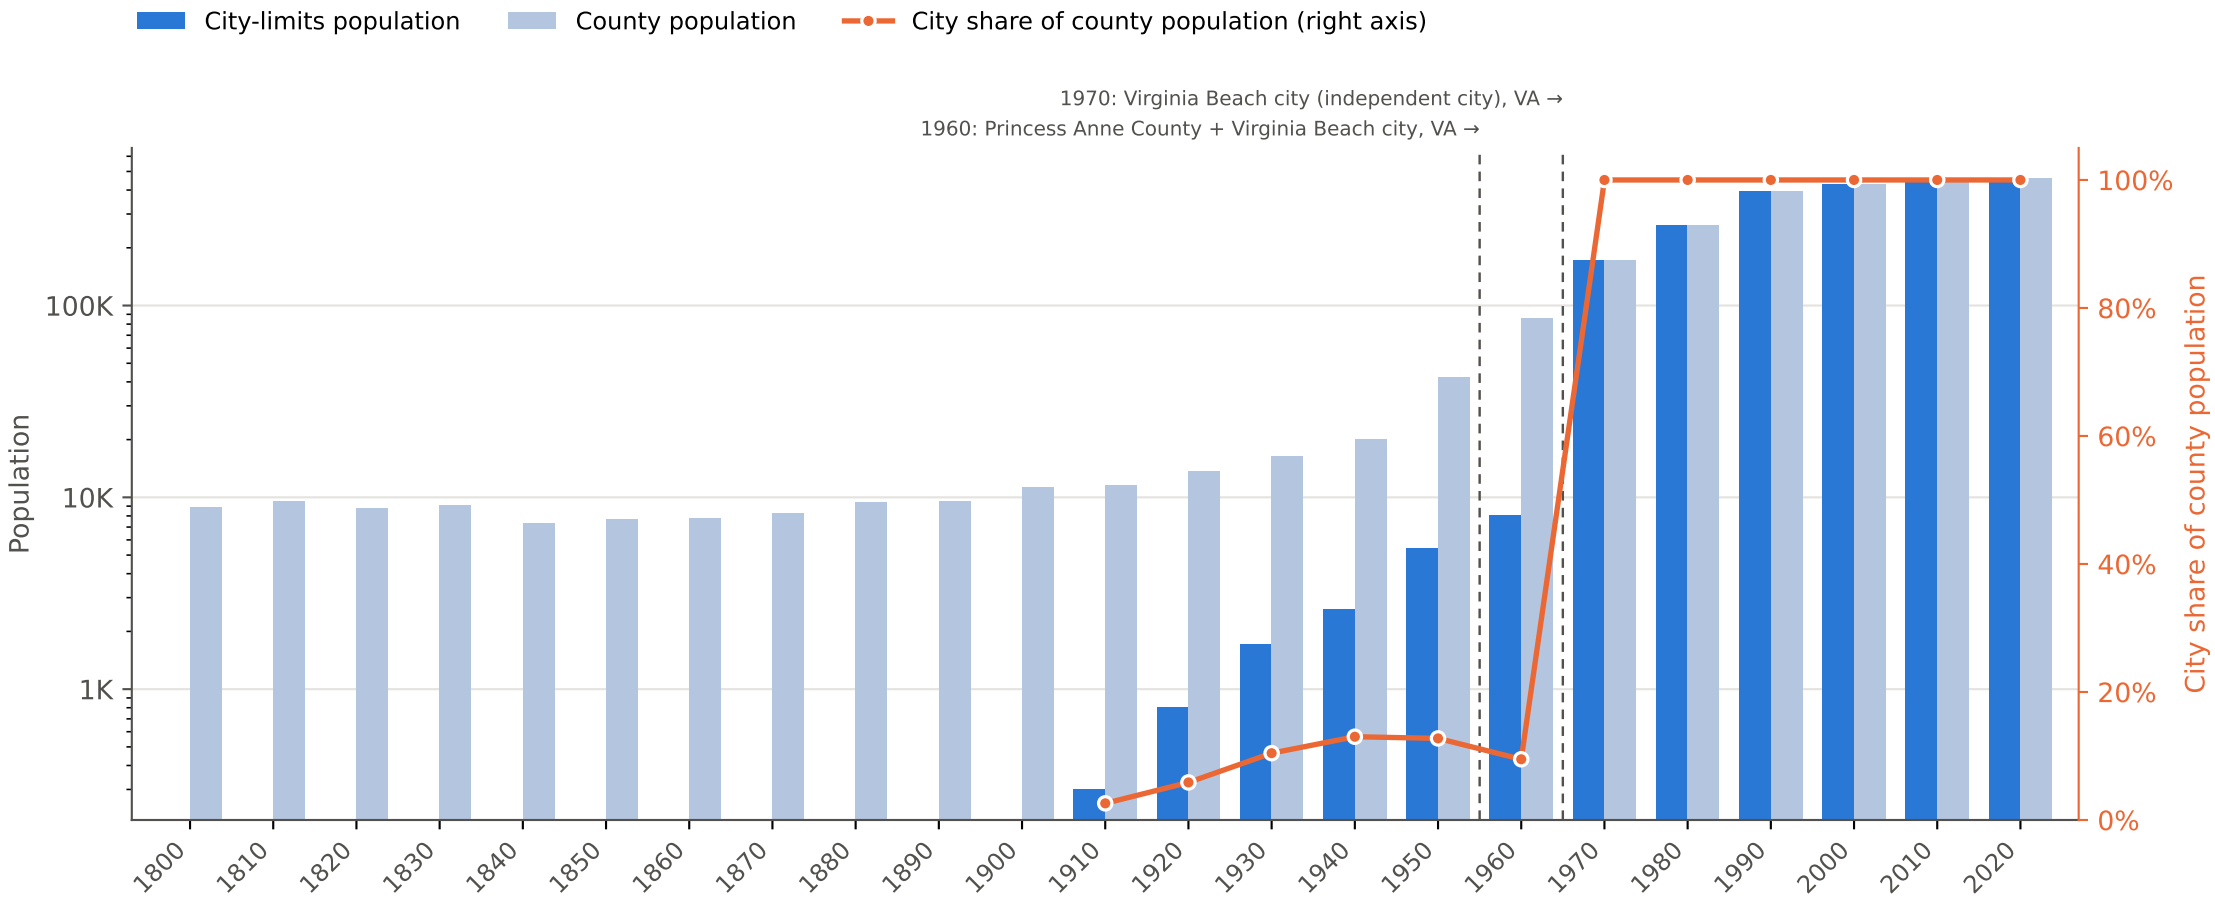

#42 city in the contiguous U.S. by 2020 Census population (466,742). Comparison county (2020): Los Angeles County, CA.

Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Virginia Beach, VA: city vs. county population, 1800–2020

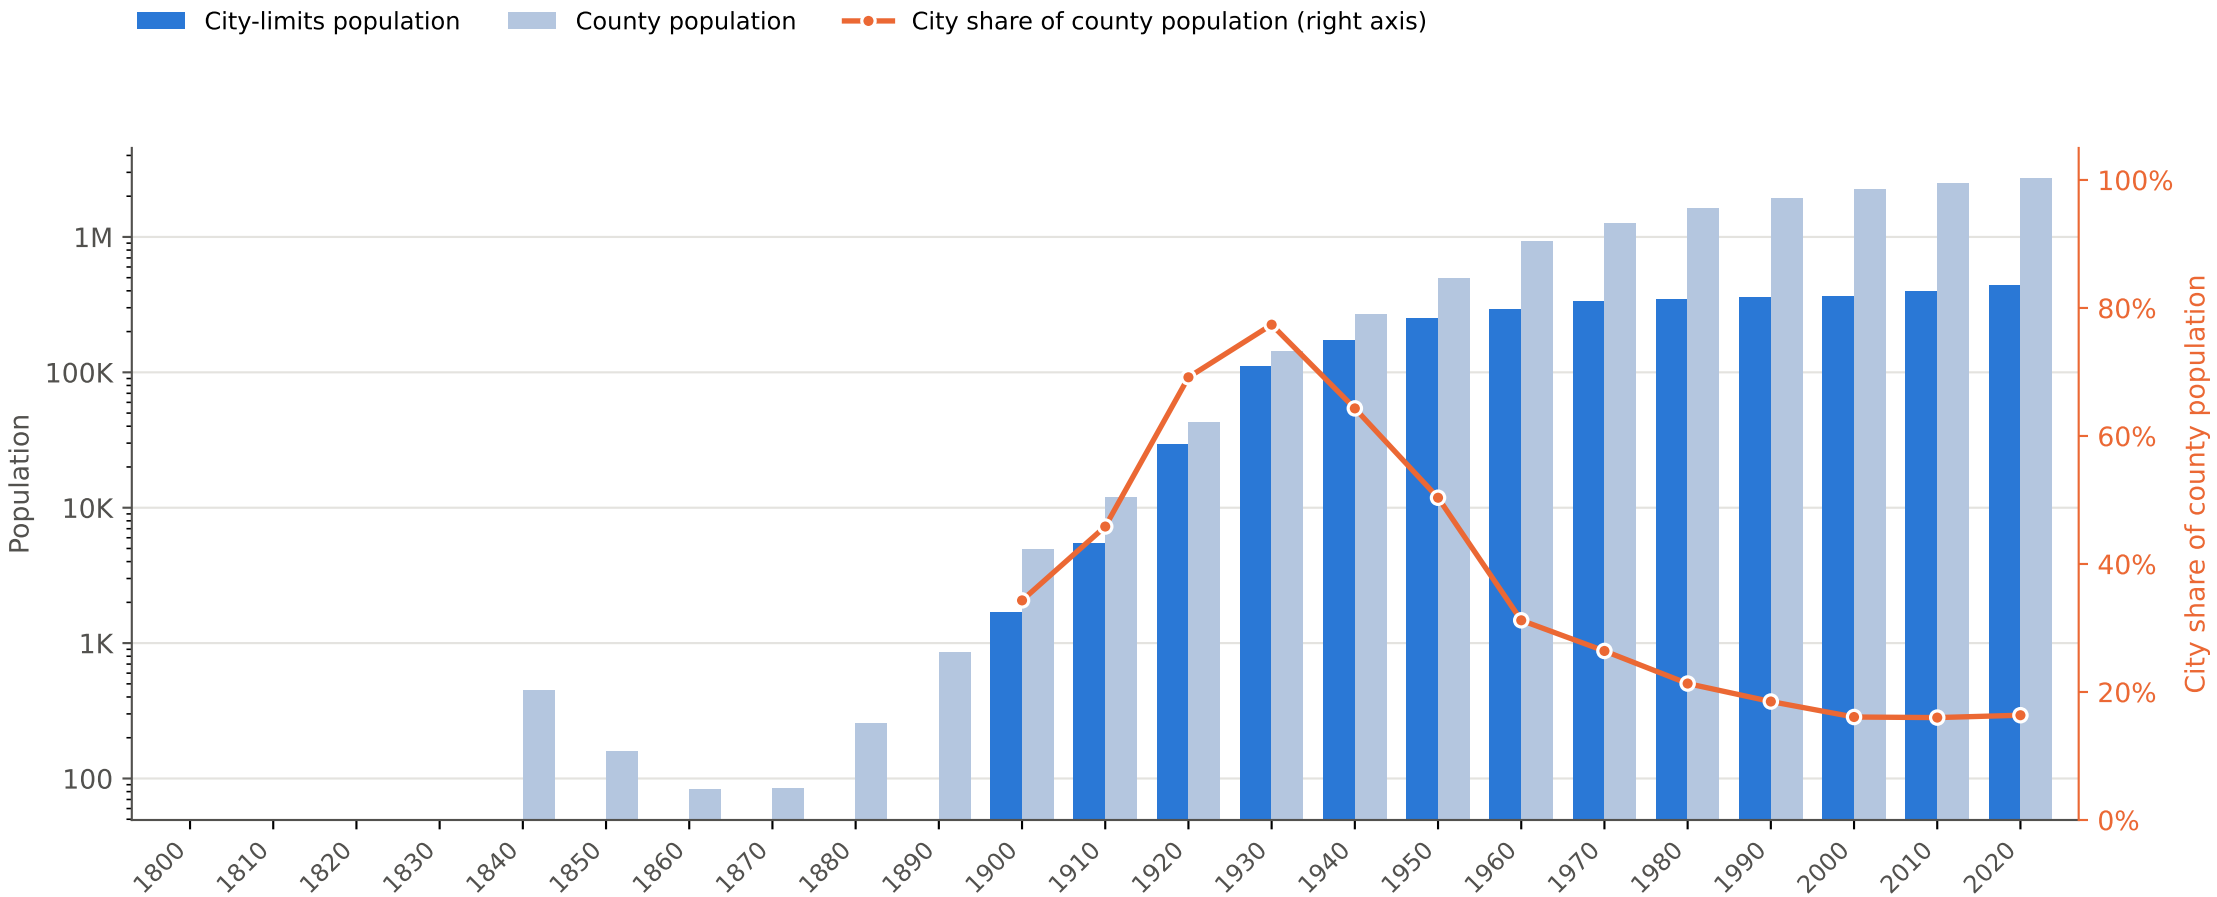

#43 city in the contiguous U.S. by 2020 Census population (459,470). Comparison county (2020): Virginia Beach city (independent city), VA.

Virginia Beach became an independent city in 1952 and merged with Princess Anne County in 1963.
In 1960 Virginia Beach was a small independent city (since 1952) beside Princess Anne County; the two merged in 1963. The comparator is their combined population (the territory of today's Virginia Beach).
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Miami, FL: city vs. county population, 1800–2020

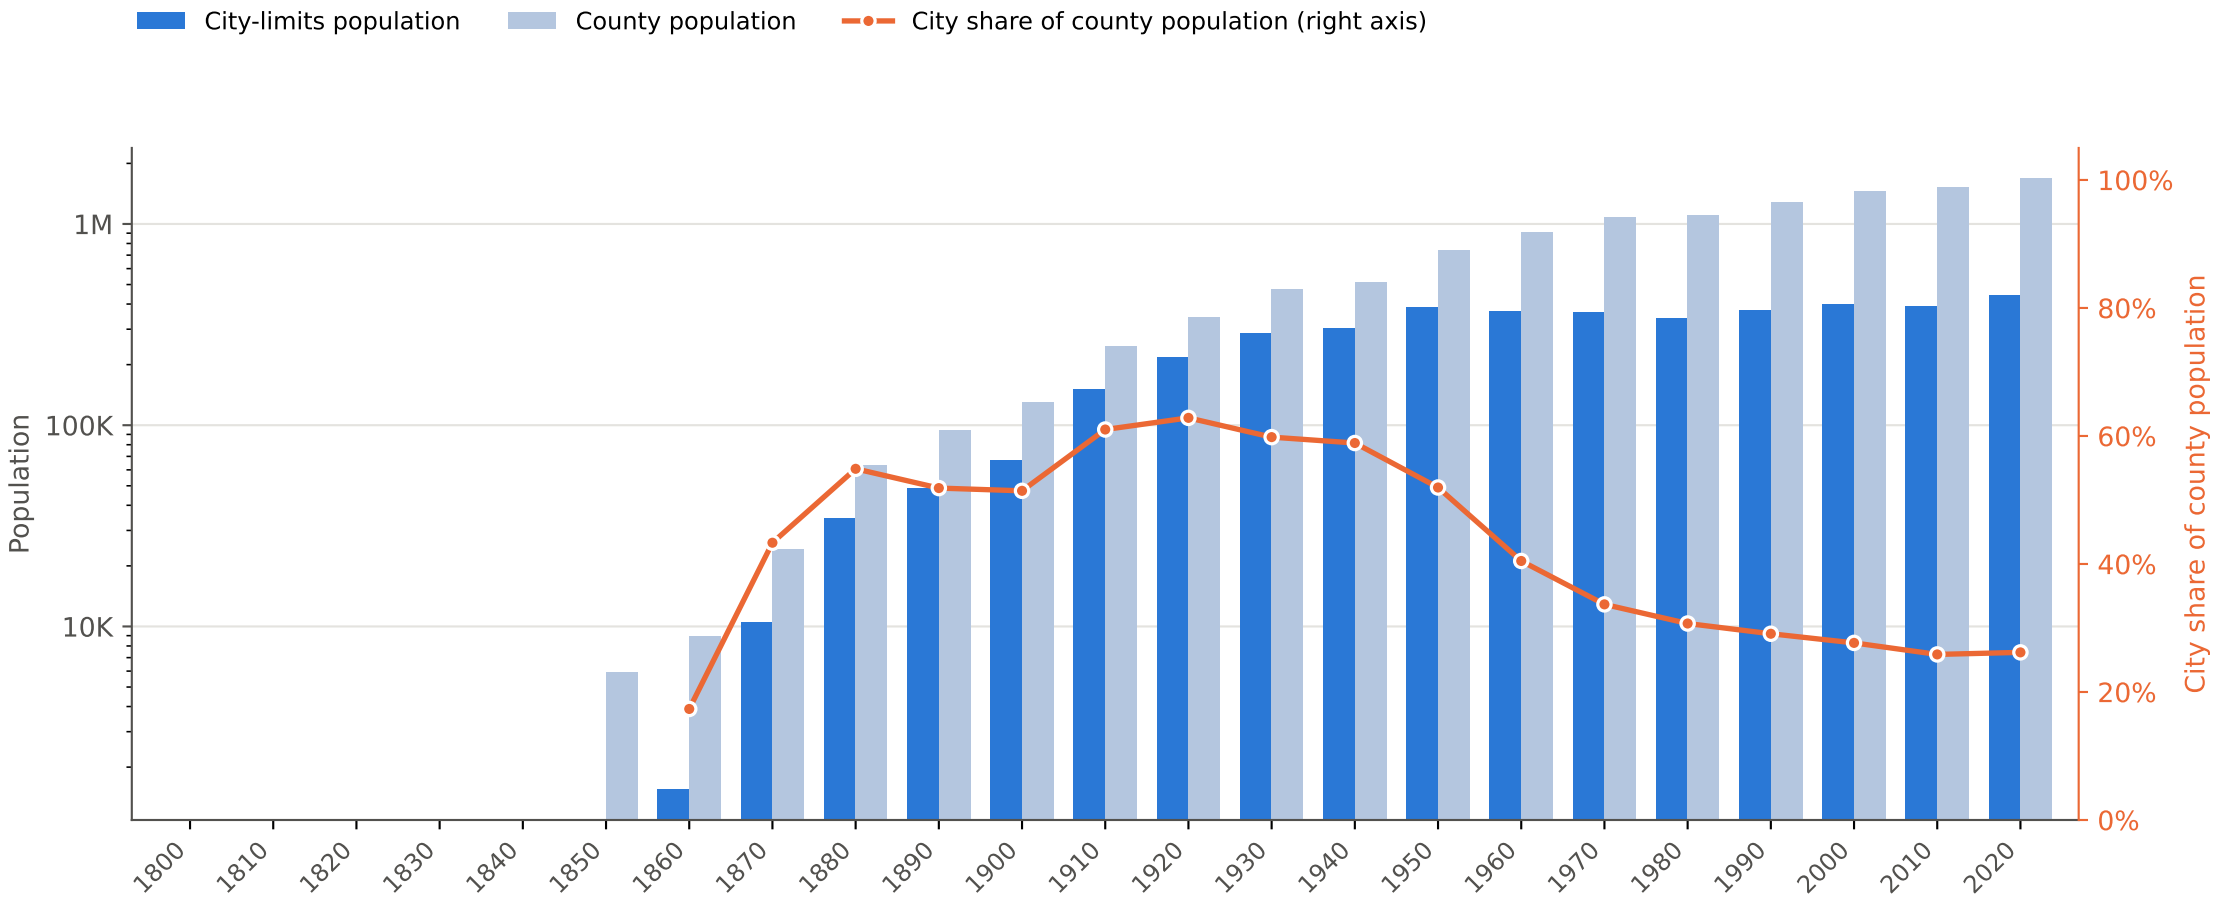

#44 city in the contiguous U.S. by 2020 Census population (442,241). Comparison county (2020): Miami-Dade (Dade) County, FL.

Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Oakland, CA: city vs. county population, 1800–2020

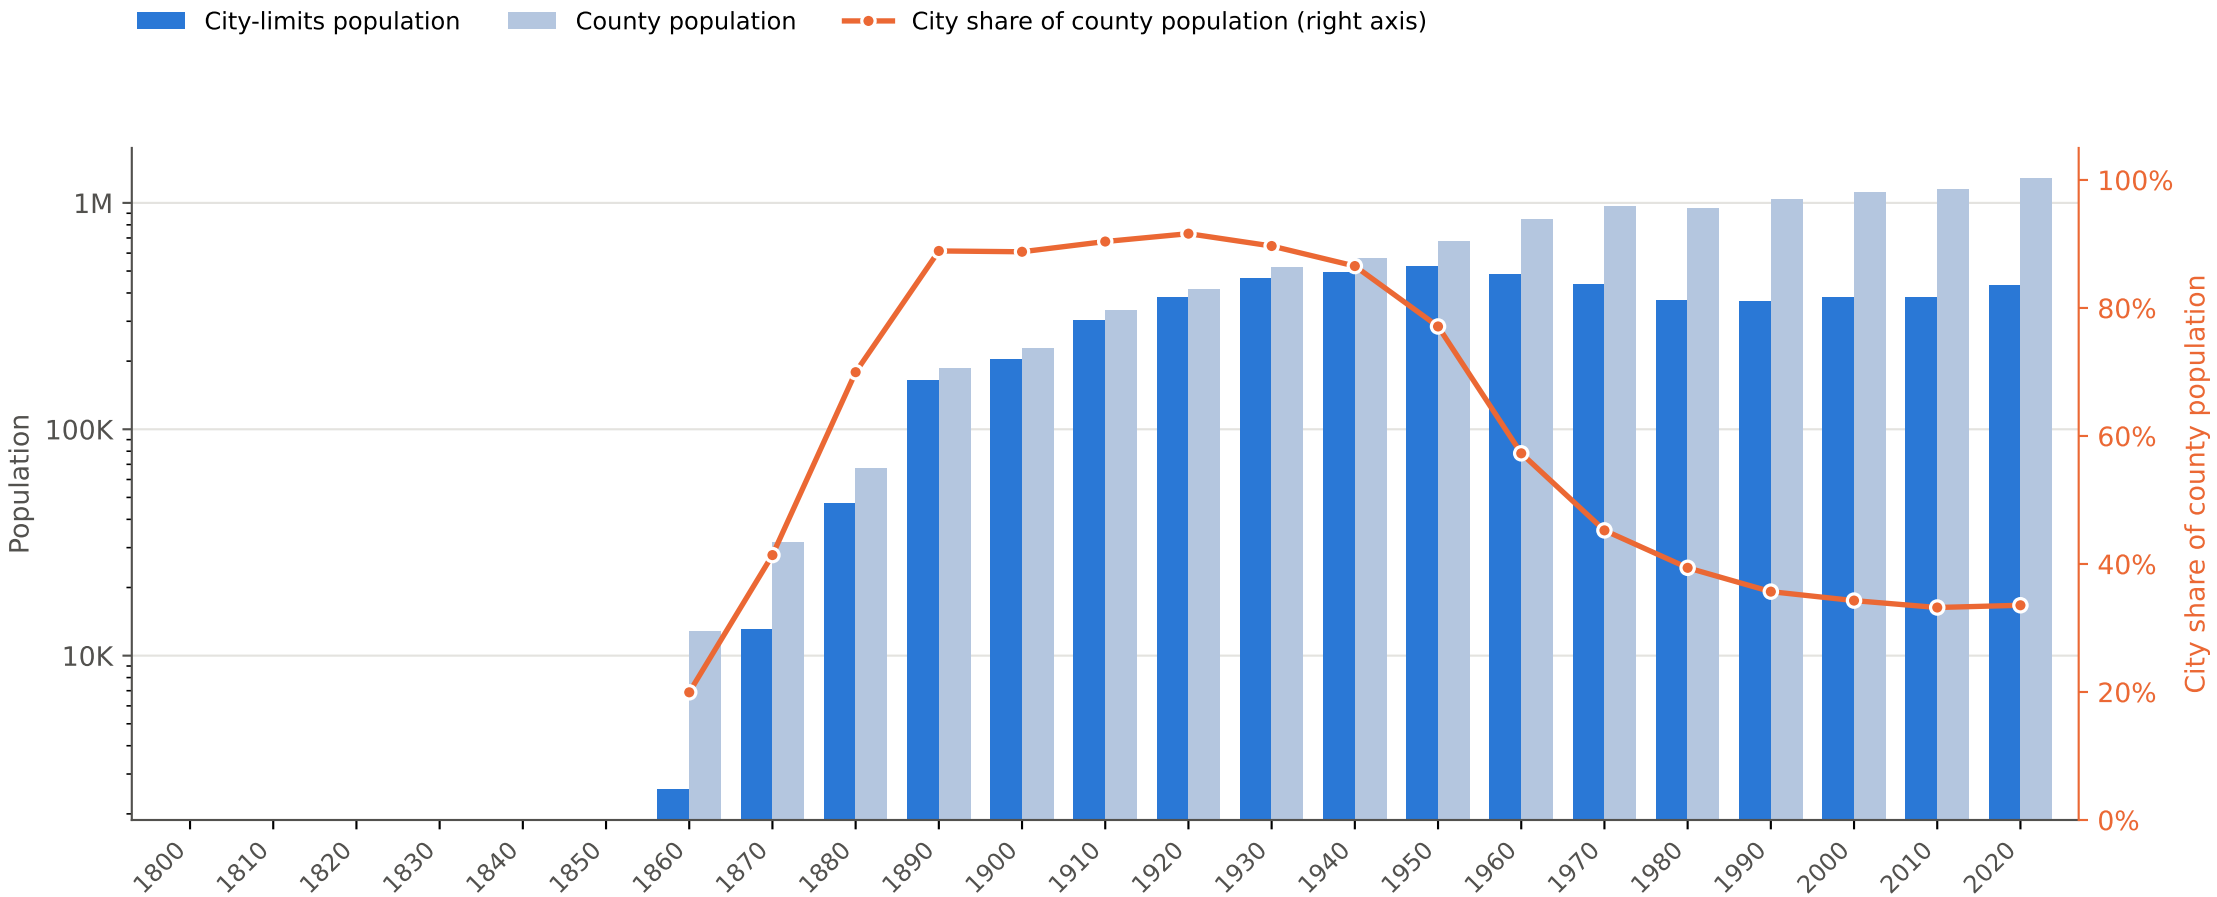

#45 city in the contiguous U.S. by 2020 Census population (440,646). Comparison county (2020): Alameda County, CA.

Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Minneapolis, MN: city vs. county population, 1800–2020

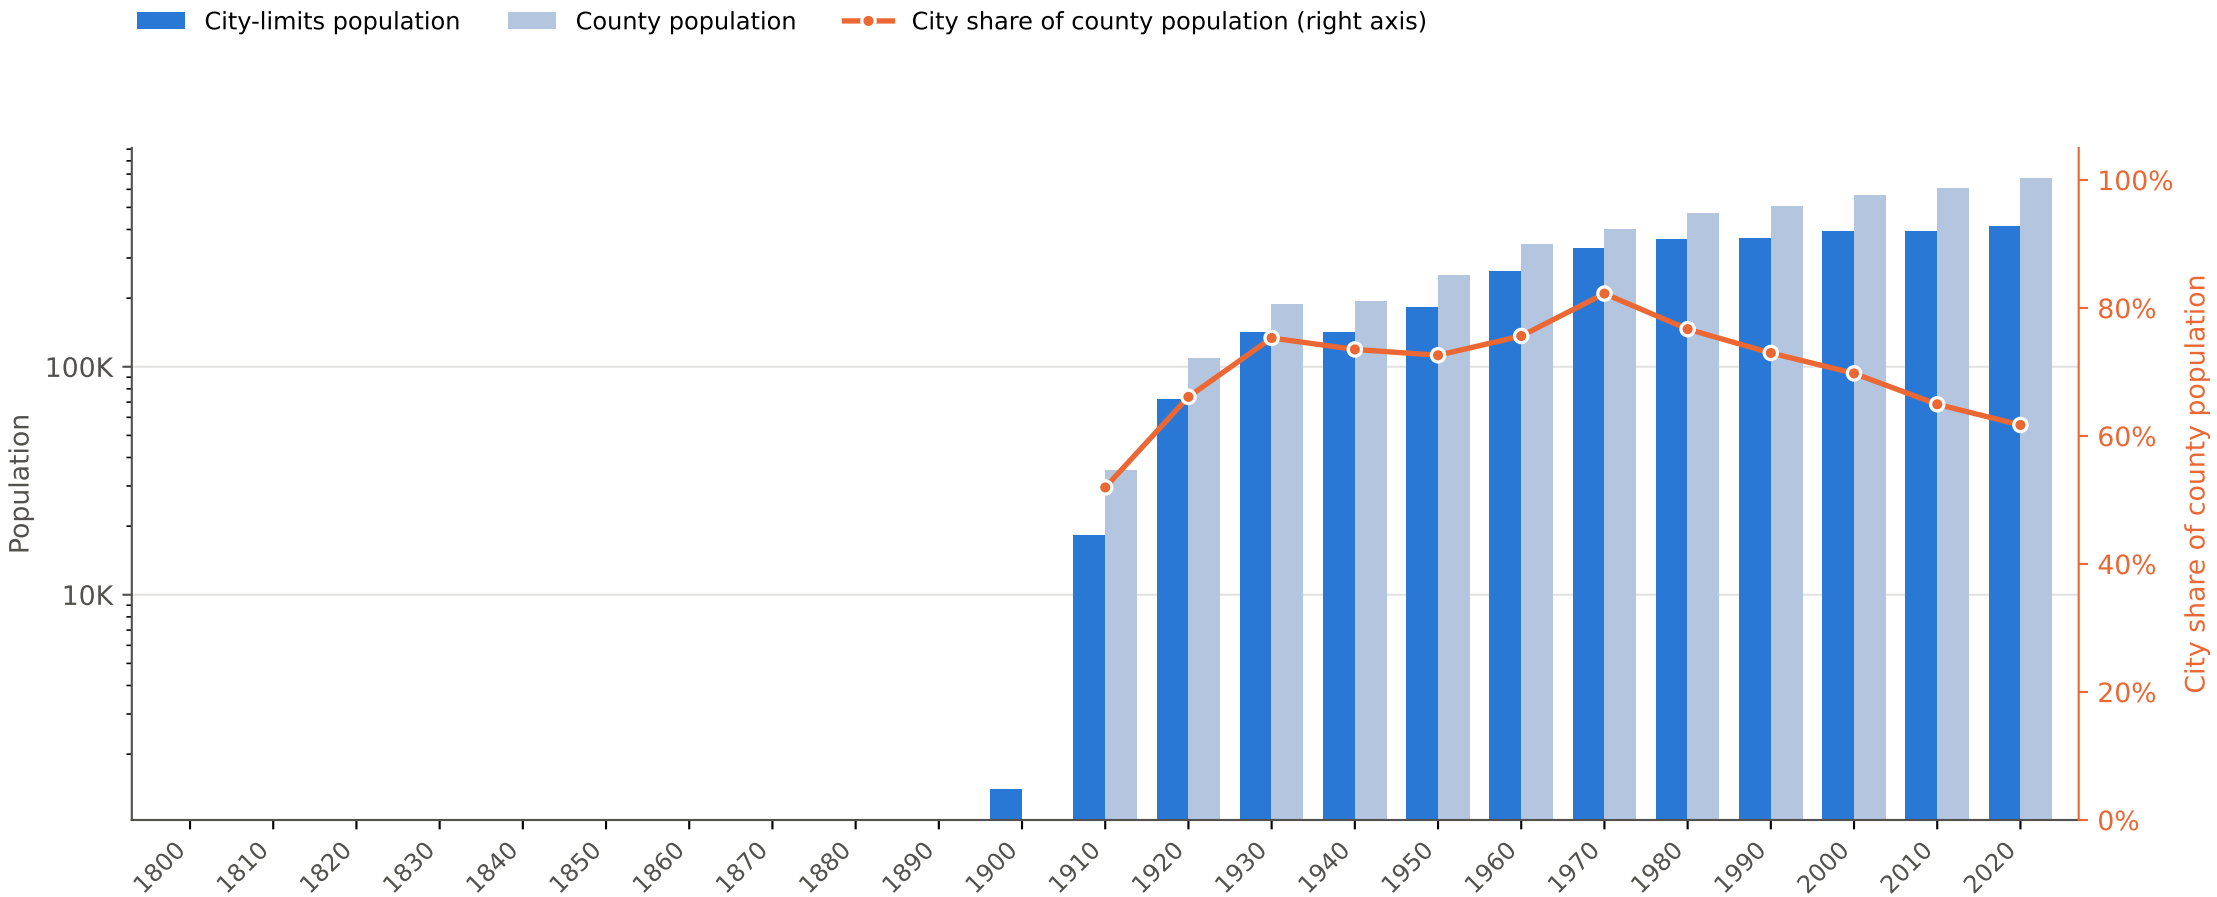

#46 city in the contiguous U.S. by 2020 Census population (429,954). Comparison county (2020): Hennepin County, MN.

Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Tulsa, OK: city vs. county population, 1800–2020

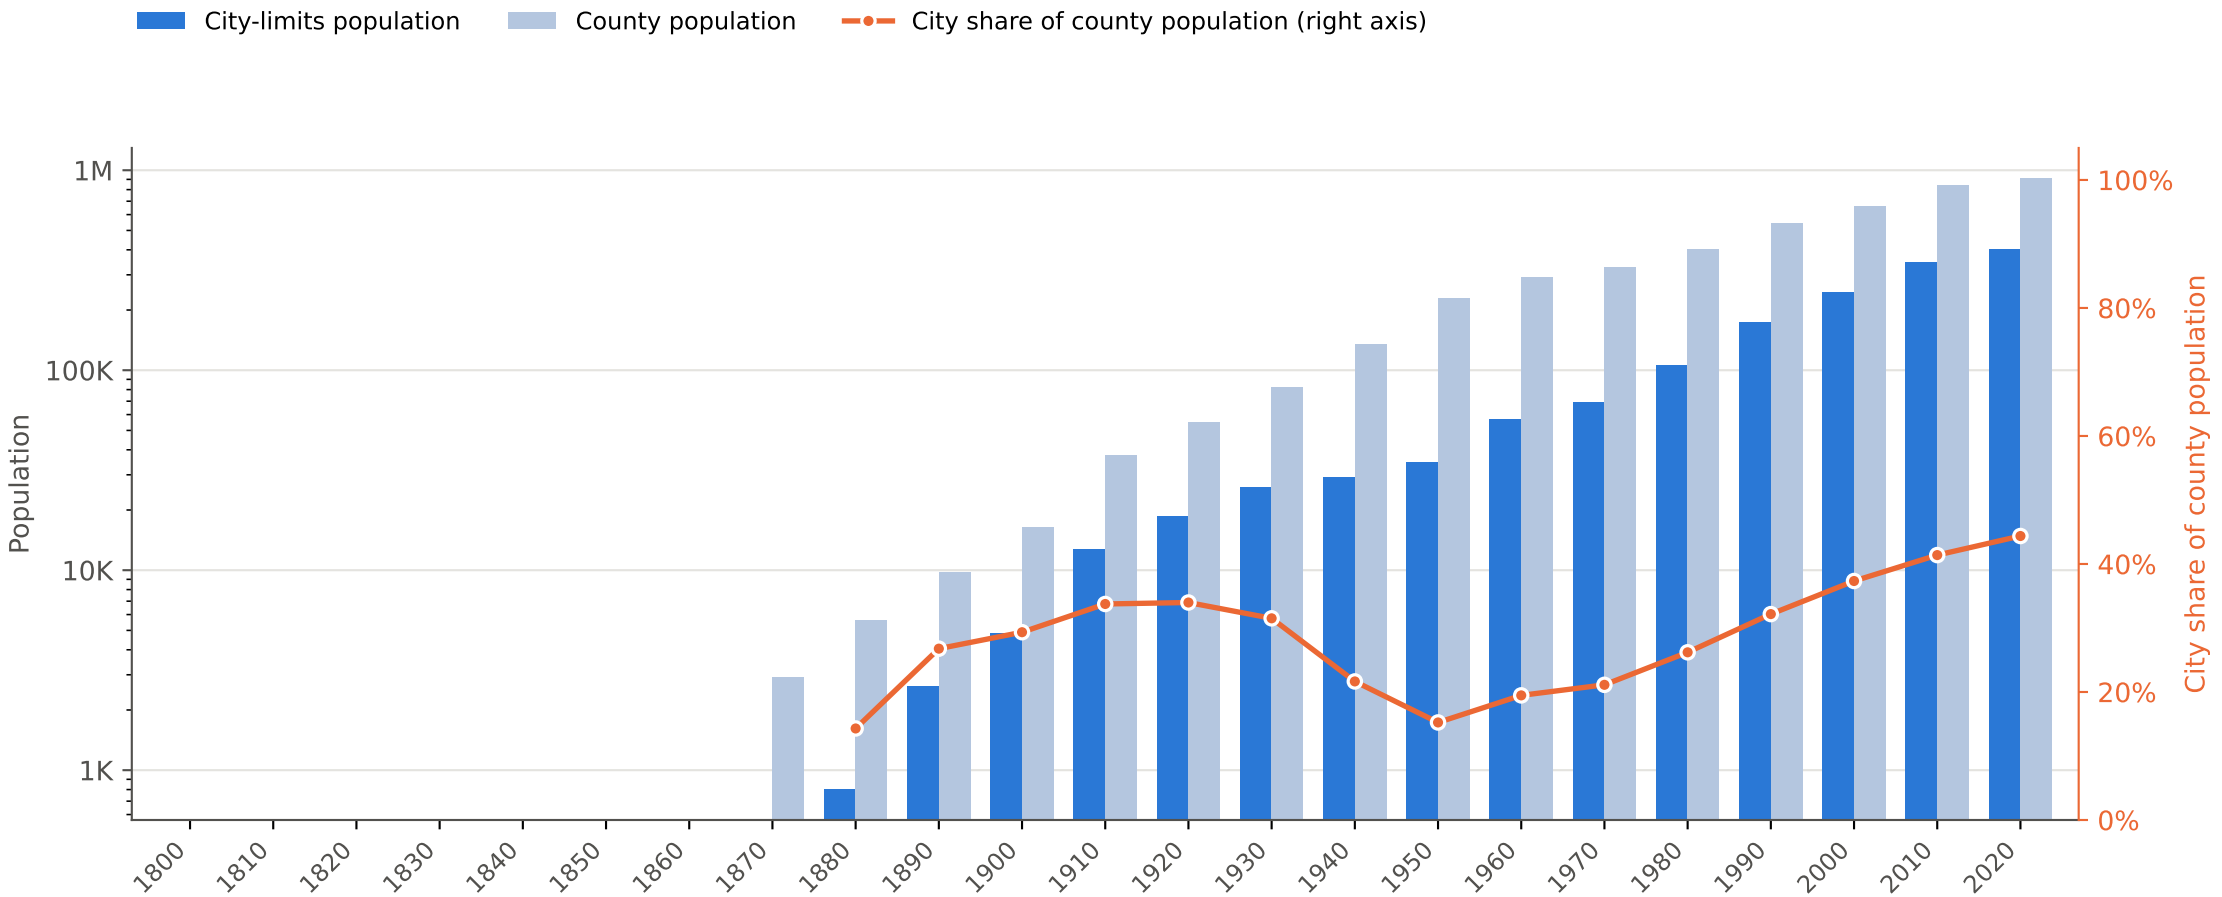

#47 city in the contiguous U.S. by 2020 Census population (413,066). Comparison county (2020): Tulsa County, OK.

Parts of the city lie in Osage, Rogers and Wagoner counties. Before statehood (1907) Tulsa lay in the Creek Nation, Indian Territory, which had no counties.
City limits extend beyond the comparison county, so the share slightly overstates the share of that county living in the city.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Bakersfield, CA: city vs. county population, 1800–2020

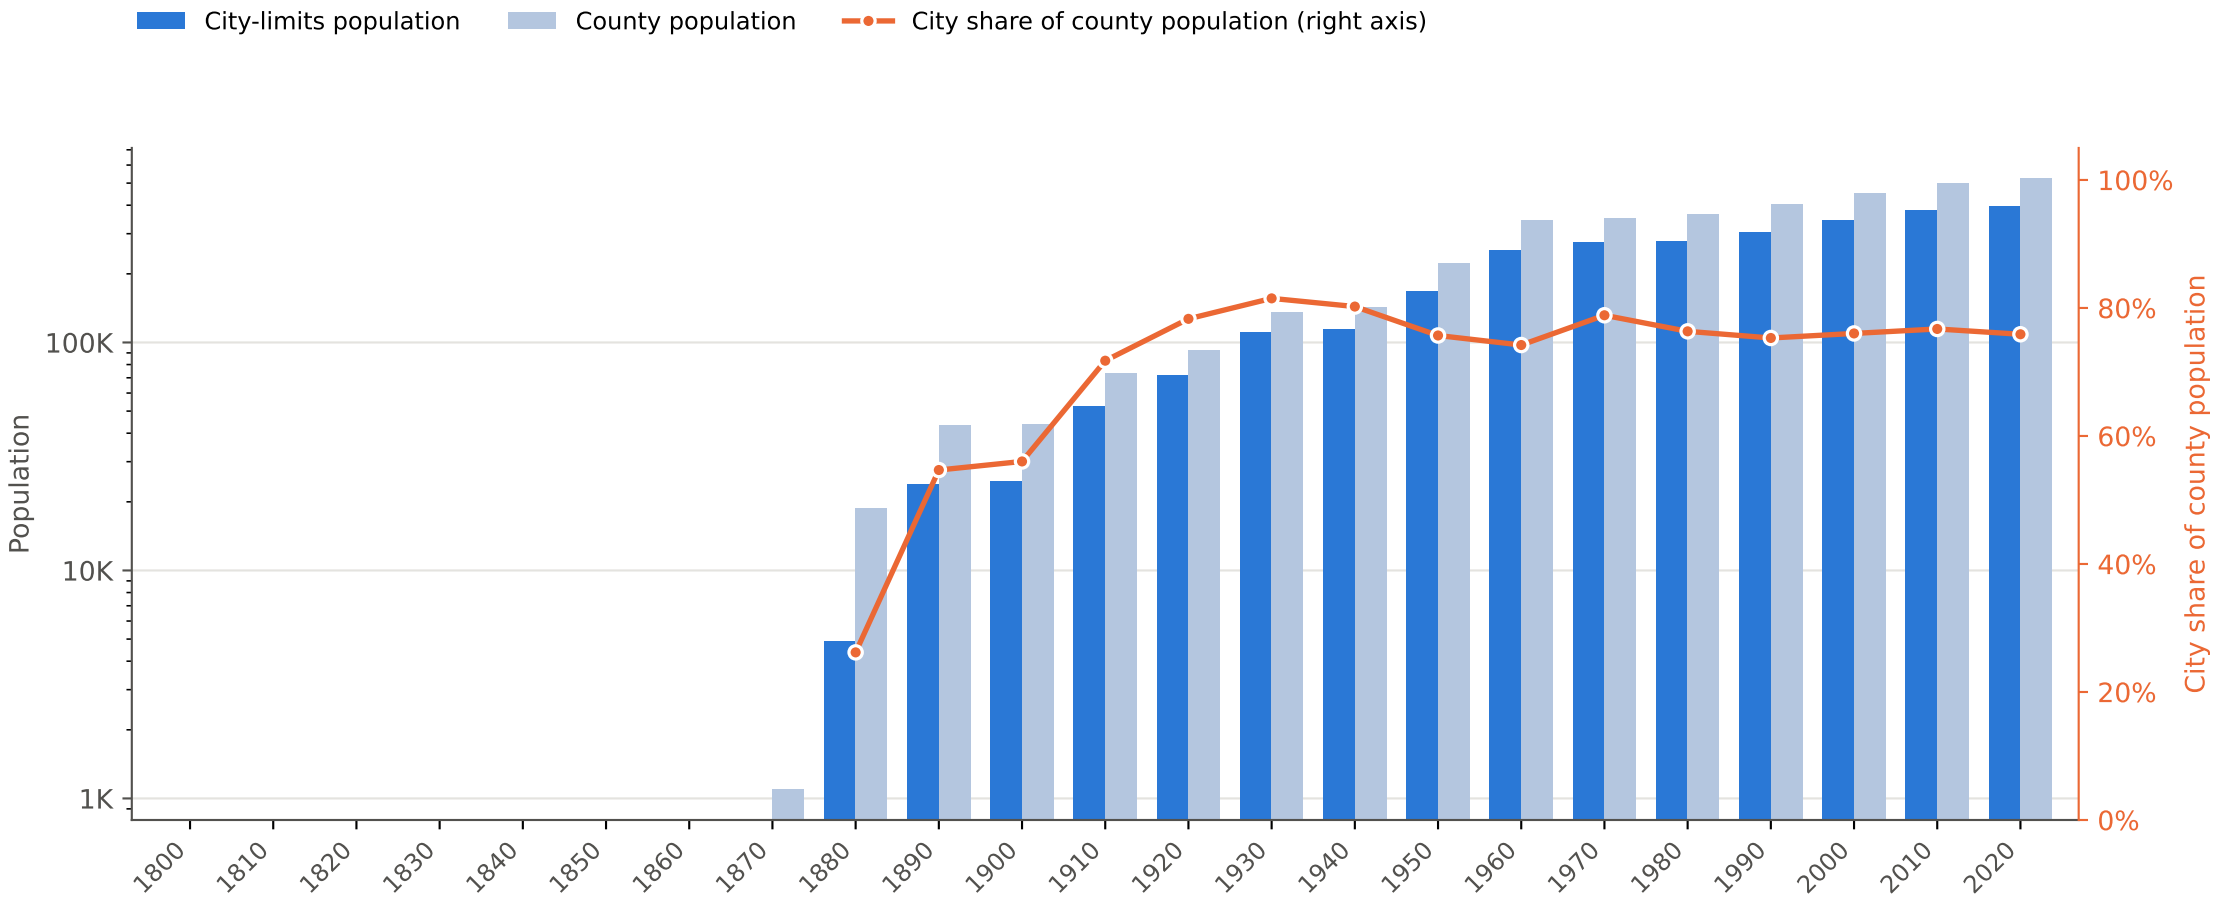

#48 city in the contiguous U.S. by 2020 Census population (403,455). Comparison county (2020): Kern County, CA.

Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Wichita, KS: city vs. county population, 1800–2020

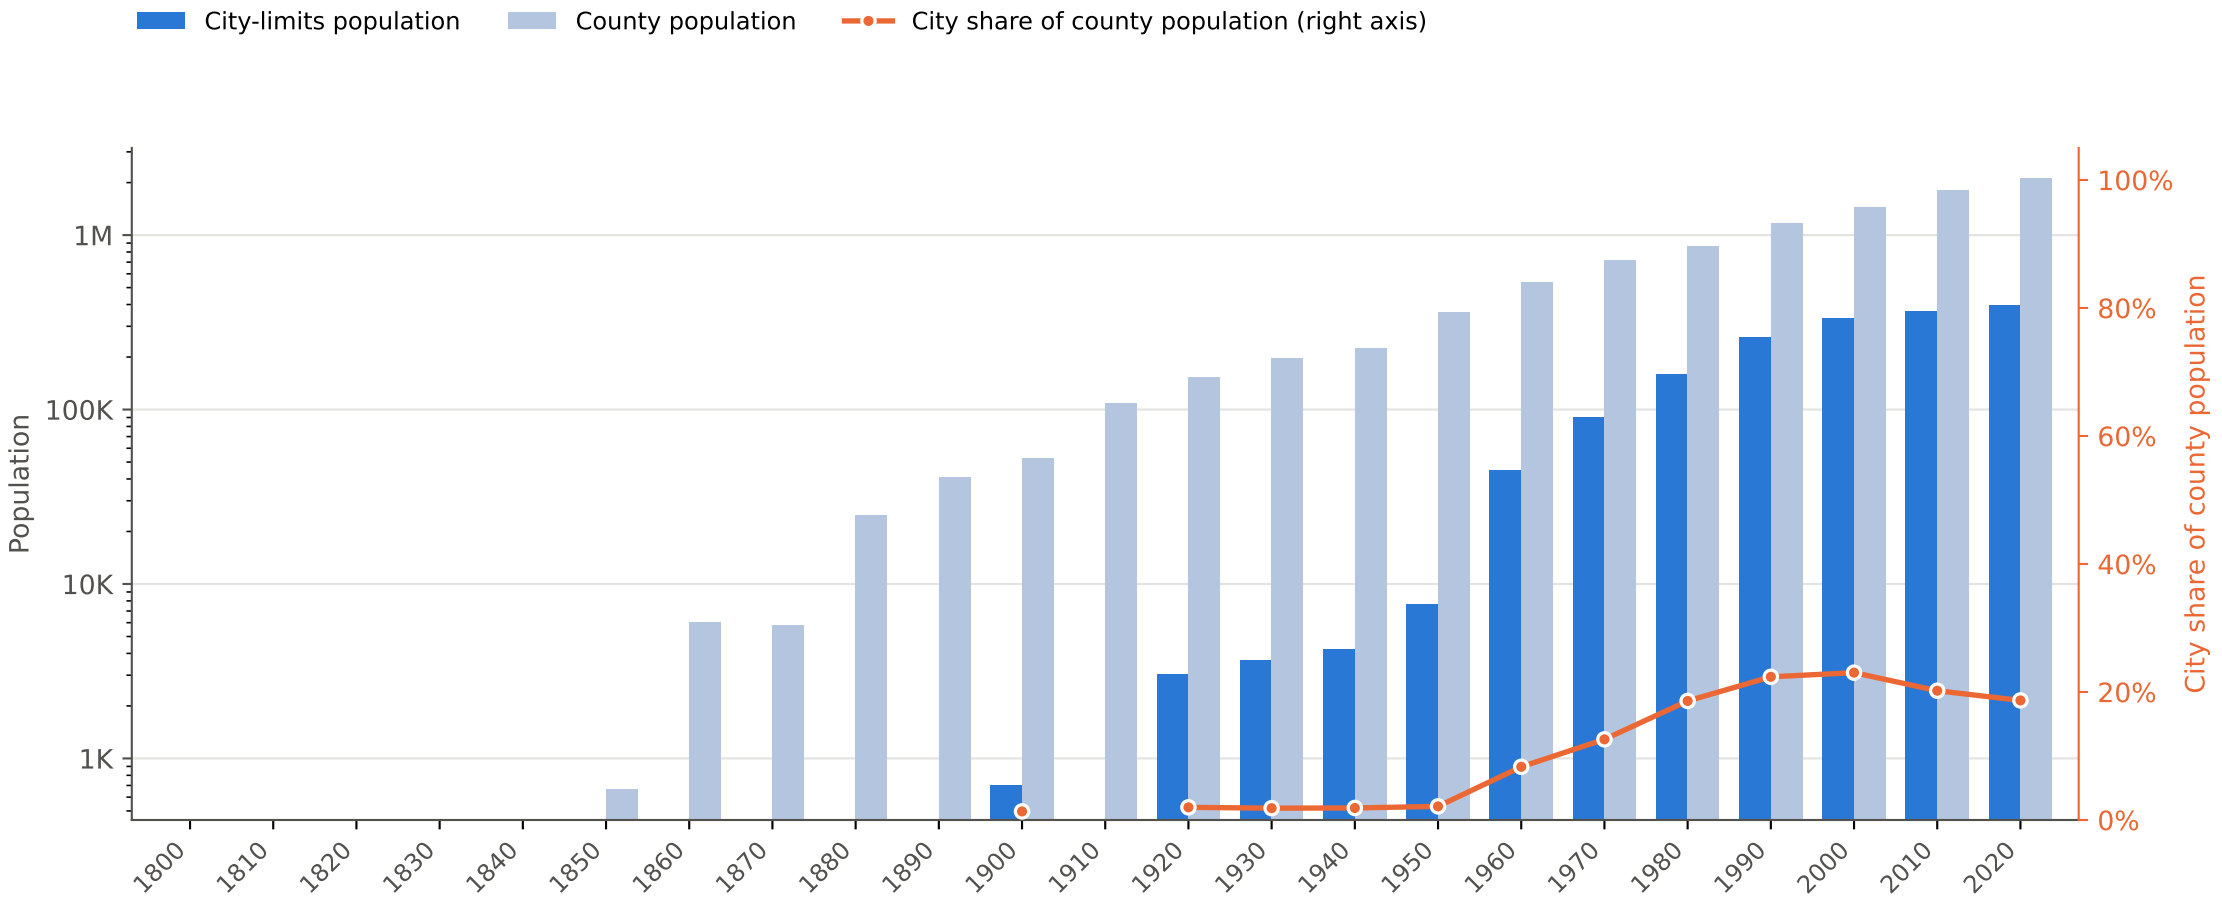

#49 city in the contiguous U.S. by 2020 Census population (397,532). Comparison county (2020): Sedgwick County, KS.

Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Arlington, TX: city vs. county population, 1800–2020

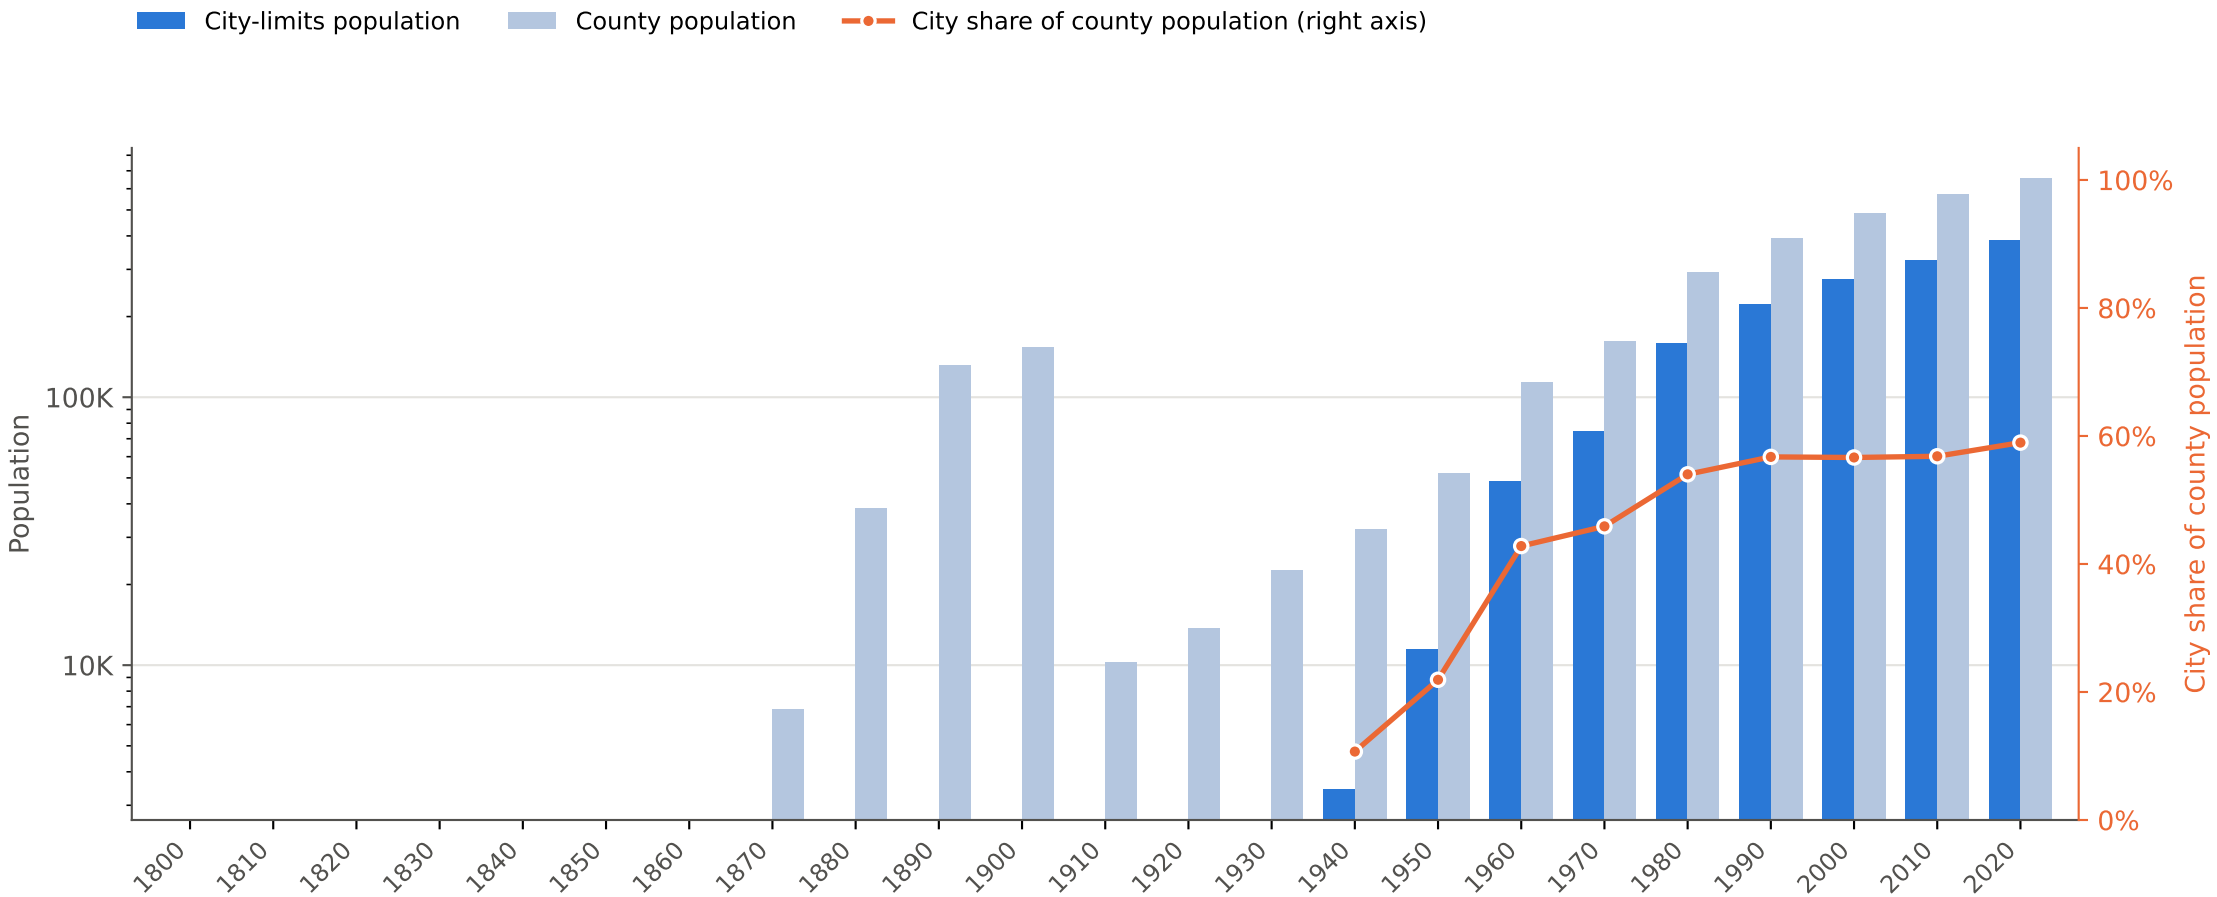

#50 city in the contiguous U.S. by 2020 Census population (394,266). Comparison county (2020): Tarrant County, TX.

Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Aurora, CO: city vs. county population, 1800–2020

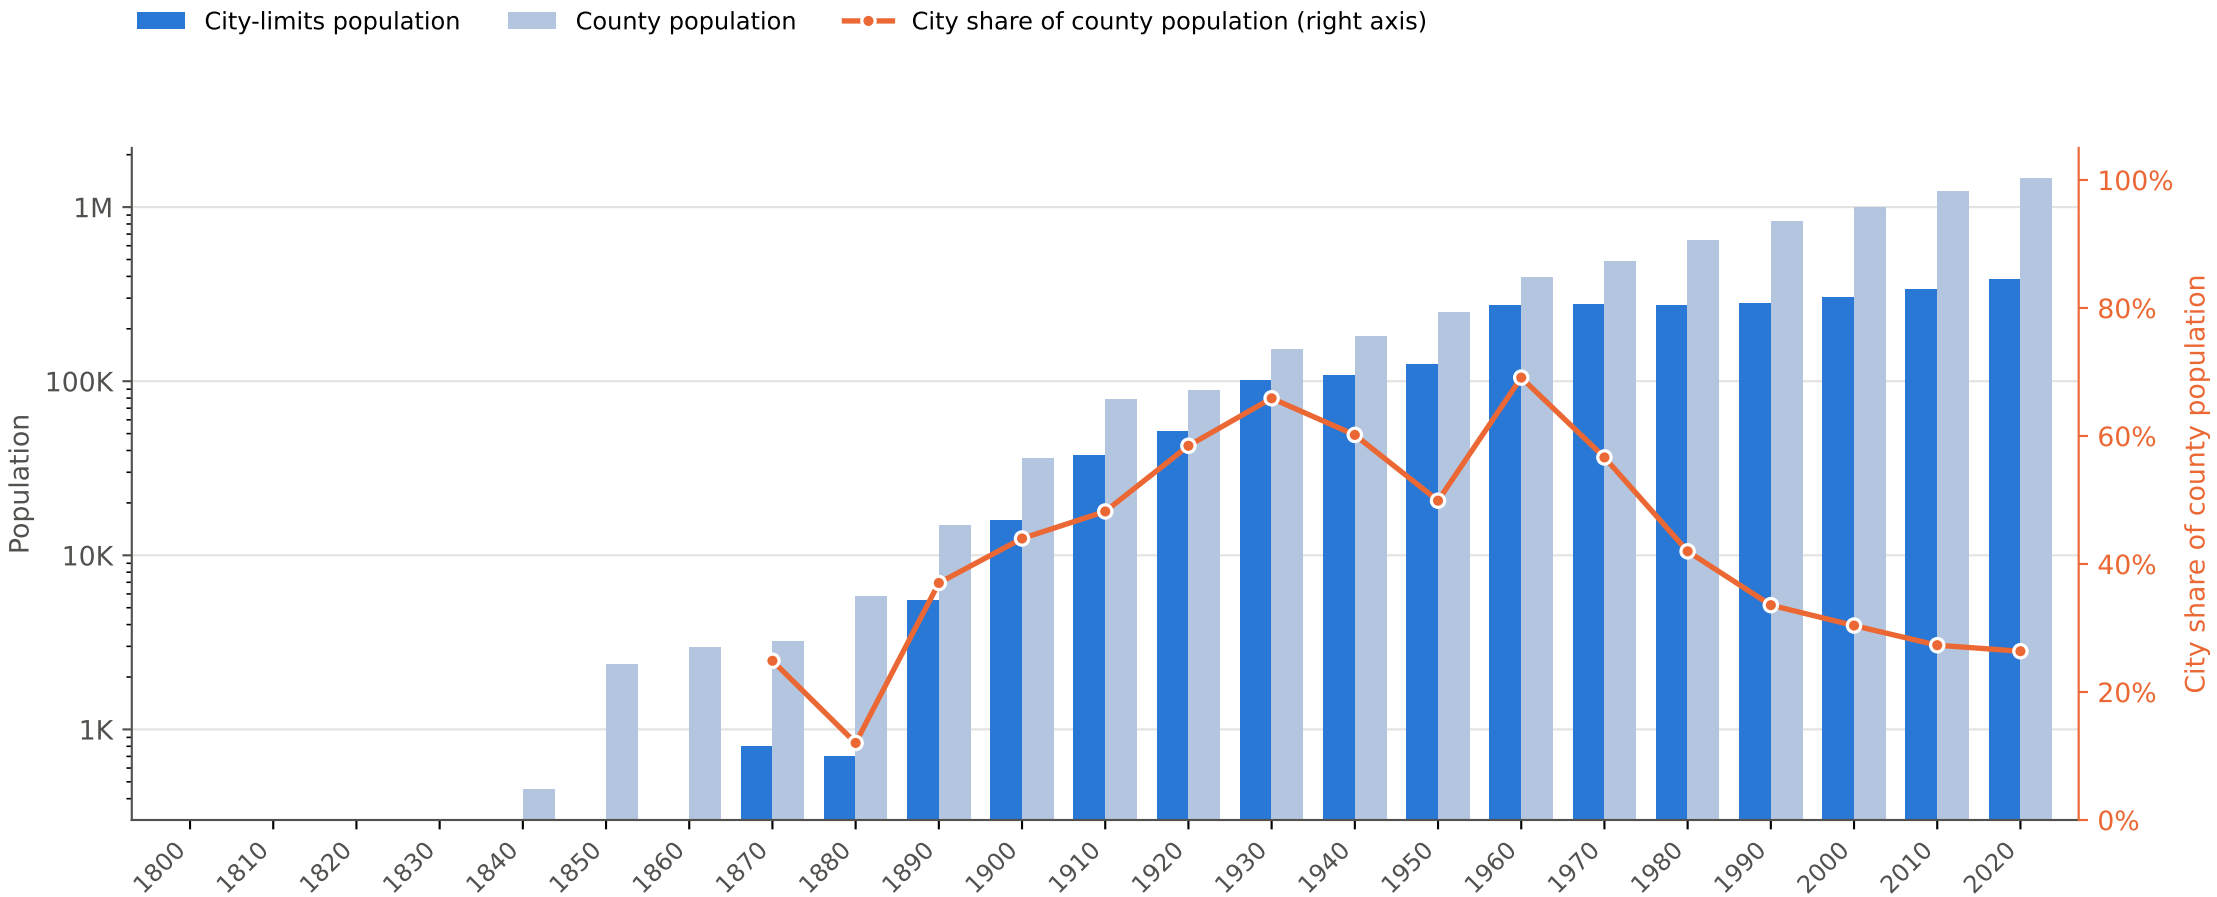

#51 city in the contiguous U.S. by 2020 Census population (386,261). Comparison county (2020): Arapahoe County, CO.

The city spans Arapahoe, Adams and Douglas counties; Arapahoe is used throughout. Incorporated as Fletcher (1891), renamed Aurora (1907).
City limits extend beyond the comparison county, so the share slightly overstates the share of that county living in the city.
Arapahoe County before 1902 also contained Denver and present-day Adams County.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Tampa, FL: city vs. county population, 1800–2020

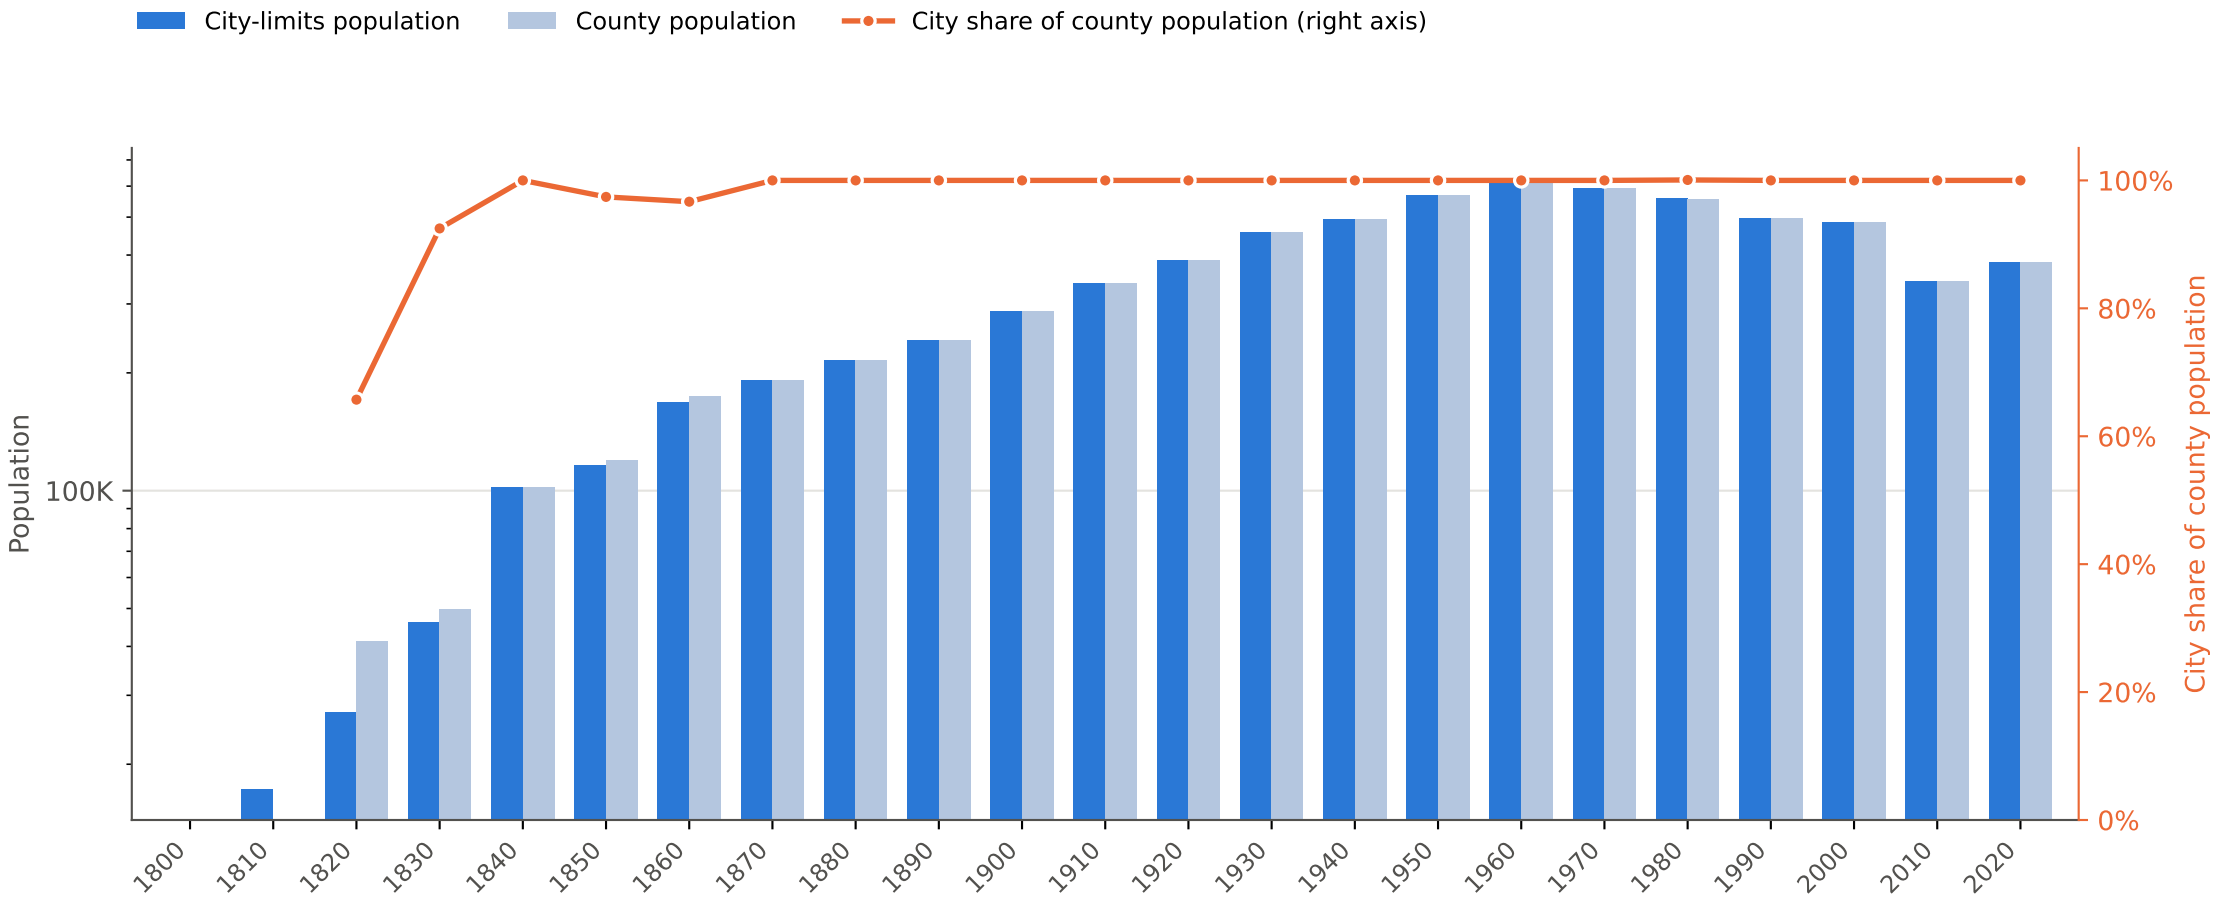

#52 city in the contiguous U.S. by 2020 Census population (384,959). Comparison county (2020): Hillsborough County, FL.

Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

New Orleans, LA: city vs. county population, 1800–2020

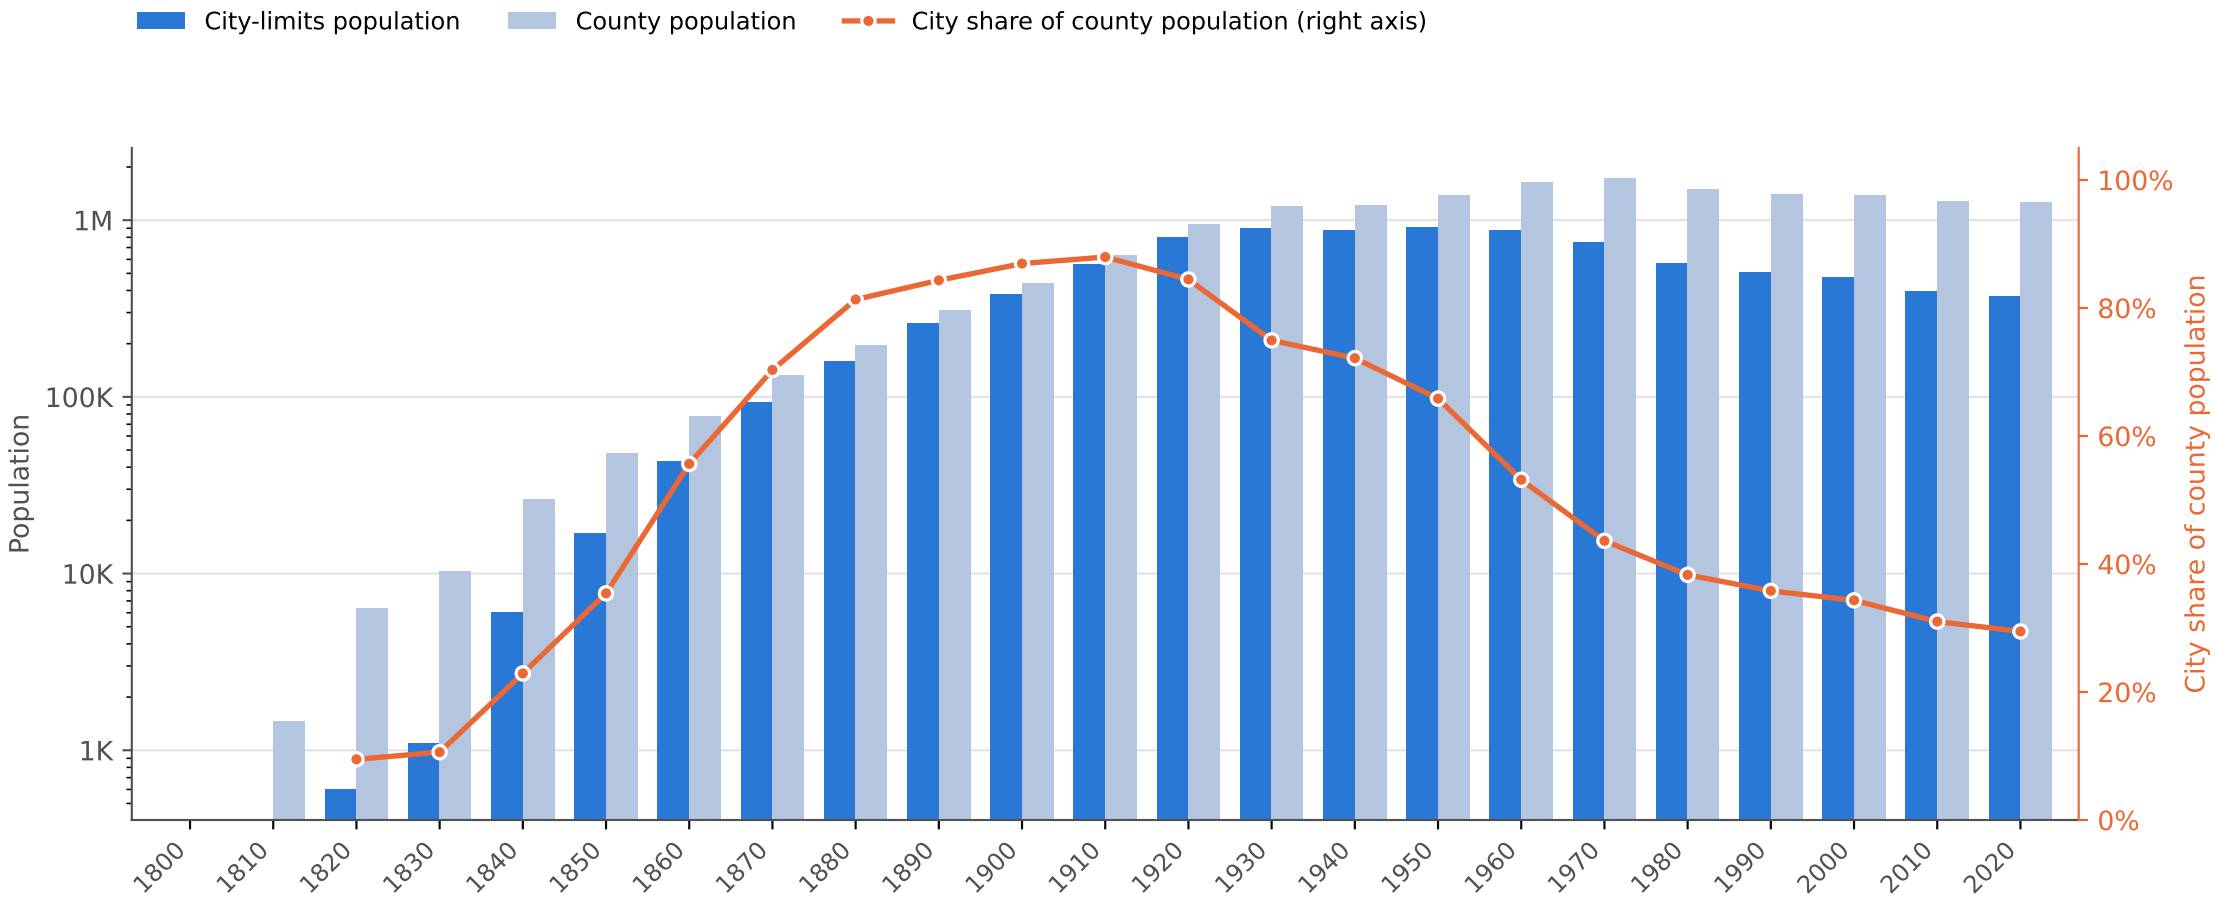

#53 city in the contiguous U.S. by 2020 Census population (383,997). Comparison county (2020): Orleans Parish, LA.

Comparator is Orleans Parish (Louisiana's county-equivalent). The city annexed Lafayette (1852), Algiers (1870) and Carrollton (1874) and has been coextensive with the parish since; 1880-1890 parish values are set equal to the city. The 1840 city figure in the source equals the parish total. No 1810 parish figure was transcribed.
City coextensive with Orleans Parish; parish value set equal to city.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Cleveland, OH: city vs. county population, 1800–2020

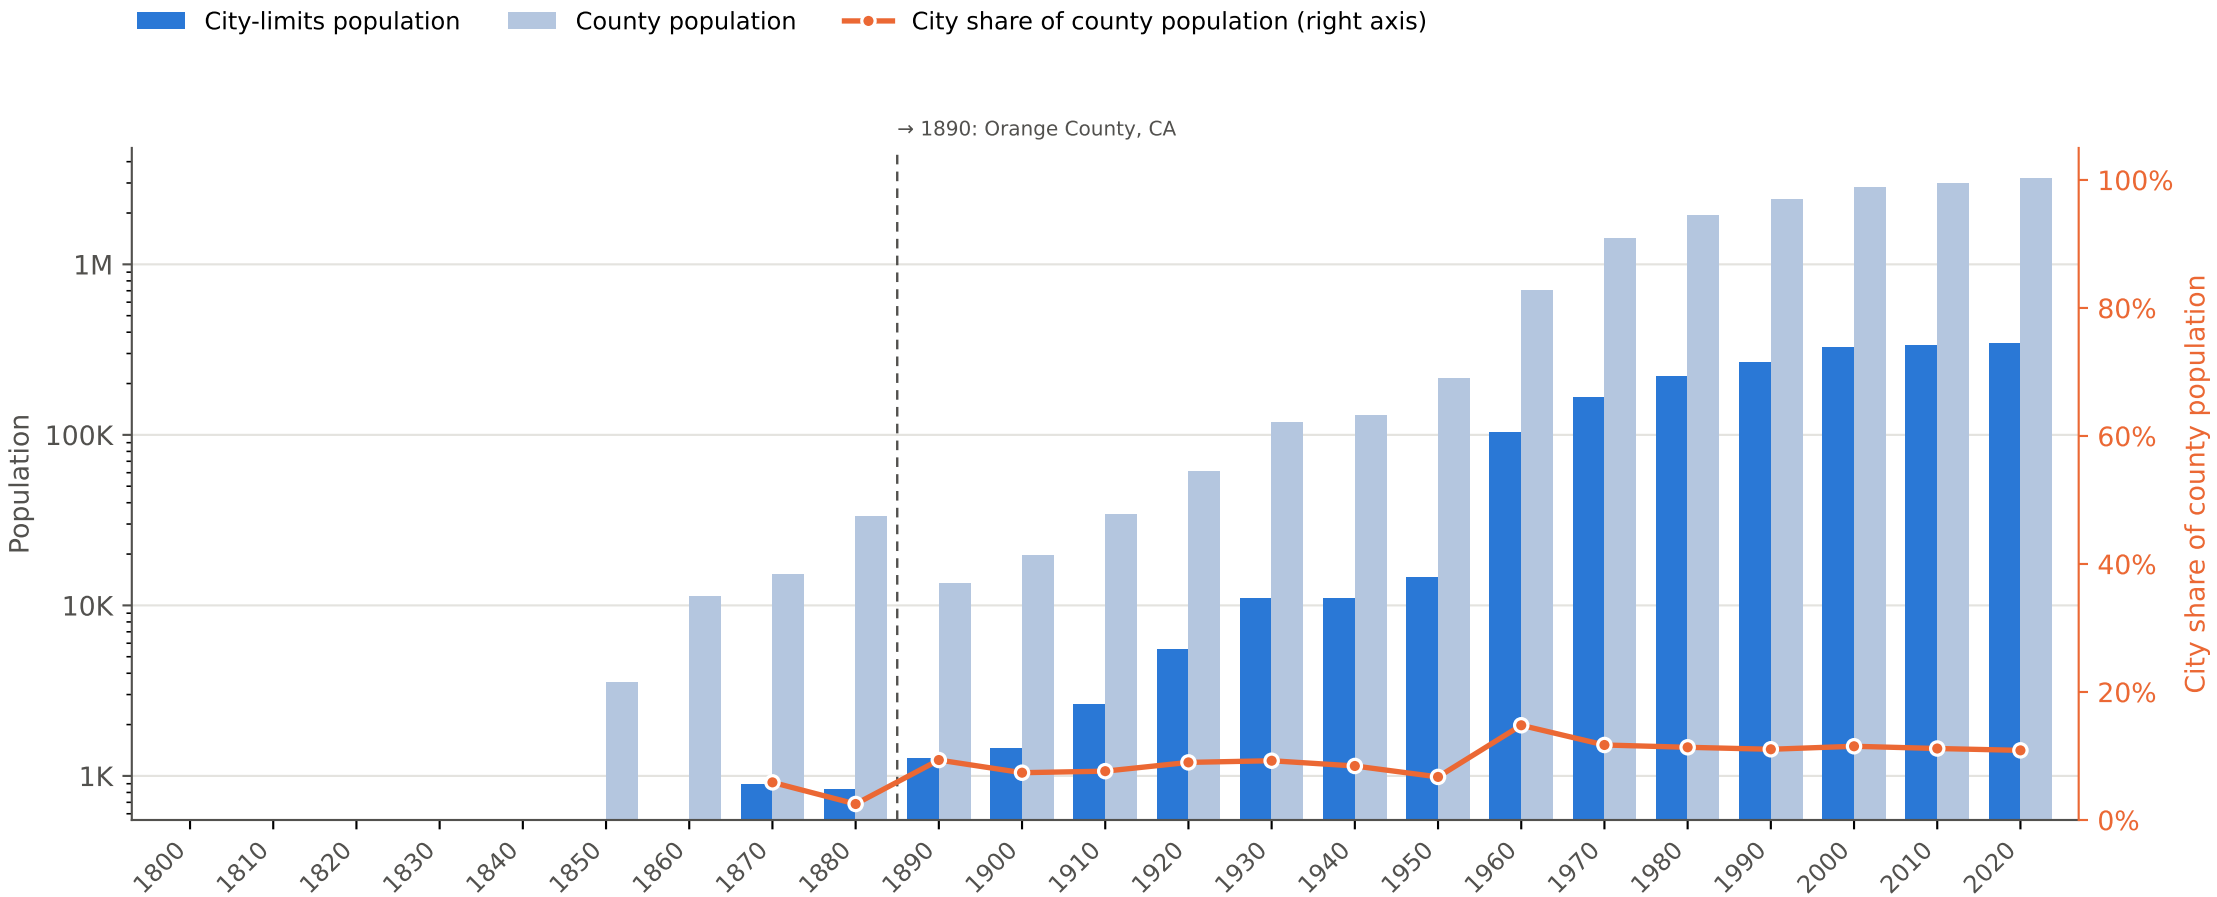

#54 city in the contiguous U.S. by 2020 Census population (372,624). Comparison county (2020): Cuyahoga County, OH.

Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Anaheim, CA: city vs. county population, 1800–2020

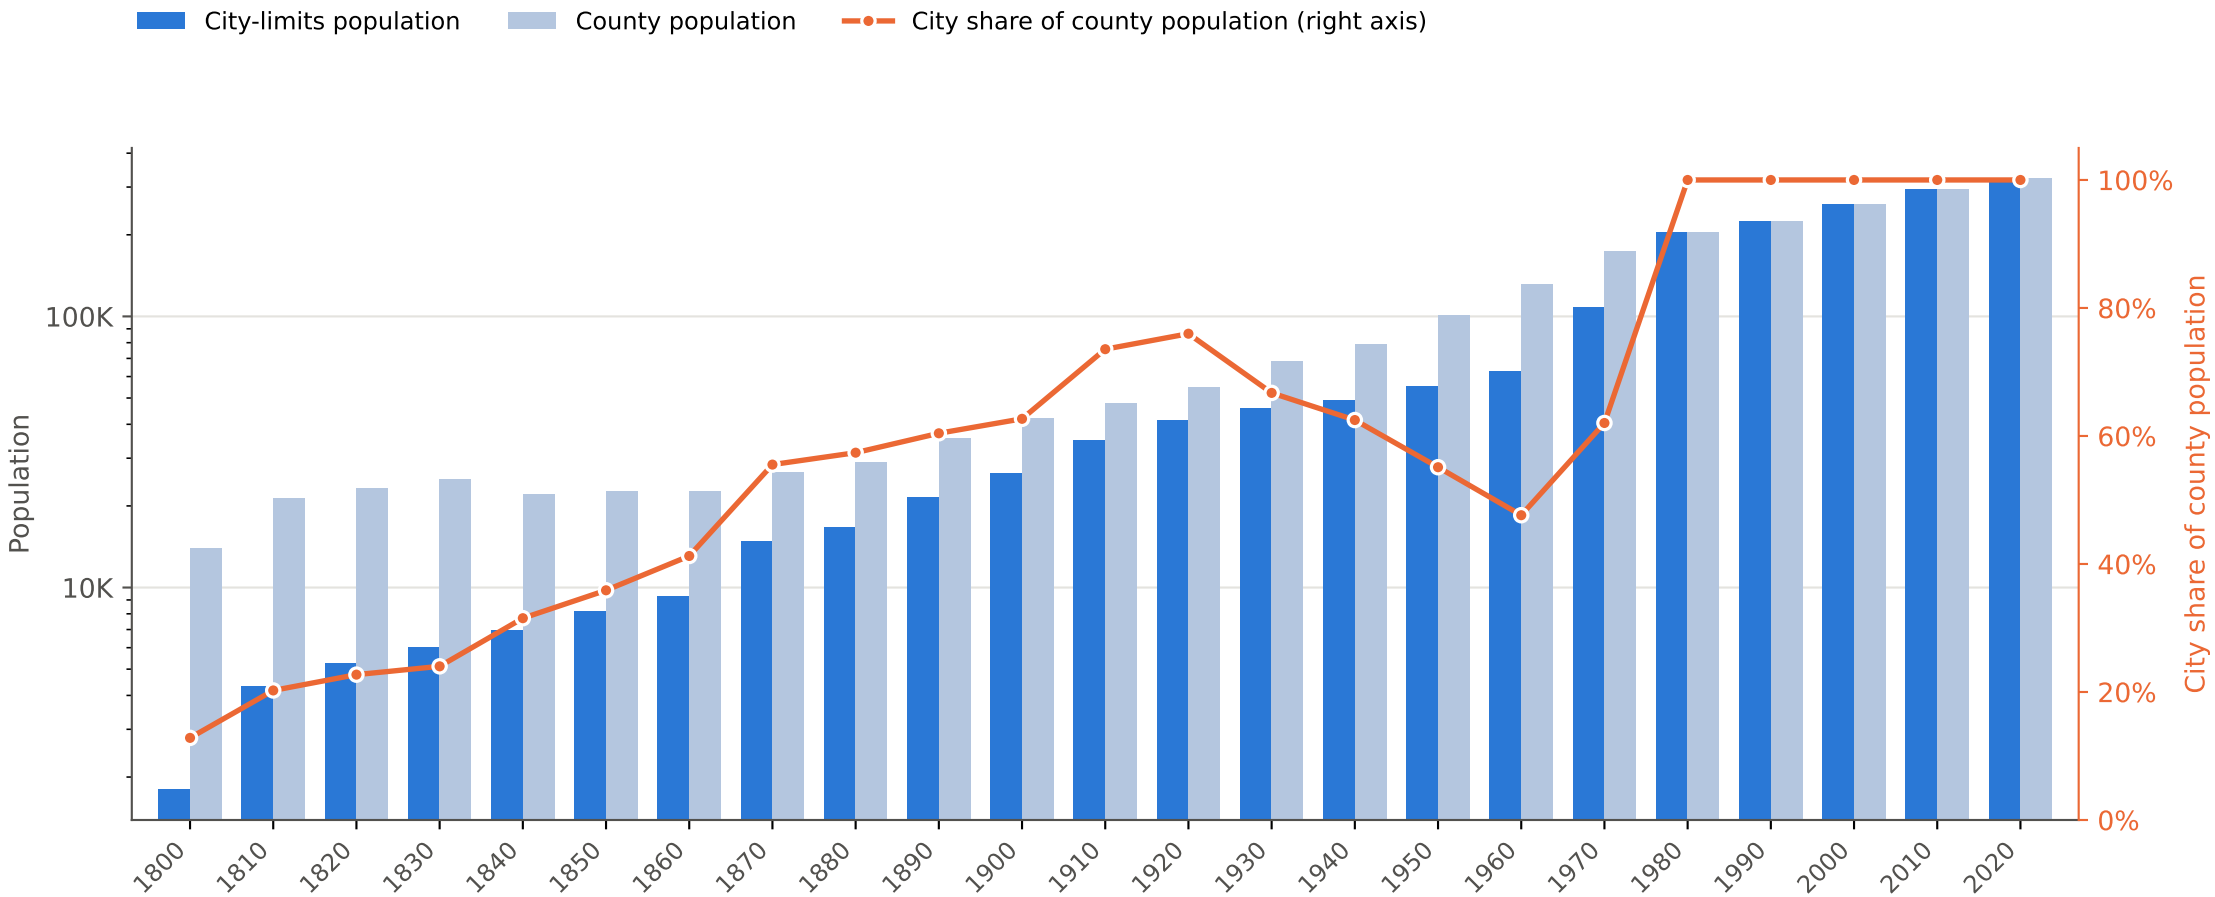

#55 city in the contiguous U.S. by 2020 Census population (346,824). Comparison county (2020): Orange County, CA.

Some early city values below the 2,500 reporting threshold are estimates from Populstat (J. Lahmeyer) or a state data center rather than census counts.
Orange County was created from Los Angeles County in 1889.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Lexington, KY: city vs. county population, 1800–2020

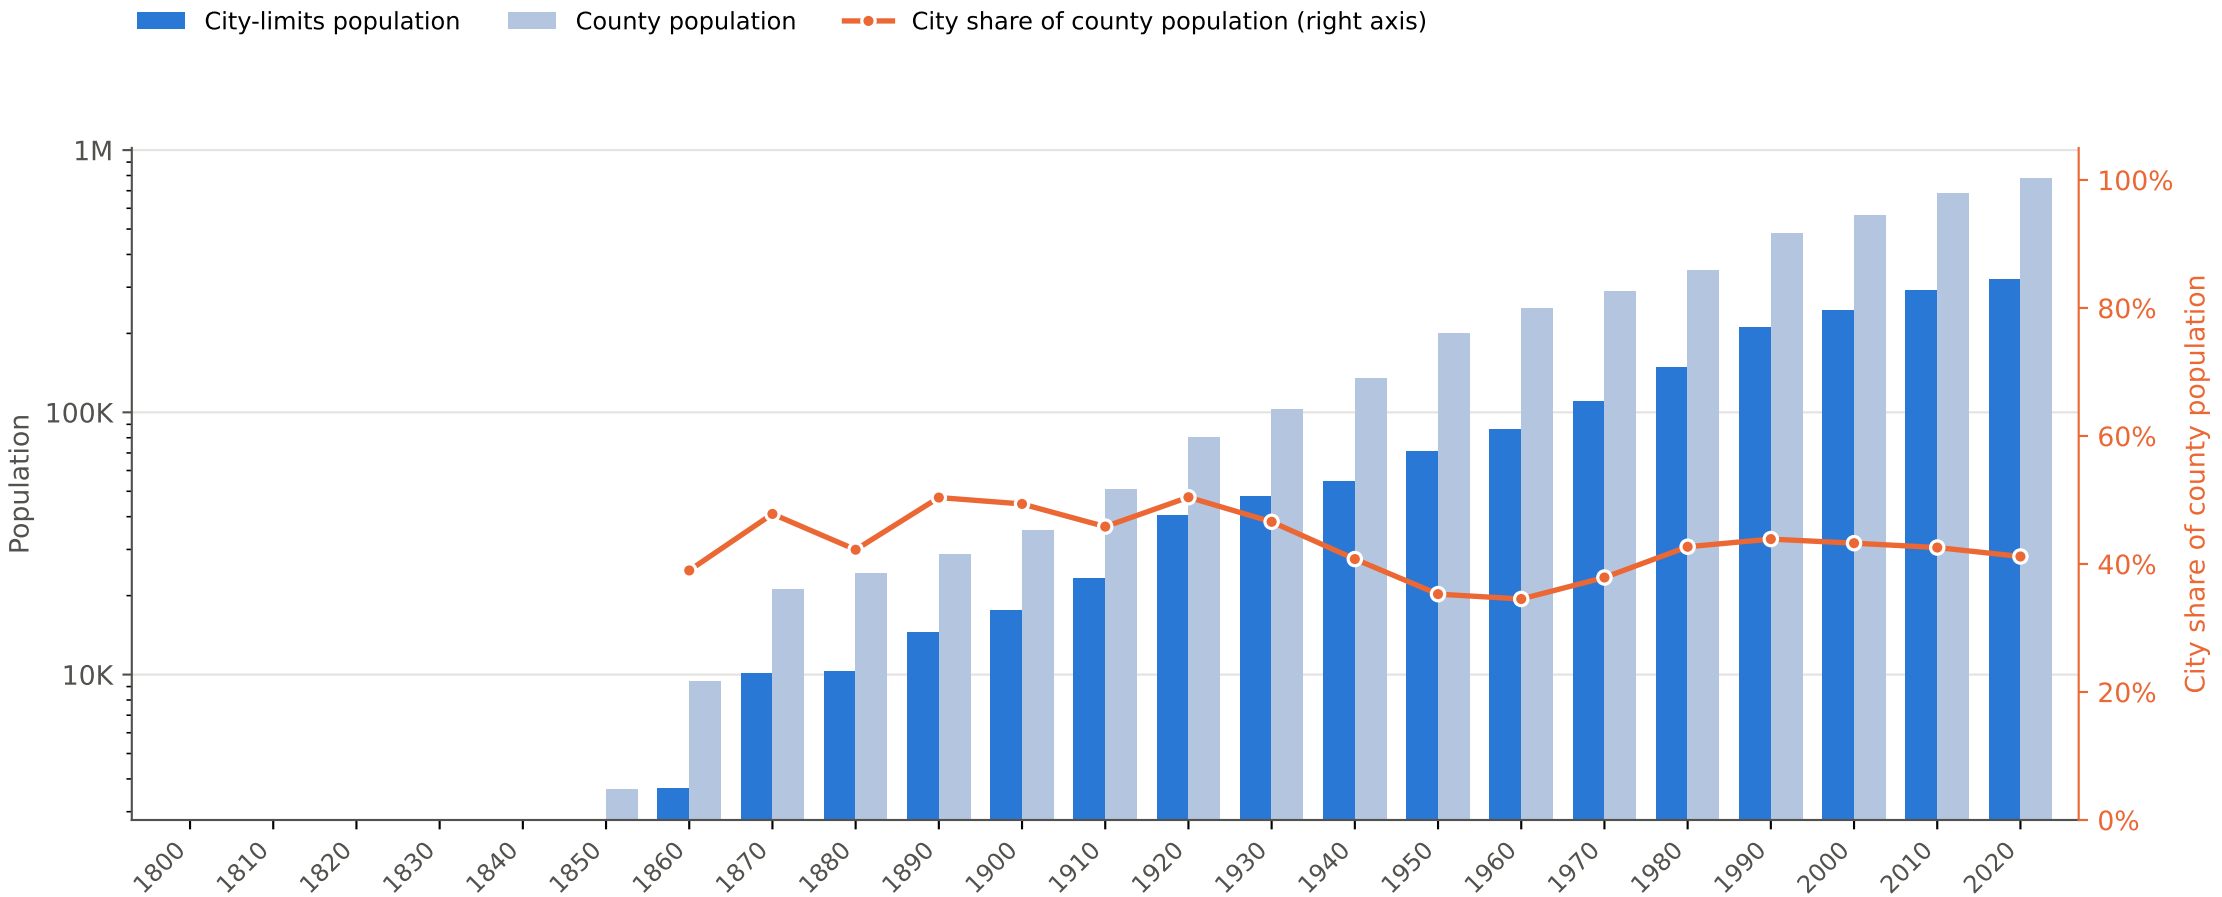

#56 city in the contiguous U.S. by 2020 Census population (322,570). Comparison county (2020): Fayette County, KY.

Lexington and Fayette County merged into the Lexington-Fayette Urban County Government in 1974; 1980+ city figures equal the county.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Stockton, CA: city vs. county population, 1800–2020

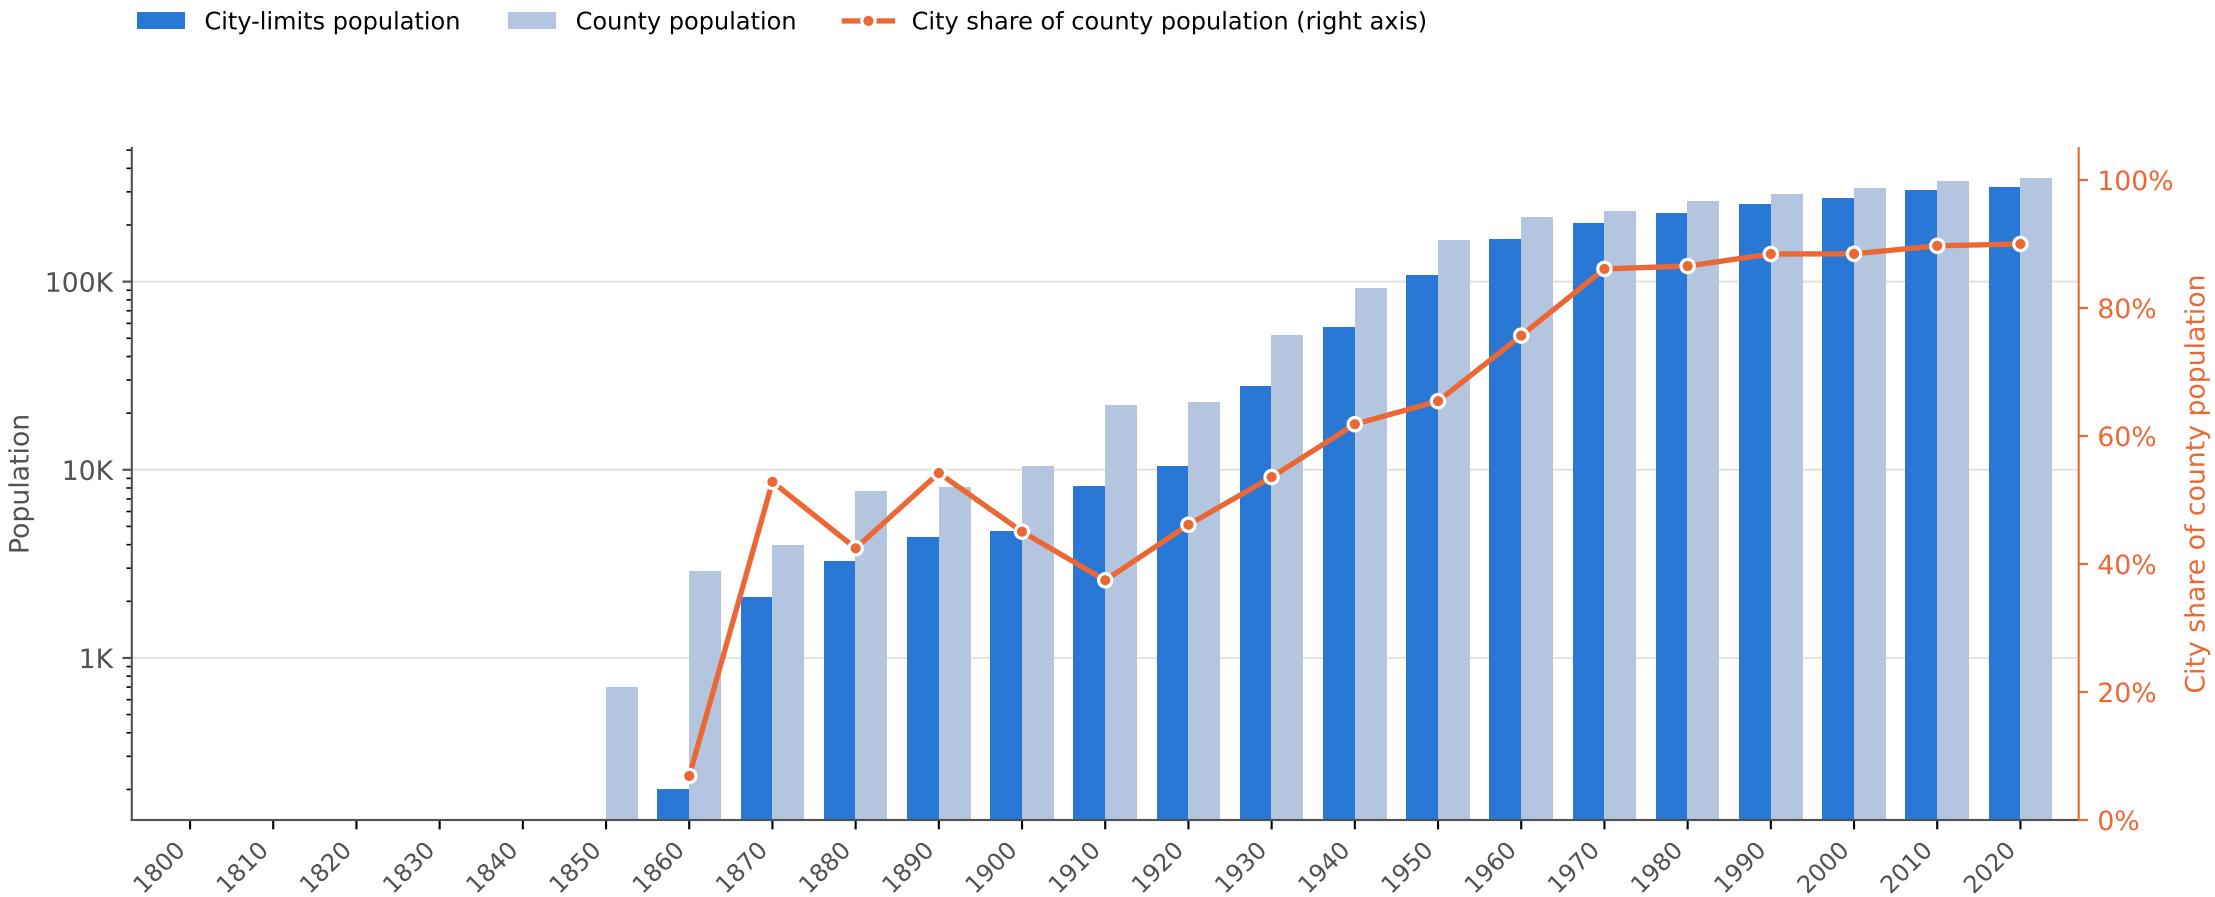

#57 city in the contiguous U.S. by 2020 Census population (320,804). Comparison county (2020): San Joaquin County, CA.

Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Corpus Christi, TX: city vs. county population, 1800–2020

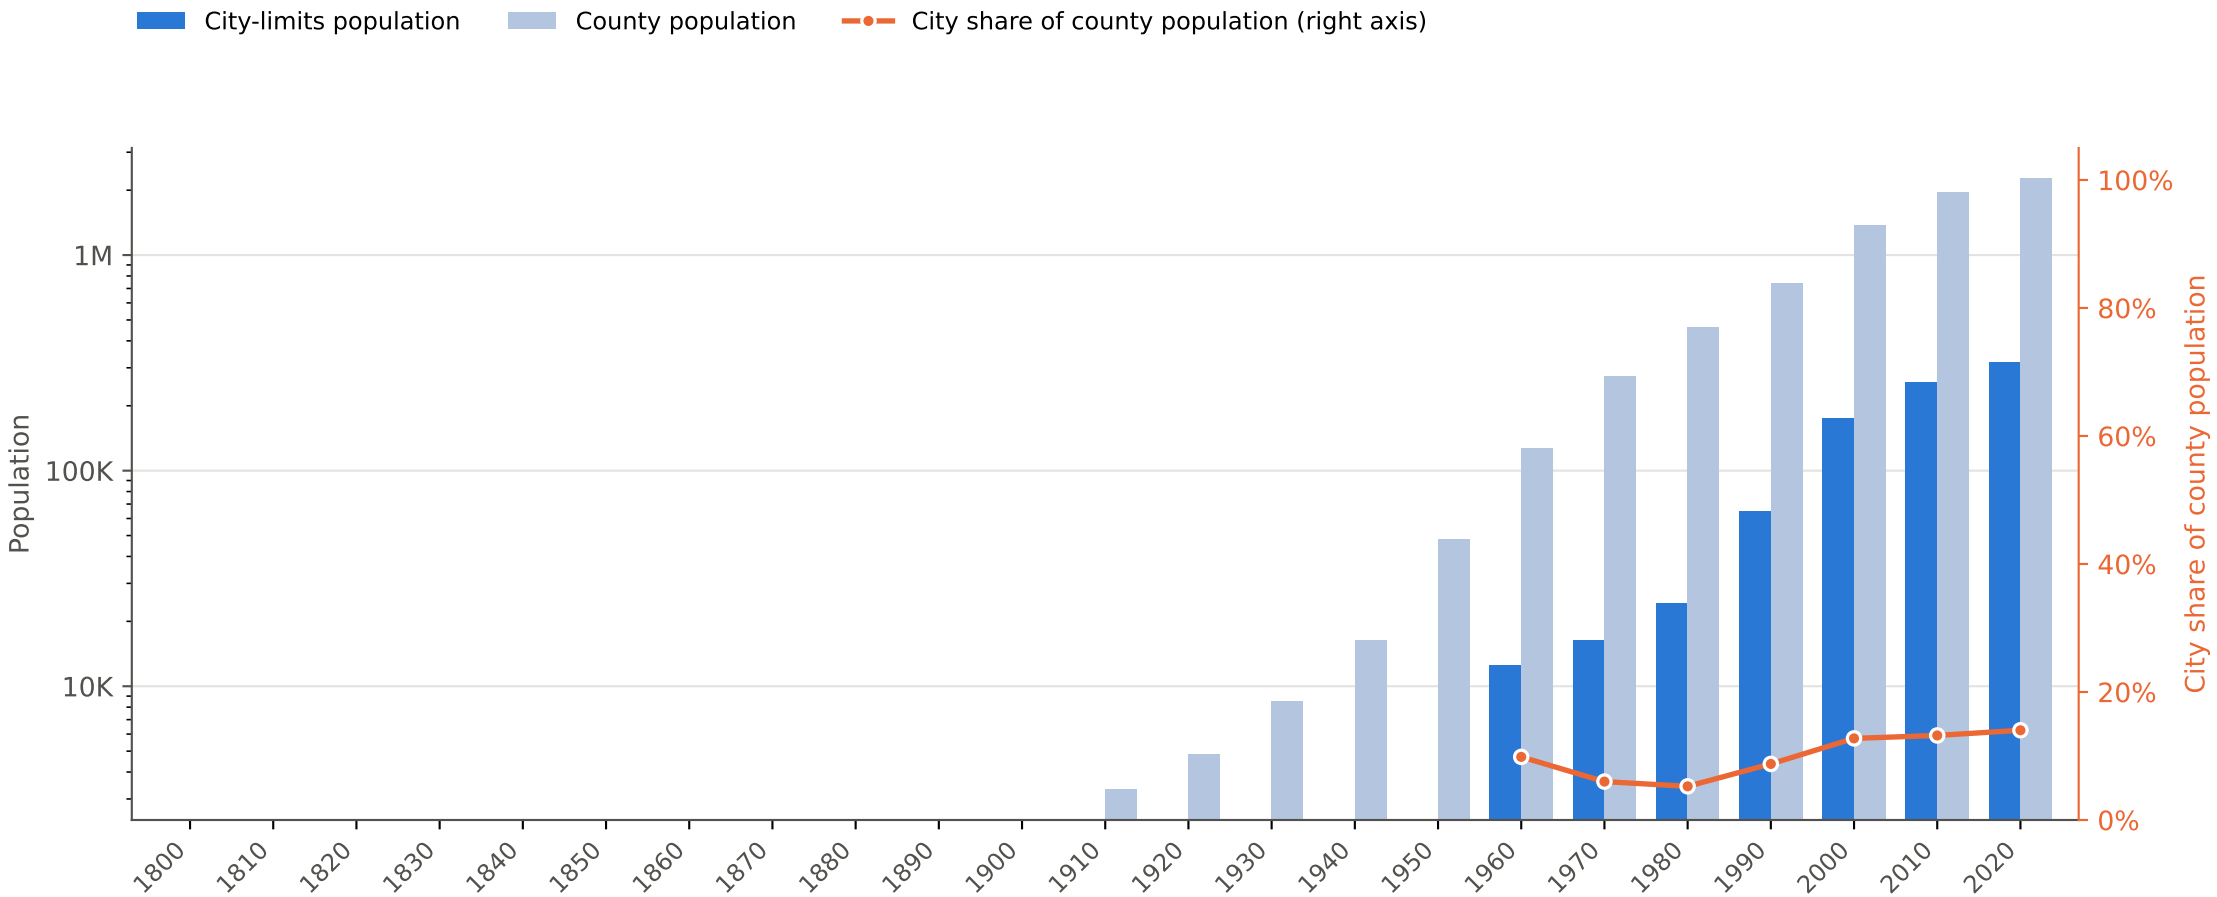

#58 city in the contiguous U.S. by 2020 Census population (317,863). Comparison county (2020): Nueces County, TX.

Parts of the city lie in Kleberg, San Patricio and Aransas counties.
City limits extend beyond the comparison county, so the share slightly overstates the share of that county living in the city.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Henderson, NV: city vs. county population, 1800–2020

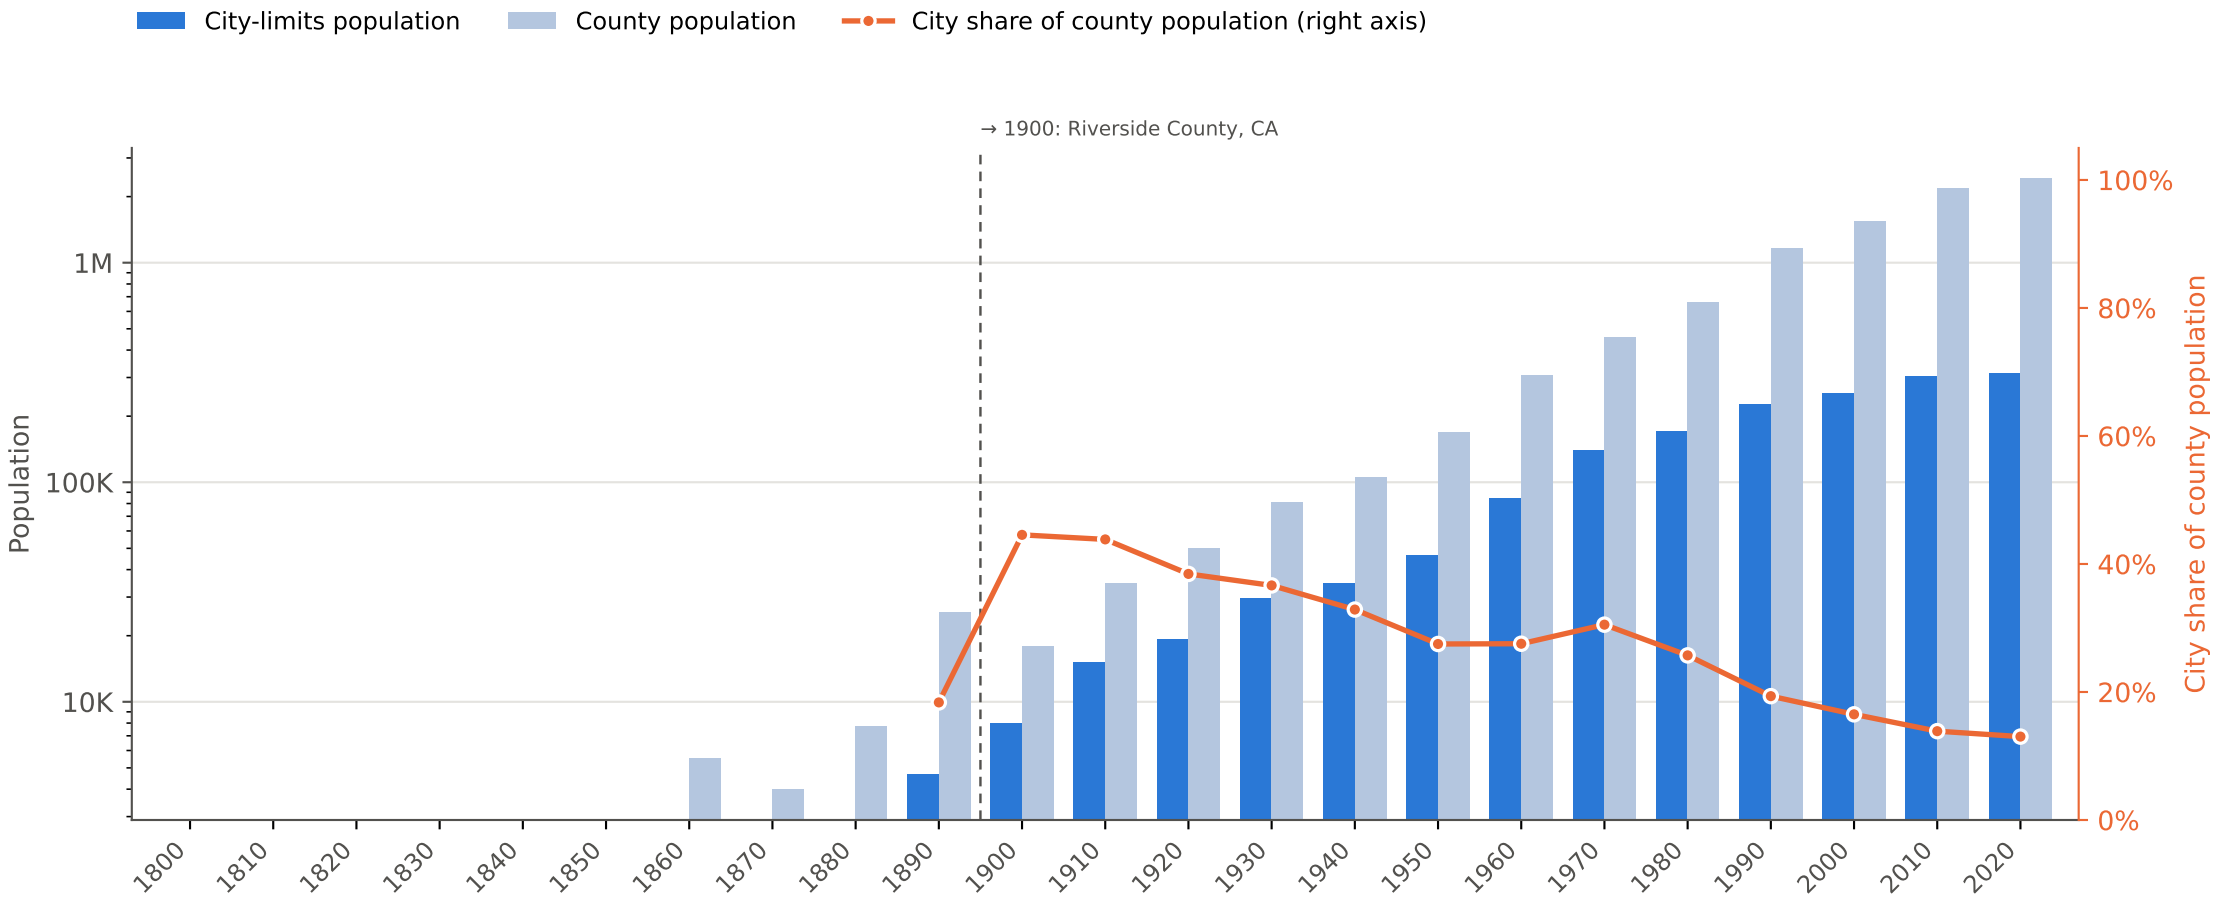

#59 city in the contiguous U.S. by 2020 Census population (317,610). Comparison county (2020): Clark County, NV.

Incorporated in 1953.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Riverside, CA: city vs. county population, 1800–2020

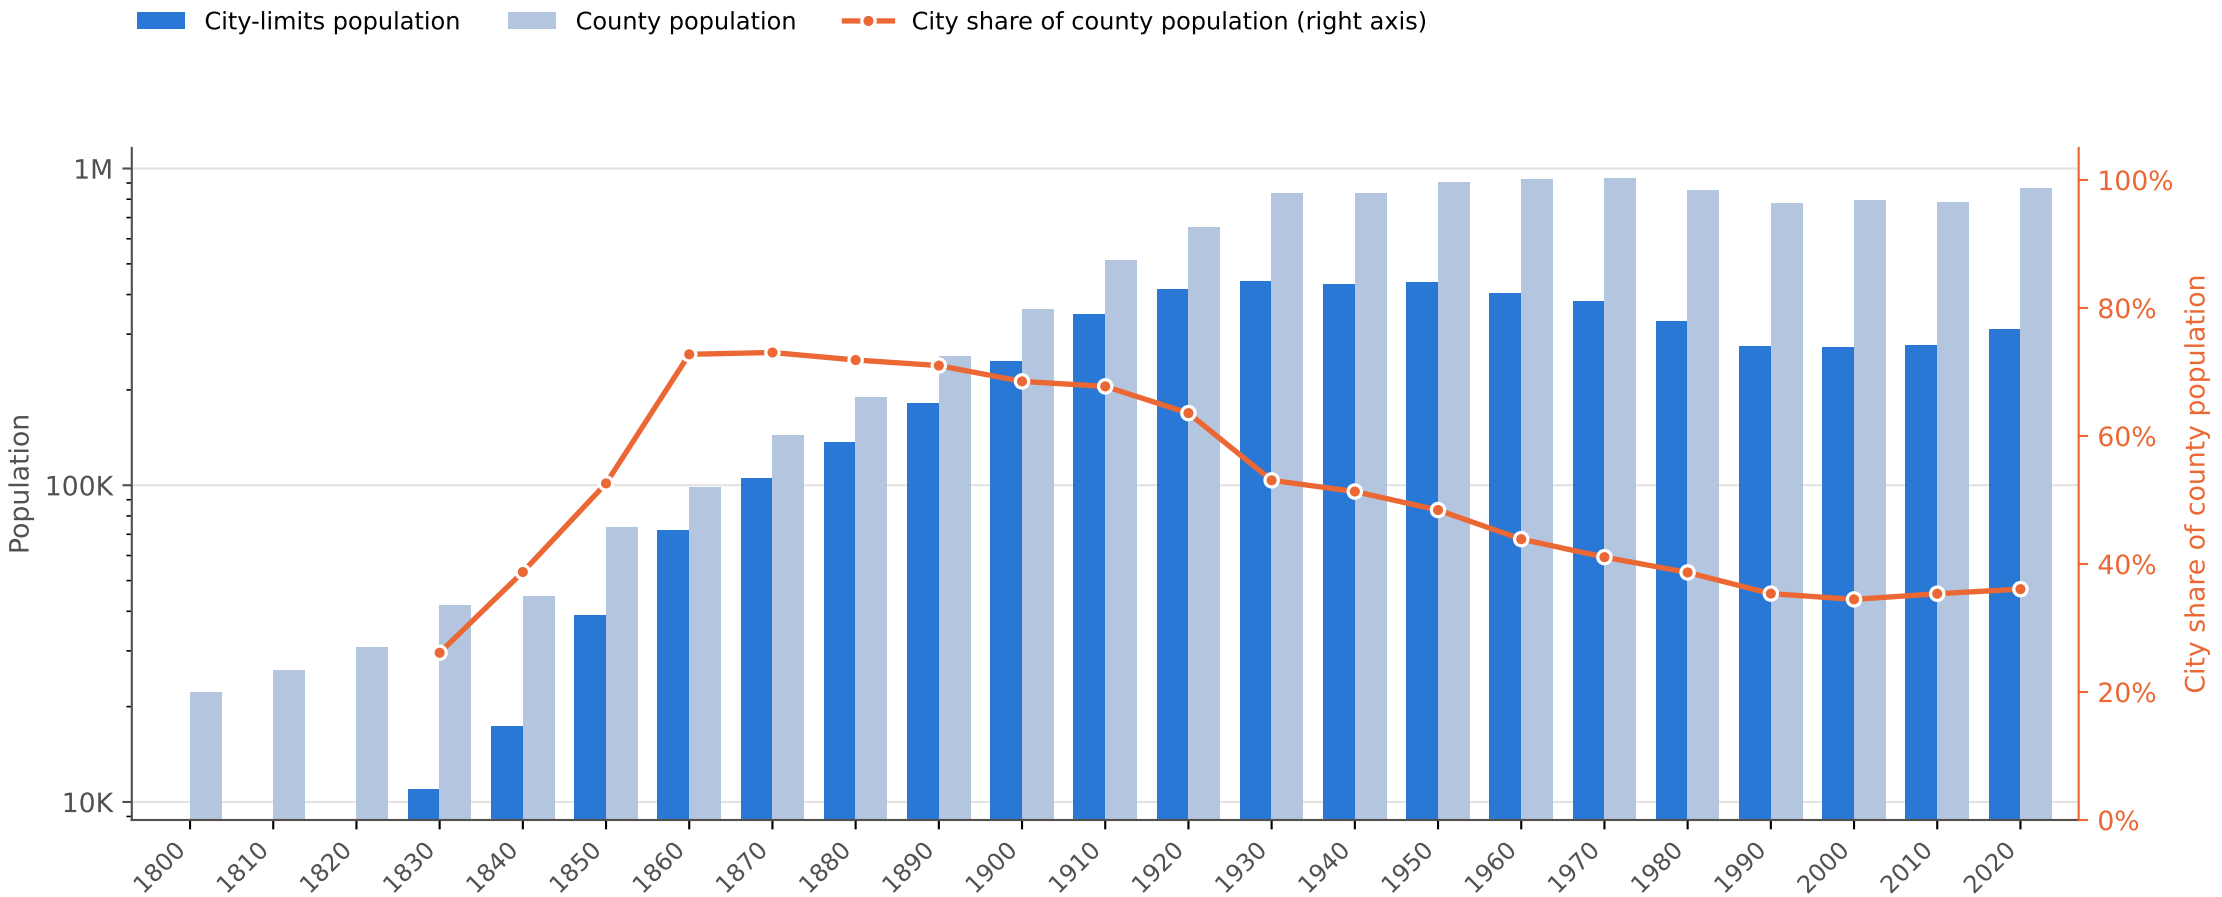

#60 city in the contiguous U.S. by 2020 Census population (314,998). Comparison county (2020): Riverside County, CA.

Riverside County was created from San Bernardino and San Diego counties in 1893.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Newark, NJ: city vs. county population, 1800–2020

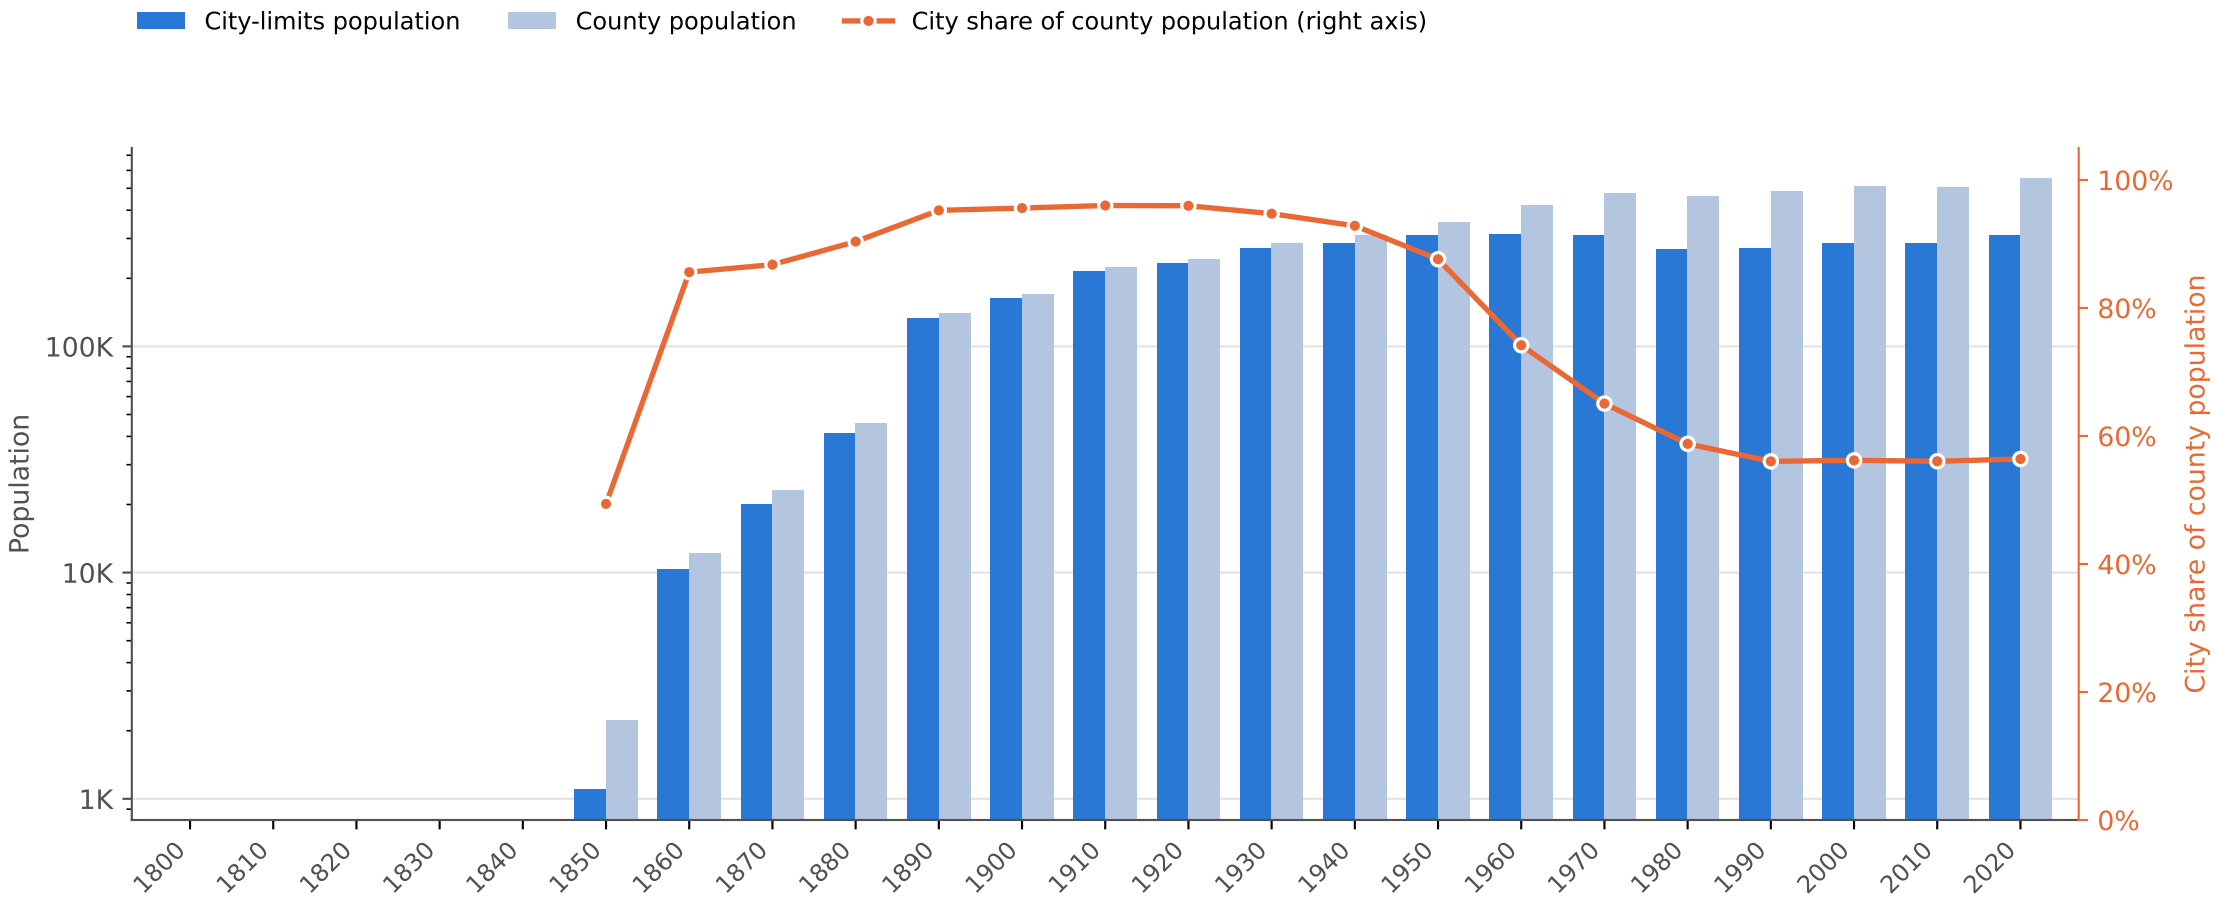

#61 city in the contiguous U.S. by 2020 Census population (311,549). Comparison county (2020): Essex County, NJ.

Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

St. Paul, MN: city vs. county population, 1800–2020

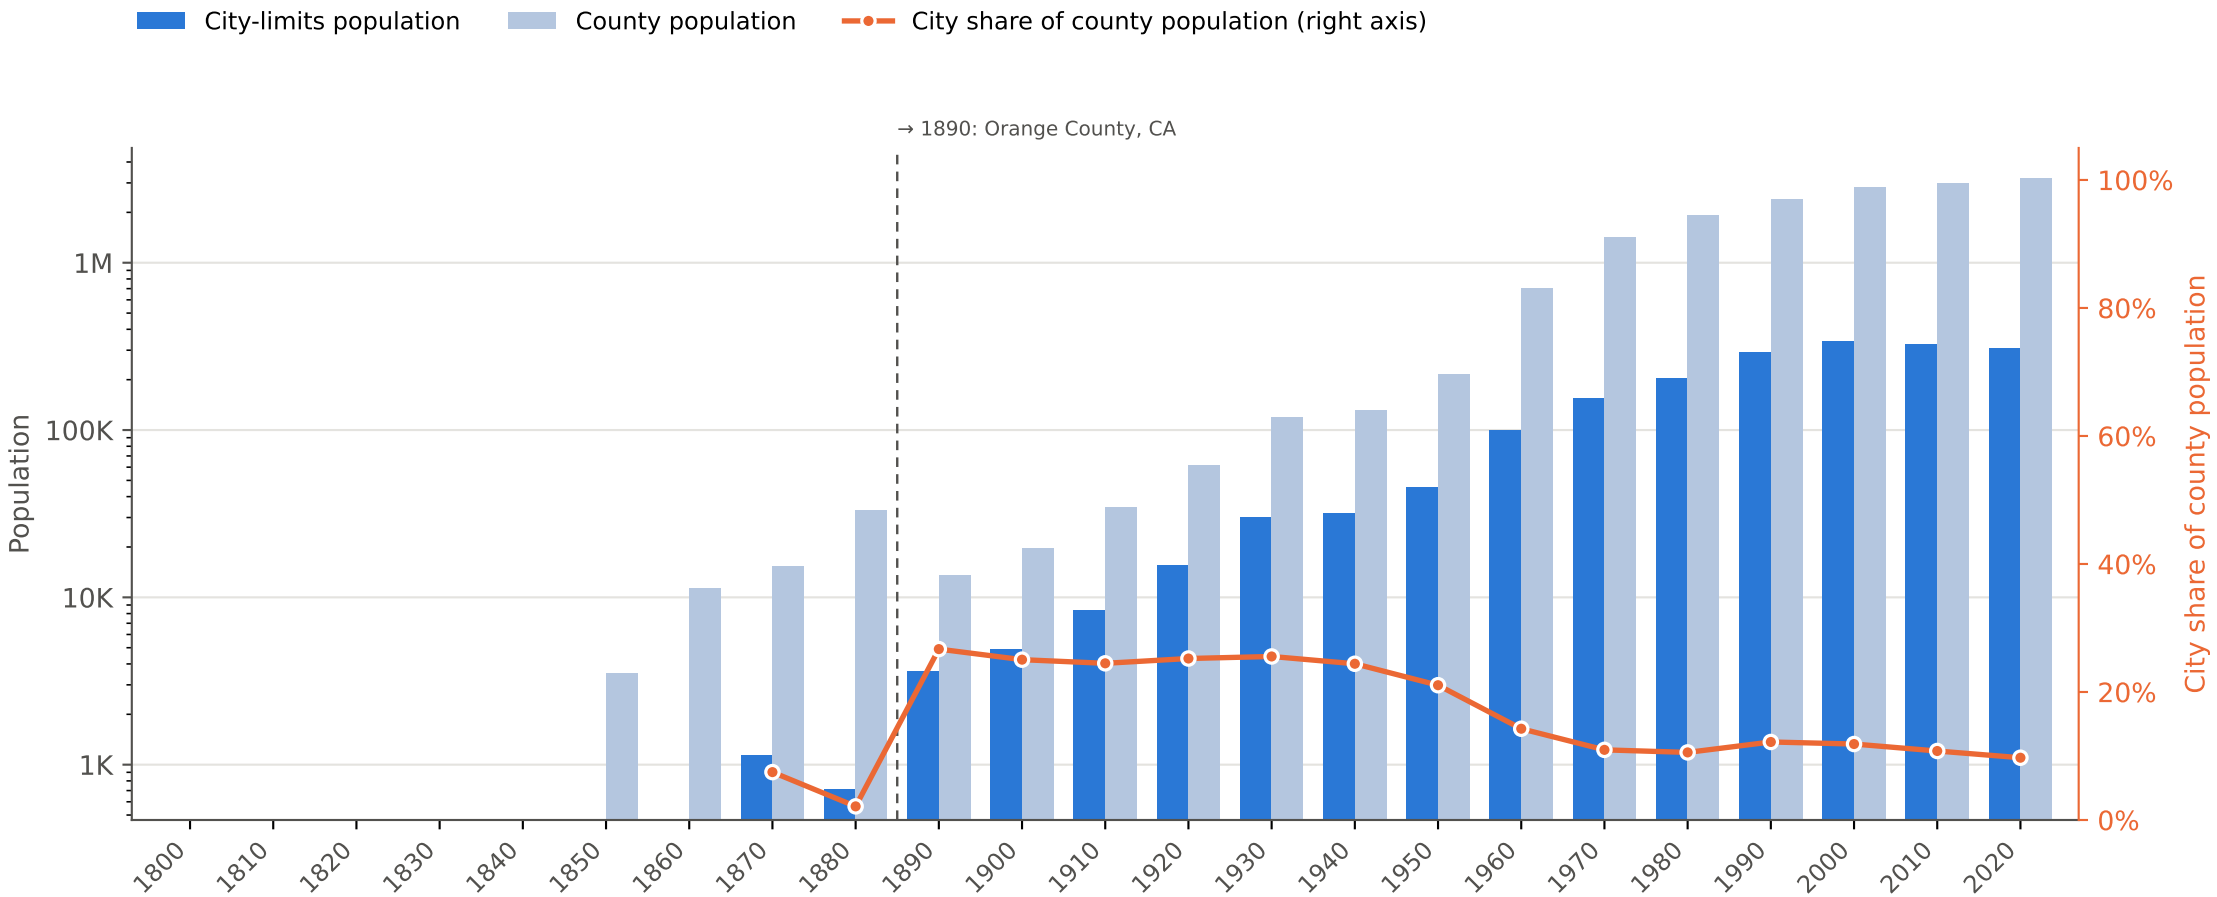

#62 city in the contiguous U.S. by 2020 Census population (311,527). Comparison county (2020): Ramsey County, MN.

Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Santa Ana, CA: city vs. county population, 1800–2020

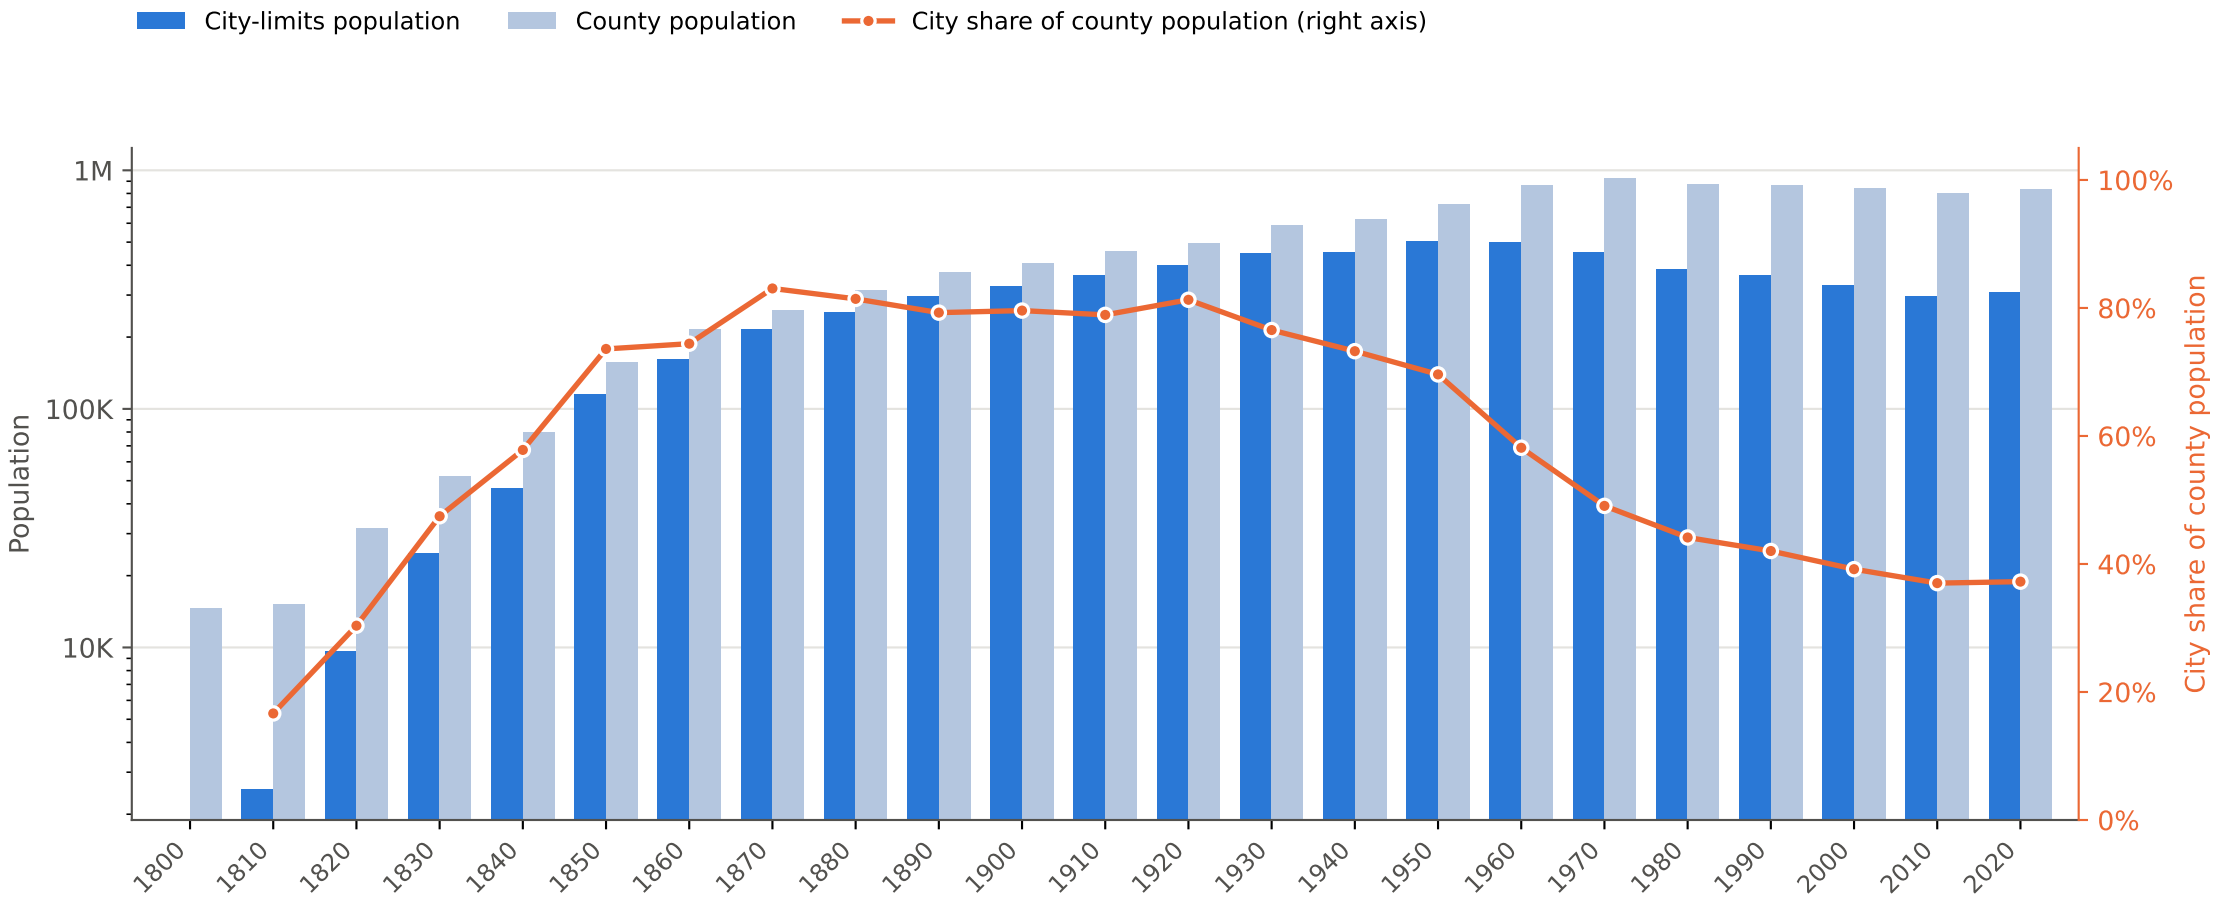

#63 city in the contiguous U.S. by 2020 Census population (310,227). Comparison county (2020): Orange County, CA.

Some early city values below the 2,500 reporting threshold are estimates from Populstat (J. Lahmeyer) or a state data center rather than census counts.
Orange County was created from Los Angeles County in 1889.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Cincinnati, OH: city vs. county population, 1800–2020

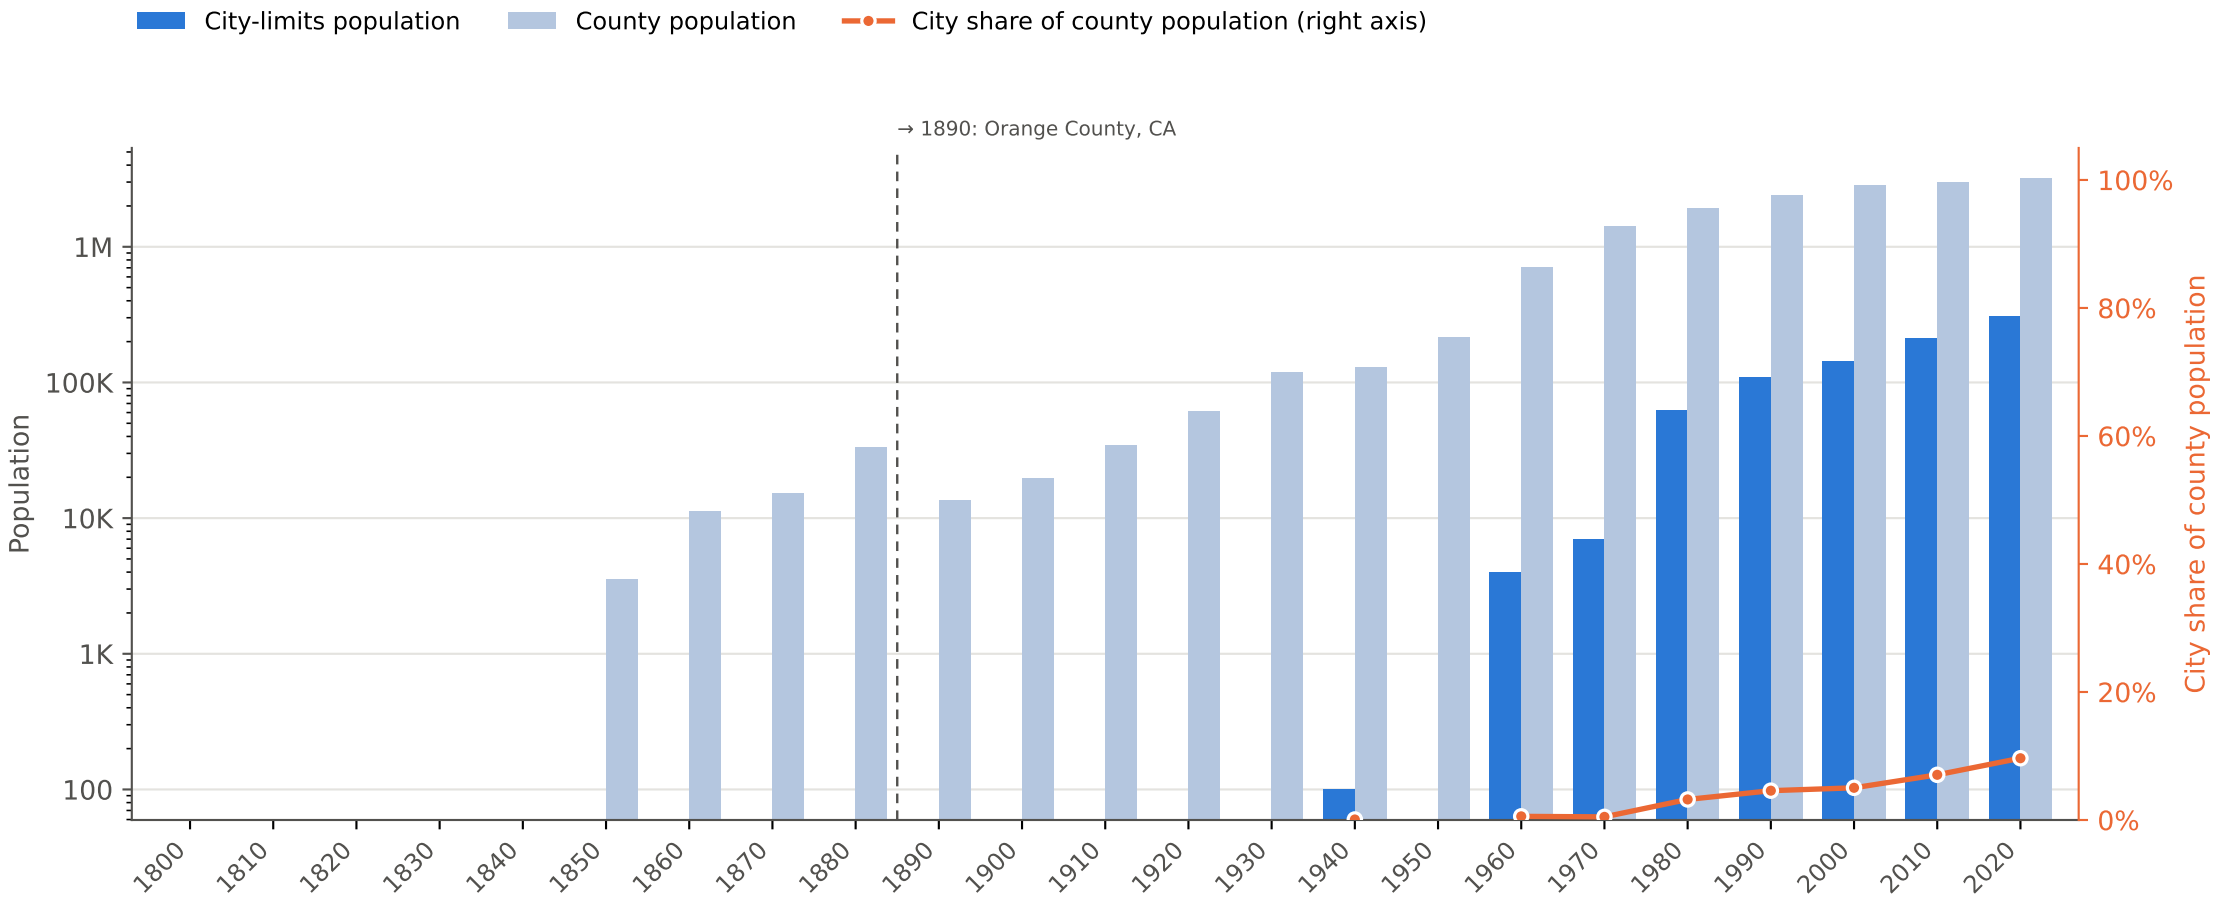

#64 city in the contiguous U.S. by 2020 Census population (309,317). Comparison county (2020): Hamilton County, OH.

Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Irvine, CA: city vs. county population, 1800–2020

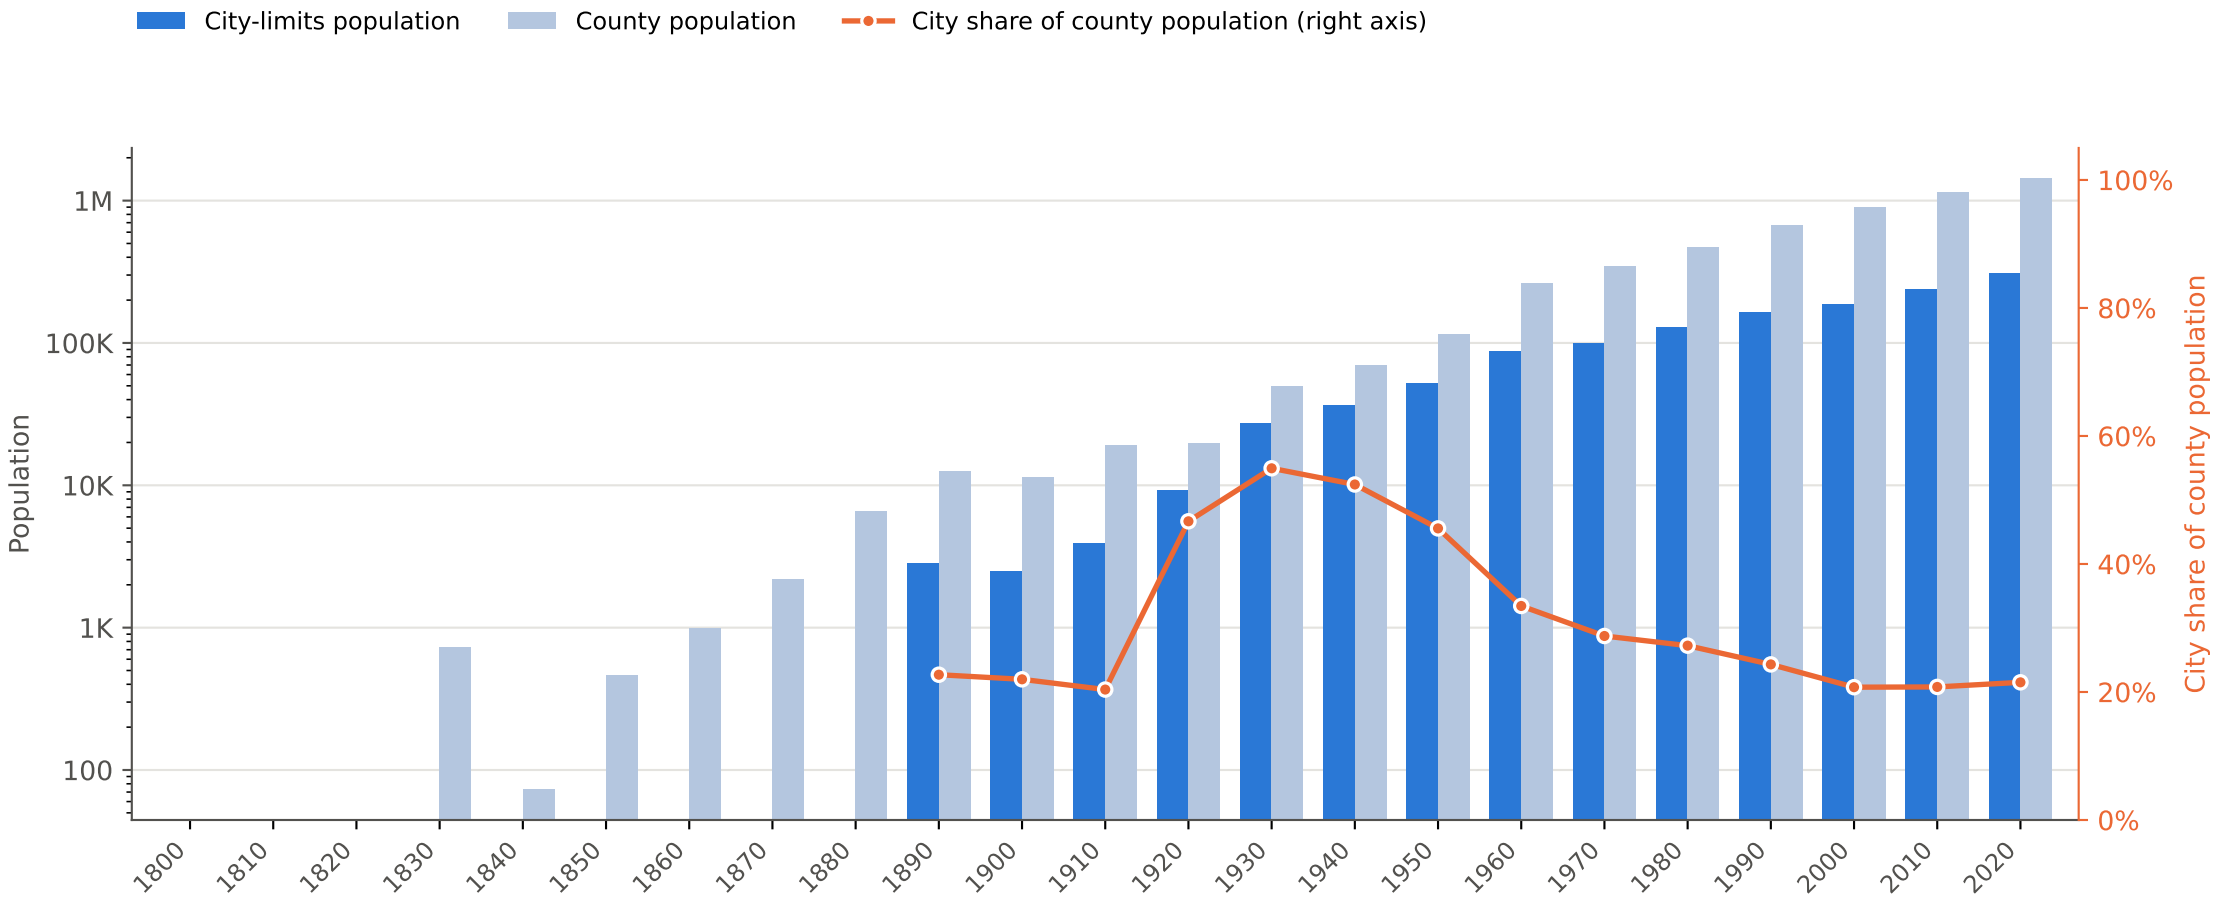

#65 city in the contiguous U.S. by 2020 Census population (307,670). Comparison county (2020): Orange County, CA.

Irvine incorporated in 1971; the 1940-1970 values are Populstat estimates for the unincorporated area, not census counts of a city.
Orange County was created from Los Angeles County in 1889.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Orlando, FL: city vs. county population, 1800–2020

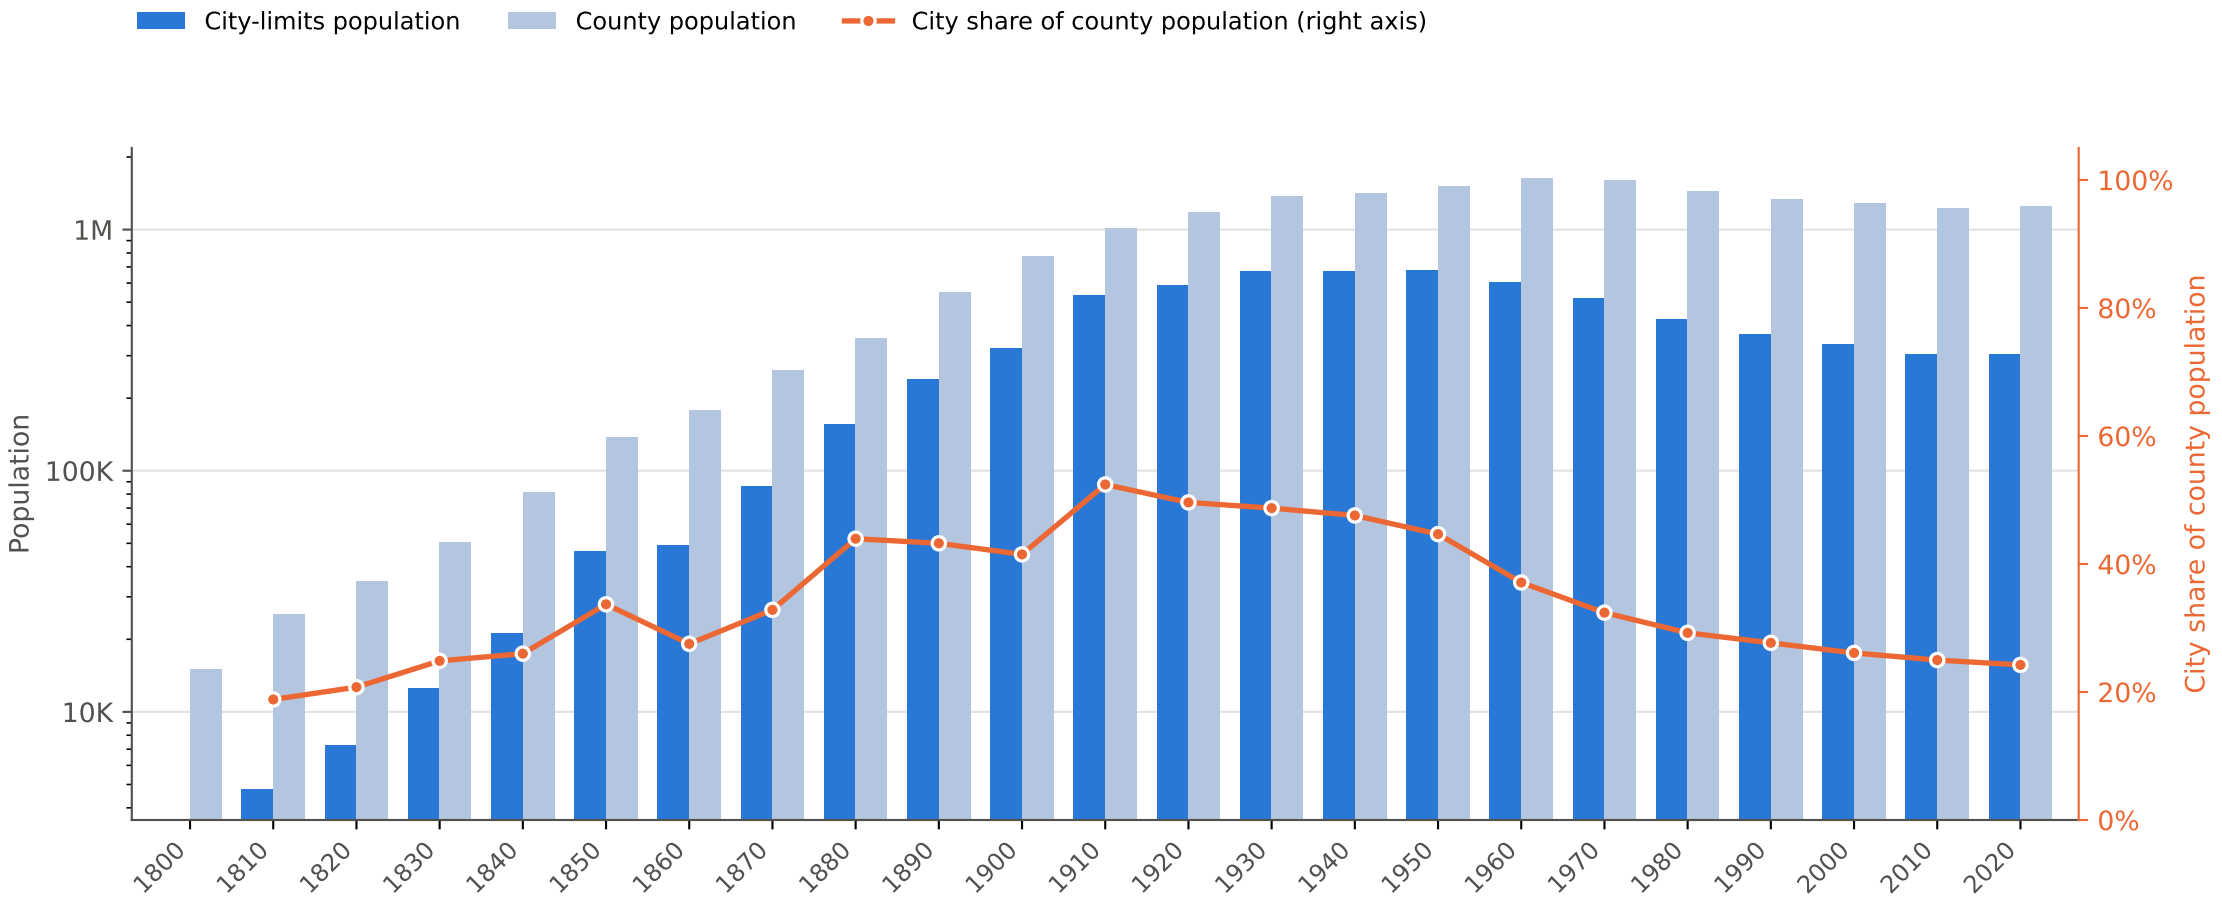

#66 city in the contiguous U.S. by 2020 Census population (307,573). Comparison county (2020): Orange County, FL.

Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Pittsburgh, PA: city vs. county population, 1800–2020

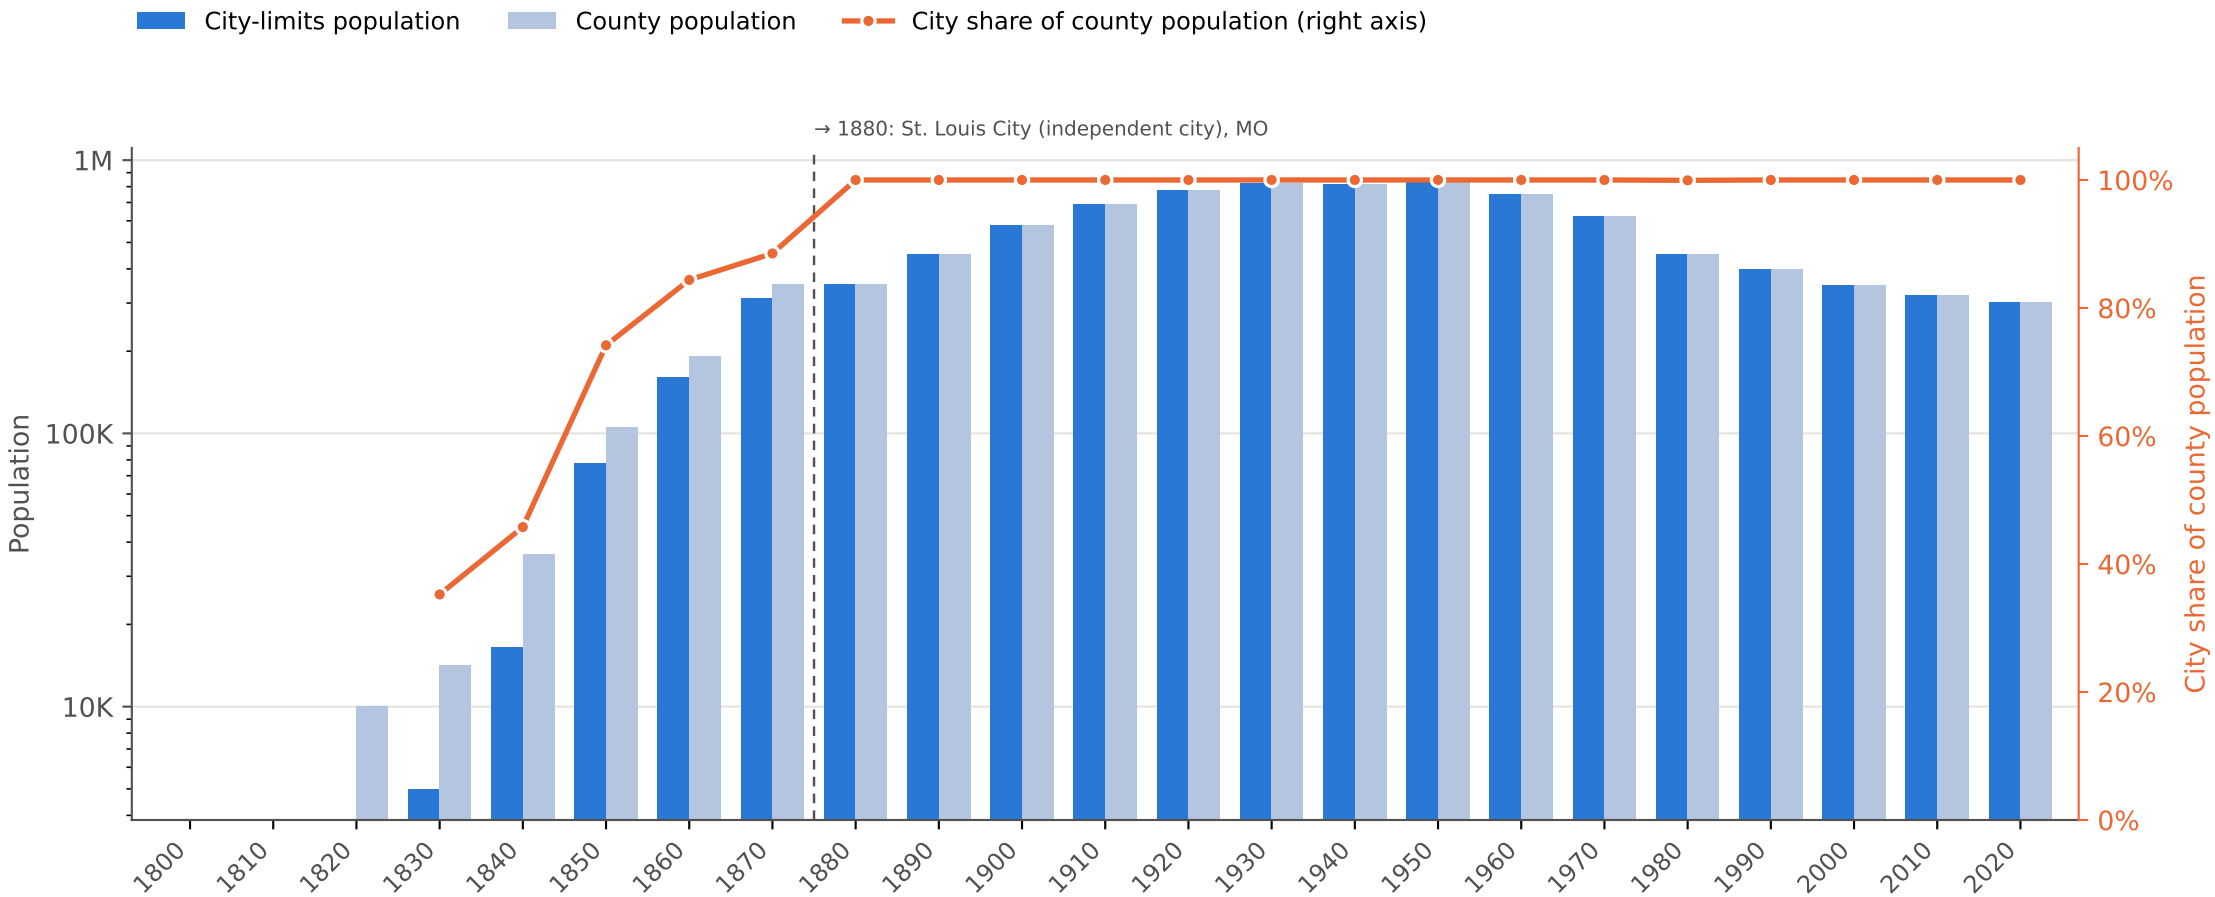

#67 city in the contiguous U.S. by 2020 Census population (302,971). Comparison county (2020): Allegheny County, PA.

Pittsburgh annexed Allegheny City in 1907.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

St. Louis, MO: city vs. county population, 1800–2020

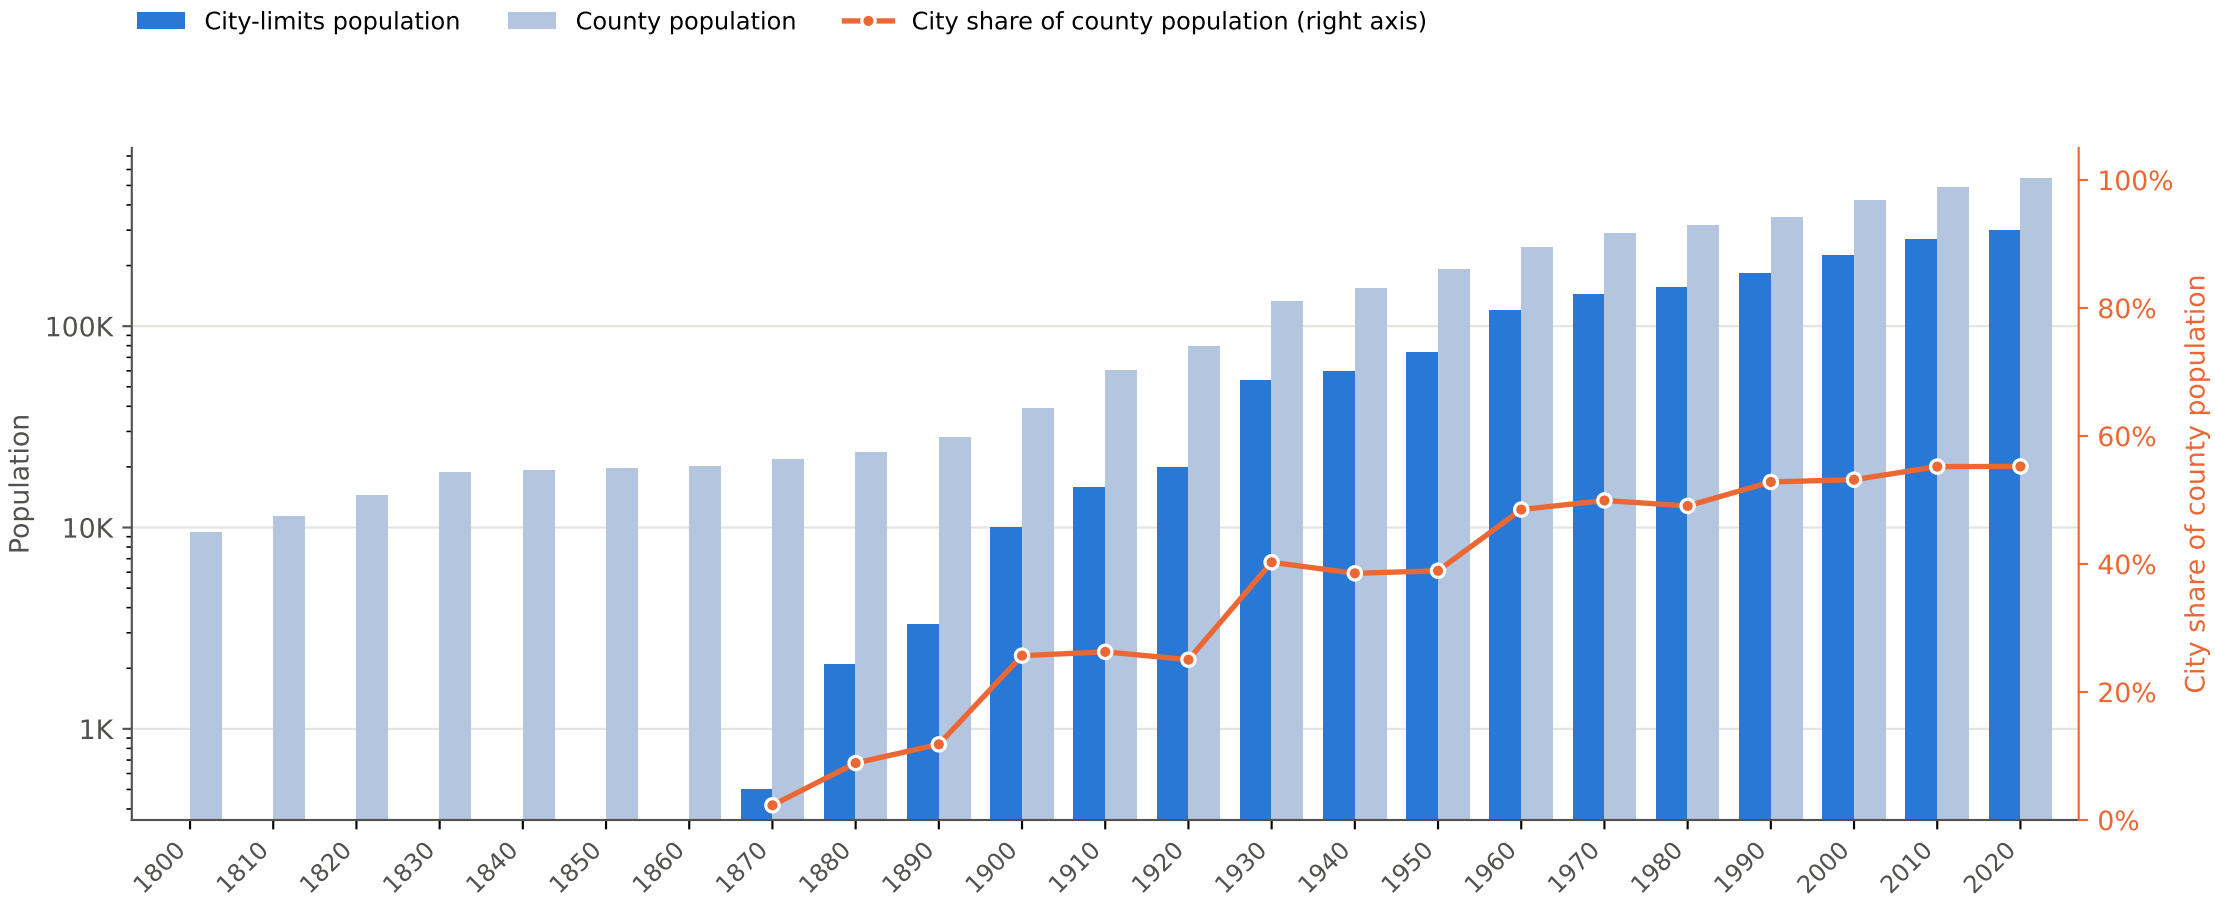

#68 city in the contiguous U.S. by 2020 Census population (301,578). Comparison county (2020): St. Louis City (independent city), MO.

St. Louis separated from St. Louis County in 1876 and is an independent city (county-equivalent).
St. Louis County figures through 1870 include the City of St. Louis.
Independent city since 1876; county-equivalent population equals city population.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Greensboro, NC: city vs. county population, 1800–2020

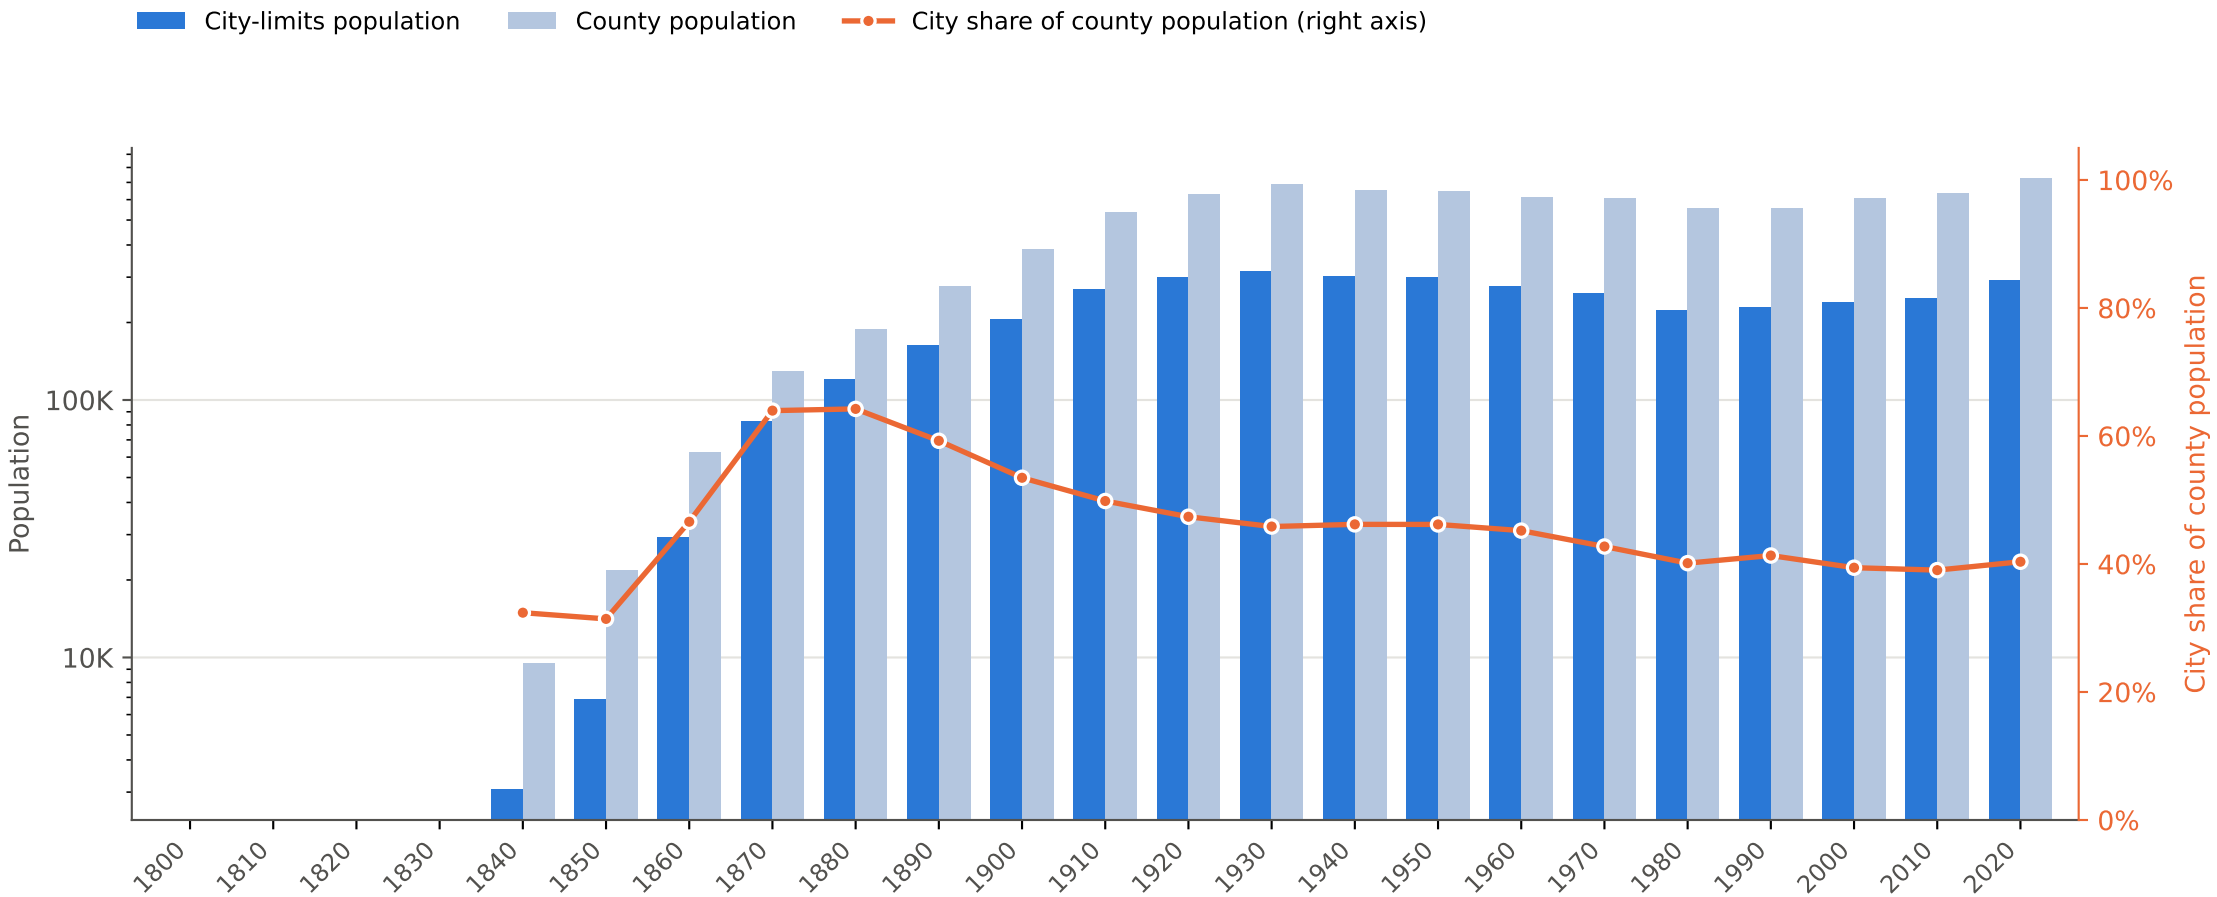

#69 city in the contiguous U.S. by 2020 Census population (299,035). Comparison county (2020): Guilford County, NC.

Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Jersey City, NJ: city vs. county population, 1800–2020

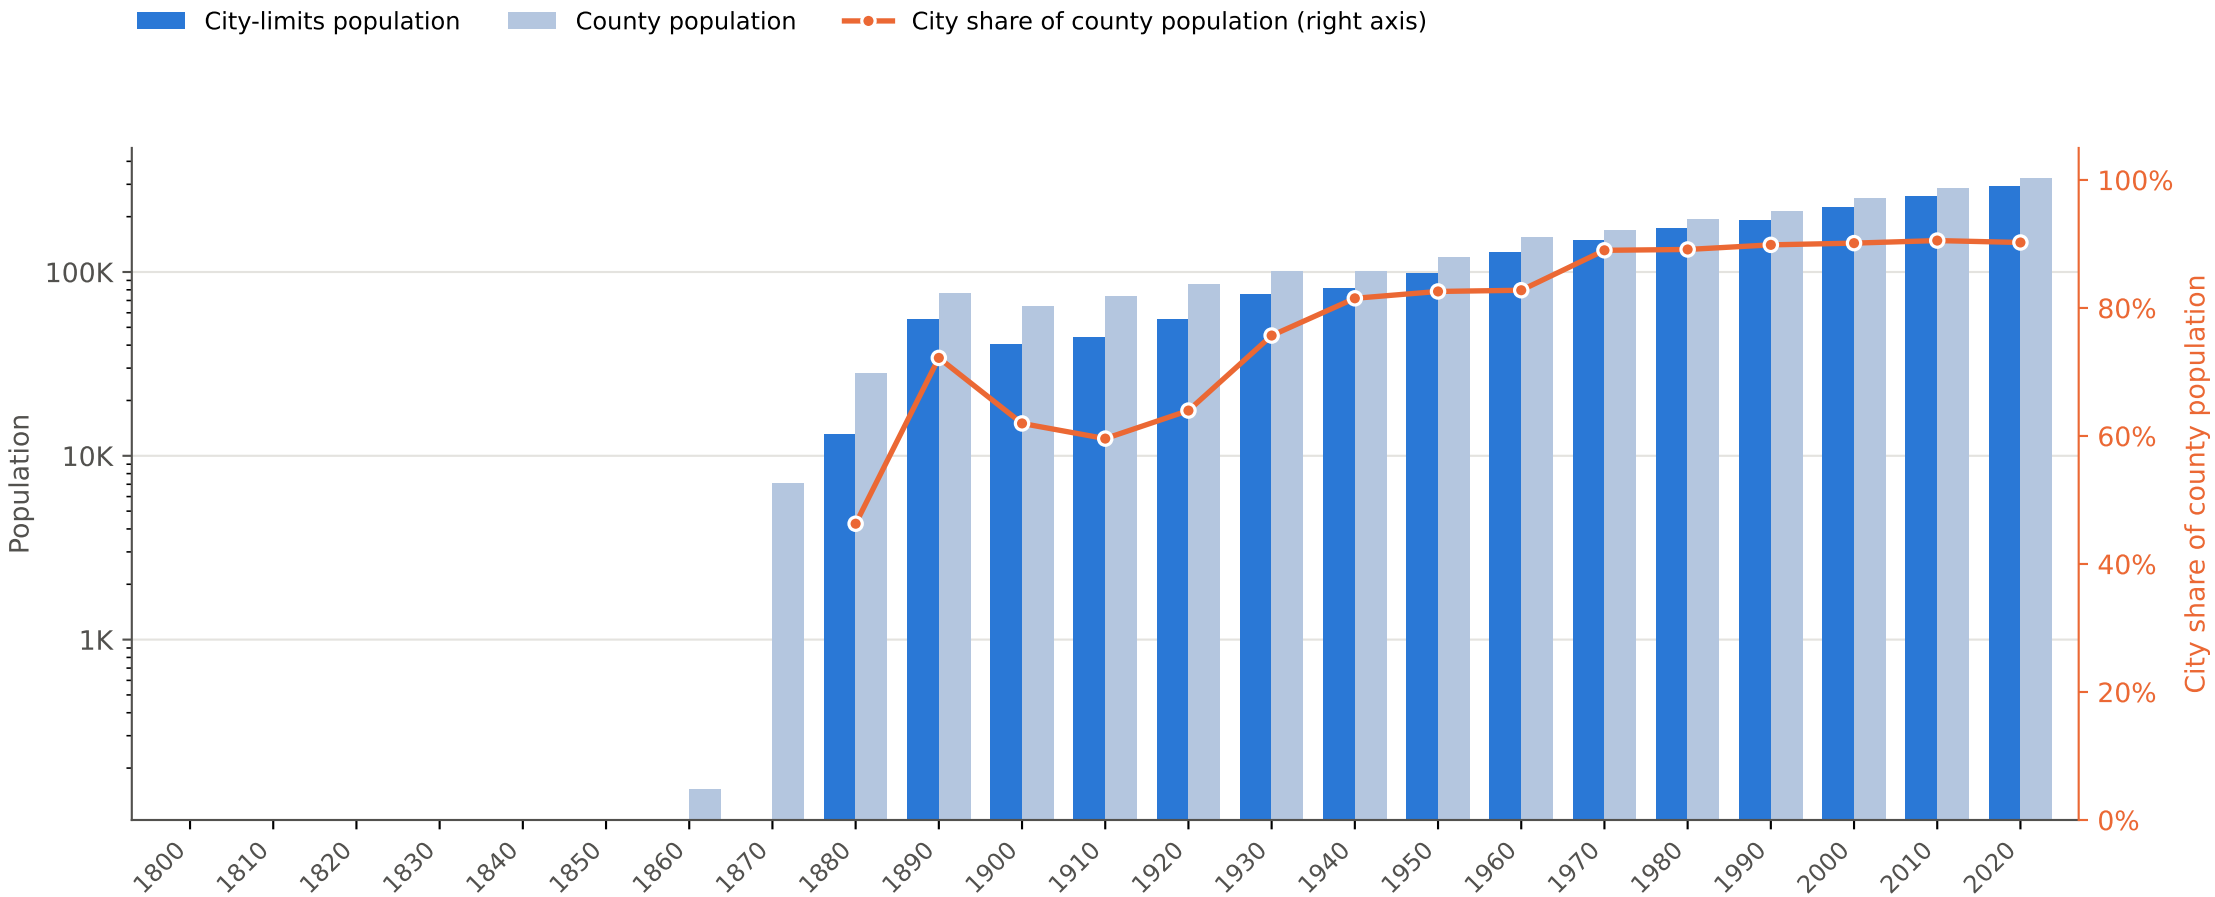

#70 city in the contiguous U.S. by 2020 Census population (292,449). Comparison county (2020): Hudson County, NJ.

Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Lincoln, NE: city vs. county population, 1800–2020

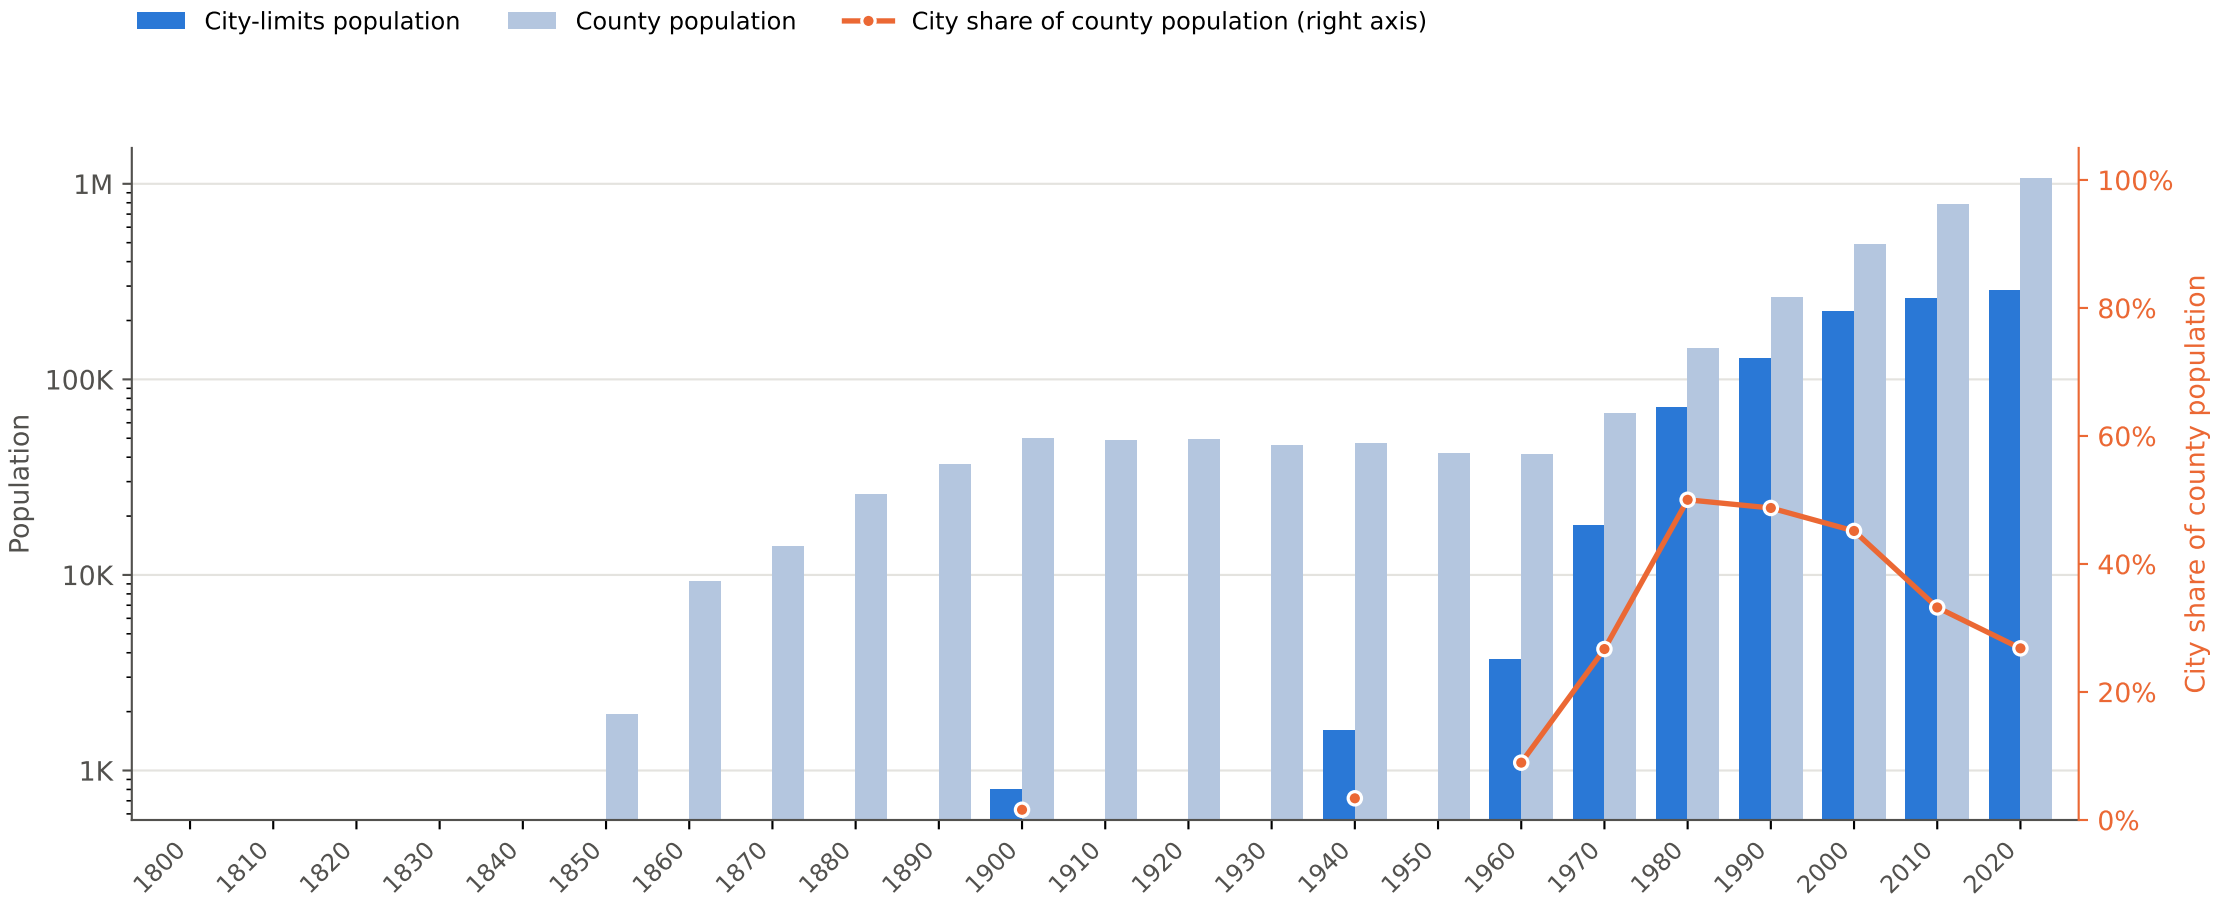

#71 city in the contiguous U.S. by 2020 Census population (291,082). Comparison county (2020): Lancaster County, NE.

The 1890 census counts for Lincoln (and Omaha) are widely regarded as inflated; both cities' 1900 counts were lower.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Plano, TX: city vs. county population, 1800–2020

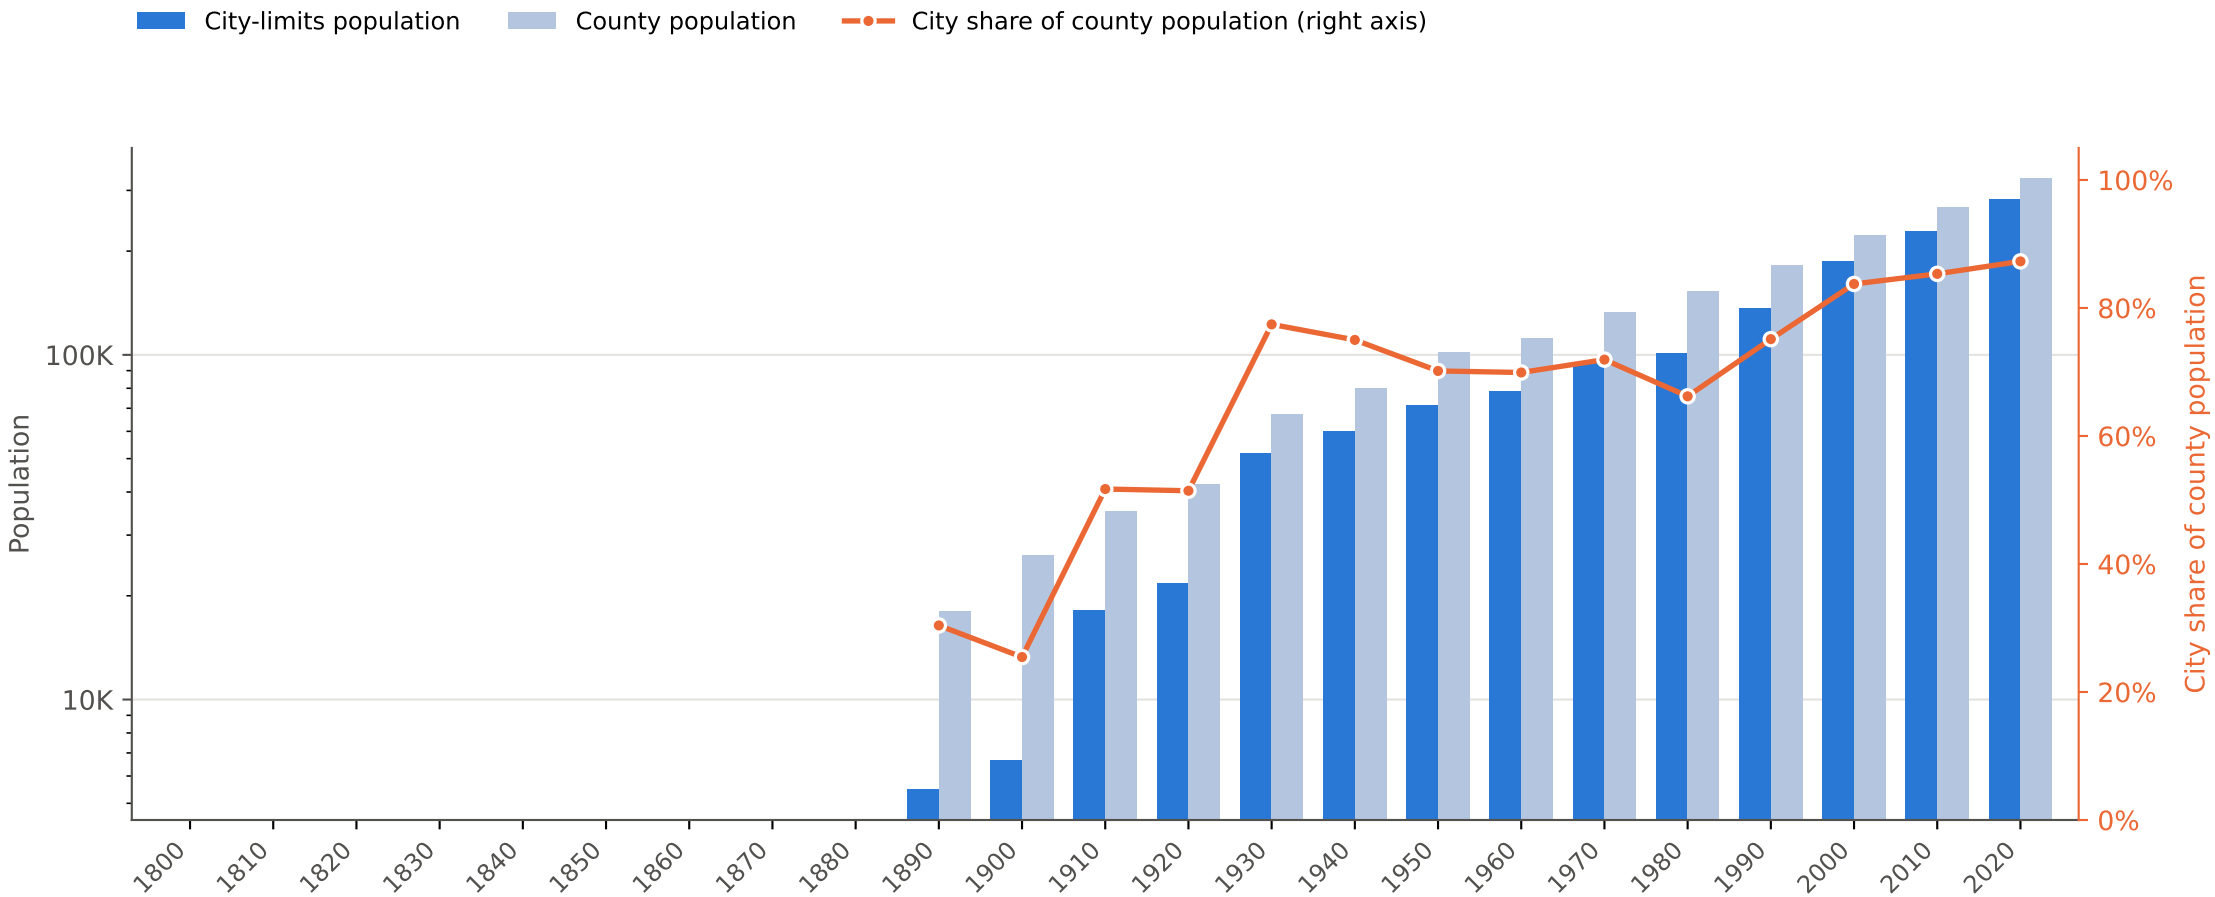

#72 city in the contiguous U.S. by 2020 Census population (285,494). Comparison county (2020): Collin County, TX.

Part of the city lies in Denton County. Some early city values below the 2,500 reporting threshold are estimates from Populstat (J. Lahmeyer) or a state data center rather than census counts.
City limits extend beyond the comparison county, so the share slightly overstates the share of that county living in the city.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Durham, NC: city vs. county population, 1800–2020

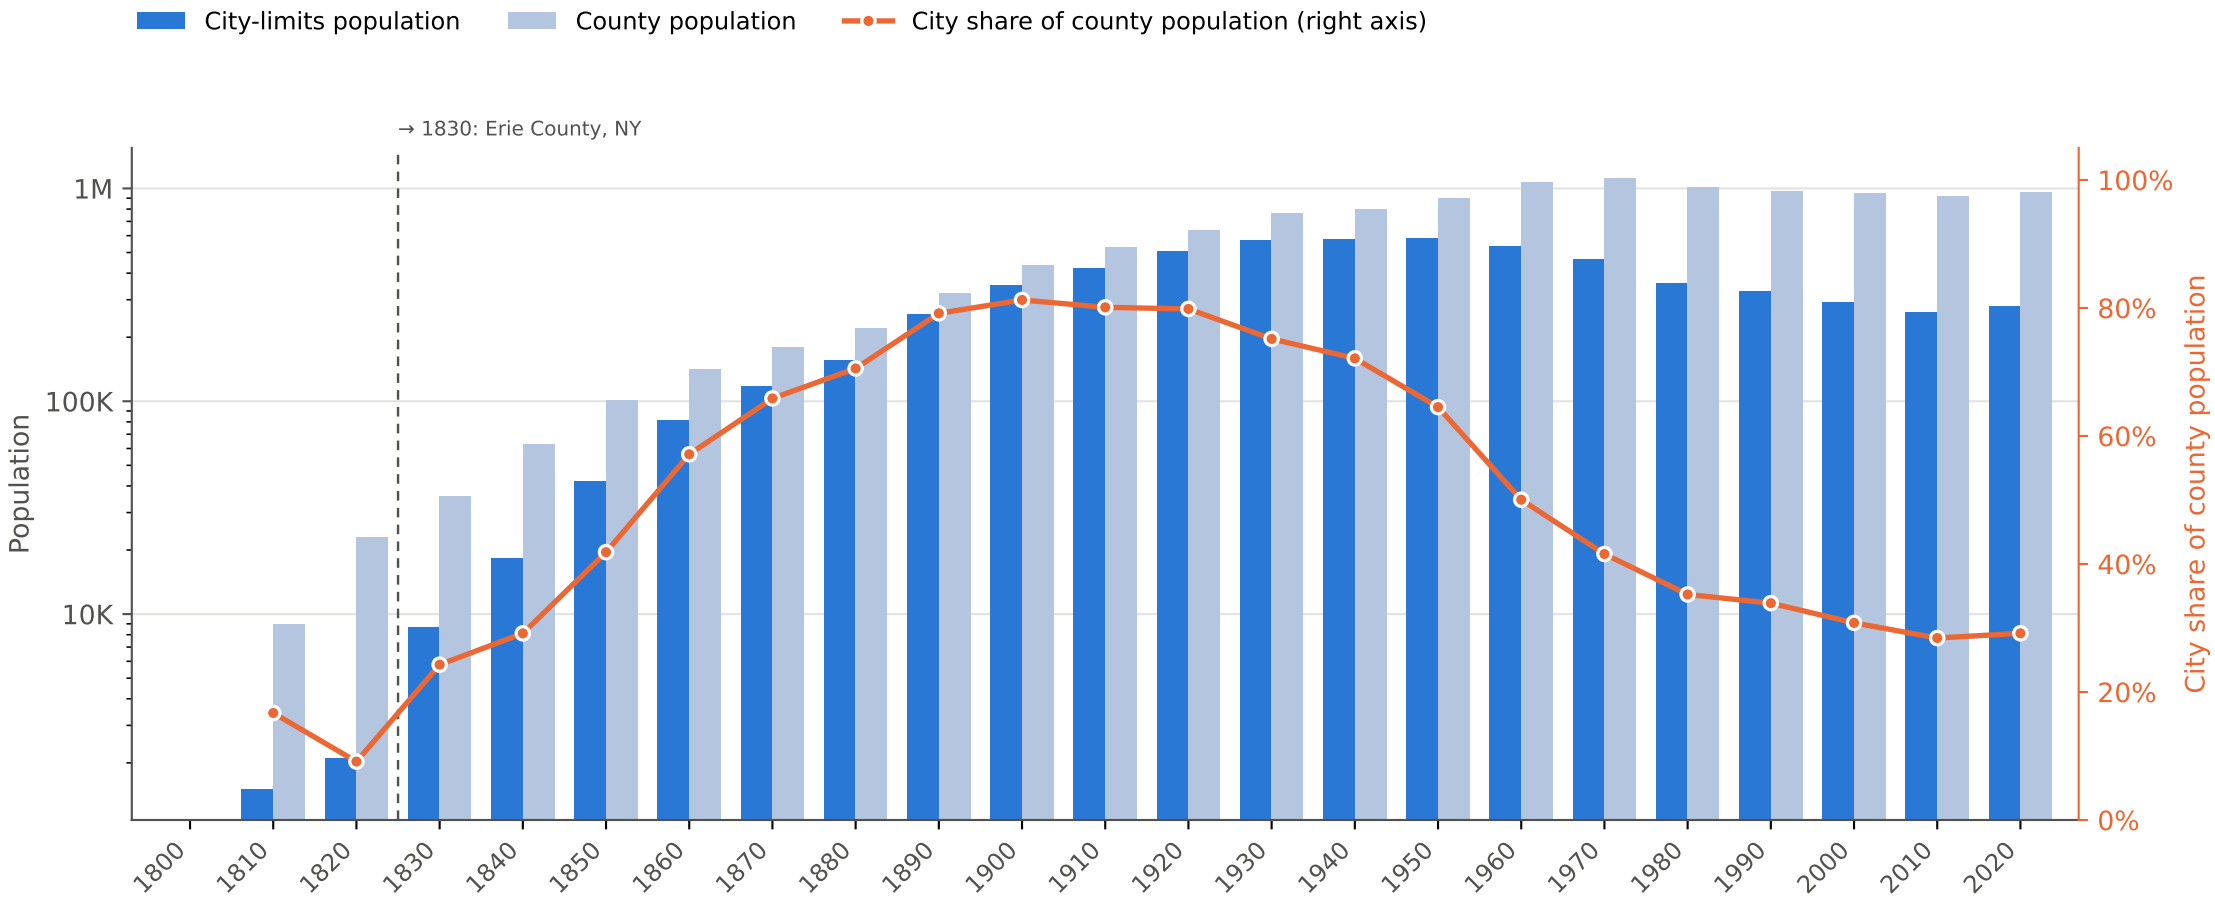

#73 city in the contiguous U.S. by 2020 Census population (283,506). Comparison county (2020): Durham County, NC.

Small parts of the city lie in Wake and Orange counties. Durham County was created from Orange and Wake counties in 1881.
City limits extend beyond the comparison county, so the share slightly overstates the share of that county living in the city.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Buffalo, NY: city vs. county population, 1800–2020

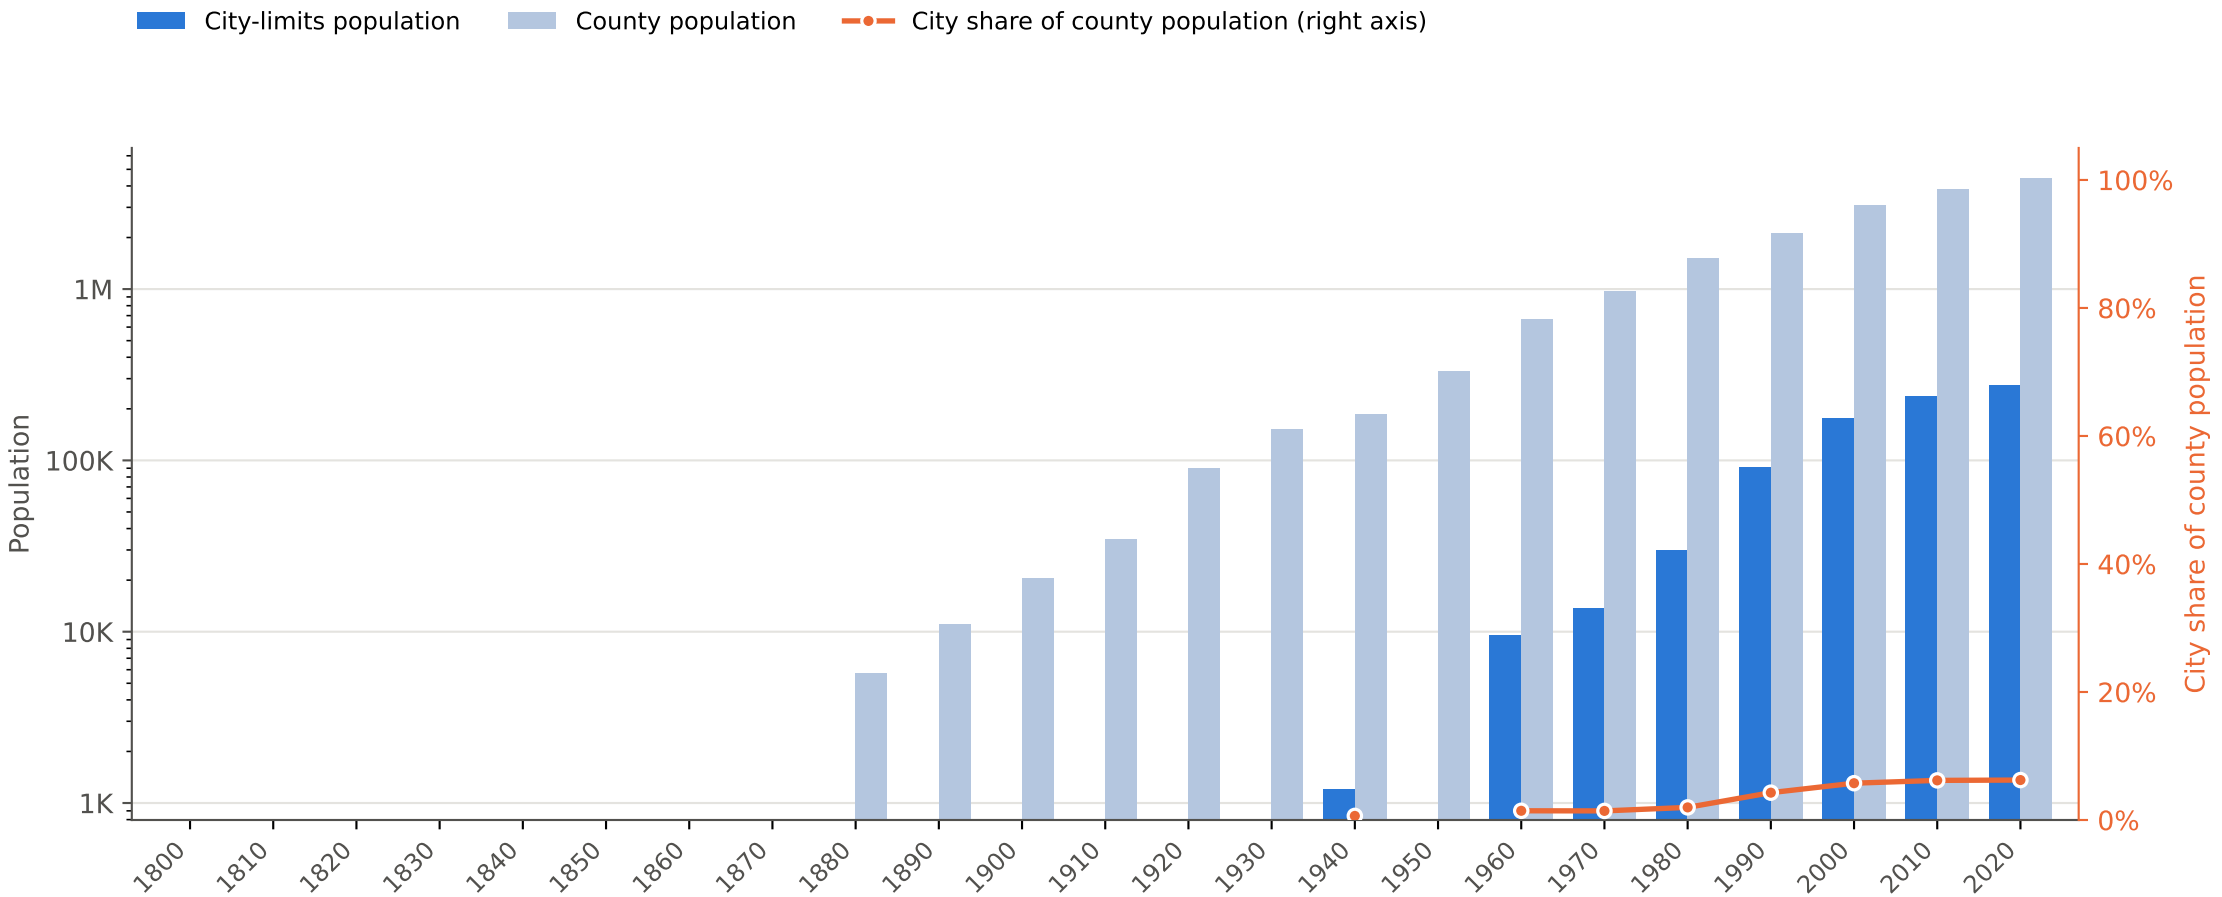

#74 city in the contiguous U.S. by 2020 Census population (278,349). Comparison county (2020): Erie County, NY.

Some early city values below the 2,500 reporting threshold are estimates from Populstat (J. Lahmeyer) or a state data center rather than census counts.
Erie County was created from Niagara County in 1821.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Chandler, AZ: city vs. county population, 1800–2020

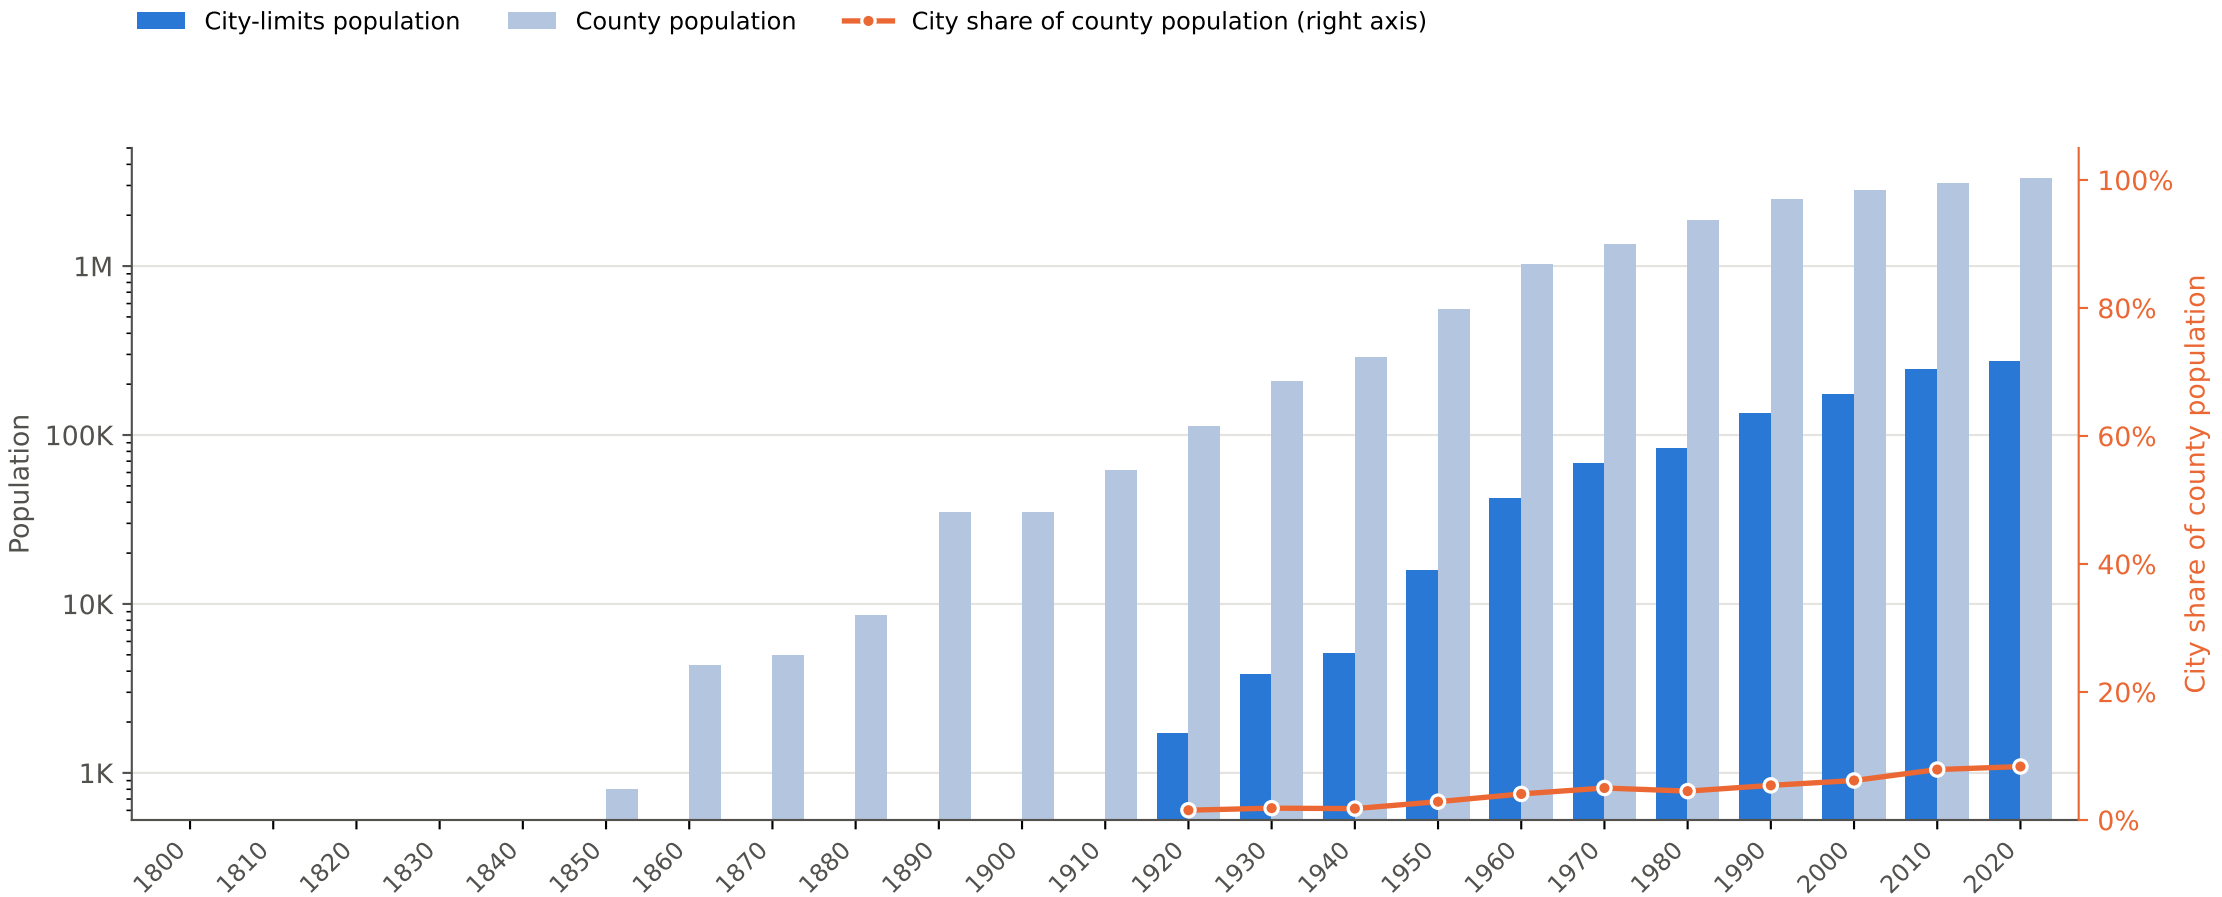

#75 city in the contiguous U.S. by 2020 Census population (275,987). Comparison county (2020): Maricopa County, AZ.

Incorporated in 1920.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Chula Vista, CA: city vs. county population, 1800–2020

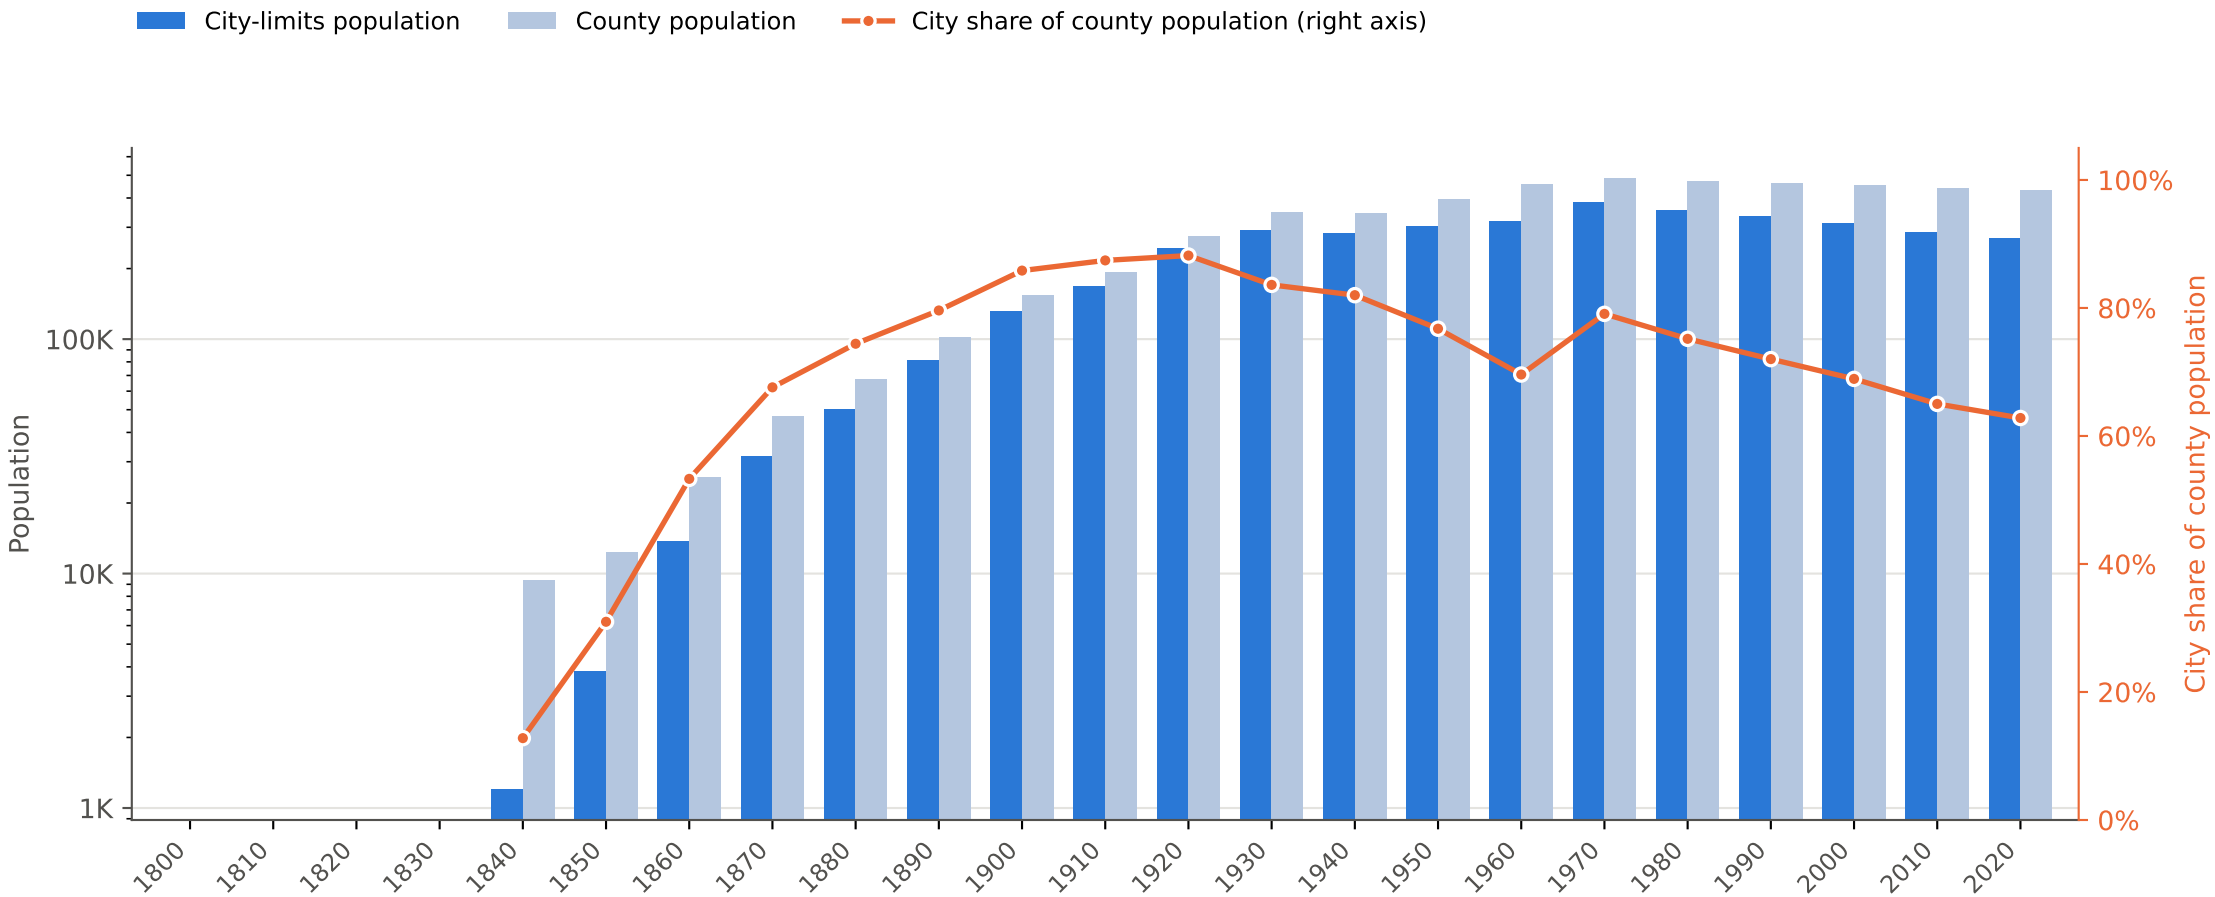

#76 city in the contiguous U.S. by 2020 Census population (275,487). Comparison county (2020): San Diego County, CA.

Incorporated in 1911.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Toledo, OH: city vs. county population, 1800–2020

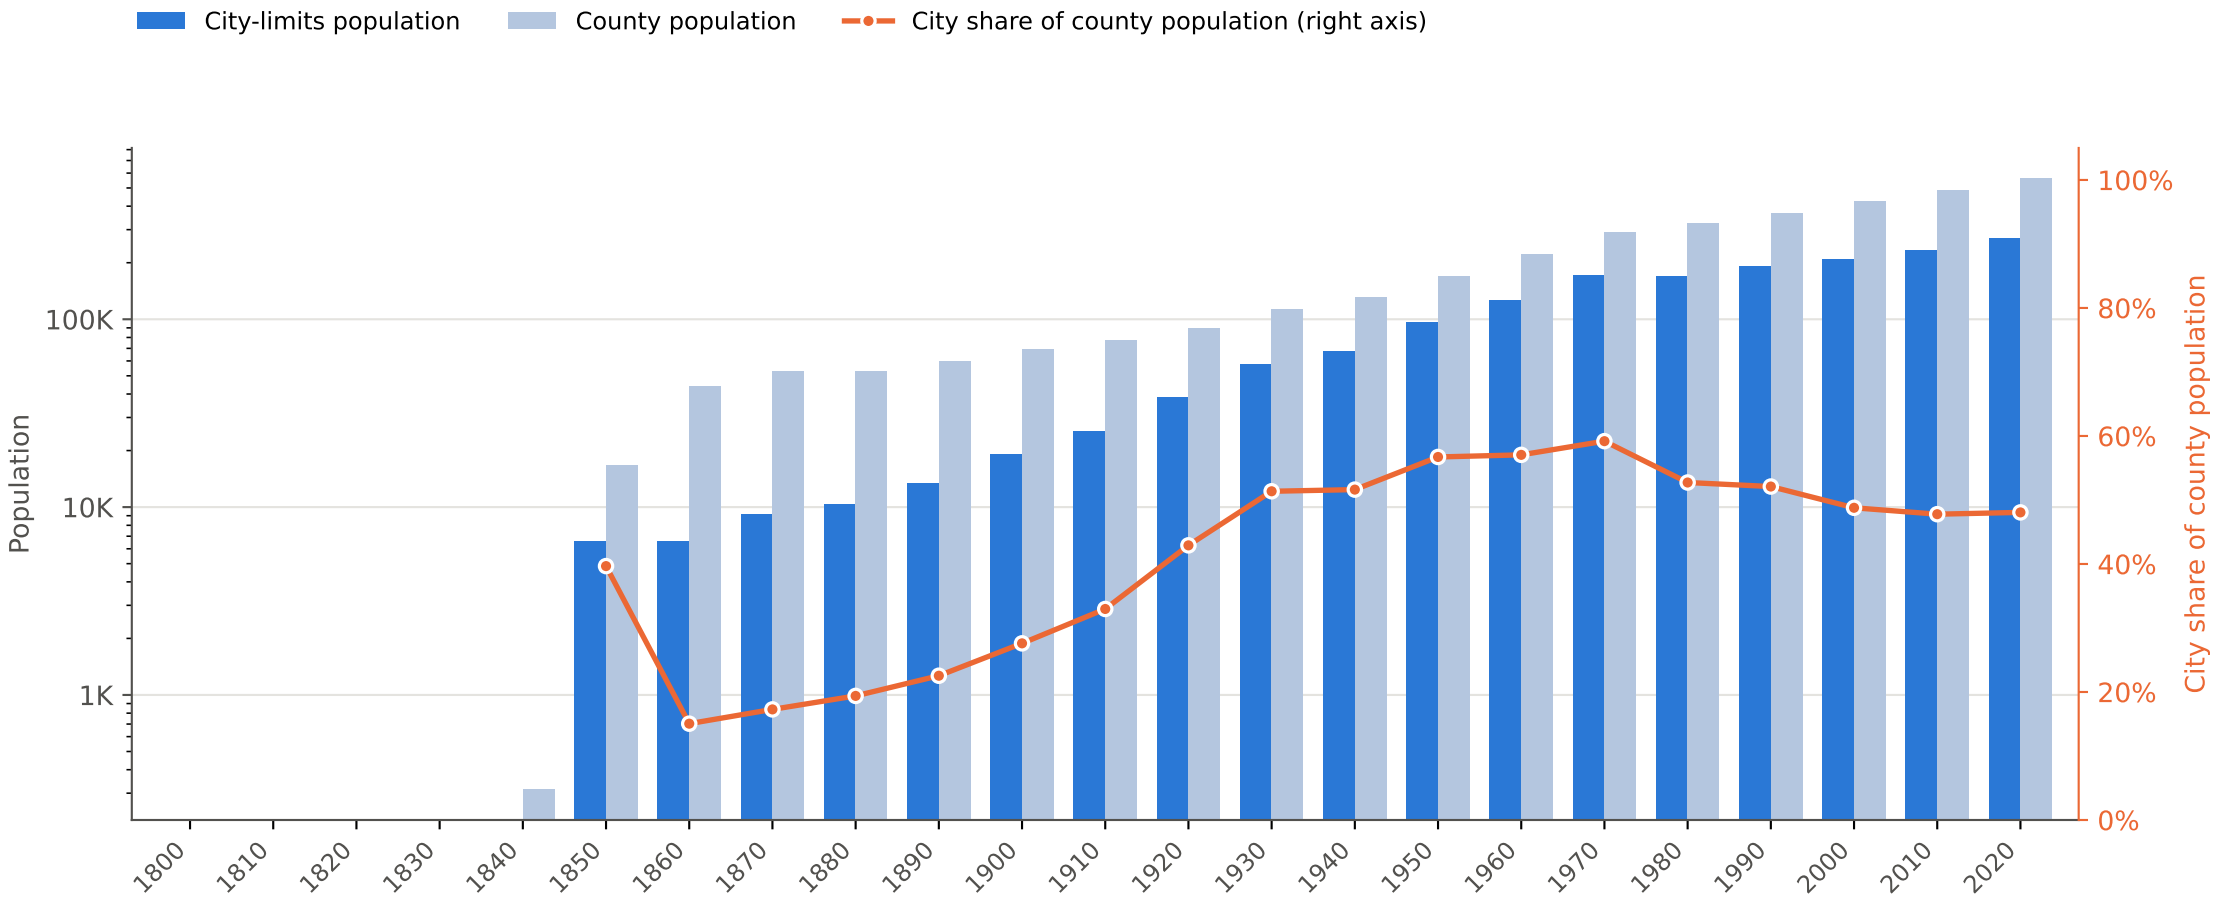

#77 city in the contiguous U.S. by 2020 Census population (270,871). Comparison county (2020): Lucas County, OH.

Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Madison, WI: city vs. county population, 1800–2020

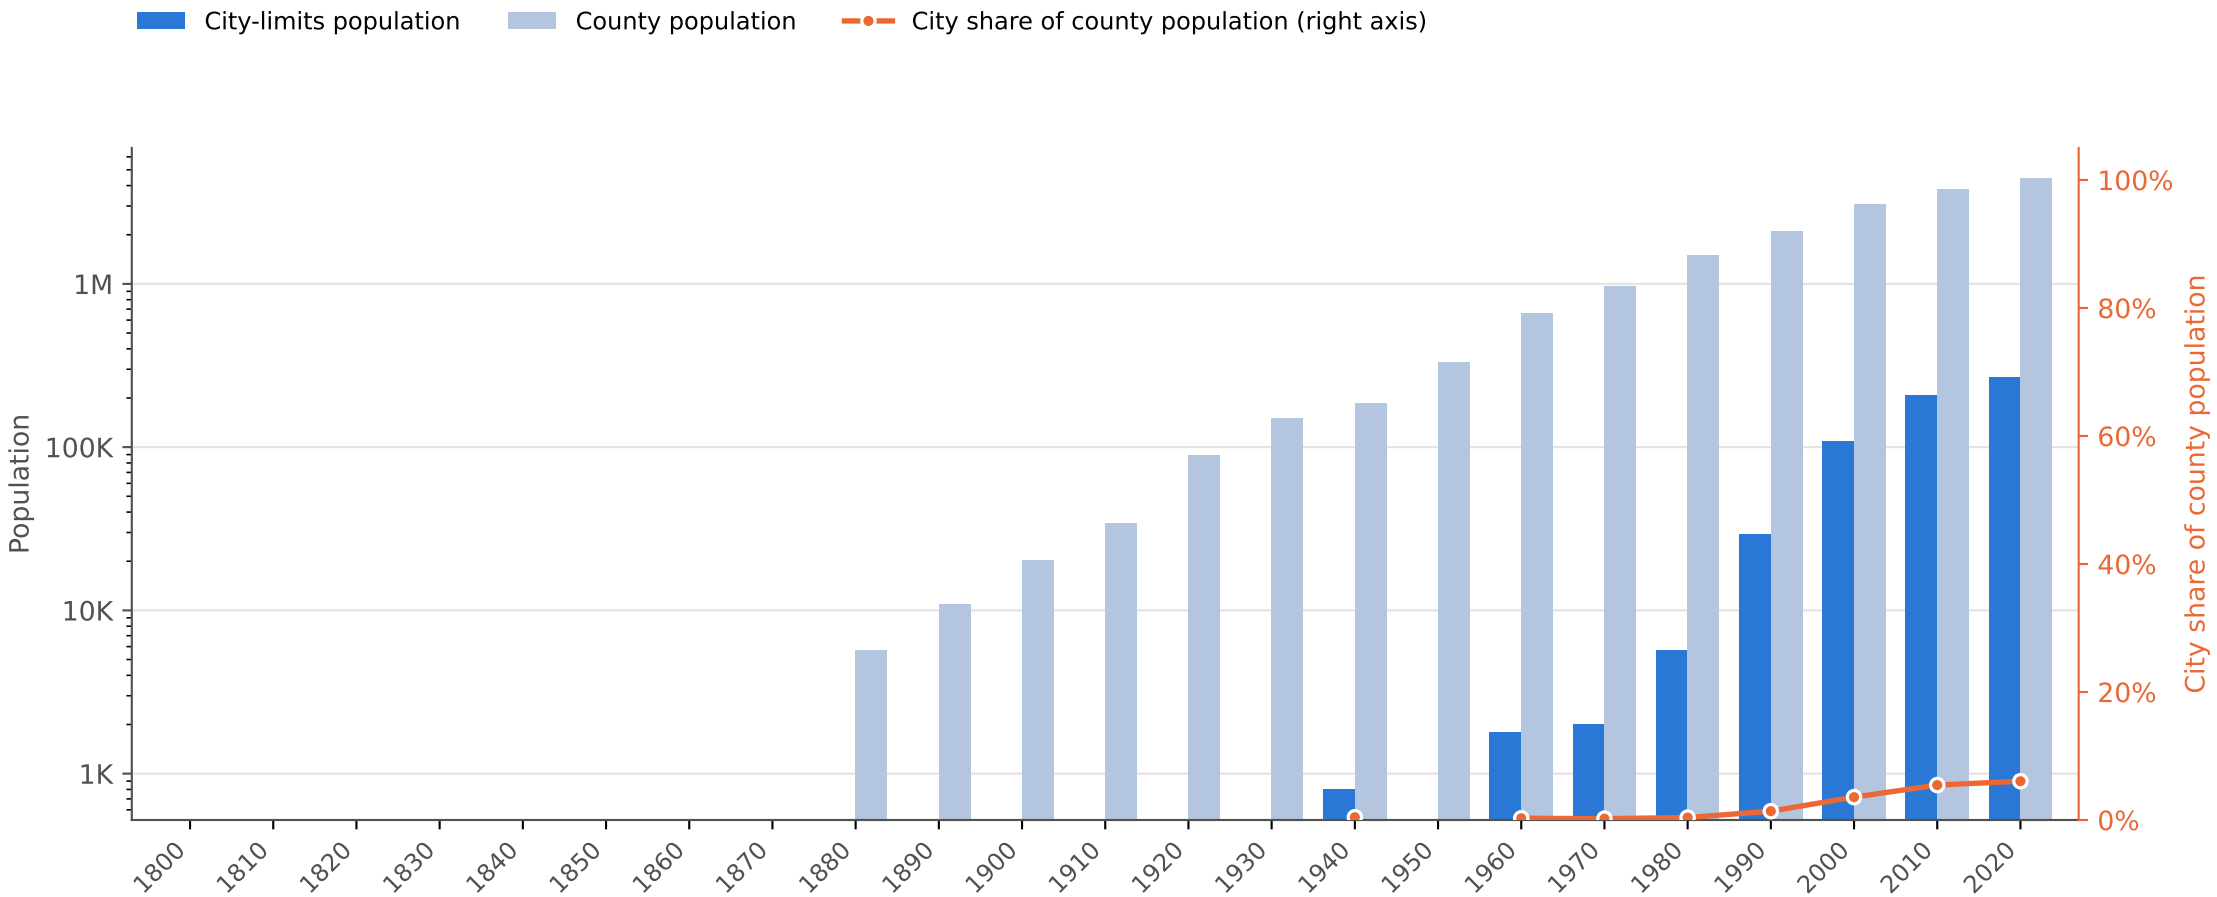

#78 city in the contiguous U.S. by 2020 Census population (269,840). Comparison county (2020): Dane County, WI.

The source's 1840 city value (1,500, a non-census estimate) exceeds the 1840 census count for all of Dane County (314) and is shown as missing.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Gilbert, AZ: city vs. county population, 1800–2020

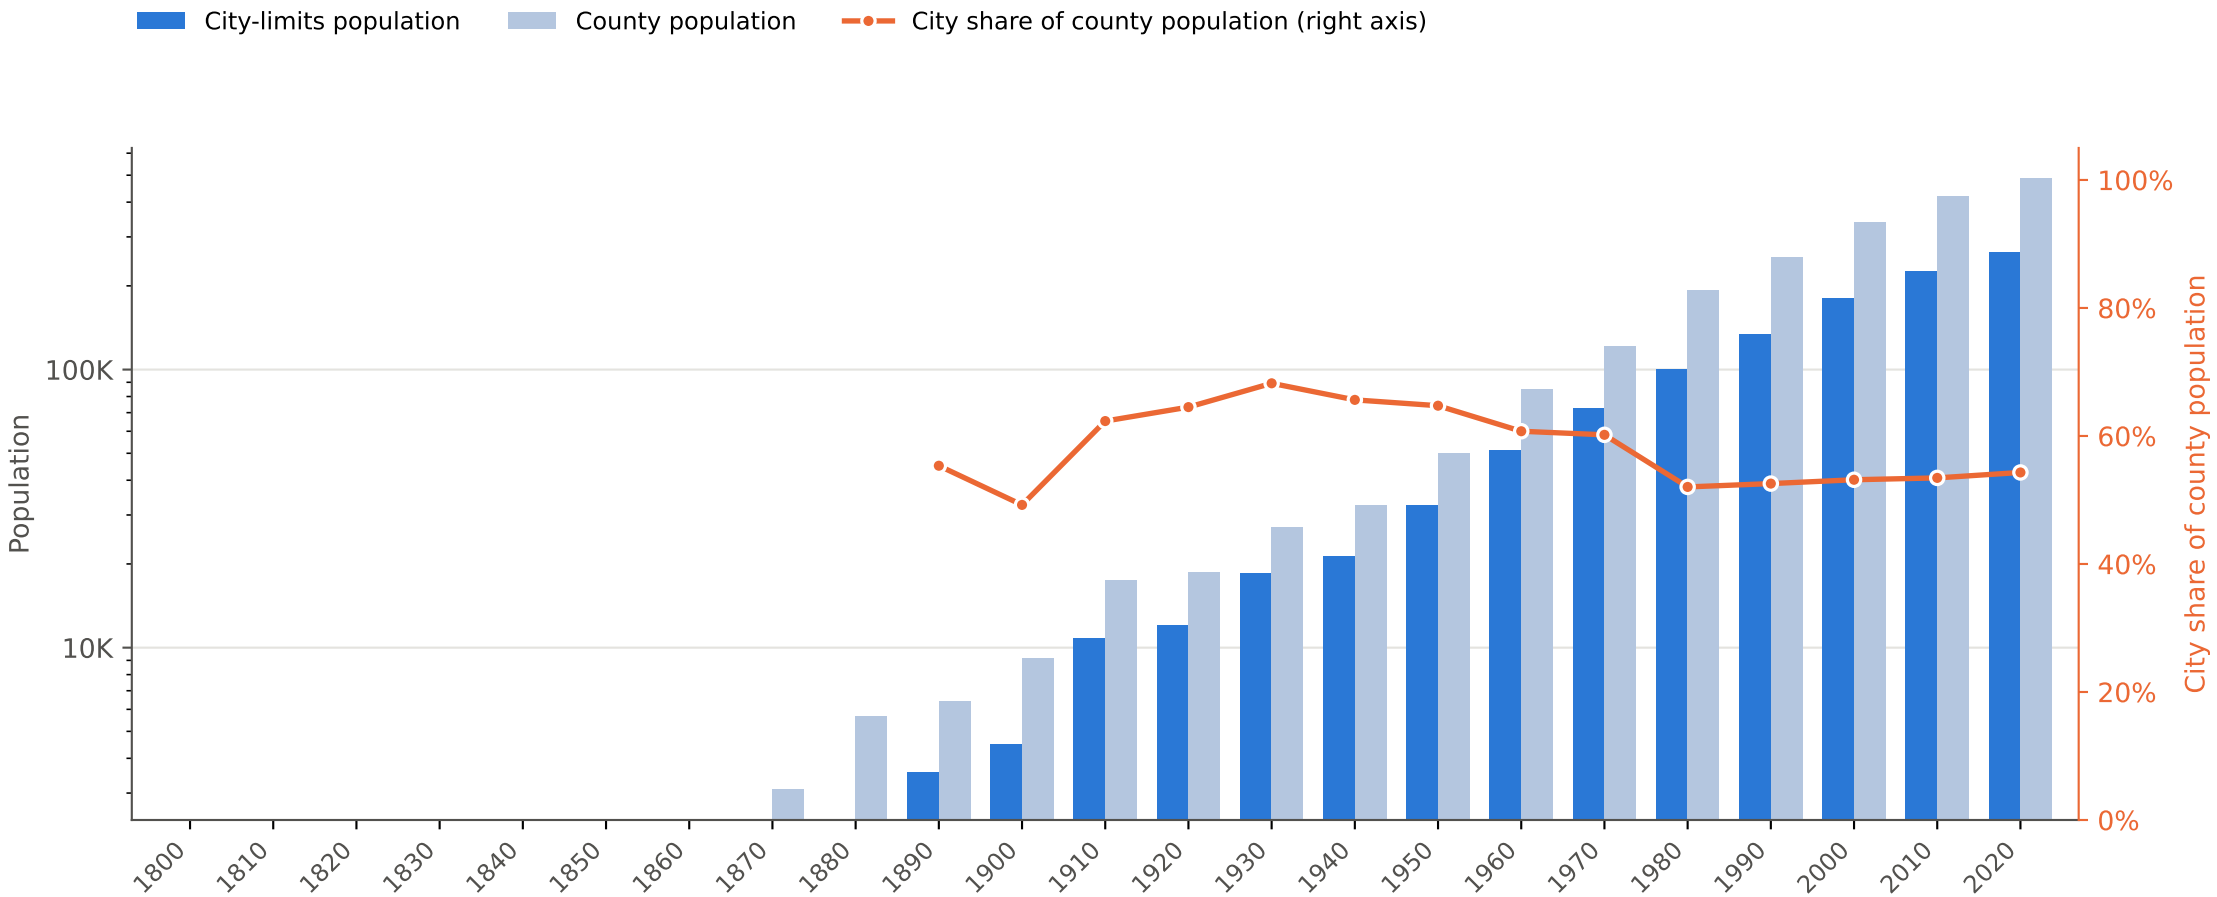

#79 city in the contiguous U.S. by 2020 Census population (267,918). Comparison county (2020): Maricopa County, AZ.

Gilbert is incorporated as a town (1920), not a city.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Reno, NV: city vs. county population, 1800–2020

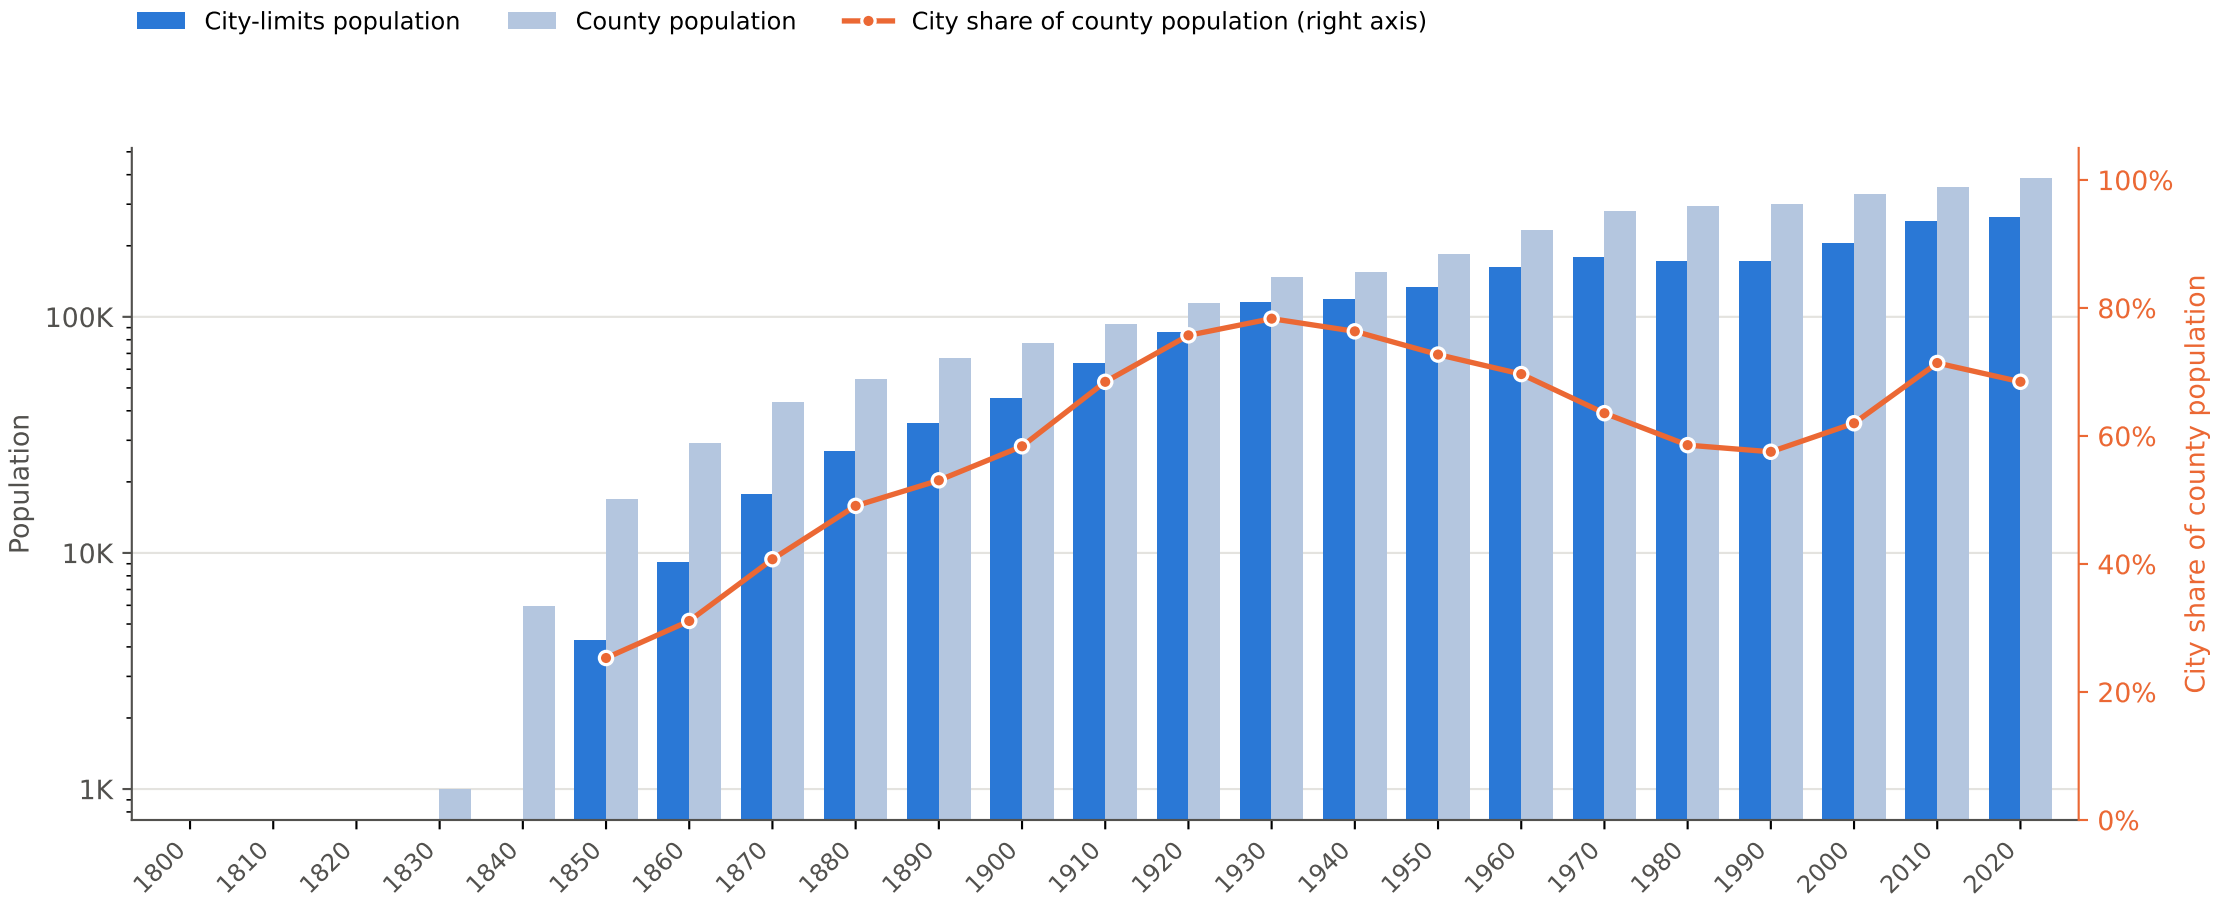

#80 city in the contiguous U.S. by 2020 Census population (264,165). Comparison county (2020): Washoe County, NV.

Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Fort Wayne, IN: city vs. county population, 1800–2020

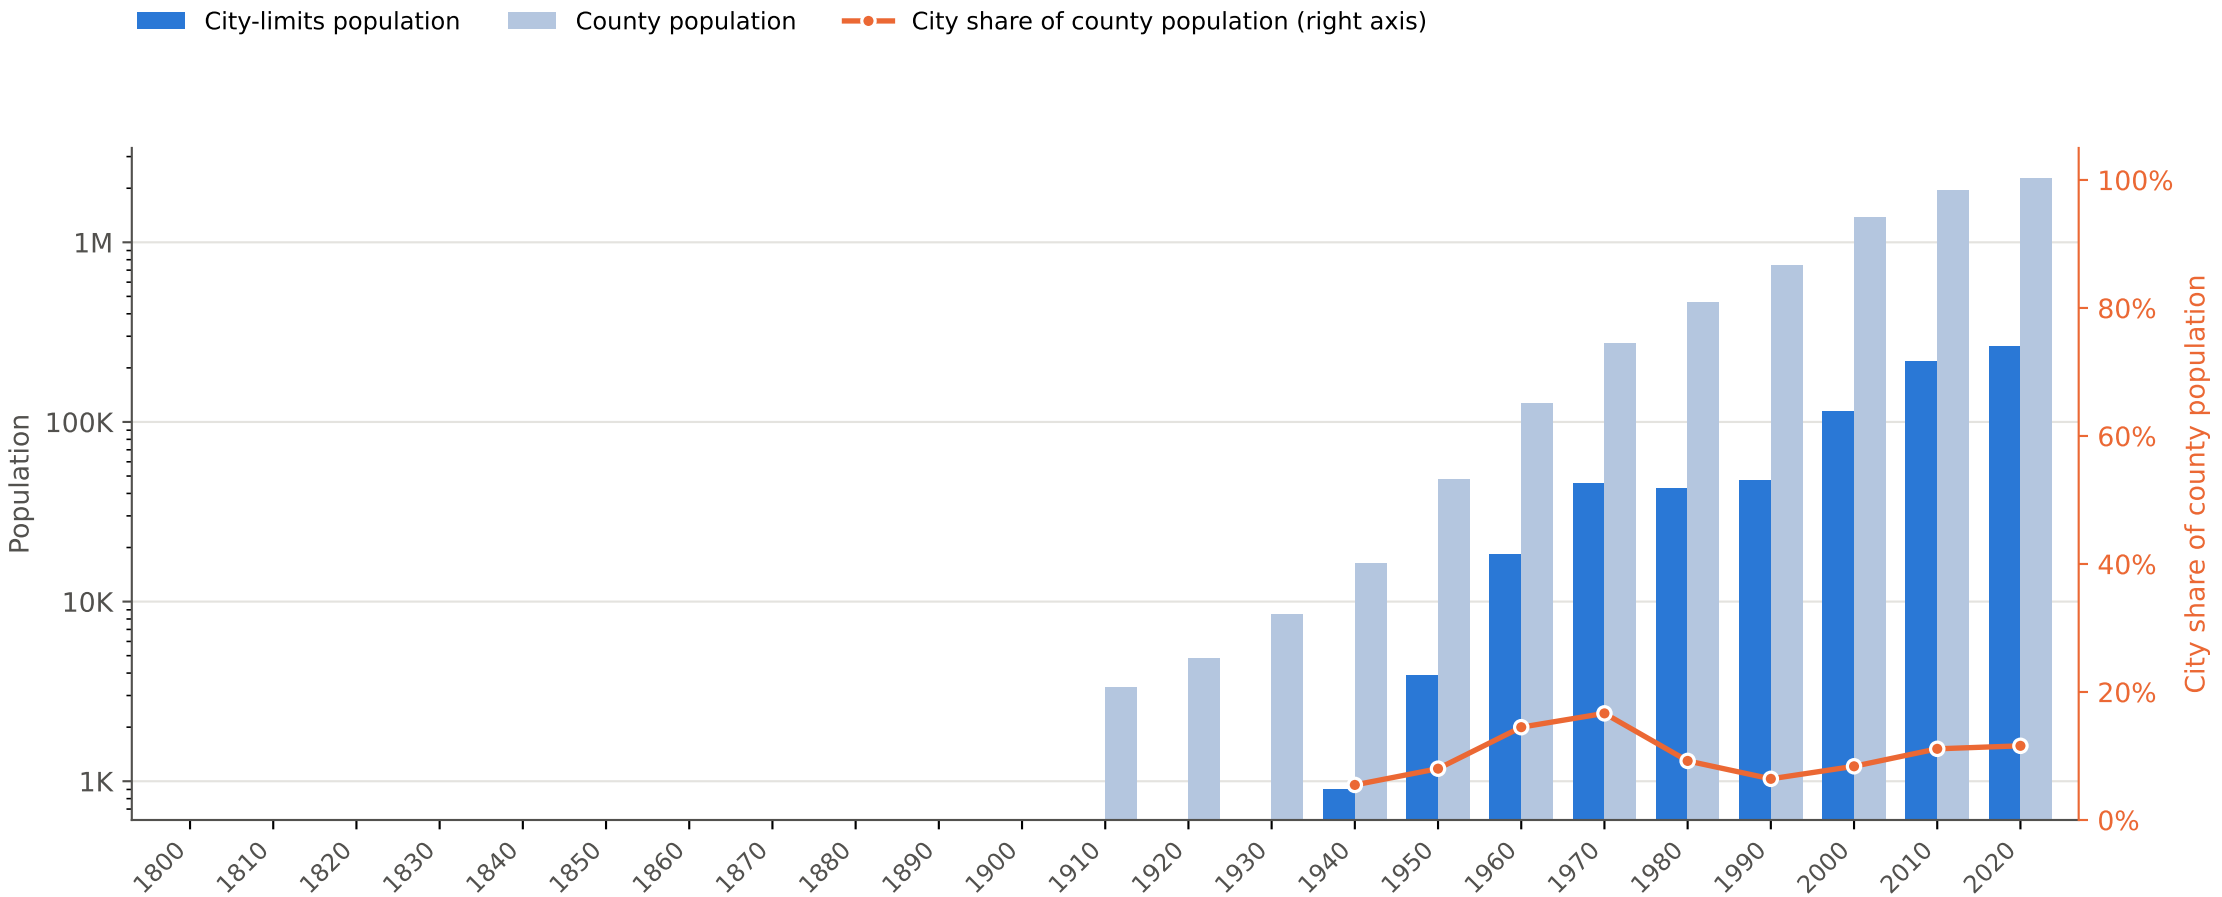

#81 city in the contiguous U.S. by 2020 Census population (263,886). Comparison county (2020): Allen County, IN.

Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

North Las Vegas, NV: city vs. county population, 1800–2020

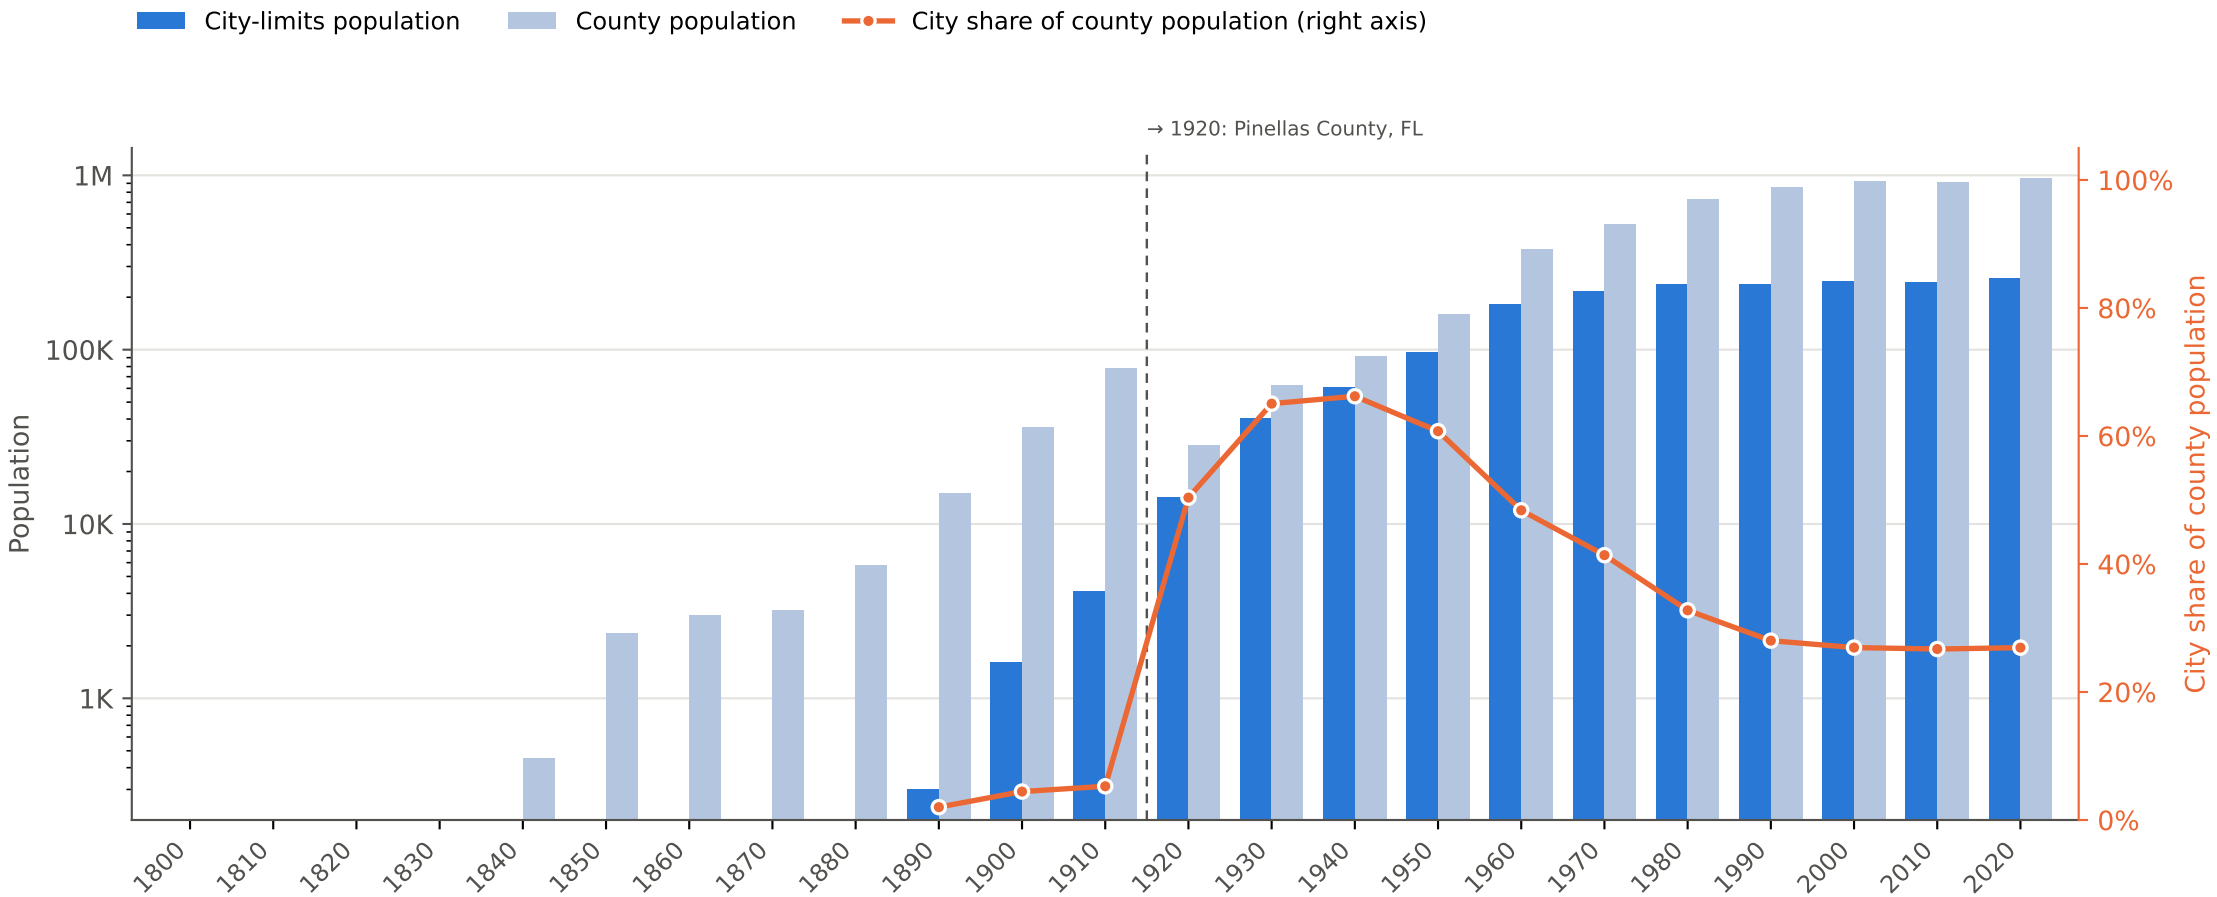

#82 city in the contiguous U.S. by 2020 Census population (262,527). Comparison county (2020): Clark County, NV.

Incorporated in 1946.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

St. Petersburg, FL: city vs. county population, 1800–2020

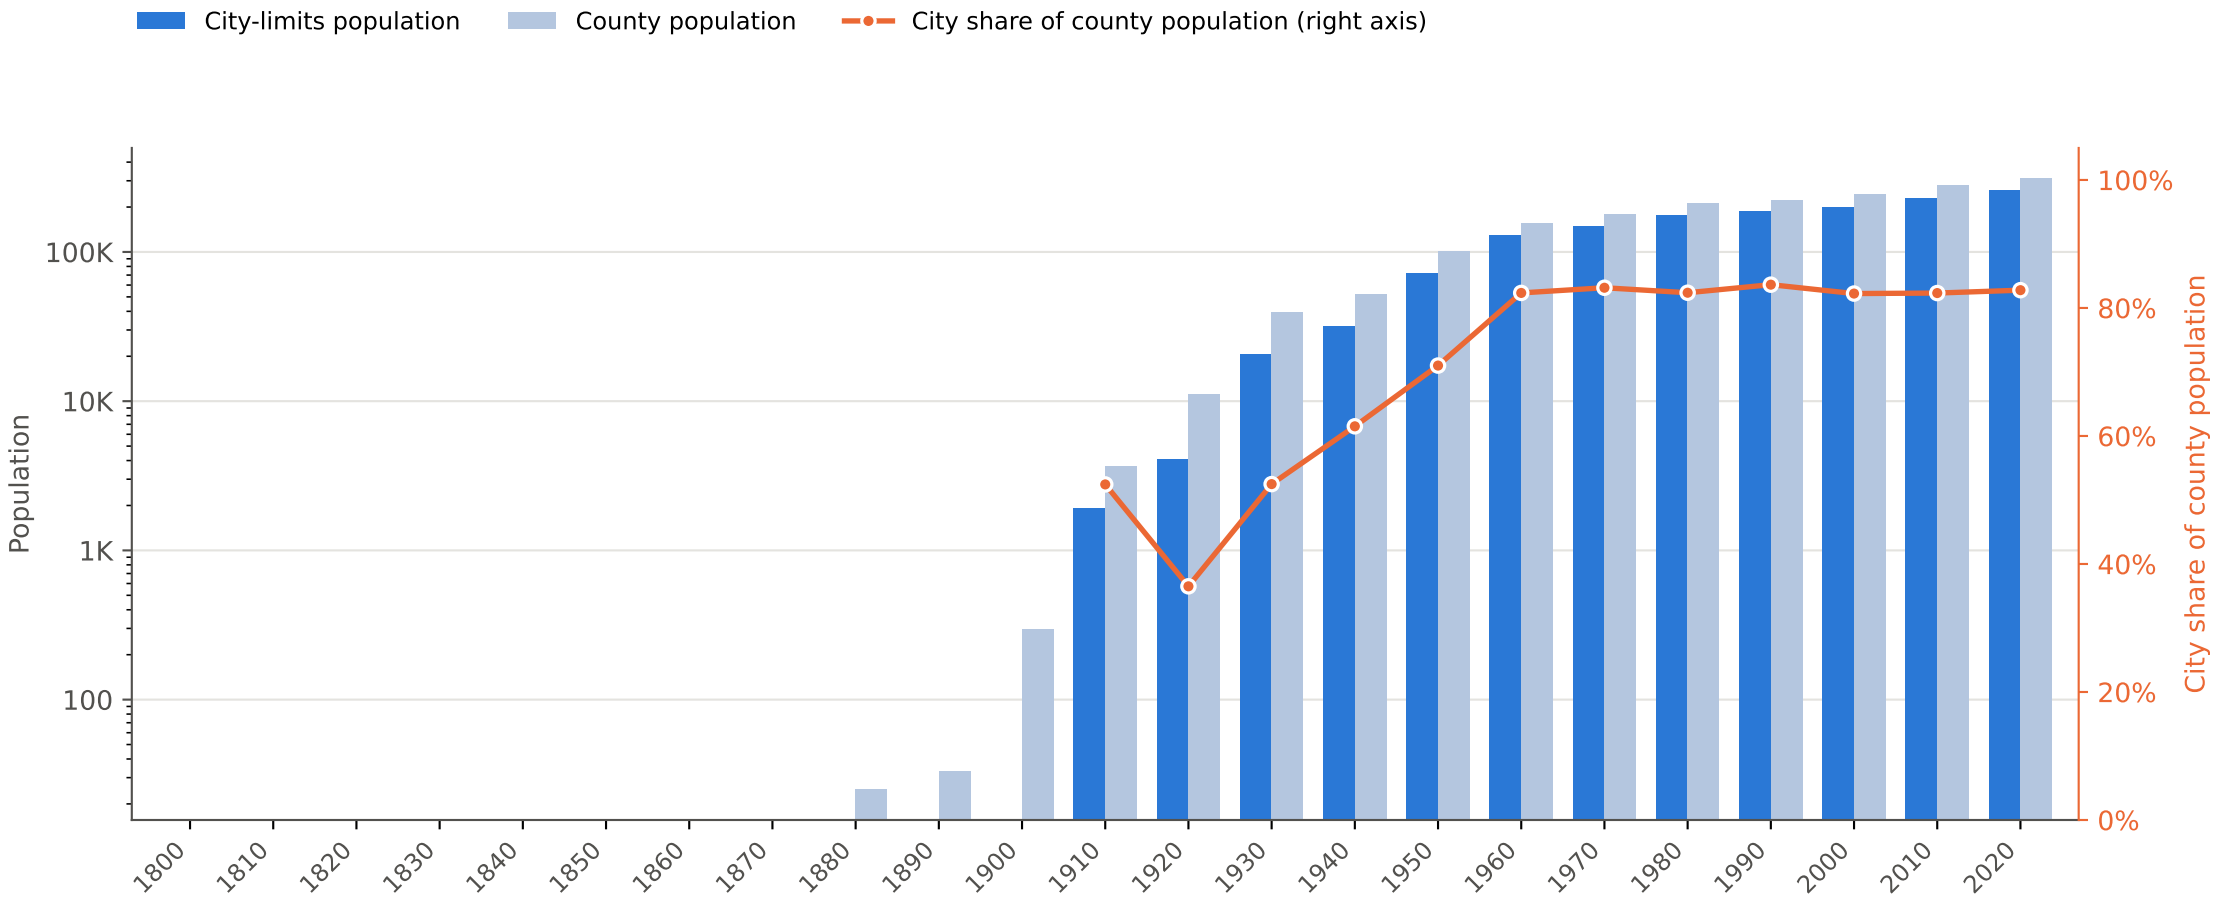

#83 city in the contiguous U.S. by 2020 Census population (258,308). Comparison county (2020): Pinellas County, FL.

Some early city values below the 2,500 reporting threshold are estimates from Populstat (J. Lahmeyer) or a state data center rather than census counts.
Pinellas County was created from Hillsborough County in 1912.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Lubbock, TX: city vs. county population, 1800–2020

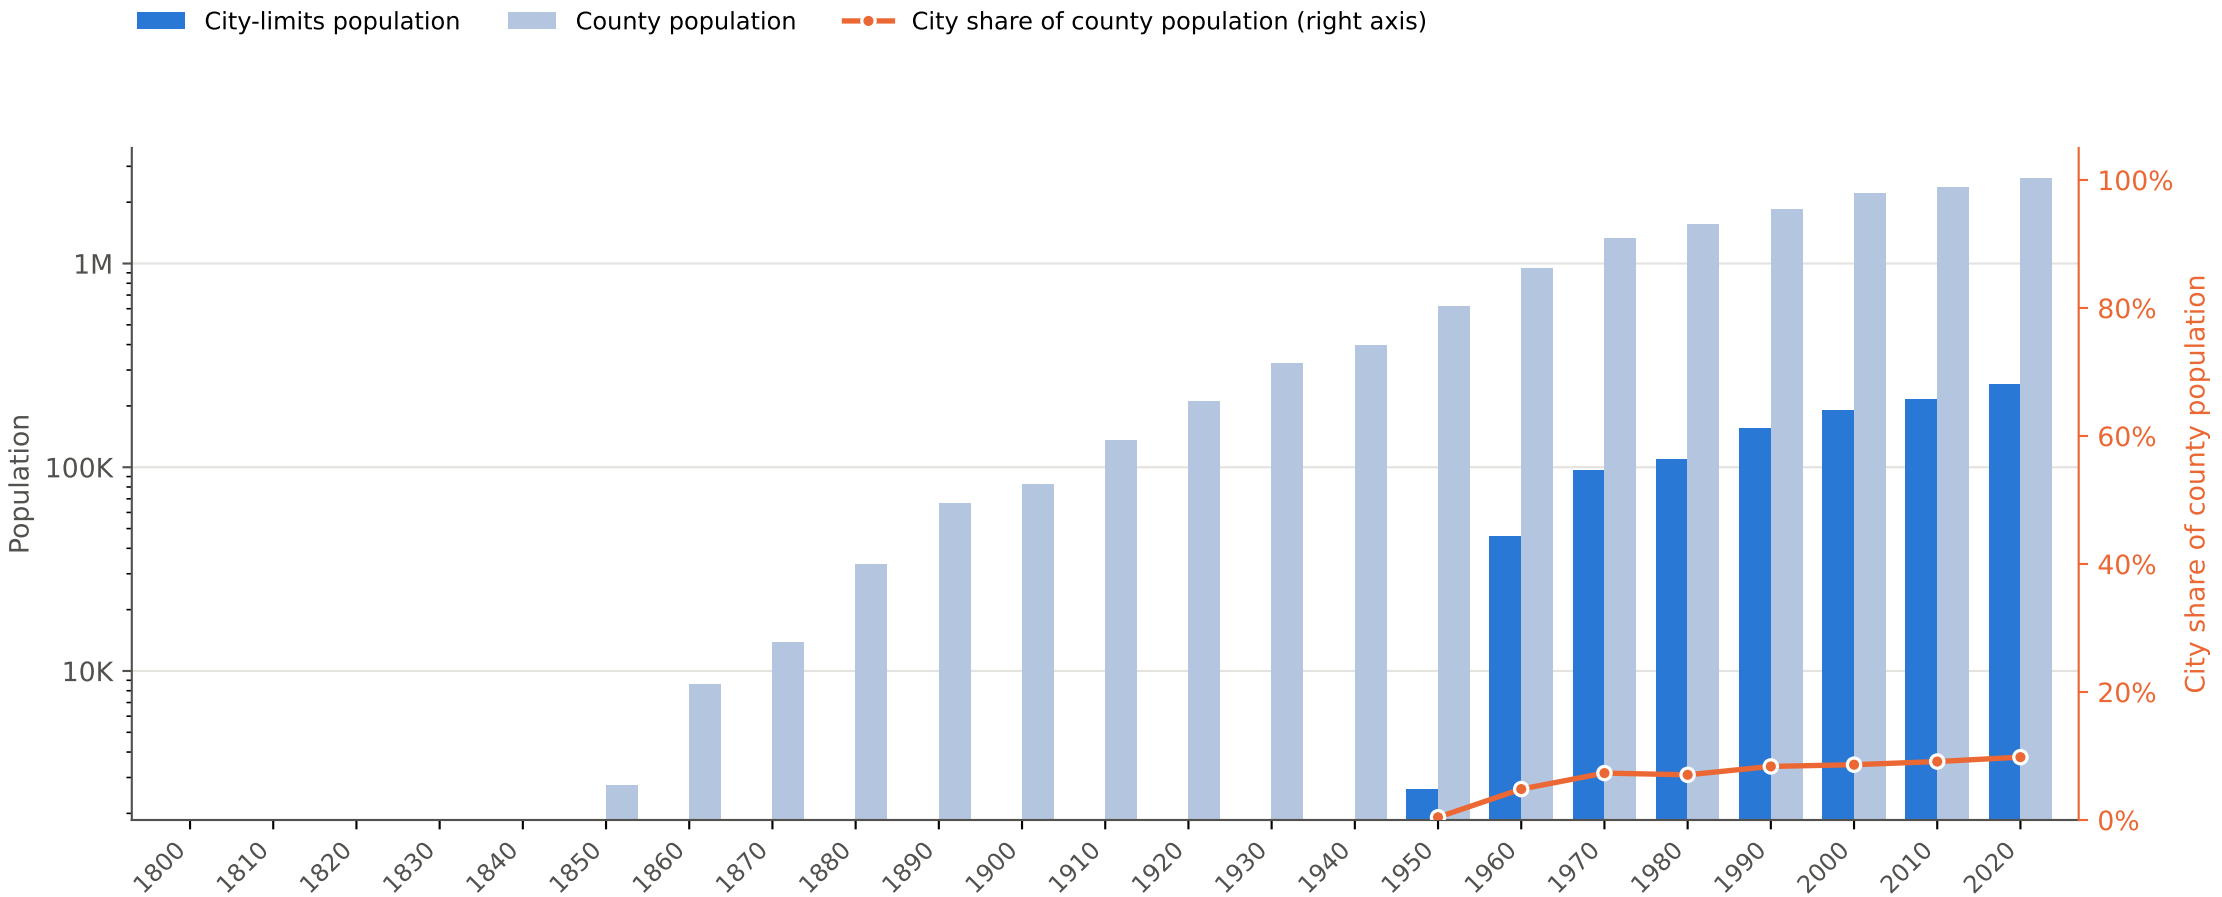

#84 city in the contiguous U.S. by 2020 Census population (257,141). Comparison county (2020): Lubbock County, TX.

Some early city values below the 2,500 reporting threshold are estimates from Populstat (J. Lahmeyer) or a state data center rather than census counts.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Irving, TX: city vs. county population, 1800–2020

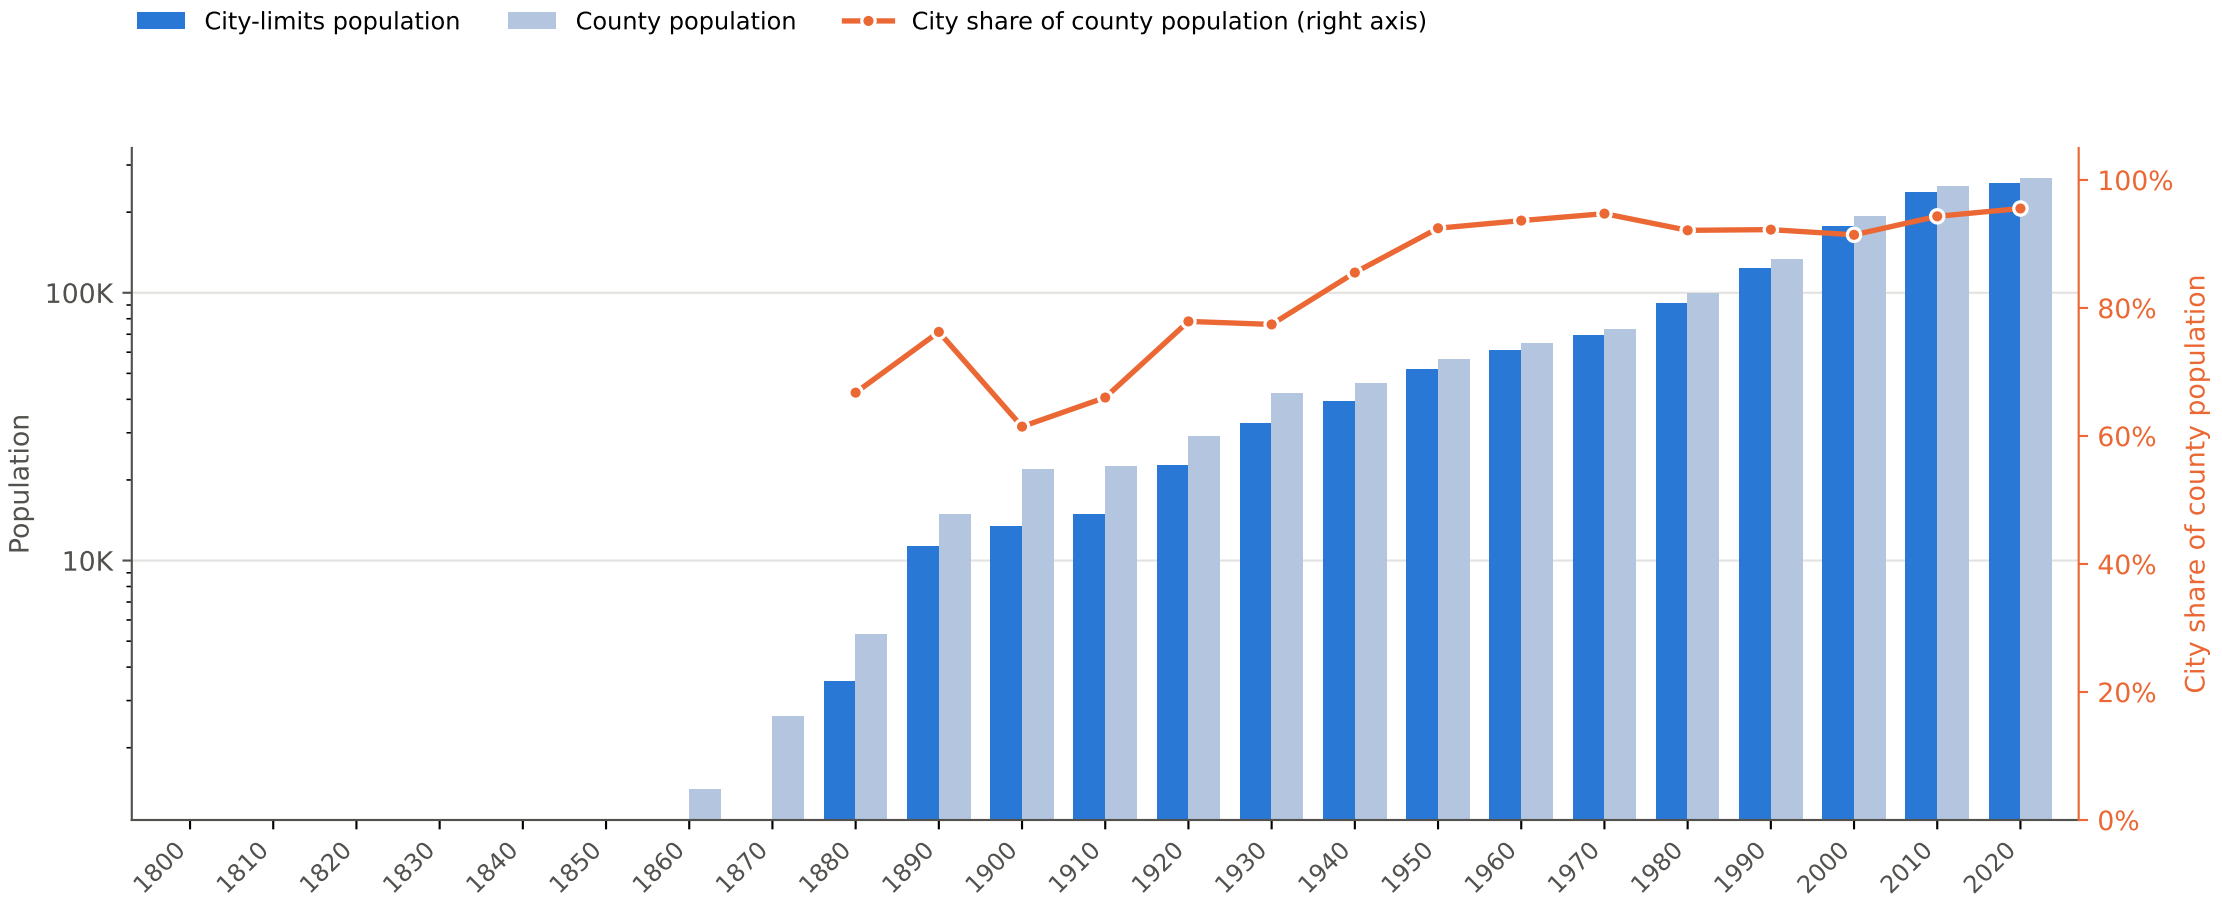

#85 city in the contiguous U.S. by 2020 Census population (256,684). Comparison county (2020): Dallas County, TX.

Incorporated in 1914.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Laredo, TX: city vs. county population, 1800–2020

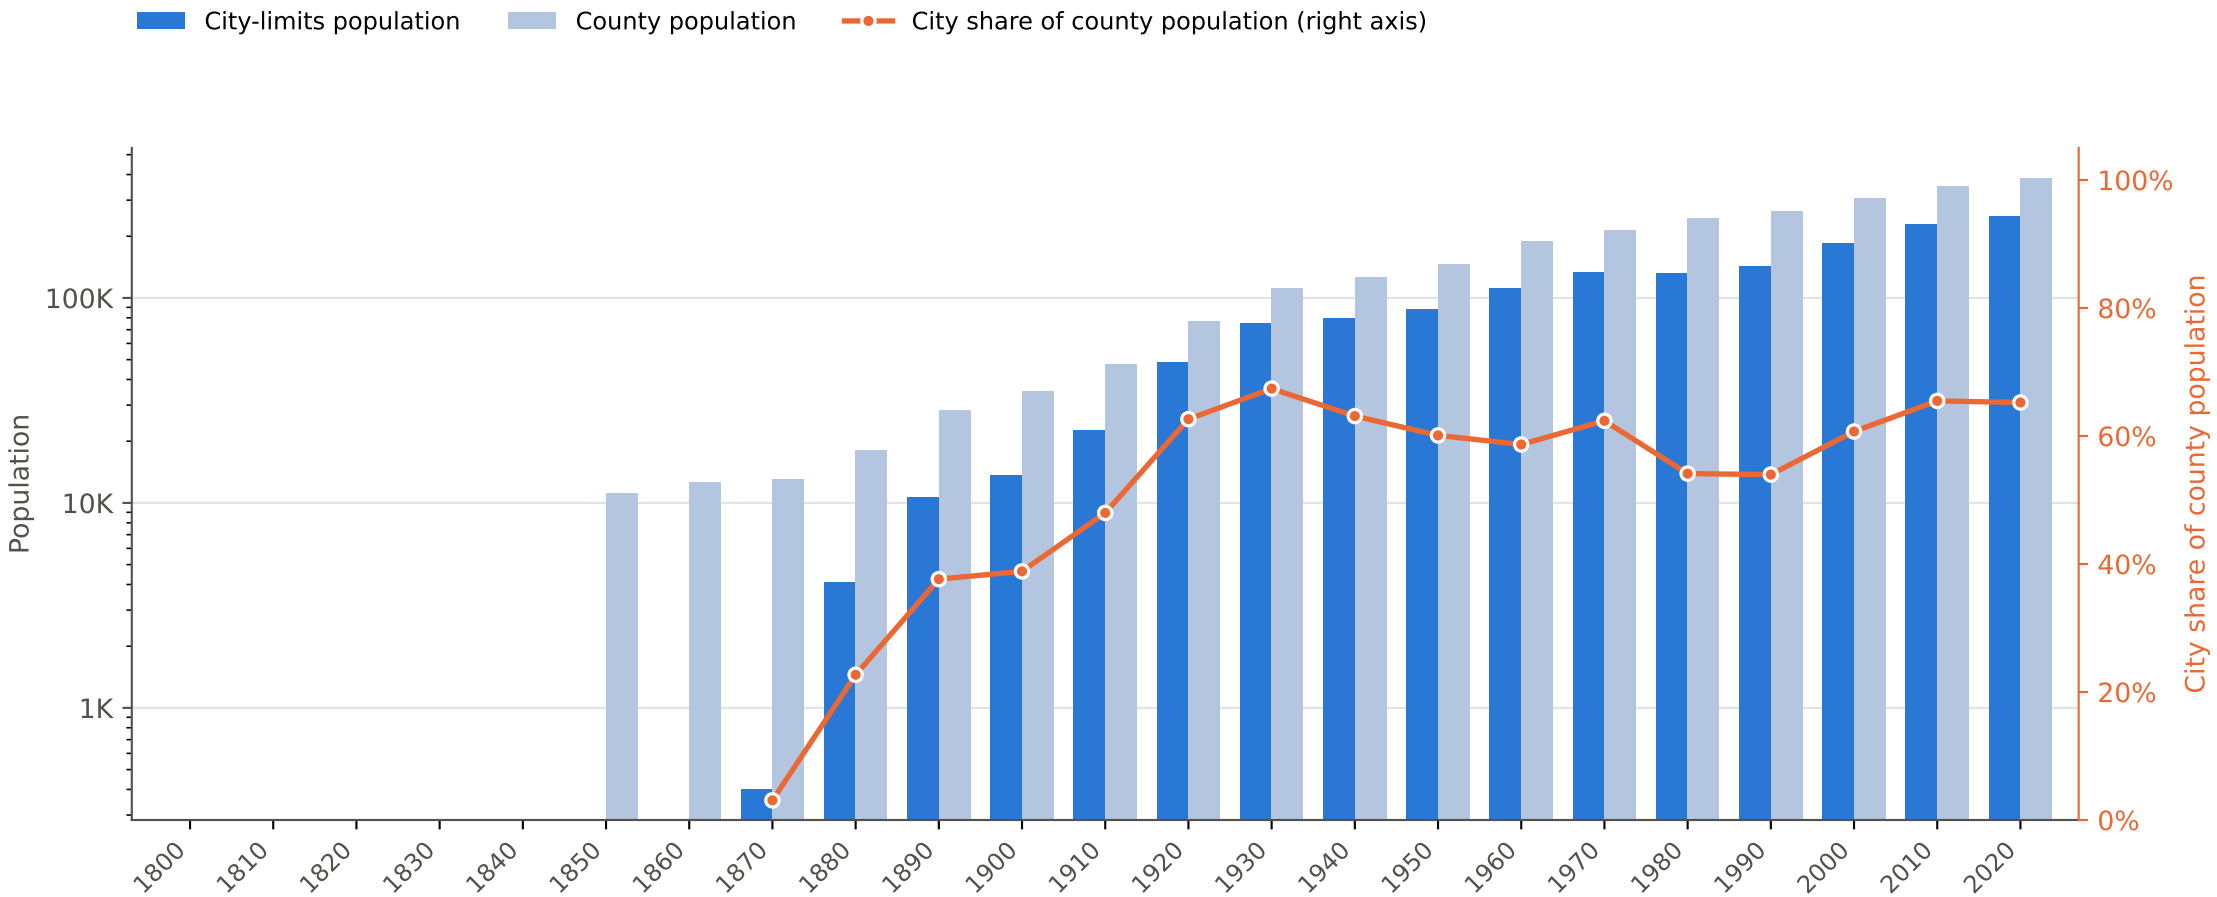

#86 city in the contiguous U.S. by 2020 Census population (255,205). Comparison county (2020): Webb County, TX.

Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Winston-Salem, NC: city vs. county population, 1800–2020

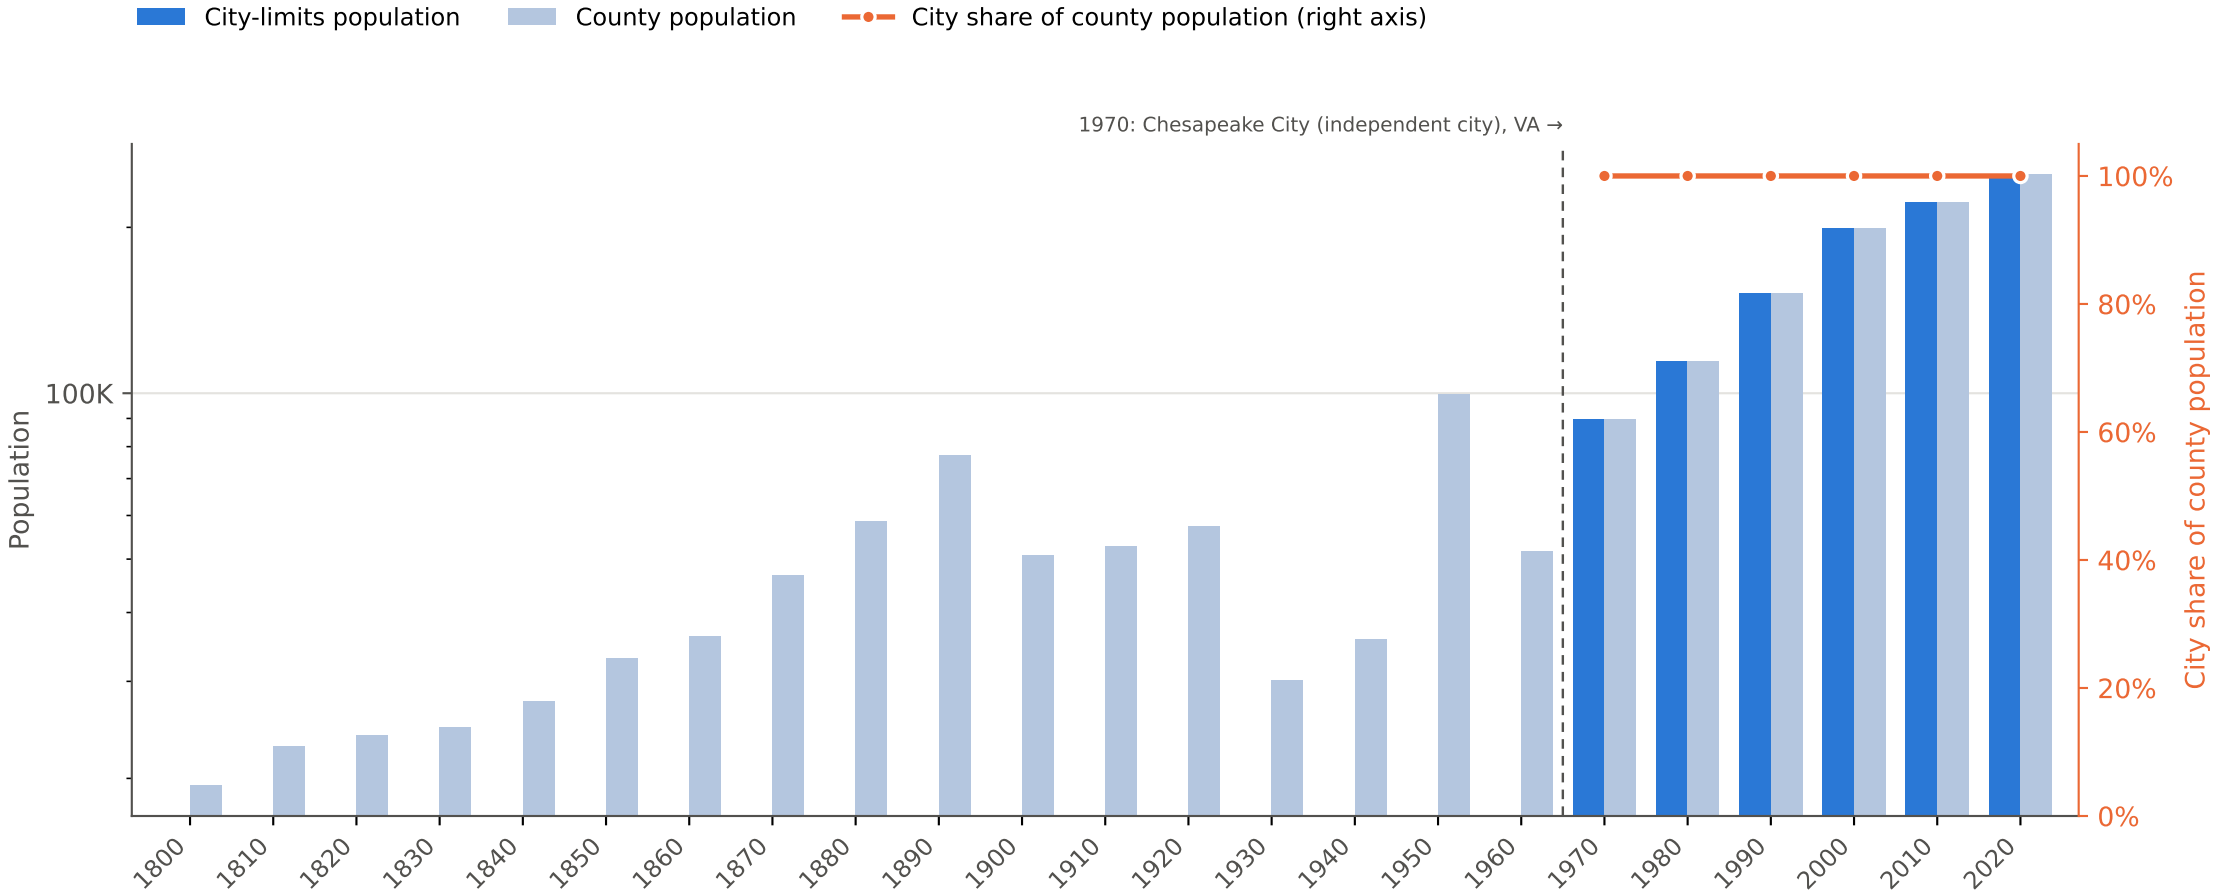

#87 city in the contiguous U.S. by 2020 Census population (249,545). Comparison county (2020): Forsyth County, NC.

Winston and Salem merged in 1913; earlier values in the source are for the predecessor town(s).
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Chesapeake, VA: city vs. county population, 1800–2020

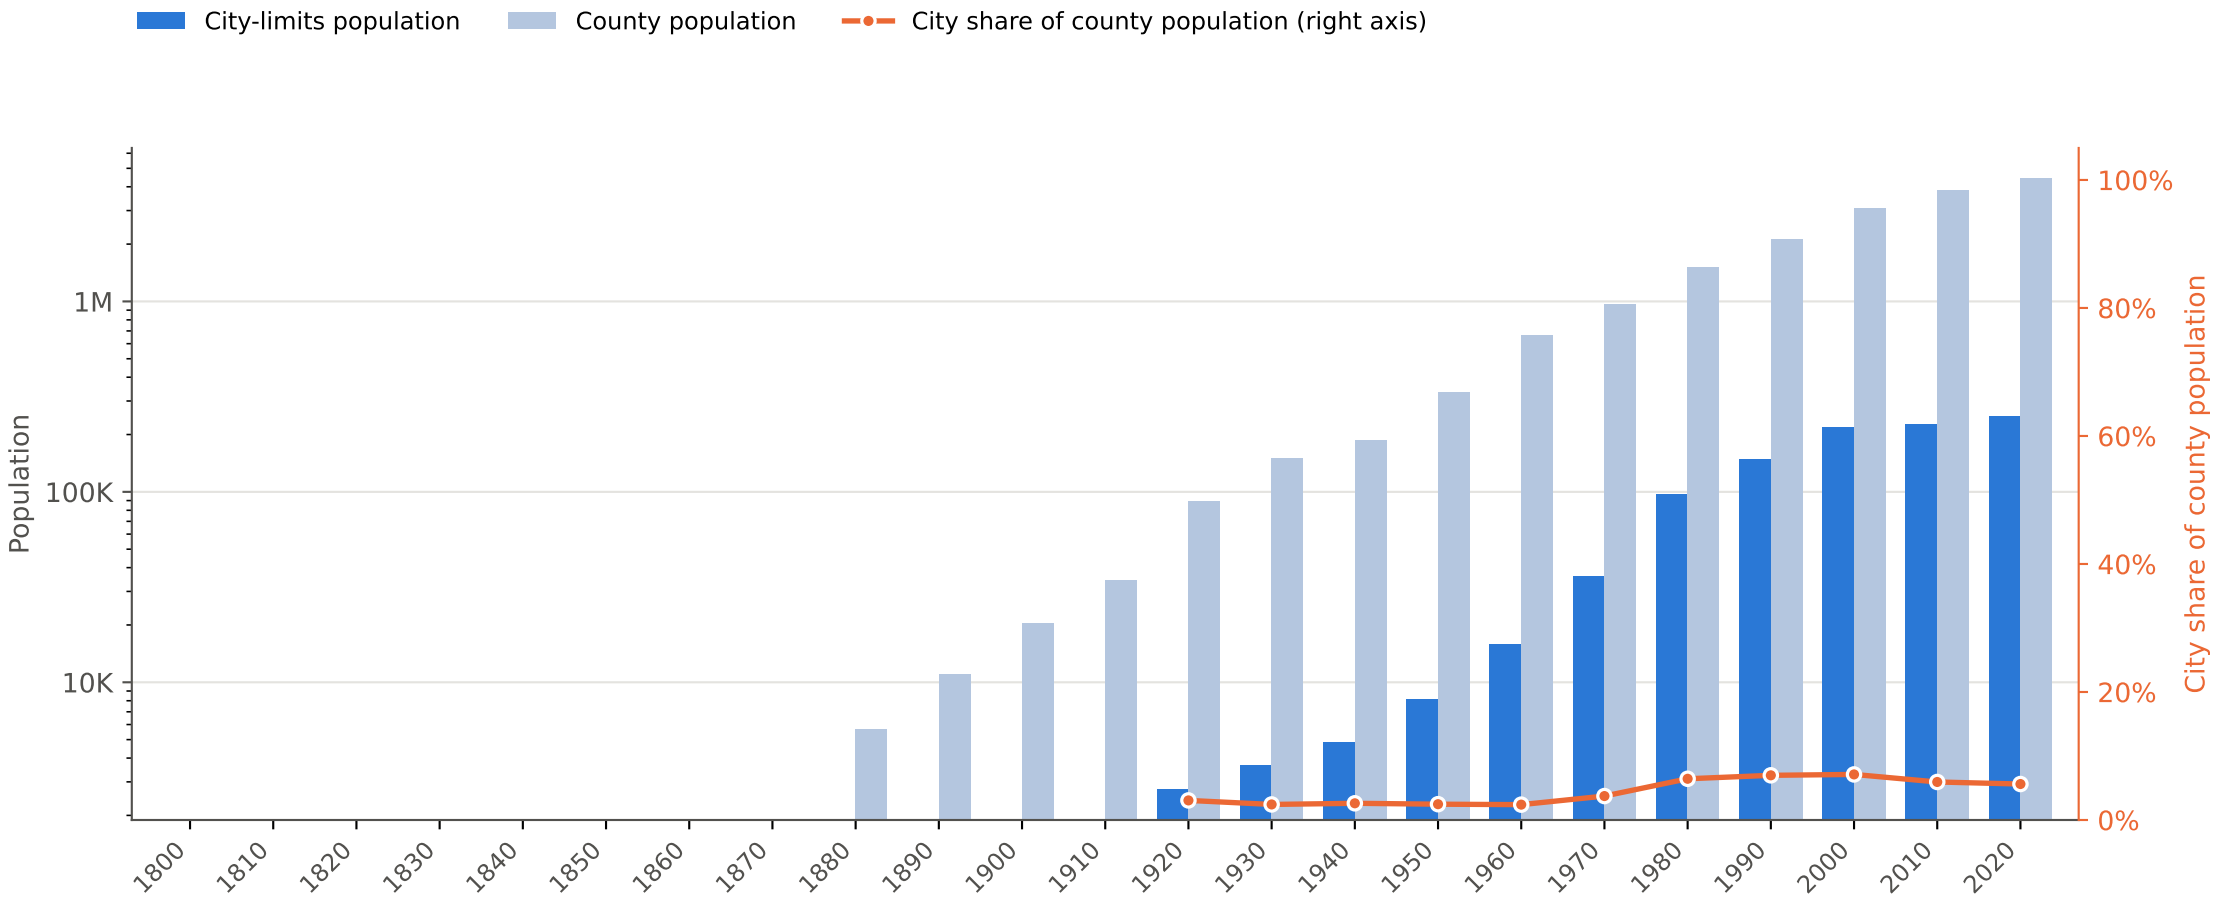

#88 city in the contiguous U.S. by 2020 Census population (249,422). Comparison county (2020): Chesapeake City (independent city), VA.

Chesapeake was created in 1963 by merging Norfolk County with the city of South Norfolk; it is an independent city (county-equivalent).
Norfolk County figures through 1890 include the cities of Norfolk and Portsmouth; its 1900-1960 changes reflect annexations by those cities.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Glendale, AZ: city vs. county population, 1800–2020

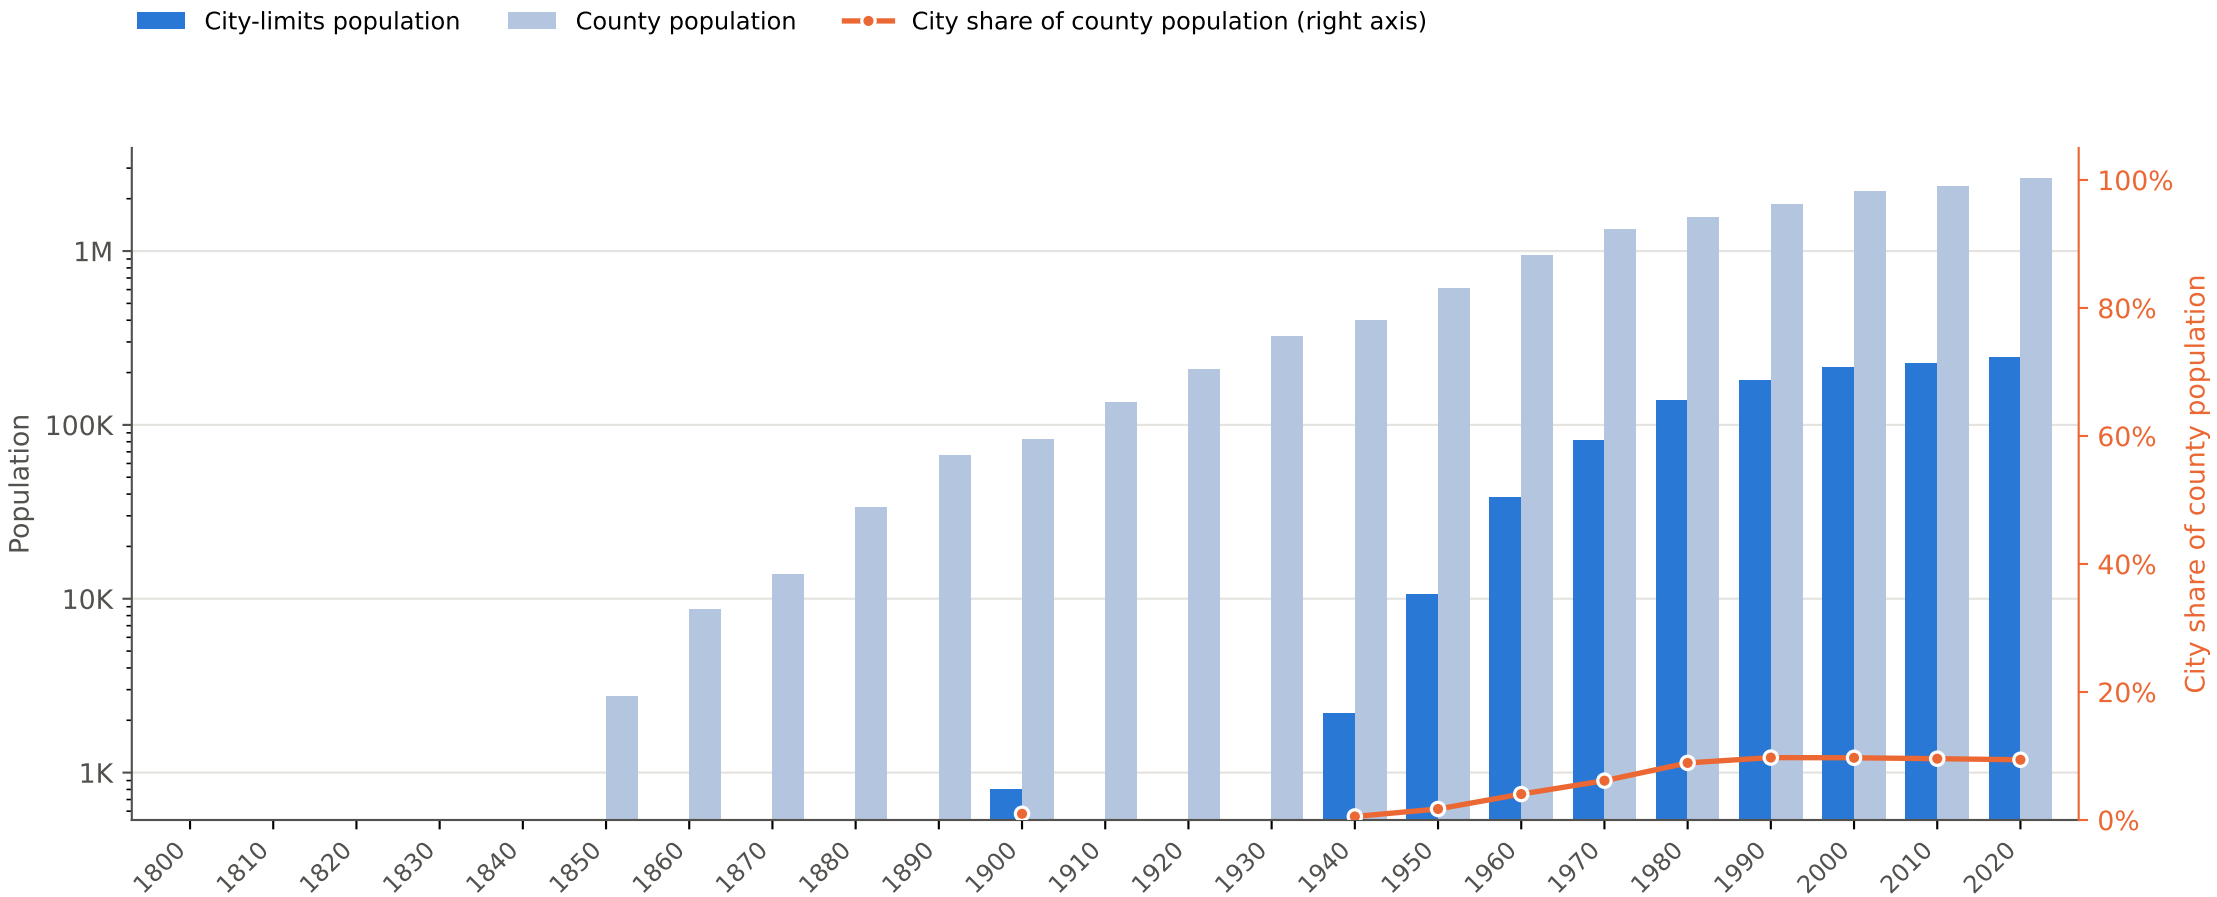

#89 city in the contiguous U.S. by 2020 Census population (248,325). Comparison county (2020): Maricopa County, AZ.

Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Garland, TX: city vs. county population, 1800–2020

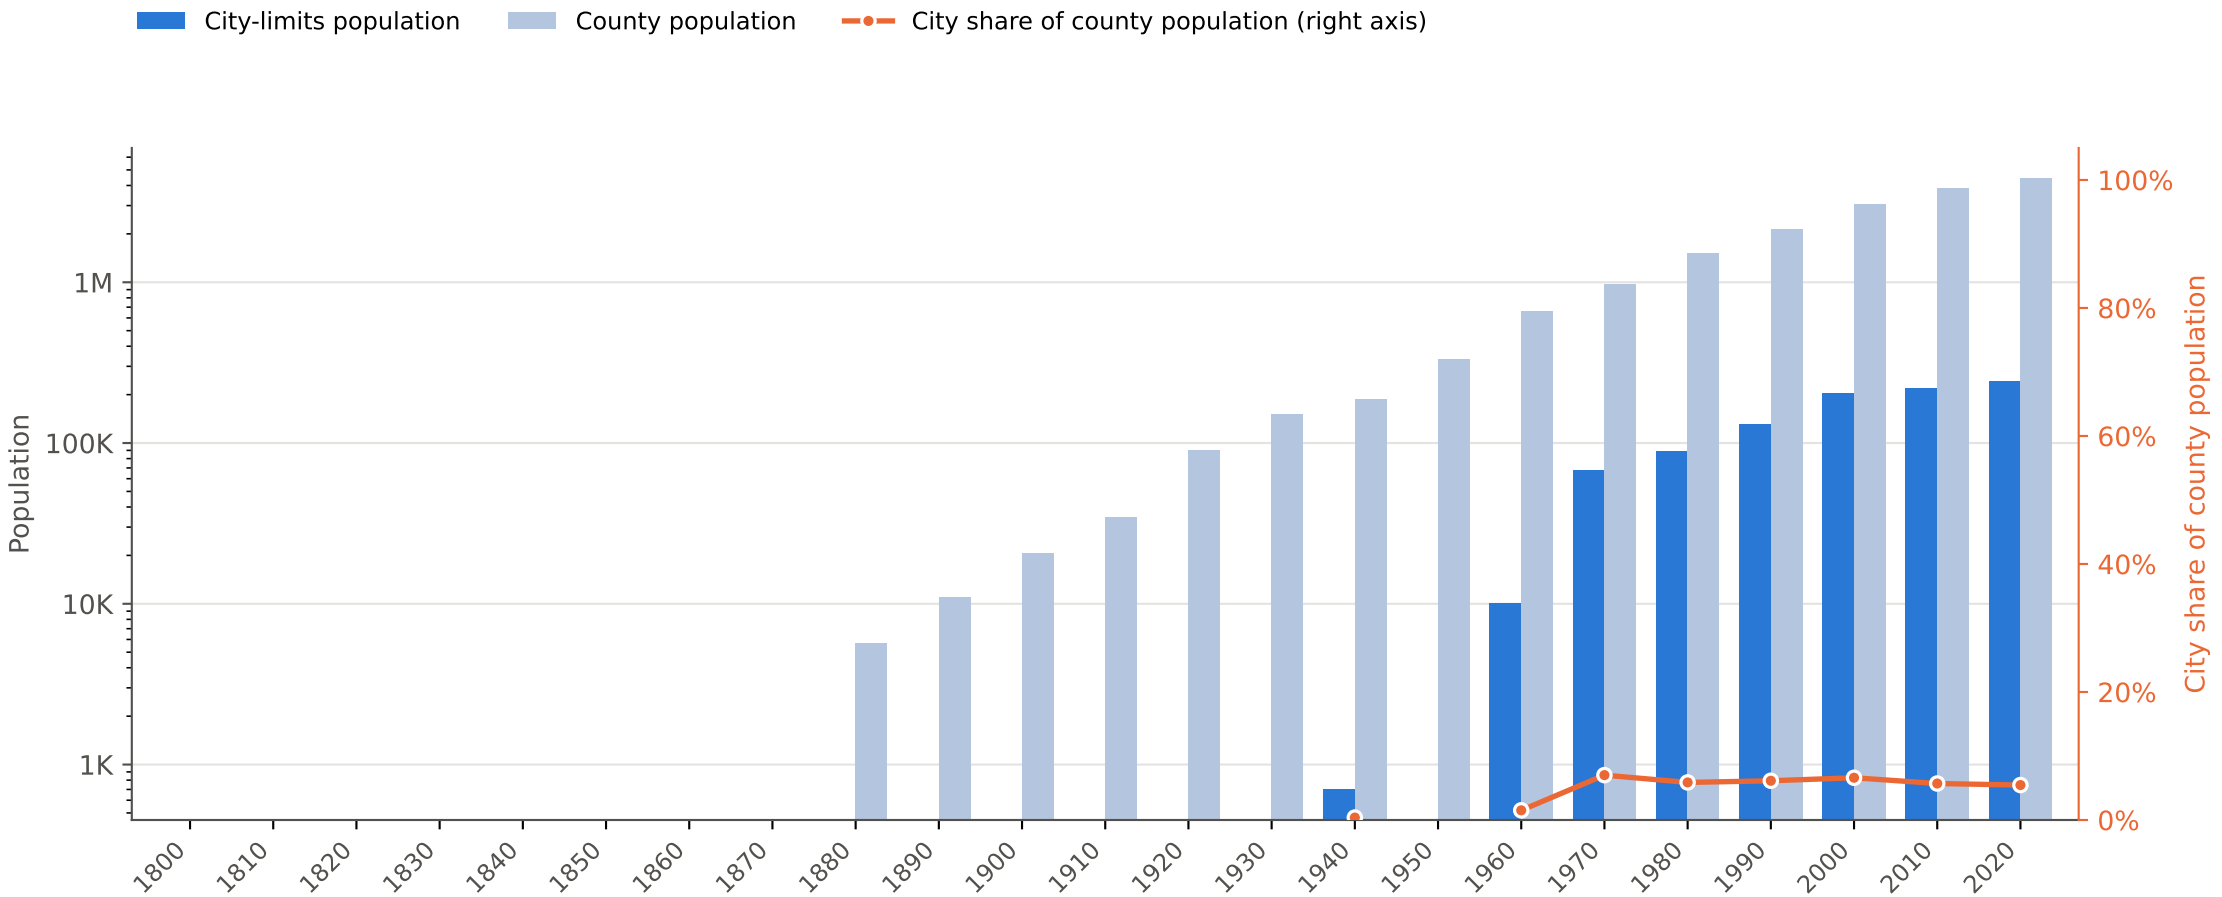

#90 city in the contiguous U.S. by 2020 Census population (246,018). Comparison county (2020): Dallas County, TX.

Small parts of the city lie in Collin and Rockwall counties. Some early city values below the 2,500 reporting threshold are estimates from Populstat (J. Lahmeyer) or a state data center rather than census counts.
City limits extend beyond the comparison county, so the share slightly overstates the share of that county living in the city.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Scottsdale, AZ: city vs. county population, 1800–2020

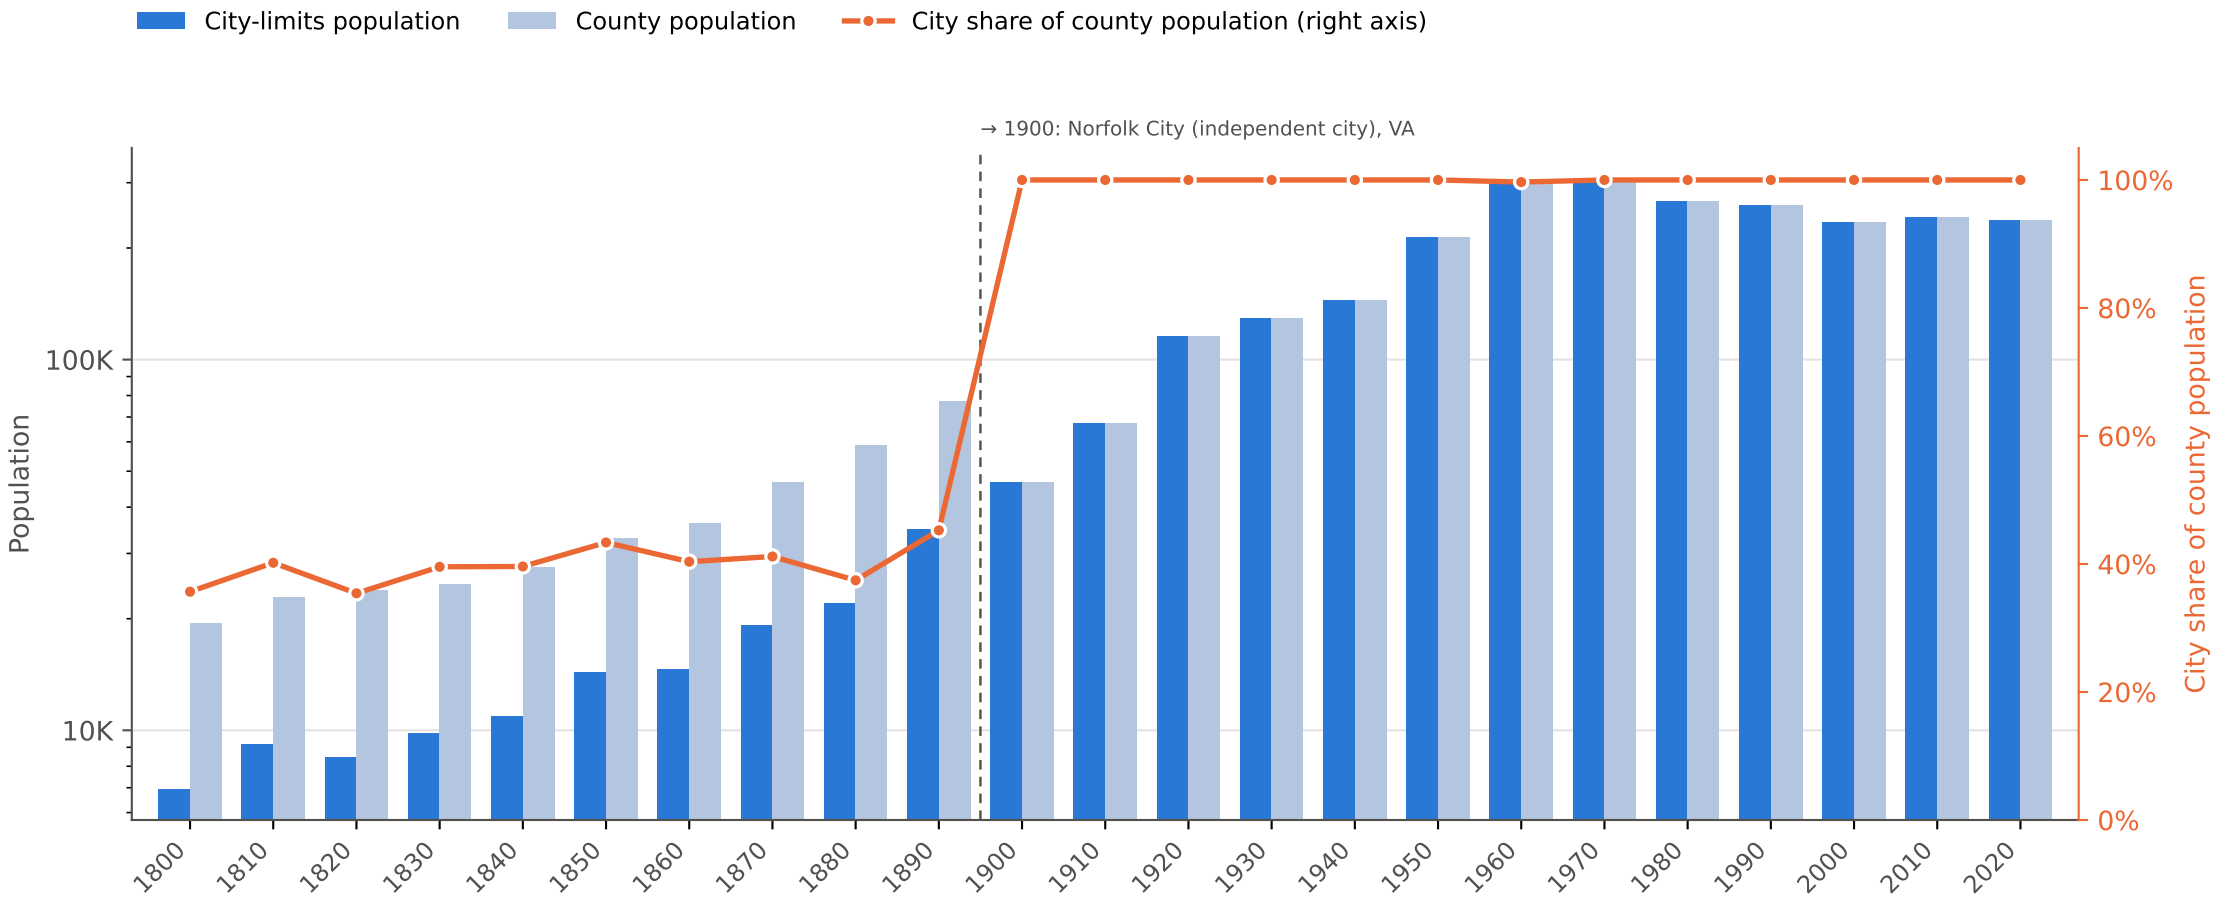

#91 city in the contiguous U.S. by 2020 Census population (241,361). Comparison county (2020): Maricopa County, AZ.

Incorporated in 1951.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Norfolk, VA: city vs. county population, 1800–2020

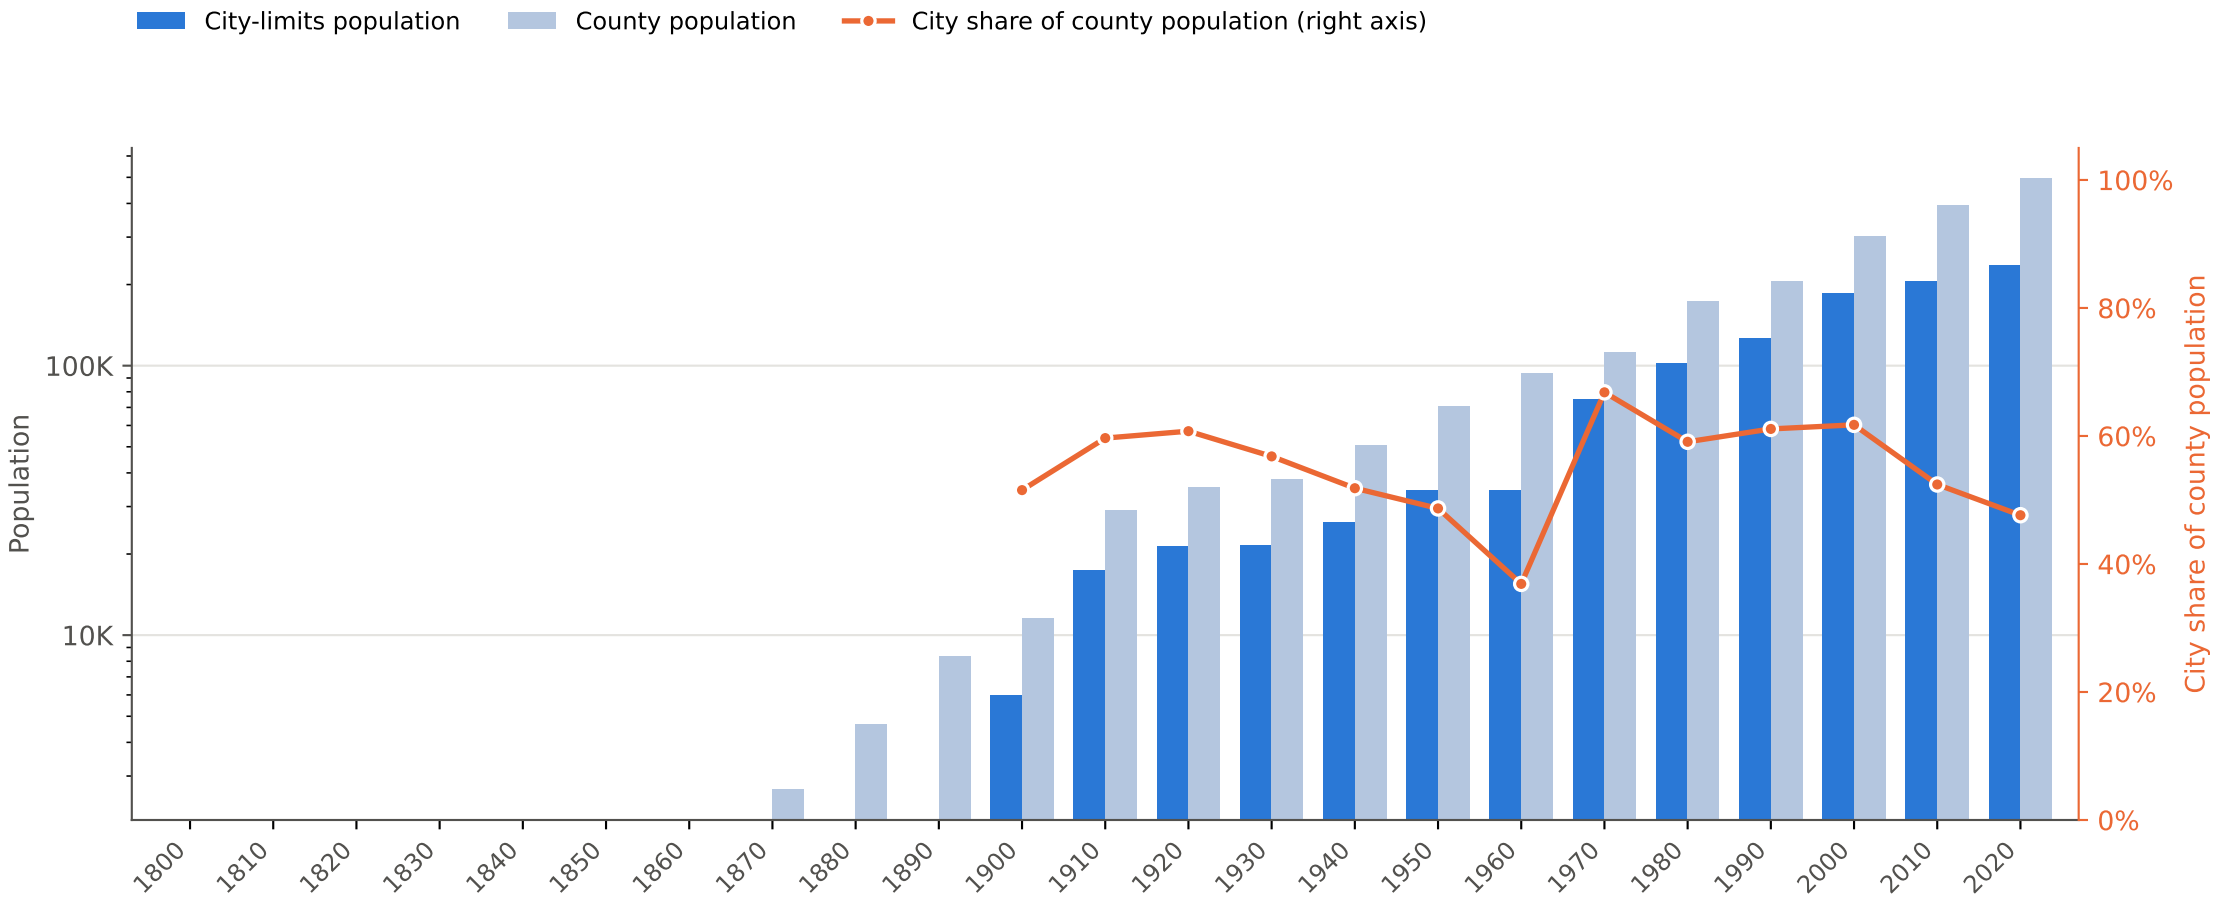

#92 city in the contiguous U.S. by 2020 Census population (238,005). Comparison county (2020): Norfolk City (independent city), VA.

Norfolk is an independent city (county-equivalent); the census county tables include it within Norfolk County through 1890.
Norfolk County figures through 1890 include the cities of Norfolk and Portsmouth.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Boise, ID: city vs. county population, 1800–2020

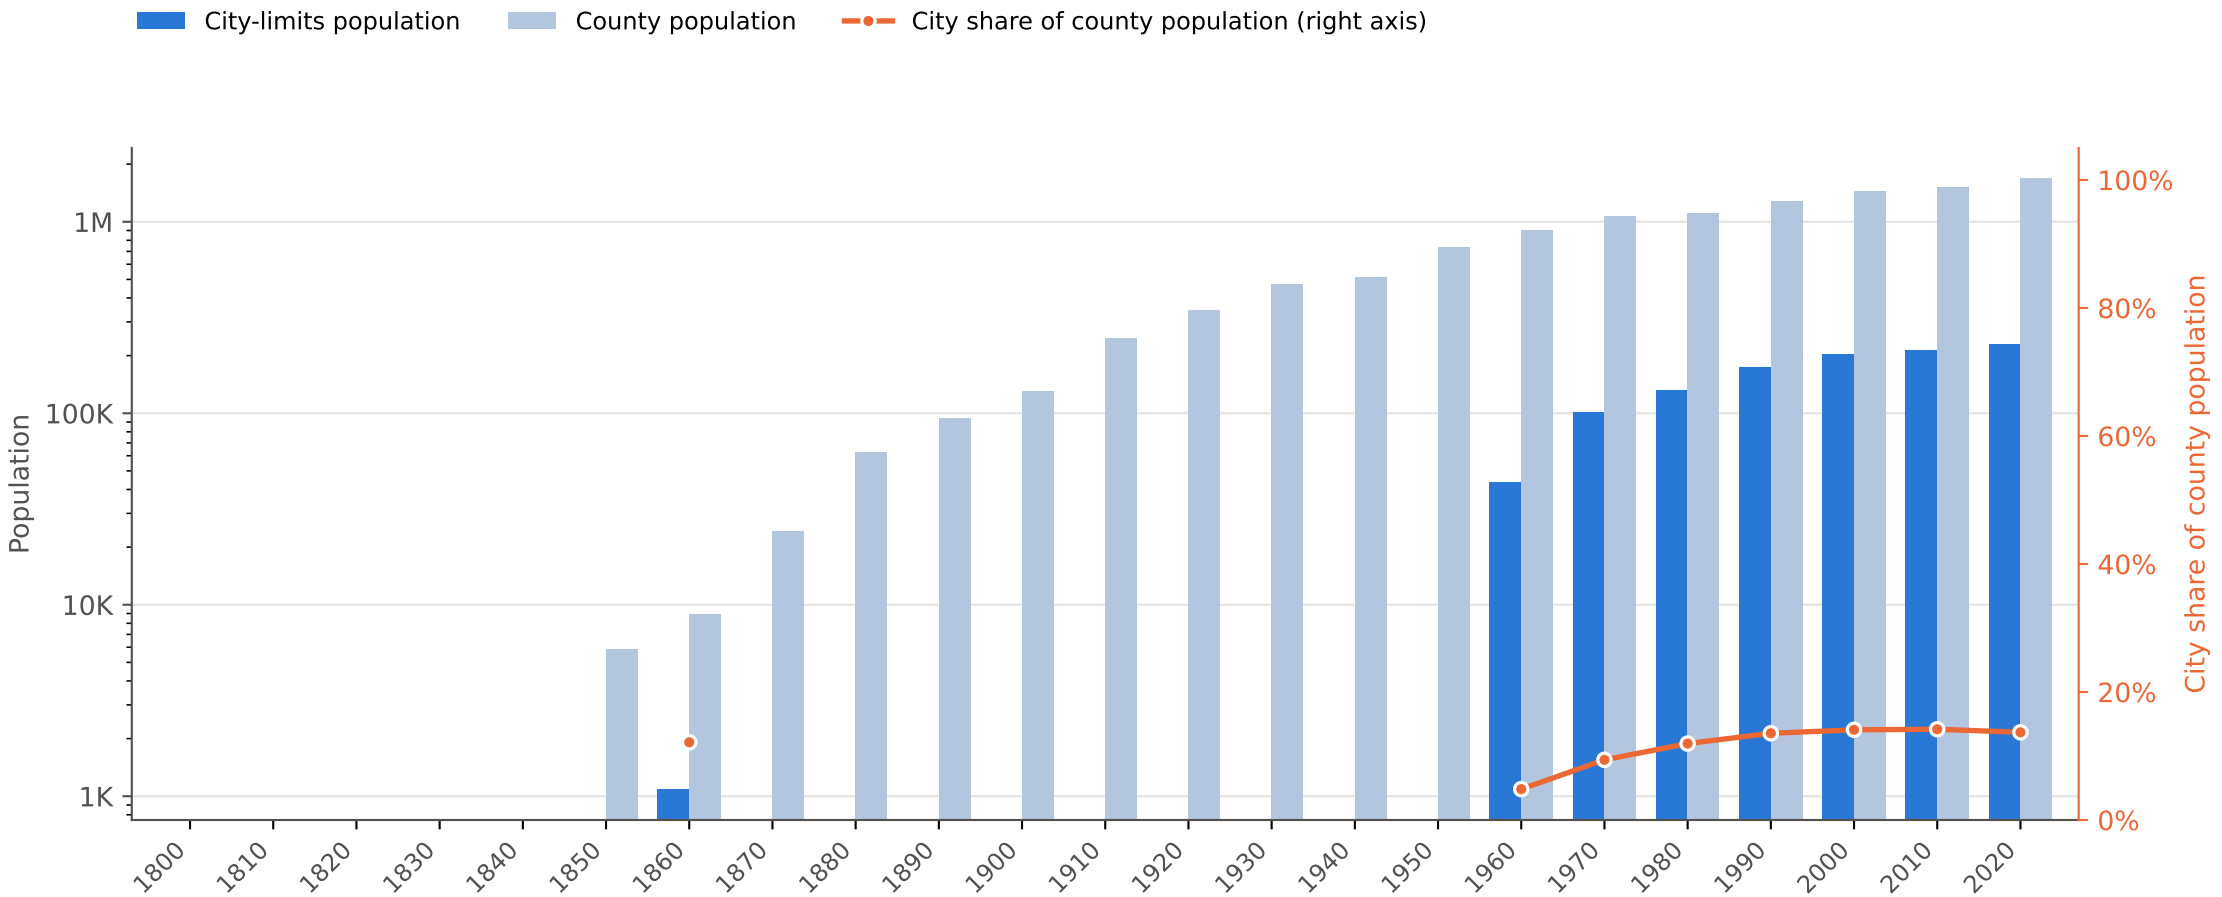

#93 city in the contiguous U.S. by 2020 Census population (235,684). Comparison county (2020): Ada County, ID.

Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Fremont, CA: city vs. county population, 1800–2020

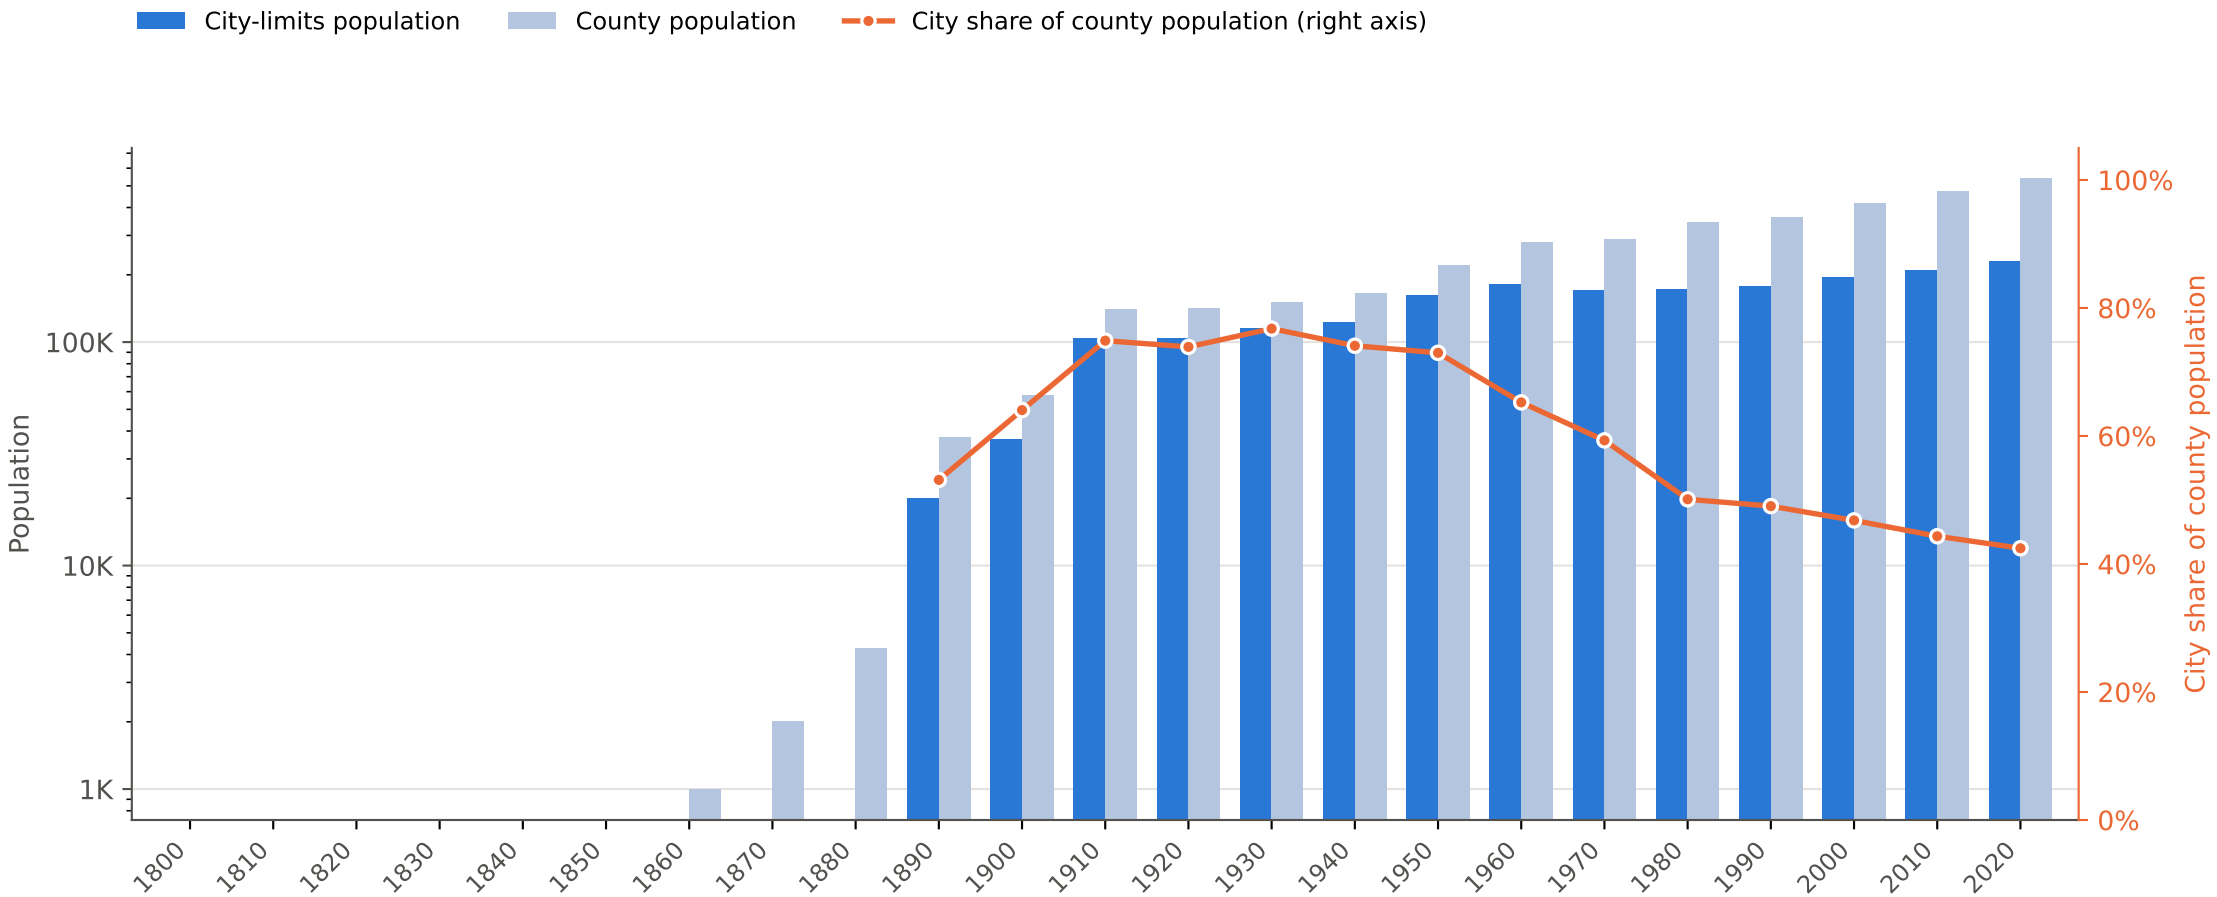

#94 city in the contiguous U.S. by 2020 Census population (230,504). Comparison county (2020): Alameda County, CA.

Fremont was incorporated in 1956 from five towns; the 1860 value in the source refers to a predecessor settlement.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Spokane, WA: city vs. county population, 1800–2020

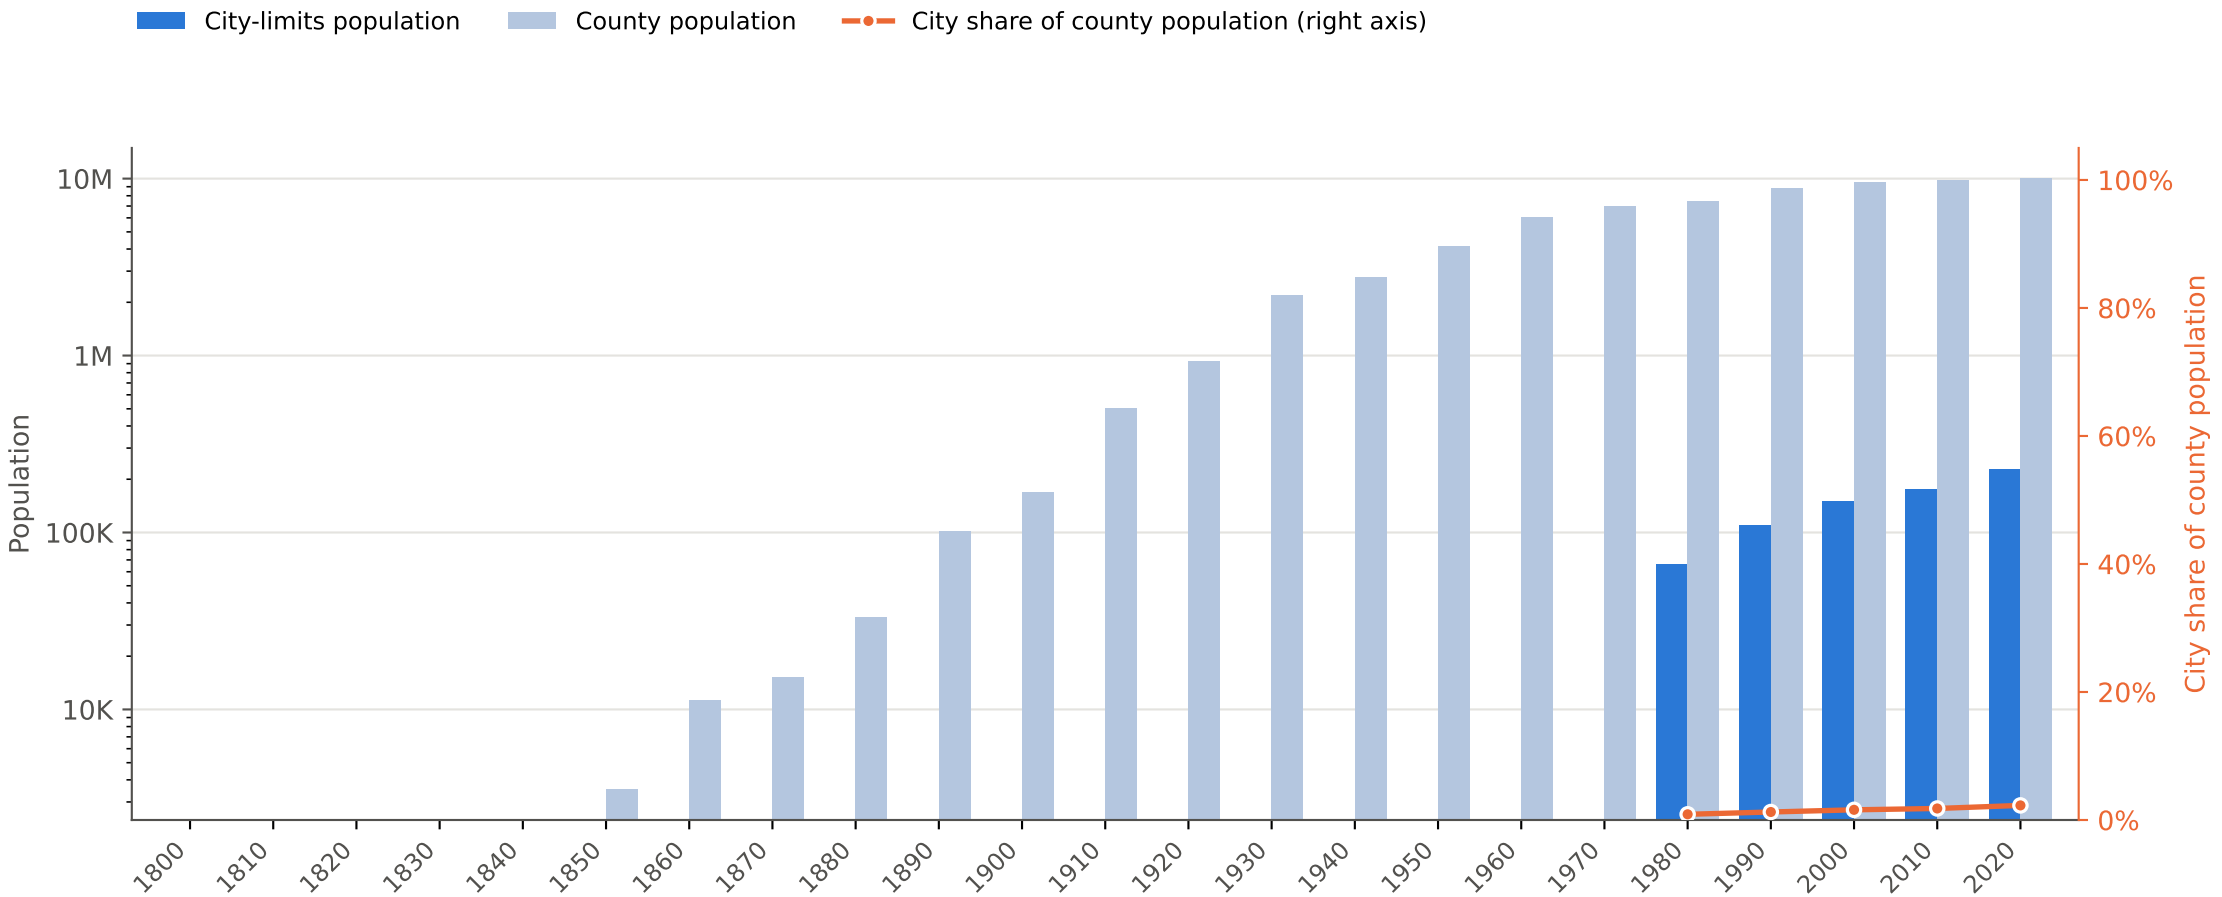

#95 city in the contiguous U.S. by 2020 Census population (228,989). Comparison county (2020): Spokane County, WA.

Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Santa Clarita, CA: city vs. county population, 1800–2020

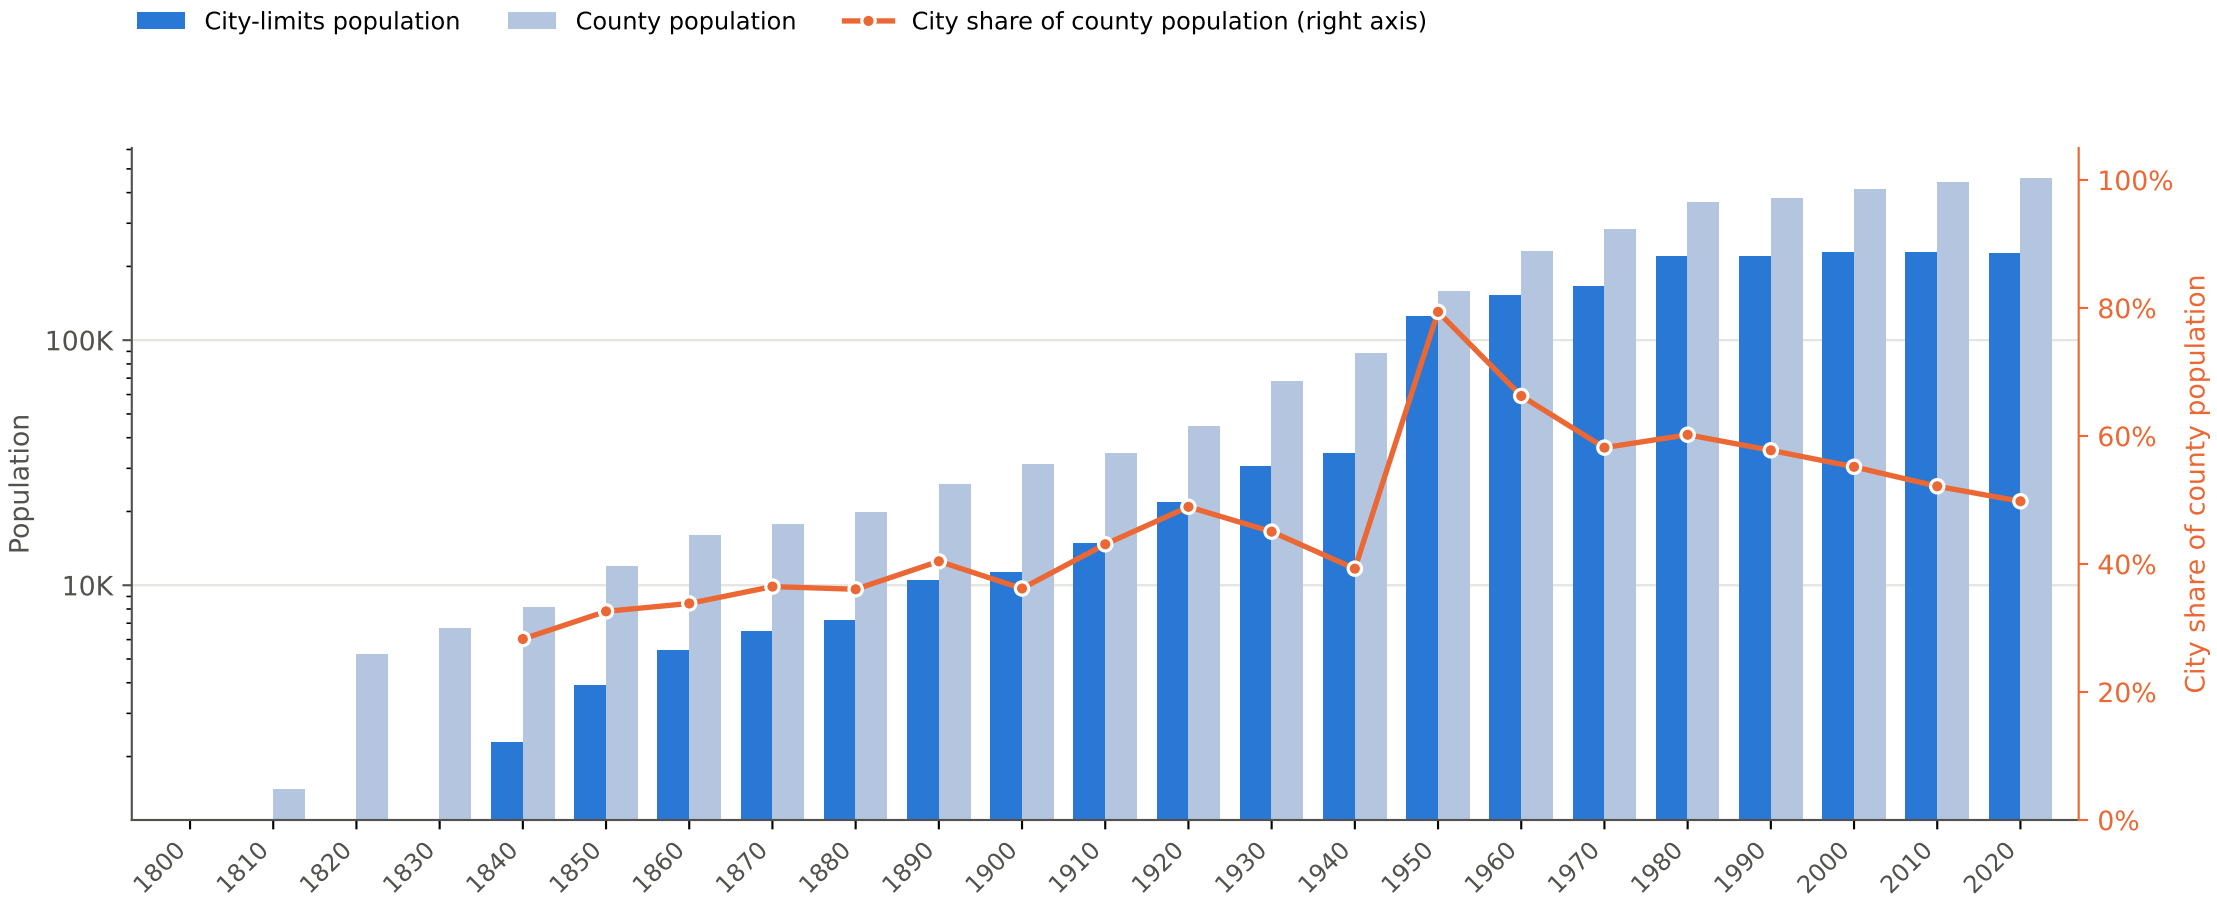

#96 city in the contiguous U.S. by 2020 Census population (228,673). Comparison county (2020): Los Angeles County, CA.

Incorporated in 1987; the 1980 value refers to the communities that later formed the city.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Baton Rouge, LA: city vs. county population, 1800–2020

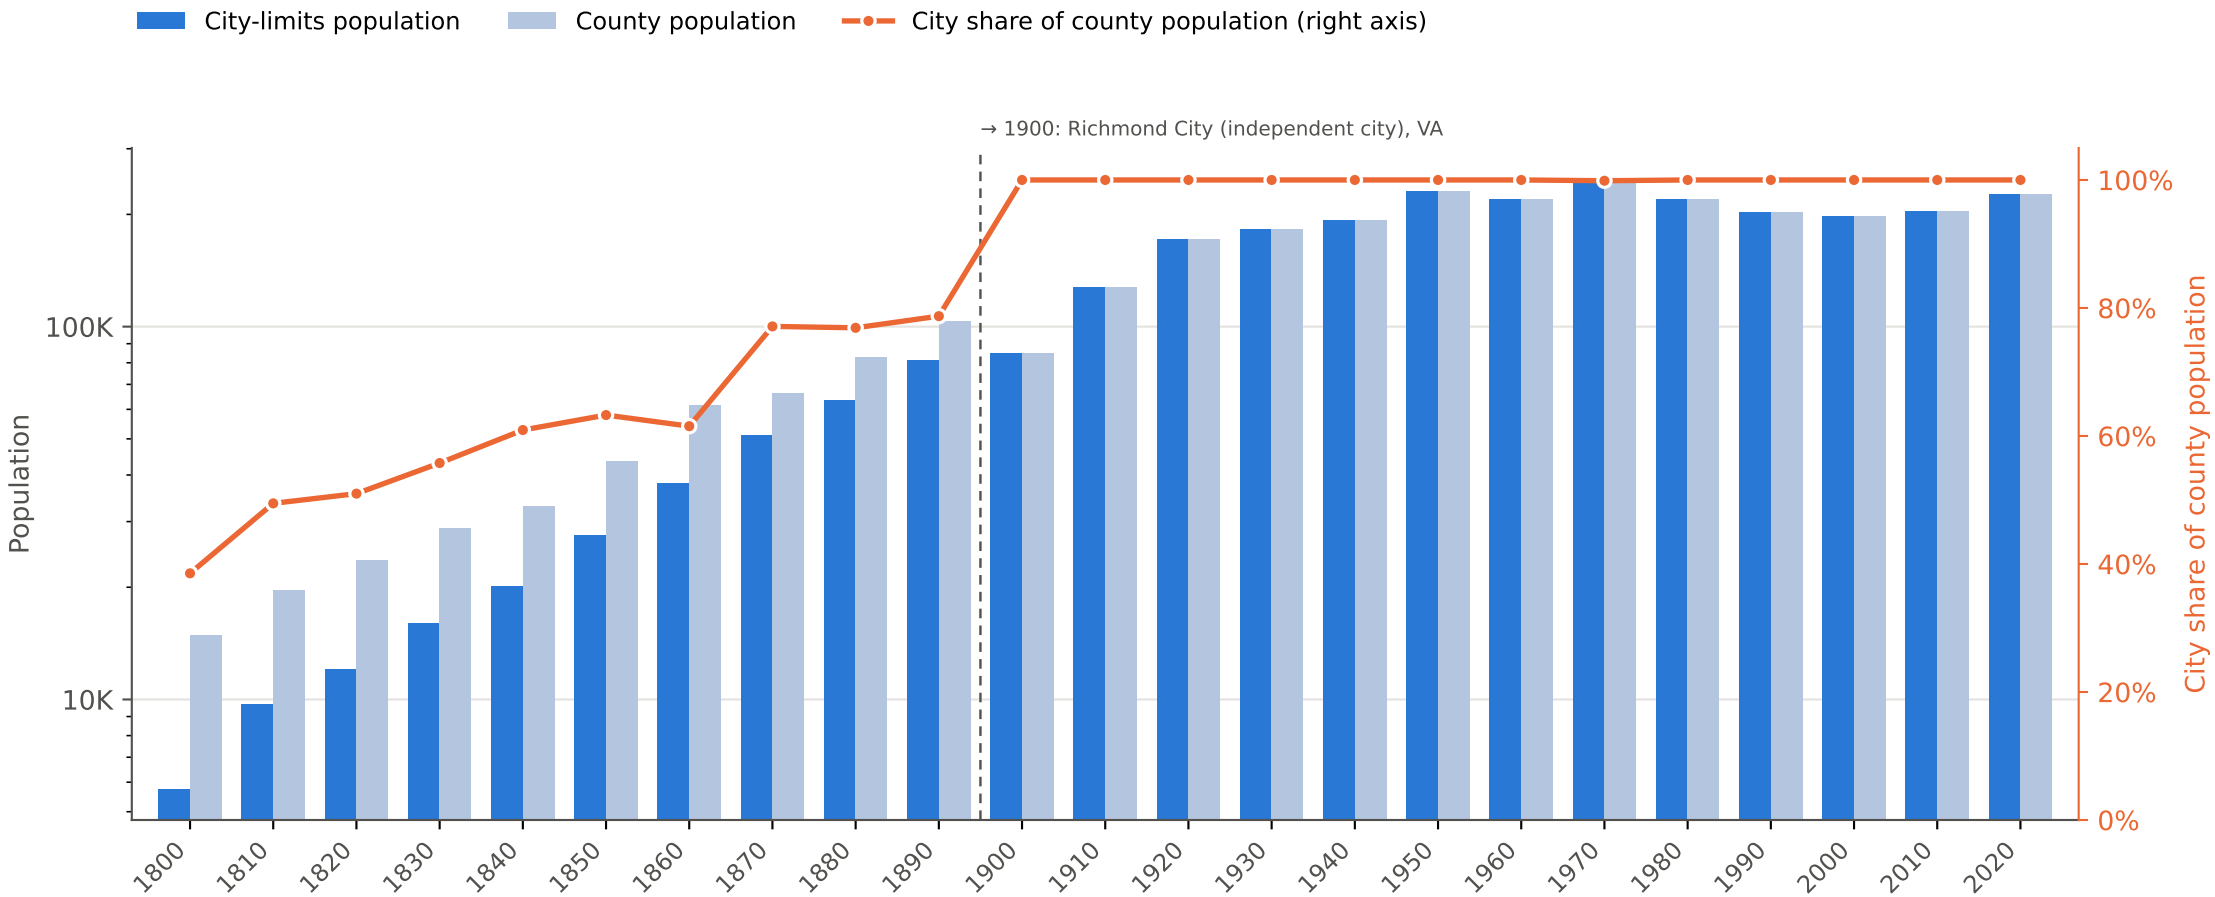

#97 city in the contiguous U.S. by 2020 Census population (227,470). Comparison county (2020): East Baton Rouge Parish, LA.

Comparator is East Baton Rouge Parish. City-parish consolidation and a large annexation took effect in 1949, hence the 1950 jump. Some early city values below the 2,500 reporting threshold are estimates from Populstat (J. Lahmeyer) or a state data center rather than census counts.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Richmond, VA: city vs. county population, 1800–2020

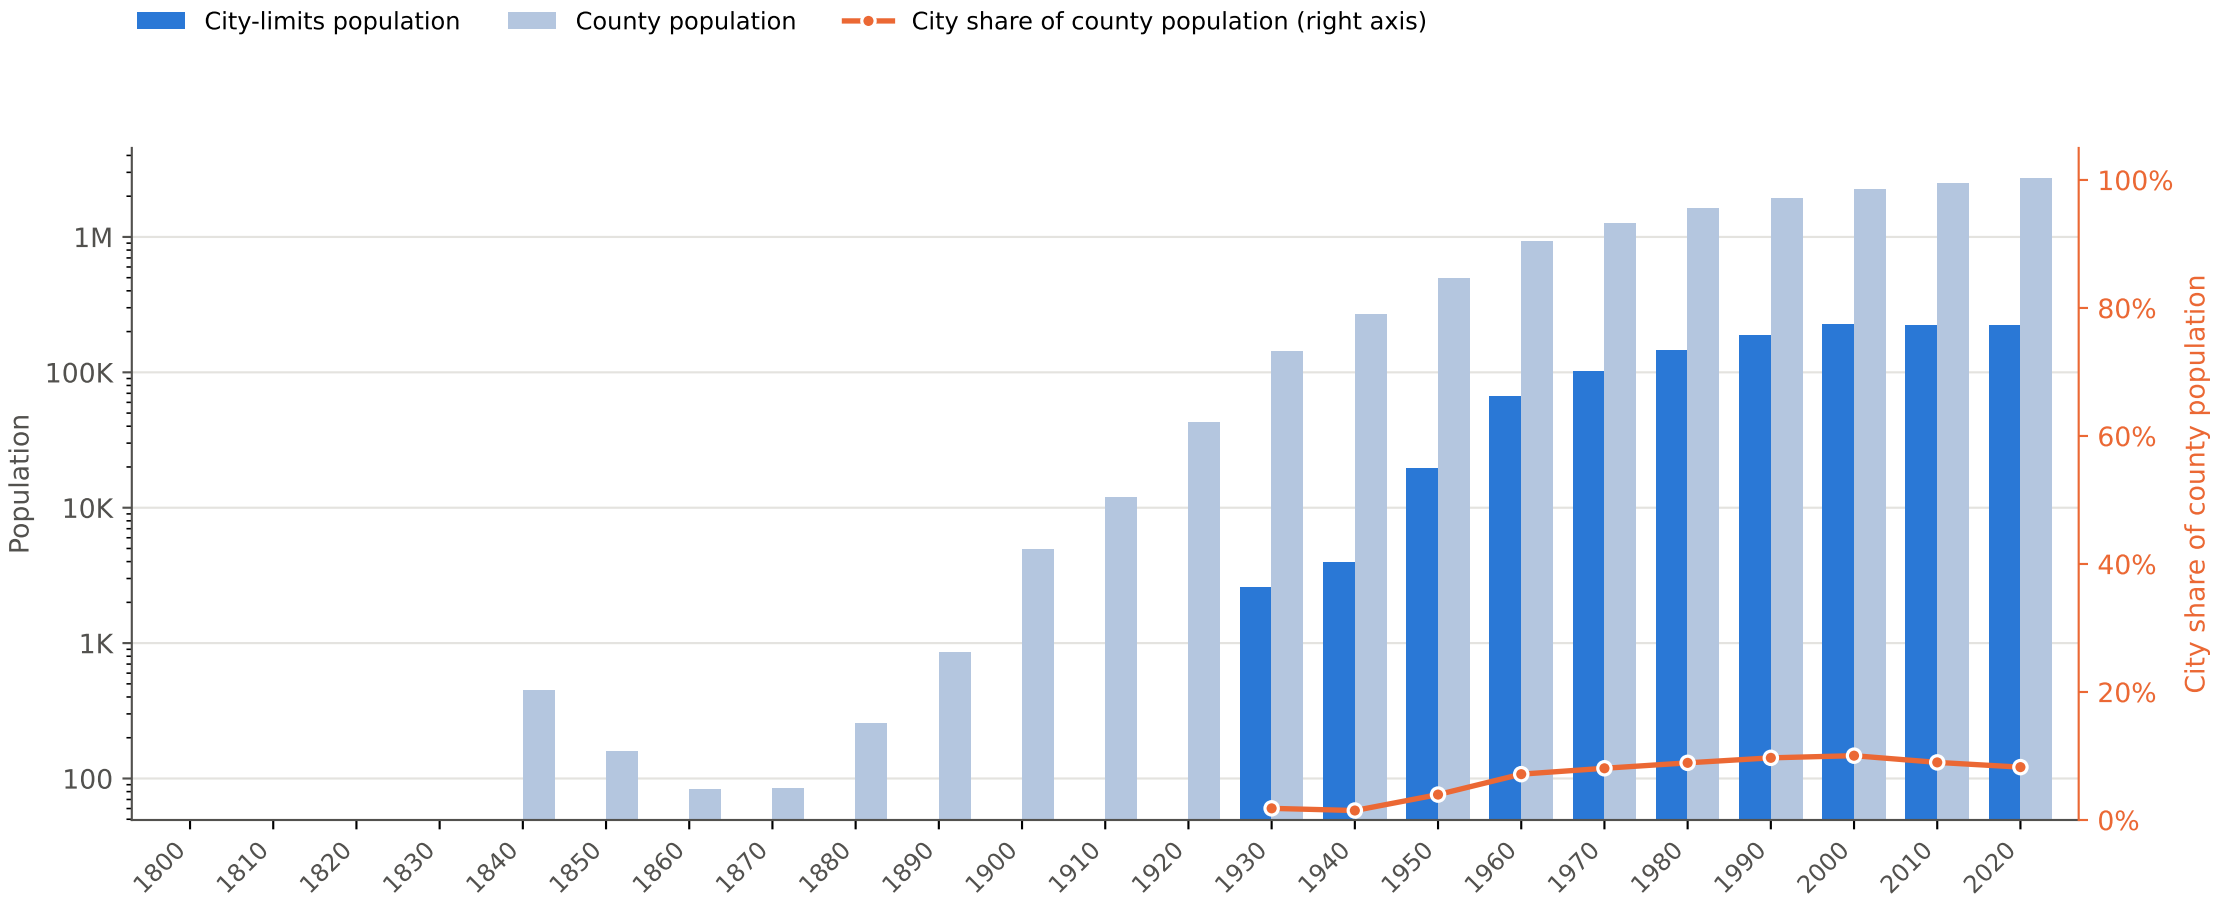

#98 city in the contiguous U.S. by 2020 Census population (226,610). Comparison county (2020): Richmond City (independent city), VA.

Richmond is an independent city (county-equivalent); the census county tables include it within Henrico County through 1890.
Henrico County figures through 1890 include the City of Richmond.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

Hialeah, FL: city vs. county population, 1800–2020

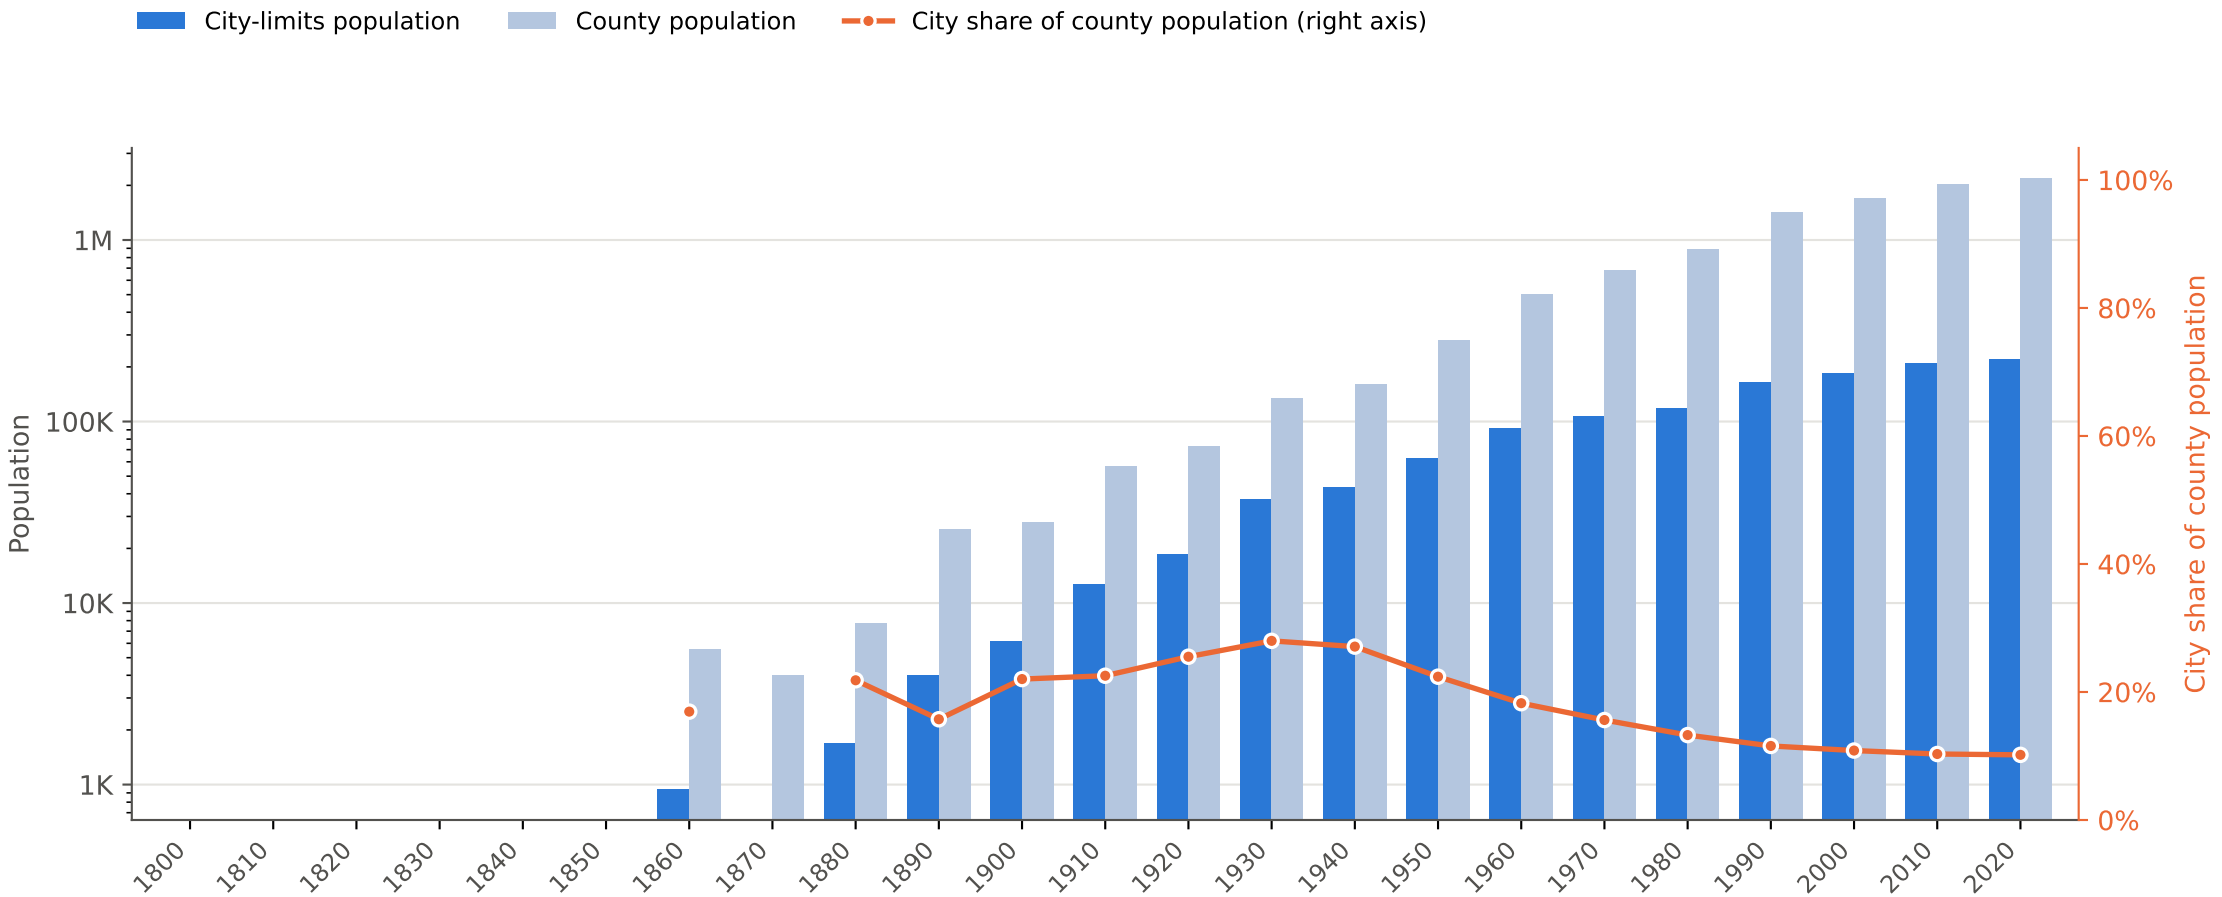

#99 city in the contiguous U.S. by 2020 Census population (223,109). Comparison county (2020): Miami-Dade (Dade) County, FL.

Incorporated in 1925.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.

San Bernardino, CA: city vs. county population, 1800–2020

#100 city in the contiguous U.S. by 2020 Census population (222,101). Comparison county (2020): San Bernardino County, CA.

Some early city values below the 2,500 reporting threshold are estimates from Populstat (J. Lahmeyer) or a state data center rather than census counts.
Missing bars: city not enumerated / below reporting threshold, or county not yet organized.
Sources: decennial census counts. City 1800–2010: Stanford CESTA compilation of U.S. Census Bureau place counts; city 2020: 2020 Census. County 1900–2020: Census county file (van Leuven); county 1800–1890: Forstall (1996), Population of States and Counties of the United States: 1790–1990.
